Introduction

If this was to be my last Newsletter, what would I want to say? I am going to attempt be honest with you and say things that are hard to receive. I will resay things God has shown me that many condemn me for teaching. I have lost a lot of my financial support for teaching gentiles will be part of the 144,000. I have lost a lot of support of saying I don't ever see Donald Trump coming back and making America great. I have lost support for teaching that the rapture is not pretrib.

I so appreciate all of you who have faithfully stood by me. Maybe you don't always agree with me but over the years you have recognized that God is with me.

Even though I share that I have lost financial support, this is not a pitch for money. God is good. The last few months when offerings are down God places my needs on a few who have been generous enough to meet my needs and God keeps showing me that He will take care of me.

If you did not read my last newsletter, 2-10-2022 you really missed some very important teaching. The teaching on the order of events along with my teaching on the destruction of America were my most critical studies, that you need to give full attention to. This study should now be posted on my site, tribulationtruth.com under link called prophetic newsletters.

If you are one who thinks my teaching is wrong on Christian Gentiles being a part of the 144,000 you will be shocked and will go into a complete panic when this event happens. I cannot set a date on this event. The Bible is clear that no man knows the day or the hour for when Jesus will return for His bride.

If you would follow my teachings on this subject, you will see it is all backed by Scripture. I have placed many Bible studies in my newsletters on this topic. One reference is found in Revelation Chapter 14. After the Battle of Armageddon Jesus meets with the 144,000 on Mount Zion. He refers to them as the First Fruits of the Resurrection. The first Resurrection as I have taught in previous studies is the Rapture that will occur around the middle of the seven years of Daniels 70th week often called the Great Tribulation.

If the first Resurrection is the Rapture then what is the First Fruits of the Resurrection. Read Revelation 14, the first fruits is the 144,000. The rapture is the gathering of the Bride without spot or wrinkle. The first fruits is a small gathering of this same Bride of Christ.

What I am about to say will be to far out of the box for many to receive. But this first fruits of the resurrection, (The 144,000) in Revelation Chapter 7; called the Servants of our God. Will appear to be a Pretribulation Rapture and it will put the church into a total panic. The luke warm church that was left behind will now have

to go through about three years of tribulation and make yourself ready for Christ's return in the main group to be taken in the much bigger Rapture. In our for the luke warm who were left behind to be ready, they will need to repent and become totally committed to God, having communion with God and repenting on a daily basis as we are taught in the Lords prayer.

As I was just saying about my studies in my last newsletter, the study on the order of events backed by scripture spells out clearly what the next event will be and in what order we will see World War 3 break out. Again, go back and read it. The next event that is see from scripture happening will be the sealing of the 144,000.

I clearly see the next event after the sealing of the 144,000 will be Mega earthquakes that will trigger the beginning of the Great Tribulation. Once the Gun goes off, The seals will explode that will include rumors of war turning into World War 3.

In my last two newsletters I have been talking sharing the evidence that drum beats of global war are getting louder. I said in my last newsletter that we must ramp up our preparations for horrible coming events. Most teachings on peppering have fallen on deaf ears. Even in Ukraine they are saying that they never thought this would happen, but look at it now, It is happening and people are fleeing for their lives.

Preparing to flee

Below is a today posting by Hal Turner. He is not a Prophetic Christian Writer but as a geo-political writer his writings and conclusions are totally overlapping the prophecies of the Bible. He believes as I do that America will be attacked and invaded soon. Below are the steps he is taking right now to get out of Dodge. He lives in New Jersey close to New York city. NY City is the financial hub of America and it will be zone of first cities to be hit during the soon destruction of America,(Mystery Babylon)

LOGIN

Vehicles Have Been Evacuated WORLD HAL
TURNER FEBRUARY .26

As I mentioned on my radio show Friday night, two of my vehicles (Snow plow and KIA Optima) have now been evacuated from my New Jersey home, and are enroute to my mom's house in Pennsylvania on account of Russia moving nuclear missiles over Ukraine/Europe/NATO. Now, all that's left to evac, if necessary, is me, my wife and our son. We've each got "Bug-Out" bags to grab and run if it comes to that.

In the bags are any medicines we need to live (my cardiac meds, my wife's breathing meds), clothing, some junk food to eat if the trip turns longer than expected because of others leaving, traffic, road closures, etc.

The vehicles we still have here, my GMC Sierra 3500 Diesel, my son's Dodge Durango, are always gassed-up and ready. Each truck has radio gear in it (CB + HAM) so we can communicate and also hear what's going on with traffic on the CB band. We also have brand new Rand McNally Road Atlas's in case GPS is down and we have to take some bizarre route due to highways being blocked. Yes, we know how to actually read a map; we went to school before the Diploma became a Condom!

Both vehicles have jumper cables, spare fuel cans, tire air compressors that can plug into cigarette lighter, tire-change jacks, and spare tires.

In PA, the house is set up with food, an emergency generator, fuel, back-up Internet with cellular modem fail-over to do the radio show, and back-up audio/computer gear for that show and for this web site. There's a CB base station too.

There's a great wood-burning stove, and several cords of wood for fuel. The Liquified Natural gas tanks are automatically re-filled monthly by the local gas company. The well pump is in good working order and the septic tank was cleaned last summer. So that all adds up to light, heat, water, food, and communications up there.

In this example above Hal Turner believes that to leave the cities close to New York will make him safe for what is coming to America. This may be true and it may not be enough.

Why do I say this? Hal Turner is not a Christian who believe in the coming great Tribulation, and I doubt that he believe in the anti-christ global system of the Mark of the Beast. When this system unfolds around the world, you will not be able to buy food or even go out in public. You will be forced to take the mark of the Beast. Probably an implanted chip for doing any banking or buying food or anything.

During this time, just around the corner, Christians who refuse to be chipped will become enemies of the state, they will be rounded out and sent to detention centers. I have heard that you will be given an opportunity to be re-educated and take the chip, {The Mark of the Beast} What does the Bible say will happen if you take the Martk of the Beast? God says you will be dammed to hell forever.

So What does the Bible say will happen to those who refuse the Mark? They will Kill you. Remember, to die is Gain. When we die we instantly go to heaven and those who die confessing the name of Jesus as a myrter are given a special reward that will last forever.

If this is true, what must we do?

Number one, confess Jesus as Lord and live totally for Him every day. God does not want us to give up during this time. No during this time we must make plans to live so we can be used by God to lead many to Jesus Christ during this time of Tribulation. I believe we need to have Grab and Go supplies ready and have a plan to live in the woods if need be. During the 2ed World War over 1000 jews hid together in the woods of Poland and survived the death camps Hitler had prepared for them. Below I cover the top three prep items needed to survive in any location.

The importance of Bearing Arms

As we are watching the news and seeing what is happening to what was a free country that is now under attack, we are witnessing in incredible struggle put forth by the Ukrainians. They are refusing to give in to Russia and give up.

What I am seeing is totally amazing. In the fight to save their country from conquest by Russia, they are recruiting every able body man from 18 to 80. But they are

handing out automatic weapons to young teens, to housewives and mothers. And to any old person who can fire a weapon to defend their country. It was this tactic that saved the Russian City of Stalingrad during WW2.

During the first and second World Wars that America was involved in, it was the fact that America had the right to bear arms and that our kids growing up on farms and in the country that made American fighting men so formidable. America must never give up its right to bear arm and have the ability to defend our families and country.

The top three prep items

Food-----Water-----Shelter

1. **Food** may be looked at as the most important prep item and don't get me wrong, starvation is a horrible way to die but you can survive for weeks or even months on very little food. During the Second World War, the soldiers in Japanese concentration camps were lucky to have one cup of rice a day and if it contained maggots this was needed protein.
If you plan on a place in the woods that you could pug out to, think about going there and burying buckets of rice where only you can find them. Burying food cash in multiple locations can be a life saver.
2. **Water** is the most important prep item. Water in the wild can be contaminated by wild animals. They can drink some water not fit for humans. You don't want to catch beaver fever. The solution is a quality water filter system. The Lord recently instructed me to collect a number of top quality water filers to be able to help groups during the Great Tribulation. Below I share this project and give the link on Amazon for a great filter that can filter 6000 gallons of Water. On average you can only survive 3 days without water. If you pre-filter you water with a coffee filter you water filter will last longer. If you are able to boil water you use for cooking, your water filter will last longer as well.
3. **Shelter**, Realize this topic here concerns extreme survival. The 1000 Jews I mentioned earlier who survived years hiding in the woods of Poland didn't even have tents to live in. If you see the possibility of your needing to hide and survive during the great tribulation, you can buy a good tent and other camping supplies to make your stay in the woods half comfortable.

4. **Extras**, A good sleeping bag is a life saver as well, I am constantly looking for used sleeping bags I can give to the needy during the Tribulation. I have bought most for between \$4.00 to \$8.00 each. I almost never pay as much as \$10.00 . Last week I was at a Good Will store and saw a huge Sleeping bag for \$15.00 dollars. I thought it may have been a double wide sleeping bag so I bought it. When I took it home and opened it up, it was a wide, large bag rated to 30 below zero. This was over a \$100.00 bag and a good deal. A large metal cooking pot is also essential. And other cooking utensils. Think of all you would need if you was going on a long vacation camping trip. I could do a book on this subject, But I don't have time. Go to a book store or online and do a quack study and prepare.

Financial Needs

My Ministry is faith based. I am trusting God to meet my every need; the needs for the sanctuary God has directed me to prepare will still have needs for a while. I still have a mortgage to payoff and I am trusting God that all my debts will be gone,

. Thank you so much. I am sorry I have not been able health wise to reach out and thank you personally for your support.

Ministry Project

Many Ministries make appeals to raise more money than they need and they live high on the hog. This is not true with me. A few years ago, when I was selling many books, I but all the proceeds into the ministry. God directed me to build our mini farm ranch into a sanctuary to help His Children in the last days. When I asked God one night in 2015 how many I needed to prepare to help. I heard God so clearly, it was almost the audible voice of God telling me to prepare to help feed 100 people during the Great Tribulation.

Recently God has revealed more to me on how I am to help the needy during the Great Tribulation. I thought I was to house the people on our property so I have bought tents, sleeping bags and other survival and camping supplies, along with enough food to help these people.

Recently God has revealed to me that my food and supplies will be super naturally delivered to those who are hiding in the woods and other places and as they are calling out to God, God has prepared people like me who have been instructed to prepare to help those in need during the Tribulation

Because we are so close to this time, I realize I need a couple of items faster than I have time to see the funds come in.

I need eight Burkey type water filters and eight hand operated grain mills. I have had enough grain mills come in but still need some quality burkey type water filters. The ones from Augason Farms are no longer available but I found a great one from Amazon. The filters will last for 6000 gallons which is great. They cost about \$225.00 with shipping but it is a deal for this quality. I will post the link to this Amazon Item below.

https://www.amazon.com/gp/product/B095P8HLCY?ref=ppx_pt2_dt_b_prod_image&th=1

When you order have these sent directly to me. John Shorey, 178 Camino Embarcadero, Rio Rico, Arizona 85648

When you partner with me on this project, God will reward you greatly.

Health Update

I recently revealed to my partners in ministry that my last medical checkup revealed that I probably have advanced prostate cancer. I knew this three years ago but because of a lack of insurance and the Covid situation, I decided against treatment.

I have been praying on the timing of my going for treatment and two things come to me. Over three years ago I was warned by God that He would allow this to keep me relying on Him, God told me He could restore and heal me in a moment as He had done instant healings on my body in the past. So based on His promise and with the ongoing virus situation I am waiting on and trusting God, my health has taken a turn for the worse in other areas. I have lost half my hearing and my vision has taken a sharp turn in just weeks since my last newsletter. Now a month later I have been stopped from doing this newsletter from worsening vision.

I have not been able to read with glasses and magnifying glasses. I discovered this issue was from taking too many over the counter pain meds. When I came off these 3 or 4 days ago my vision has been improving by the day. **Today I have been able to read and type with only my reading glasses. I am praising the Lord but keep me in your prayers for the pain to go away.**

My War Analysis

This is the War analysis I wrote several days ago before Russia invaded the country of Ukraine. War is getting very close to happening in Europe, and Russia has been given the OK to bring war across their border by the Russians equivalent of our Senate. When bullets fly this will not be a world war of the 6th seal yet. It will be contained. But the USA will do hollow gestures and send more military to Europe.

This will show how weak the USA really is, This will now trigger China to make its move against Taiwan. This will trigger more hollow gestures from USA and we will send more military to Guam, Japan, , Pearl Harbor and other Pacific locations.

This is still not a world War of the 6th seal. A nuke can go off but it will take back and forth nukes to escalate this into a World War of the 6th seal.

Last night while out under the stars praying and having my communion with God a Bible story hit me, I had not thought of this story for years. I am convinced the Holy Spirit was showing me the enemies game plan.

Do you remember the OT story, I think it was Israel or an enemy of Israel and one side was drawn away from their great city. When they were occupied away from their home turf, they looked behind them and saw their cities burning,

When Russia and China draw our armies and weapons away from the USA this will be when the USA is left unprotected and I believe this could be the opportunities our enemies are waiting for. This could be when the nuclear missile attack will begin from all directions to Destroy Mystery Babylon. (The USA)

Europe and NATO nations will be untouched to biggest extent while the USA burns as has been predicted by the Bible and many prophets.

How long will this take? It must be soon to create the surprise. and the good news is , the Transformation, or the sealing of the 144,000 happens first.

This part of my study above was done a few days before the country of Ukraine was invaded. Now we are a few days into the invasion and things are not going as well for Russia as President Putin had planned.

It is interesting to note how at first, the first two days NATO and the USA were holding back on real support. But watching the valiant fighting and the unwavering resistance of the Ukrainian of the Ukrainian people I see Nato and the USA doing more to stop Russia from winning this war and taking the country of Ukraine back into the borders of Russia.

It was in the second day of this war that China was boasting on taking back Taiwan and yesterday they sent 14 fighter jets into Taiwan's airspace, letting Taiwan know that they are next on the hit list.

I believe that with the Ukraine's stiff resistance things have changed. Russia admits that NATO's army is bigger than Russia's but Russia's ACE card is their Nuclear arsenal. Russia has the largest most advanced Nuclear weaponry in the World. Their advancement in hypersonic nuclear missiles have created a weapon far more advanced than what America. If the truth be known, America has yet to develop an interceptor missile capable of stopping a hypersonic missile from hitting its target in America.

If we were only dealing with non-hypersonic missiles, tests have shown it takes two of our interceptor missiles to take out one ICBM nuclear missile. I have read that we only have a small number of these interceptor missiles and non capable of taking down a hypersonic nuclear missile.

So do we have anything to fear here????, I believe we do.

Russia has warned NATO and the USA that if we interfere with this War, then they will attack any country that does interfere with their ambitions to take back Ukraine.

Yesterday the promised help being offered by NATO and the USA , I believe is our crossing the red line that Putin warned us not to cross.

Russia has been described as a Grizzly Bear. If the Ukraine is supplied with enough help to hurt Russia and stop Russia in this war, this would be pushing this bear into a corner, This will push Putin to use the NUKE option. But if you understand Bible prophecy it does not paint a pretty picture of the USA. If you believe as I do the America is Mystery Babylon and the Bible says it will be destroyed by fire in one hour. Then we must consider the possibility that the time for the judgment of America has arrived.

I went into greater detail in my last newsletter under the topic of, America's destruction comes first. I discuss how the Axis of Evil, Russia, China, North Korea and Iran want to see America taken out. Is this the Time? This is a time to pray and a time to prepare.

This is the Shemita Year Again

Below I have a letter I wrote to some prophetic friends of mine yesterday. God was leading me to include this study in this newsletter I was doing today and by sharing it with them I could possibly get some good feedback. I did get some feedback and I will share this at the end of this study.

Hi Jeff and Erin,

I want to share some thoughts on a point Jesus made in your last dream. Jesus mentioned the Shemita cycle and a comment like him not wanting to cause concern to Erin.

You must remember all the hype in 2015 concerning the shemita cycle ending a 7 year cycle in September of 2015. I remember Mark Biltz who did the original study and book on the 4 blood moons. I remember him saying something in 2015 that I did not want to believe at that time. He said that if the rapture did not happen in September of 2015 , then we would have to wait for another 7 years for the next 7 year Shemita cycle.

At that time I did not like the thought of waiting another 7 years. We are currently in the 7th year of the Shemita cycle., this is the shimita year.

Some could make their case that we now have to wait until September for the rapture. I disagree and I will explain.

I have recently concluded from recent studies of Matthew 24 and Rev 6, and 7 that we must be careful that we are not deceived on **what will be the sign** of Jesus coming.

Jesus disciples asked Jesus , **What will be the sign of your Coming??** Jesus first said, **Do not be deceived, He was talking about false prophets and teachers.**

Then Jesus said **no man knows the day or the hour.**

Then Jesus said there would be **signs in the sun, moon and the stars.**

To determine when Jesus would come Jesus gave us three different areas that could confuse us and deceive us on the time of His coming.

1. Do not be deceived, His words were, Be careful that no one deceives you. I see this referencing false prophets and teachers. Not all are false but the Bible says , "**No one knows the day or the hour.**" I will make my case that we are not to look to man , or prophets to know when Jesus is coming.

2. NO one knows the day or the hour, I said be careful how and who you listen to concerning what the prophets say, they are men and no man knows the day. But this warning goes deeper. Men are constantly looking at the Jewish festivals like the feast of trumpets and other Jewish festivals and they with a study of the Feast of Trumpets can actually predict the day and the hour. Therefore we cannot use any Jewish festival to predict and exact time of the Lords coming for His Bride..

3. Signs in the sun the moon and the stars. signs in the sun, moon and stars are signs but we are not to use these to set exact dates. This happened with the four blood moons and with the event in the stars with the constellation events called Virgo and the dragon. I have heard high profile teachers say their bags were packed and one was so adamant concerning the Virgo constellation event that he asserted you would be left behind if you did not believe what he was saying,

So what do the signs in the sun, moon and stars mean? They are only a sign that we are close to or in the season of the Lords coming. Gods coming is set in Gods calendar written in the sun, the moon and the stars and God is not going to reset the sun, moon and stars to a different date, these are only to let us know we are in the season of His coming.

So how does the Shemita cycles fit into all this. I believe we cannot use the exact time of a 7 year cycle to set a date for the rapture. this is what they did in 2015.

We are currently in the 7th year of a 7 year cycle, this is the Shemita year and that is all we need to see and know. Jesus could not bring this up 1, 2 or 3 years ago.

If we was waiting for another 7th year Shemita year, we would have put our guard down thinking we had to wait years before Jesus would come.

With this all said, I believe Jesus can come anytime this year because we are in all the cycles and the Shemita year.

So what was the answer from Jesus to His disciples on what would be the sign of His coming.???

If you look past the warnings to His decuples , to not be deceived, Jesus went into listing His version of the events that John would later list in the Book of Revelation called the seals.

When Jesus lists these seal events that John describes, Jesus finished his list with Great earthquakes, Jesus then said, "**All these are the beginning of Sorrows**" In other words, when this list of seals are completed, What I call , all lined up at the gate waiting for the gun to go off, (Great earthquakes is the Gun going off.) Then all the seals will move forward together into the Days of Sorrows or called the Great Tribulation.

So when the list of seals is completed with mega earthquakes , this triggers all the seals to move forward. Rumors of war will then turn into Word War 3, The USA will be destroyed, (Mystery Babylon) with the global Dollar system and global famine and starvation, these seal events will all be exploding at once.

I keep hearing about the coming Global Reset. When America is destroyed along with the Dollar, this is when the reset will happen with a new global government and a new money system called the Mark of the Beast.

So to answer the question on what are we to look for? We are right now seeing a war, not a world war, It is a tinder box, it could explode into a global war in a heart beat

If a known country gives missiles to Ukraine that are used against Russian Soldiers. Russia has said they would attack with nukes the offending country. , If these missiles come down from Poland and Poland received them from the USA, and Putin is being pushed into a corner, He could launch an all-out war against Poland, this would bring NATO into the fight and Putin at the same time would launch an attack, hitting the USA thus bringing this to the level of a World War , the War of the seals.

So what am I saying in all this? We do not have to wait until September for the Gathering of the Bride, It will be soon, But as close as war may appear, The Trigger event of Mega Earthquakes still has to happen first before a global war.

And the really good news, The Transformation and sealing of the 144,000 servants of God has to happen before the mega earthquakes and World War 3.

Your Friend In the Faith John Shorey

I have followed Jeff and Erins prophetic dreams for about two years. I have not seen any red flags go up. I am convinced their ministry is God given. Below is their response to my above Shemita study.

Hi John,

All I can say is... WOW!!! What you wrote makes total sense and fits in perfectly with Erin's dreams of not stressing ourselves with dates. He has it... PERIOD! God will do it in His timing and when He wants to.

In other words, I agree we don't have to wait for a date man thinks is the right one. This could happen any day now and it will!! The Bride, the 144,000, is about to be called to her Groom! I can hardly wait.

Much love & blessings, Jeff & Erin

Why Should We Tithe???

The Lord recently laid it on my heart to teach on this subject. In just my normal Bible reading as I was reading through the Minor Prophets, When I was finishing my reading with the last book of the Bible. The Minor prophet, Malachi I saw things that I have missed, even though I have read through the Bible over 25 times.

I would like to share a bit about how I came about tithing immediately after becoming a Christian.

When I was a young child living in Maine. For a few years we shared my Grandparents home and we eventually bought their home as our own. I was Three or four years old when we move in with them and I developed a very close relationship with my grandmother.

A few years later I would visit with my grandparents one room cabin located at the Old Town Pentecostal campgrounds. They would spend their summer their and each summer I was invited to stay with them for a week.

I was not a real Christian at this time as I was being raised Catholic. I did not know Jesus as my Savior because the Catholic church did not really teach this. Their Bible teaches about Jesus and Salvation but the Catholic church did not teach the importance of read the Bible.

Well, on one of my visit with my grandparents, my grandmother taught me about tithing. She told me that 10% of any money that comes to us, belongs to God. She shared that she received \$50.00 a month from Social Security and each month she would give \$5.00 to the work of the Lord. And beyond that I remember the time our family was really hurting financially and she was over for a visit and could tell we didn't have all the food we needed. I remember her opening her purse and taking a \$10.00 bill and giving it to my mother. I never forgot this act of love on her part. \$10.00 was 20% of her monthly income.

So when I was saved in the spring of 1974 at 21 years old, I had to take my 15 ft boat 35 miles across ocean waters in Alaska on the weekend to go to church. I remembered what my grandmother taught me about tithing and I started tithing on the first Sunday I ever attended a Christian church.

I tithed on my gross income from day one because my Grandmother tithed on her gross income. God really blessed me, I kept getting advancement at work and it only took me three years before I was working the highest paid position as a logger. I was taught the most dangerous industrial job in America, I became a Timber cutter also called a faller of trees as tall as 200 feet.

Now bear with me. As a timber faller I had to buy my own expensive chain saws and are prone to breakdowns and being crushed by the trees you are working on. Because of this high expense 25% of your paycheck was called saw rent and was free of income tax. I made the decision that I would also tithe on my saw rent because I wanted God to bless my saws.

What happened from that decision was nothing short of a miracle. My saws almost never broke down. In fact I could not wear them out, I would see the other cutters bringing in their saws at the end of the day for repairs frequently and I didn't ever have a major repair to deal with. These were big saws with three foot bars and I kept one of my two saws for memory sake and I can still 45 years later pull the start cord and the engine turns over and wants to start. I own a chain saw so blessed by God that it has refused to die.

From this I learned from an early age in my Christian walk that you cannot out give God.

So now back to the Book of Malachi. There are incredible nuggets in this book and not just about tithing. There are incredible nuggets concerning the relationship in Marriage.

If you will give this short book a real study you will learn more than I have time to teach in this newsletter.

God was upset concerning failed marriages. And He was talking about his laws and ordinances. Now what was really interesting is God said that He is a God who does not change. He is upset that man would fail to keep the ordinances He has established. I don't know what all these ordinances are but in the Book of Malachi He uses the ordinance of tithing as His example of an ordinance that the church was neglecting to follow.

Realize, this is the last prophet and the last book of the Bible and God says that He does not change. Then using the ordinance of tithing God poses, the question.

“Would a man rob God” He answers His question with “Yes, with his not paying is tithes and offerings.”

A couple of points here. God asks, would a man rob God? Is robbing God the same as stealing? Is stealing one of the ten commandments?

So you may have asked, How does this teaching on tithing fit in with your teaching on the Lord coming for His Bride? The Bible clearly says that Jesus is coming for a bride without spot or wrinkle. The Bible says that the tithe belongs to God and we are still stewards of the rest. So if not tithing is robbing from God and it is one of the ten commandments not to steal then how can we be ready for His return and violate His Word.

Now let me say, I don't agree with this but I have heard many Christians say that Tithing is in the Old Testament and we are not obligated to keep the Law. This does not make since. The Ten Commandments is in the Old Testament is it ok to lie, cheat, steal and kill? Go and read all of the book of Malachi and try to convince yourself you don't have to tithe.

Can you really afford to be wrong on this? This is the only place in the Bible where we are told we can test God. It says in Malachi, It says in the King James, Prove ye me, that if you tithe I will pour out a blessing so great that you will not have enough room enough to contain it. This is a paraphrase but pretty close to what is said.

Another interesting nugget is the why we are to give our tithe to the work of God. It says, bring your tithe to the storehouse so there will be enough food to feed the needy. How many ministries do you know where they are using the tithe to feed the hungry?

Words from the Prophets

Putin's First Steps Toward World Dominance

FEBRUARY 25, 2022, BARBARA FRANCIS

MENE , MENE, MENE I raise leaders up. I use them to fulfill my purpose. Mans days are numbered. The hourglass empties. See the nations leaders scramble as “The terror of nations” stretches his legs . A conqueror that is preparing t o take control of weakness. A shrewd warrior with a plan. He doesn’t sleep he spends the night calculating his next move. His army will move over the nations of earth one by one. He will use every weapon in his arsenal on them to be the victor . He will crush anyone trying to stop him from gaining worldwide power. America he has set his sights on you .Your weak leadership makes you the prize. A proud nation that continues in wickedness , murder of children and sexual perversion will be brought low. I will humble your people and allow the destruction and burning of every idol you have raised. The wicked will be as stumble and you will be brought into captivity

From time to time I will place a study in my newsletters a second time, If I see it very important and deserving of a second read, This prophetic word givin only two weeks ago is really worth a second read. John Shorey

I AM COMING NOW IN MY REMNANT, YOUR WAIT IS OVER!!!

Message received Feb.11, 2022, Julie whedbee

Never before My children.. never before have I come like I will now come! Never before has there been a season on earth like what is now here, and never will there be again! Just as I have taught you that there is an appointed time for all things in My design, there are an immeasurable amount of details that must be in place, so to speak, in order that My Word is fulfilled in all accuracy and truth. I have taught you that position is of the utmost importance, and this is not only for you as a being made in My image to fulfill your purpose here, but the positioning of all things created must be aligned in its proper order across the earth, and then the point of My collective manifestation occurs in My people.

Never before has the fulness of time come when all facets of My design are in harmony. Never before have the necessary prophecies come to pass in order that the earth is ripe for My arrival. Never before has evil been called good and good evil to such a degree so that the enemy has been given power like never before to deceive, in order that all is fulfilled. Before I intervene, I have allowed the darkness to reach the fulness of the limits I have put on it in order that its full face is revealed for what it is. In doing this, and before I now manifest through My first-fruits body, souls have been given a choice either for Me or against Me. There has been a separation of My first-fruits Bride from the larger remaining group according to the experience in intimacy each soul has attained.

I tell you now children that your wait is over, as I intervene to reveal evil for what it is. As you My vessels are now prepared for the Master's good will and pleasure, and as you are ready to receive your King and Groom, so I will now come for My jewels, those who have been tested and refined by fire, the third I have brought out from the whole, in order that I may have an army to display Myself through, as My presence invades the earth, bringing the Kingdom here- all things on earth as it is in Heaven.

In this the veil of deception is torn and all will be exposed for what it is. No longer will evil have a place to hide from the presence of the Great I Am, as I pour and I pour and I pour out through My instruments of righteousness, and collectively you shatter the darkness. All lies will be confessed and exposed, all unrighteousness and wickedness will surface, as the light of My glory through you overshadows them in all radiance and brilliance. All the dark kingdom will attempt to run in great terror at the sight of you, great fear overtaking them, but there will be nowhere to hide.

A great, great shaking comes both for those who call themselves Mine, but who have compromised, especially those in teaching/pastoral positions, false prophets leading many away from Me, as well as all those who confess Me with their lips, but whose hearts are far from Me. A distinct and great separation is here, one like never before has occurred on the earth.

You can hear the rumble now at My approach dear ones, as the shofar for you is about to sound! This first time, only those who walk in complete obedience and surrender will hear the sounds of the call of your King, Groom, and Captain of Hosts! I come now as a thief in the night to those

whose oil is full- to strengthen you, to fill you to overflowing, to indwell completely your vessels, transforming you into My image and empowering you with all power and authority given to Me from My Father for you to complete the work We have begun in you, and to fulfill the purpose for which you have come to the earth in this age.

The great rescue for the remaining ones will then commence for all those who are lost, broken, weary, the handicapped and the lame, the blind and the deaf; all those who are forgotten, abused, neglected, trafficked, beaten, tortured and abandoned. As My Word states, you will rescue the lowliest of the low, those this world considers less than human, displaying the incredible mercy and love I have for all those made in My image. This is why I say there has never been a season like this. I have never before come collectively to manifest all My glory to My children. This is the meaning in My Word that you will do all these things and more! Collectively, I will be made manifest through a body of souls in harmony with Me, and together, the result of this will be the raising of the frequencies of this realm, as I have previously taught you. Darkness is of a very low frequency, but when My light and frequency invade through My remnant, the entire realm will experience a transition and an opportunity like never before. Those who have been trapped and bound by darkness, oppressed and persecuted will have in their presence the very essence of Me, the Great I Am, and I will open through you spiritually blind eyes and ears, so they can finally clearly see the choice that I have given them that they have not been able to see in the past. There will be great clarity in the spirit, as My presence will stand before them. Many, many will choose Me and eternal life, and the harvest will be plentiful, although My laborers have been few.

Pray My beloved ones, pray for My full measure of glory to be poured through you in order that you may walk in all that I have purposed for you in this great hour! You have come here just for this reason, and your entire life's journey has been in preparation for this season and this age! You have been chosen from before the foundation to complete this work for Me, and We have found favor in your temples!

All is in the moment of now. As I have showed to My daughter who writes for Me in a vision, all of your time periods are one moment in My Kingdom; it is only here in this realm that you operate under limitations of time and space. As I am outside of this, I see all in one moment, and this moment is

now. This is how I see the end and the beginning together, and I can say in My Word that there is nothing new; the past is the future is the past. Because this is My truth, I know the incalculable outcomes of every single choice each soul has made in their journey here, or ever will make, and the results of that outcome in every minute detail. Even the slightest smallest matter has meaning in My design, as you are all connected and integrated in Me. There are an infinite amount of possibilities for one's journey and the experience a soul has based on the tiniest of detail in a choice made. I have the outcome of all that one single choice in any given moment will make. Only as The Creator and Infinite One can I manage what would be impossible for man.

Yet, I still bestow the greatest of mercy for My creation. Mercy is given because of My great love. There is not in existence a love like Mine, therefore, the opportunities for eternal life with Me are only found in My ways, and because of Me, because of My love for you, and because of My Son's sacrifice, the greatest of gifts from a Father who loves you unconditionally has been given in that I gave you My Son so that you would not be lost. I give you a choice, so that you are not forced to love Me. I give you a choice to allow you an opportunity to spend eternity with Me, instead of with satan and all his dark kingdom.

My mercy will now pour out in its greatest measure and all will know that the King of kings is come in His people, and for a short season, opportunity is given to choose life in a way I have not manifested previously. Then, the great tribulation and end of this age will come, as I remove Myself and My cherished ones from this place and allow wrath to consume the earth.

Be full of joy My children and rejoice! My arrival is here, and nothing will be able to stop the flood of My presence in such love and mercy! You have waited so long for this season, and even the excitement in My Kingdom is great, as all have prepared for this glorious event! Be strong and courageous dear ones and stand firm. Do not be afraid or discouraged.

I am here, I am here, Heaven is come!!!

Yahuah Father, Yahushua The Son and Ruach Hakodesh, Holy Spirit

THE COMING FINANCIAL CRISIS/COLLAPSE: ALL FINANCIAL INSTITUTIONS [BANKS] WILL CRUMBLE DOWN!

FEBRUARY 25, 2022 1:26 AM, SAMMY OMOSH

James4:13 Come now you who say 'today or tomorrow we will go into such and such a town and spend a year there and trade and make a profit14yet you do not know what tomorrow will bring.what is your life?For you are a mist that appears for a little time and then vanishes.

James5:1Come now you rich,weep and howl for the miseries that are coming upon you.2your riches have rotten and your garments are moth eaten.3your gold and silver have corroded and their corrosion will be evidence against you and will eat your flesh like fire.4you have lived on the earth in luxury and in self indulgence. you have fattened your hearts in a day of slaughter.

Vision: On 2ND FEB 2022 I woke up at 2am,went to the living room to pray, but my eyes were too heavy and felt a heavy sleep coming over me that was unusual. I sat down still before the Lord for some time and then I went back to sleep. It was when I saw many people in a line outside an ATM outlet of a bank in this country. The bank was closed completely. I walked nearby and picked up a receipt of a client that was Nil-no withdrawal figure or bank balance was captured. From the look of things an uprising was slowly building outside. End of the scene, I woke up to find its 3:10am.Surely pain is coming to your nearest ATM outlet in the days ahead!

*FLASHBACK 2015,2017 AND 2019:In Aug 2015,I saw the entire bank bulding and the ATM section closed. Then in Aug2017 I saw many people inside the floor of a bank.i didn't see any counter opened. Lastly in Feb 2019 in that early morning dream I walked to the ATM, the person ahead of me failed to withdraw cash, like wise when it was my turn the machine read "no cash "and I walked away.

*Remember the great depression of 1929 to 1933 and the effects thereof. Remember too the financial crisis of 2008 that was caused by a Housing bubble. In Africa we were not affected much coz most economies boomed then and we

were sealed from financial shocks! The property and Factor markets will be swallowed whole by the Financial Tsunami coming.

As I am writing this on 2/2/22 the following newsclip has come on TV-Kenyans tormented by high cost of living. When a series of coming world judgments converge at a crossroad, then inflation levels will spiral up into hyper /galloping/runaway inflation [in double digits]. FOOD and other necessities will become too expensive to buy. Probably when the accumulated world debts topple over in the financial sector, the shocks will not be absorbed, eventually leading to a collapse beyond 'repair'. The interlinked worldwide financial system will disintegrate "like a house of cards" and will resemble a water can full of holes which cannot hold water and must be discarded!

The Economies of the world will be hit badly on this 'Financial Earthquake richterscale'. Then how do you live without any form of money in the 21st century when everything revolves around money?

REPERCUSSION OF THE CRASH: Money will not be transferable, not having value, not insatiable etc. Hence no transaction of any kind will be done eg paying utility bills, purchasing food, getting pay from employer etc.*The suicide rates will be on the upward trend in the secular world. Economic realities of money and banking, The law of supply and demand, National income, Budget, Financial Management, Project mgt and Investment portfolio will be confined to the dustbin of Economics! IN OTHER WORDS THE A/C will take charge of world commerce, Trade and Economics through the mark of the beast. Our accumulated debt as a country is ksh 8.8 trillion.This has popped out of yahoo news as I am writing this: Currency crisis ahead-The US has reached a \$30 trillion milestone debt amounting to \$231000 per household![Factor your country debt here].This time around "when America will sneeze the entire world will catch a cold!"

There will be 'Financial silence' globally and the likes of injecting stimulus packages and other remedial measures will not even be considered as Financial solutions to Resuscitate Global economies. The Foreign Direct injections that flows from overseas will cease ,bank doors will shut across the world, the stock market[Bourse/security exchange]will collapse to it,s knees in your country, hence NO TRADING BELL WILL RING ON THE FLOOR OF ANY SECURITY MARKET EXCHANGE, eg in Newyork, London, Tokyo, Hongkong etc. The annual World

Economic Forum in Davos, Switzerland to rank the competitiveness of each country in the world will not be convened. The global climate change conference held annually will shut its doors. The UN will be restructured to meet the needs of humanity .

After the COLLAPSE, International trade will not exist. No CARGOS will arrive at the port of Entry from the point of origin. They will not be transported across Nations by planes, ship and Train.

What is in the News?

Central Banks Risk Being Hit with Missiles if they Cut Russia from SWIFT Banking System

WORLD HAL TURNER 26 FEBRUARY

Central Banks around the world risk having their main banking offices hit with Russian missiles if they cut Russia off from the SWIFT Banking system, as some countries are endeavoring to do. Such is information LEAKING out of Russia Saturday and is NOT yet "official." Says one Russian, "If the Banks want to wage war against Russia, they should expect war to be waged back upon them - personally - in the buildings where they work."

Cutting Russia off from SWIFT is a "matter of days", according to a central bank within the euro zone according to a report from Reuters.

Inside Russia, plans are being reviewed as to what response the nation might make if the West "attacks" Russia economically. Russian President Vladimir Putin was explicitly clear during his speech wherein he announced Russia would be moving to de-militarize and de-nazify Ukraine: **"Anyone who interferes will have consequences the likes of which they have never**

seen in history." Hitting central bank buildings with precision missiles would likely fit that description.

President Putin's exact quote was "'I would now like to say something very important for those who may be tempted to interfere in these developments from the outside. **No matter who** tries to stand in our way or all the more so create threats for our country and our people, they must know that **Russia will respond immediately, and the consequences will be such as you have never seen in your entire history.** No matter how the events unfold, we are ready. **All the necessary decisions in this regard have been taken. I hope that my words will be heard.**"

Such action by Russia would, of course, be considered an act of war by the nations wherein the banks are actually hit. But a war breaking out between NATO and Russia has been ALMOST a foregone conclusion since the Russian operation began.

Putin, in an earlier speech after a 6 hour meeting with French President Macron made clear: "The military capability of Russia to NATO is incomparable. (Meaning NATO is superior) We know that. But Russia is also a nuclear power. And our capability is superior to many others in this area. If the West engages Article 5 (NATO mutual defense), you will be drawn into a war with Russia without your consent. It will be a war that no one will win (Meaning an actual nuclear war, which is the only war that most everyone agrees "cannot be won and must never be fought."). President Macron doesn't want that. I don't want that.

Here is video of President Putin saying it:

So Putin has already laid out the cards for the whole world to see. If the West persists in interfering with what Russia is doing, it not only may trigger a direct

response with missile strikes against the Banks, it may unleash actual nuclear war.

NUKE MISSILES MOVING!

Last night, Russian TOPOL-M intercontinental ballistic missiles - nuclear missiles - were moving on Truck Launchers around Moscow and on highways moving toward Europe. Photos and video of those nuclear missile movement appears below:

This news below was provided to Subscribers to this web site BEFORE you folks in the general public are being given it now, so that my Subscribers could have the information first, and make preparations first. There are very real-life benefits to being a Subscriber to this site, and now you're seeing exactly what that \$1 a week subscription means! FOr a buck a week, MY subscribers got this news 12 Hours BEFORE you. THEY could make plans while YOU could not, or stay blissfully unaware that nukes are on the move and your main stream media isn't telling you.

Terrifying new photos and video have come out of interior Russia showing road-launchable TOPOL-M intercontinental ballistic missiles (ICBM's). The TOPOL-M is a nuclear missile with a single warhead of 800 kilotons (800kt) and a range of about ten thousand kilometers (10,000km)

The photo below shows one such missile (of several in this particular group) moving on the highways immediately outside of Moscow, Russia.

Video below shows a number of additional TOPOL-M missile launcher trucks, driving west on a major highway, moving toward Europe/Ukraine.

The fact that these missiles are OUT IN PUBLIC, and moving, should be all you need to know about where this Ukraine/NATO trouble is actually heading.

As we saw with the Russian troop build-up around Ukraine, Russia does not bluff. **When they move military gear, they intend to use it.**

We are now in grave danger from the shenanigans our governments are pulling with Ukraine.

YOU absolutely must have emergency preps: Food, water, medicines you need to live on, a way to generate electric to keep the food in your refrigerator from rotting, fuel for that generator, a way to generate emergency heat and fuel for that method. If you have a fireplace or wood burning stove, clean it out, make it ready and for God's sake buy a few Cords of wood for fuel. Have portable radios for news and information (Shortwave AM/FM are best), Flashlights for every member of your family, and plenty of spare batteries for all of it.

Furious Putin prepares to use 'father of all bombs' as brave Ukrainians hold up advance:

[Russia](#) could use savage superweapons that vaporize bodies and crush internal organs if their assault of Ukraine becomes bogged down, Western officials warned tonight.

They fear [Vladimir Putin](#) could resort to high-power thermobaric weapons - dubbed the 'father of all bombs' - as brave Ukrainians resist his attempts to take control of Kyiv.

There are also concerns that units that are running behind schedule as they encounter stiff opposition could resort to indiscriminate shelling as a terror weapon.

Thermobaric weapons - also known as vacuum bombs - are high-powered explosive that use the atmosphere itself as part of the explosion. They are among the most powerful non-nuclear weapons ever developed.

A thermobaric bomb dropped by the US on Taliban in Afghanistan in 2017 weighed 21,600 pounds and left a crater more than 300 meters (1,000 feet) wide after it exploded six feet above the ground.

Thermobaric weapons were developed by both the U.S. and the Soviet Union in the 1960s. In September 2007, Russia detonated the largest thermobaric weapon ever made, which created an explosion equivalent to 39.9 tons.

The U.S. version of the weapon reportedly costs over \$16 million each.

'My fear would be that if they don't meet their timescale and objectives they would be indiscriminate in their use of violence,' the official said. 'They don't adhere to the same principles of necessity and proportionality and rule of law that Western forces do.'

The bomb works by using oxygen from the surrounding air to generate a high-temperature explosion, making it far deadlier than a conventional weapon.

While Russian special forces have reached the suburbs of Kyiv, the bulk of Russia's heavy armour is believed to be still more than 50km away from the capital.

Western officials have suggested Russia will kill Ukrainian President Volodymyr Zelensky and his ministers if they seize Kyiv.

Russia is launching a massive amphibious assault to bring thousands of navy personnel ashore in Ukraine on Friday, as Kyiv puts up a more aggressive defense than Moscow ever expected.

The assault is already underway in Ukraine, and Russian personnel sailed through the Sea of Azov, coming into west of Mariupol, a senior U.S. defence official said. The amphibious assault represents a significant ramping up of the conflict, as the Russian navy has until now played a largely supporting role in the fight.

Russian President Vladimir Putin has staged two amphibious attacks - the other is in Crimea and could land troops in Odesa.

The U.S. has counted 200 Russian missile attacks so far. While most have been launched toward Ukrainian military installations, some have hit civilian areas.

The senior U.S. defence official said Friday that Russia appears to have lost some of its momentum due to the Ukrainian's fiery resistance.

'We do assess that there is greater resistance by the Ukrainians than the Russians expected,' the official said, adding Ukraine's command and control of its military 'remains intact.'

'They are not moving on Kyiv as fast as what we believe they anticipated they would be able to do. That said, they continue to try to move on Kyiv.'

The official also said several hundred Americans have left Ukraine over the past few hours.

Still, Putin has only mobilized about one-third of the troops he has stationed at the Ukraine border, the official said.

Few expect Ukraine to emerge victorious from what is almost certain to be a prolonged, bloody, and vicious war - but so far, Kyiv's forces have managed to inflict heavy losses on Putin's troops.

Defence Secretary Ben Wallace said today that Putin's forces had failed to achieve many of their first day objectives. He said Russia had lost more than 450 personnel so far. Ukraine put the figure closer to 800. Neither number has been independently verified.

Western officials also suggested that Russia is avoiding many urban areas in order to avoid being bogged down in street fighting that could create heavy casualties and slow their advance.

Chief of Defence Intelligence Sir Jim Hockenhull said: 'Russian forces continue to advance on two axes towards Kyiv. Their objective is to encircle the capital, to secure control of the population and change the regime.'

'Russia continues to conduct strikes across Ukraine. Overnight Russia launched a concerted series of strikes on targets in Kyiv. Multiple Rocket Launchers have been employed in Chernihiv and Kharkiv.'

'Ukrainian Armed Forces continue to offer strong resistance, focusing on the defence of key cities throughout Ukraine.'

It came as Boris Johnson said the UK will 'imminently' level personal sanctions against Putin and his foreign minister Sergei Lavrov,.

The Prime Minister told Nato leaders in a virtual meeting tonight that the UK would echo measures announced by the EU to target the Russian leader.

Referring to Mr Putin's wish to recover territory which previously fell under the USSR, he said Russia was 'engaging in a revanchist mission to overturn post-Cold War order'.

Mr Johnson told allies 'the UK would introduce sanctions against President Putin and foreign minister Sergei Lavrov imminently, on top of the sanctions package the UK announced yesterday', according to a No 10 spokesman.

'He warned the group that the Russian president's ambitions might not stop there and that this was a Euro-Atlantic crisis with global consequences,' he said.

Mr Johnson also used the meeting to urge 'immediate action' over the banning of Russia from the Swift payment system to 'inflict maximum pain' on the Kremlin.

Senior Ukrainian officials, considered to be on Putin's 'hit list', have joined the exodus to Poland and are being airlifted to safety by joint British and American special forces, sources have suggested.

The source refused to name who was being rescued but added: 'These are rescue missions.'

But he insisted that President Volodymyr Zelensky and his family were determined to stay with his people.

Ukraine shares a 332-mile-long border with Poland, and it takes around eight hours to drive from Kyiv to Lviv, a distance of around 335 miles.

Lviv is around 50 miles from the frontier with Poland and is expected to become a safe refuge for hundreds of thousands of Ukrainians fleeing the war.

This afternoon a brave Ukrainian citizen was been pictured standing up to Putin's troops by trying to block a Russian military convoy - in scenes

reminiscent of Tiananmen Square's 'tank man' blocking Chinese forces in 1989.

The footage, thought to have been filmed in the south of the country close to Crimea, emerged as Russia's military bared down on Kyiv today in an apparent bid to seize the capital and 'decapitate' the government in the hopes of bringing a swift victory for Vladimir Putin.

But Putin's men seemed set to face bloody street-to-street fighting as Ukrainian troops tasked with the city's defence began setting up defensive positions across highways, on bridges and on street corners with gunfire and explosions heard in the centre of the capital. Civilians were also being armed with rifles and Molotov cocktails.

Russian forces were sustaining heavy casualties across the country with Ukraine claiming to have killed 2,800 men - as Putin himself made an appeal to Ukrainian forces to turn on their 'drug-addicted neo-Nazi' leaders or else lay down their arms and go home.

But there seemed little chance of that, as President Zelensky told his men 'you are all we have' as he gave a rousing address to defend the country, called on citizens to travel from elsewhere in Europe to join the battle, and hit out at the West for leaving him to face down the might of Russia 'alone'.

Ukrainian troops were using armoured vehicles and snowploughs to defend Kyiv and limit movement, and said Russian spies were seeking to infiltrate the city. A truck was pictured riddled with bullets and bodies scattered around it, with Ukraine saying the men were Russian 'saboteurs' dressed in Ukrainian uniforms that it had killed.

Meanwhile Russia's military said it had seized a strategic airport outside Kyiv in what would be a hammer blow to the defence. It is thought the plan is to use one of the city's airports to fly in tens of thousands of reinforcements. Ukrainian forces did not mention an airport being captured, but Zelensky said fighting had restarted around Gostomel - a key airport where battles raged throughout the day on Thursday.

Russia claimed to have already cut the city off from the west - the direction most of those escaping the invasion are heading in - with lines of cars snaking towards the Polish border.

Intense fire broke out on a bridge across the Dnieper River dividing the eastern and western sides of Kyiv, with about 200 Ukrainian forces establishing defensive positions and taking shelter behind their armoured vehicles and later under the bridge.

The Russian troops are thought to have arrived from the north-west, having pushed down from Chernobyl which was captured late yesterday. More Russian troops and armour are advancing on the capital from Konotop, in the east, having bypassed the city of Chernihiv where they ran into heavy Ukrainian resistance.

Anton Herashchenko, an adviser to Ukraine's interior minister, said today will be the war's 'hardest day'.

Once Kyiv is surrounded, US intelligence believes the plan will be for Russian special forces to move in and seize an airport - likely Sikorsky or Boryspil - which would then be used to fly in a much larger force of up to 10,000 paratroopers who would assault the capital.

The job of the paratroopers would be to enter the city, find Zelensky, his ministers, and parliamentarians, before forcing them to sign a peace deal handing control of the country back to Russia or a Moscow-backed puppet regime - effectively ending the war without Putin's ground forces needing to complete the difficult and bloody task of seizing and occupying the whole country.

It appears the Russians almost pulled off the plan on the first day of the invasion when 20 attack helicopters landed a crack team of troops at Antonov Airport, 15 miles to the north of Kyiv. But Ukrainian national guard units managed to retake the landing strip overnight after heavy fighting, scattering the surviving Russian attackers into the surrounding countryside.

A Russian attack on the capital would likely be coordinated with a push by troops on southern and eastern fronts - Crimea and Donbass - aimed at pinning down Ukrainian armed forces so they cannot retreat and reinforce the city, officials told author [Michael Weiss](#).

It may also be accompanied by bombing raids and sabotage attacks on power grids and infrastructure to sow panic and force people to flee, snarling up roads and making it difficult for forces already in Kyiv to move around.

Zelensky pleaded with Moscow to hold talks, and with western powers to act faster to cut off Russia's economy and provide military help.

'When bombs fall on Kyiv, it happens in Europe, not just in Ukraine,' he said. 'When missiles kill our people, they kill all Europeans.' His whereabouts were kept secret.

He also offered to negotiate on one of Mr Putin's key demands: that Ukraine declare itself neutral and abandon its ambition of joining Nato.

The Russian president's spokesman said the Kremlin could consider the idea, but foreign minister Sergey Lavrov suggested it may be too late, saying Mr Zelensky had 'missed the opportunity' to discuss a non-aligned status for Ukraine when Mr Putin previously proposed it.

AS UKRAINE HANDS OUT GUNS TO CITIZENS, THE LEFT FINALLY REALIZES 2D AMENDMENT IS NOT FOR HUNTING

Published: February 25, 2022

SOURCE: THE FREE THOUGHT PROJECT

There is no doubt that the many on the American Left are staunchly anti-gun. The cognitive dissonance it takes to simultaneously hate cops while demanding that cops be the only ones who have guns is astonishing. Unfortunately, however, it is the norm.

As many readers of the Free Thought Project understand, gun control does nothing to stop criminals from getting their hands on guns and carrying out horrible acts of violence. What gun control actually does is take the right of self-defense away from law-abiding citizens while only allowing criminals and the government to be armed.

This is a lose/lose situation. When only the state and criminals have the means of defending themselves, the citizens become sitting ducks, ready to be overtaken. This became evident this week in Ukraine as Putin began the invasion.

In Ukraine, the largely corrupt bureaucracy is able to limit who gets a gun because there are no statutes governing gun laws like America has a Second Amendment. In the case of Ukraine, it is often only the politically connected folks who get to carry guns.

Thanks to the lack of legal protections regarding firearm ownership, authorities have ridiculous discretion when deciding who can have a gun. The president and ministers often give guns to members of the elite, while making it hard for ordinary people to obtain them. It is estimated that more than 50,000 guns have been issued as presents from authorities to elite figures.

Because it is difficult for the average citizen to obtain a gun, the black market for guns in Ukraine has flourished. The gun control measures in the country have essentially ensured that only state actors and their friends, and the folks willing to break the law — are the only ones with guns.

“We opened the weapons arsenal, and our enemies did the same,” National Police Chief Serhiy Knyazev said in a 2017 interview, describing this very scenario.

Now, as Russian troops cross their borders, most Ukrainians are forced to leave their homes and run as many of them are unarmed and defenseless. Seeing this problem — albeit too late — Ukrainian President Volodymyr Zelensky sought to fix it by arming the citizens... after the fact.

“We will give weapons to anyone who wants to defend the country. Be ready to support Ukraine in the squares of our cities,” he tweeted as the conflict escalated.

The problem, like what happened in Ukraine, of government and criminals monopolizing the ability to defend themselves, is nothing new. It was for this very reason that the founding fathers constructed the Second Amendment.

Though the American left largely claims this Amendment exists for hunting, as the Ukrainian crisis illustrates, that couldn't be further from the truth.

The highly hypocritical and often embarrassingly wrong Occupy Democrats briefly came to this realization this week when they praised the Ukrainian authorities for arming its citizens. Seriously.

To be clear, this group thinks no one should have a gun and thinks that gun manufacturers should be sued for acts committed with their products. By this logic, fork makers should be held liable any time someone hurts someone else with a fork. It's asinine.

Because they are so logically inconsistent, the following tweet from the folks at OD supporting the arming of Ukrainians, was not utterly shocking. Still, however, it was definitely something to relish in.

Such a Debt, who can Pay?

I am continuing to run this story, as this is a great witnessing story to use to lead someone to Jesus Christ. I believe this could be the study you will want to share with your unsaved friends and this story and the scriptures can let them know how much God loves them and wants to forgive them.

While attending Bible College years ago I enjoyed reading stories I could use to share the Gospel and I would put them into a note book for later use. I found this story about Czar Nicolas the leader of Russia. It was such a good story of forgiveness that I have never forgot it.

So I asked my barber if he had ever heard of Czar Nicolas? He said no so I proceeded to share this story.

Czar Nicolas the king of Russia would from time to time travel to outposts in Russia disguised as someone else so he could see for himself what was going on in his country.

As he was making his tour late one night in this one particular outpost he was walking down the halls of this town hall kind of building and he noticed that the lights were still on in the office of the town treasurer.

Let me go back and explain what was going on in this office. The treasurer for this out post was misusing funds, He was losing money gambling and thinking his luck would turn back he kept digging a bigger hole that would eventually bury him. Then one day it was the day of reckoning. He received a notice that in a couple of days the bank examiners were coming to check the books and do an audit.

He knew he was in big trouble so on this same night that the Czar would be walking the halls of his office, he was up late counting money and figuring out how much trouble he was in. When he finished adding up the debt that he owed, he knew he was in to deep and there was no way out. His solution was he would take his life. He had his pistol on the table and when he finished adding up the debt he owed he wrote these words at the bottom of the balance sheet. **“Such a debt, who can pay?”**

He was overwhelmed with fatigue so he laid his head down on the desk and fell fast to sleep. While he was sleeping, this is when the Czar of Russia spotted the light on so late in the office of the Treasurer. The Czar saw the door was unlocked and he walked in. He sees the man sleeping, he sees the gun lying by his hand and he looks at the record book and realized this man had been stealing from his kingdom, a crime that would mean the death penalty and disgrace. Then at the bottom of the balance sheet the Czar spotted these words. **“Such a debt, who can**

pay?” This is when the Czar picked up a pen and under the words, **“Such a debt, who can pay?”** the Czar signed his name and walked out the door.

Just before morning the treasurer woke up and realizing how long he had been asleep, he reached for his pistol to take his life and just before ending his life he looked down at the bottom of the balance sheet and saw the signature of Czar Nicolas. Finding this hard to believe he looked into his files for a document with the Czar’s signature and sure enough the Czar had been there that night and paid his debt. The next day men from the Treasury of Russia arrived with bags containing the missing money and his debt was paid in full.

The Bible says that we will all stand before God and be judged from what has been written about us in the record books of our lives. We all have been assigned guardian angels to watch over us and record every word, thought, good deeds and bad.

Just like that man in charge of the cash of his town in the story above, God has access of the record books of your life. We owe a debt that is **“Such a debt, who can pay?”** If you will call out to Jesus the one who died to pay for your debts. If you will ask Jesus to forgive your sins, Jesus will take his eraser and wipe out the sins that have been recorded in the record book of your life. Then at the bottom of the blank pages of your record book, Jesus will sign His name with these words. **“Paid in full by Jesus Christ.”**

Below I have written out important scriptures for leading someone to Jesus and I have included the sinners prayer as a guideline for leading someone to Jesus.

Share God’s Plan of Salvation

1. Admit you are a sinner and repent.

(Romans 3:10 NIV), “As it is written: There is no one righteous, not even one.”

(Romans 3:23 NIV), “For all have sinned and fall short of the glory of God.”

(Luke 5:32 NIV), “I have not come to call the righteous, but sinners to repentance

2. Believe in the Lord Jesus Christ.

(John 3:16 NIV), “For God so loved the world that He gave his one and only Son, that whosoever believes in him shall not perish but have eternal life.”

3. Confess or declare that Jesus is the Lord of your life.

(Romans 10:9 NIV), “That if you confess with your mouth, ‘Jesus is Lord,’ and believe in your heart that God raised him from the dead, thou shall be saved.

The Sinner’s Prayer

If you would like God to forgive all your sins and make Jesus Christ the Lord of your life, then stop here and say this prayer to God. (Prayer is simply talking to God.)

Dear Heavenly Father, I know I am a sinner. I believe Jesus Christ died on the cross for me. Please forgive me of all my sins. Jesus, please come into my heart and wash my sins away. Please be the Lord of my life and help me to live for you every day. I ask this in Jesus name. Amen.

The Bible says when a sinner repents and makes Jesus his Lord, the angels in heaven rejoice. A word of warning is advised at this point. As we read in the story of the ten virgins, not all who call themselves Christians will make it to heaven. Knowing about Jesus and the plan of salvation is no guarantee of making it to heaven. When we arrive in heaven, the greatest surprise will be seeing people we did not think would make it. And just as surprising will be the absence of those we thought would be there. The Bible says Jesus knocks on the door of our hearts and wants to come in and live with us. The important thing to realize is God wants our hearts, not just our minds. Head knowledge about salvation does not save us, but sincerely allowing God to forgive and wash our sins away will allow God to give you a new heart. When your heart is changed, people will notice you have been changed and made into a new person in Christ. This is called being “Born Again.”

Instructions on How to Give to This Ministry

You can use the donation link on my site www.tribulationtruth.com that uses PayPal with your credit card, or mail your donation to **John Shorey, 178 Camino Embarcadero, Rio Rico, Arizona 85648, May God Bless You as you partner with my ministry.**
