

The Power That Can Shake The Lion!

1 Corinthians 1:27-31(KJV)

27 But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty;

28 And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are;

29 **That no flesh should glory in his presence.**

30 But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption:

31 **That, according as it is written, He that glorieth, let him glory in the Lord**

-----////////-----

The war we see here today on earth is the extension of the warfare in the heavens. I have given a number of testimonies about the darkness descending to earth from heaven. In one vision, I saw a thick darkness coming from the heavens. Above the darkness, there is a bright light which can be seen through the thick darkness, heralding, the approaching and the nearness of the Lord. Darkness comes but it can't stand the light, for the Light is the Lord. **"And the light shineth in darkness; and the darkness comprehended it not." John1:5 (KJV)**

When the darkness descends on earth, what form and kind does it take? It comes down to real life as warfare we see today, social unrest, civil war, chaos, calamities which are all carnal and as well as spiritual warfare. What is spiritual is manifested in the carnal.

Whether we like it or not, spiritual warfare is always there, has been but soon the earth will be cleansed of all evil, everything from the devil and the forces of darkness. The attacks can be manifested in a number of ways. Sickness-as the reptilians, the fallen are approaching, depression, sleeplessness, deprivation, fear, temptations, deception, distractions, addictions, promiscuity, murder, crime etc. Nothing good comes from the enemy. The lust of the flesh and the love of the world, money and riches, temporary gains etc are the snares.

The reason for mentioning all this is, they are here, I have lived them, I know them, I have suffered a lot from the attacks. As much as I am attacked consistently, severely for year, I am given the spiritual understanding, knowledge and weapons to share the experience with whosoever listens. What I face, in individual basis is scriptural tuned for the time. When we experience these spiritual manifestations through the attacks, we learn the presence and help of the Lord. We learn the constant watch of the Lord. Nothing is hidden from the Lord. At the same time, we gain, no matter what, the attack from the enemy gives us the reward from the Lord for being the army of the end times.

When the Lord tells us **"You are My mighty Army"** which I personally heard from the Lord, we know the Lord is with us, helping, training us. Such kinds of messages should not be boring for each and every one of us, knowing or unknowingly are attacked and when the weapons are at our disposal, we need to be diligent, strong enduring. Fall, it is part of the fight but know your assignment and mission and rise up fast! I am under the commission of the Lord, whatever the status of my strength might be, I am standing, enduring and ready for the final showdown.

Here are some collections of messages from the encounters, very short summary, samples.:-

1.The attack.

The attacks are on daily basis taking many forms and kinds. From the two horned devil, to the giants of the forces of darkness, from the human like dark demons to alien like fallens, from reptilians in many forms to small crawling evil creatures and small swarms flying *Musca domestica* (house flies). It was in 2016, good neighborhood and community. I am attacked from above. The sky is full of swarms of flies. The sky is covered by dark flies all over me. Two friends came for help. They are whooshing the flies away from me but at the same time they were hitting my head.

The next day in the morning, I see/ understand the Lord going from the west to the east in the sky(I have been seeing that for a long time). The Lord, as He knows everything, have been watching the attack of last ight and said ”***They all hate you***” The Lord said that very friendly out of His love. I knew the scripture is fulfilled and comforted.

“And ye shall be hated of all men for my name's sake: but he that endureth to the end shall be saved” Matthew 10:22(KJV)

“If the world hate you, ye know that it hated me before it hated you. If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you” John 15:18-19(KJV)

2. The Armor!

It was in 2013. The Lord helped me read the Bible. I gave a time, every week to go through it from the beginning to the end. I know the teachings from my childhood, the preachings regularly every morning and evening. I wanted to read the bible, start to finish. I did that through time, a year. It was at that time that I experienced sver spiritual attacks, fairy darts were thrown at me. I see the fairy darts coming towards me but they get deflected back forming a spark like flints. I knew the Lord has formed a fairy wall around me. Praise the Lord!

One night, in the middle of my good nigh sleep, comes an Angle with a rode of iron. The angle gently touched me and what I wear made a sound of metal. I was wearing an armor like what we see in the pictures, an armor covering me from head to toe-”***The Armor of the Gospel***”, how wonderful. The world of the Lord is our armor.

“Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand” Ephesians 6:11-24

3. The Power that can shake the lion.

2016. It was at the time that I was attacked by swarms of flies(the flies of the lord of the dungeons the demons). As I am used to, I see/understand the returning of the Lord from the west going up to the heavens. As the Lord is peaking to the heavenly army with Him, I hear the Lord say ***“I have given him something that can shake the lion!”*** That was big. Praise the Lord. The Lord has indeed given me what can shake the enemy. Few years before these holy words of the Lord, I saw in a vision what the Lord has installed in me. I knew it was good but until the Lord spoke these words, I was not in full understanding of what the Lord has installed in me. What the Lord installed in me is in my spiritual body which I can use with my carnal body as well. Installed where in my body and what it looks like, I have seen, is reveled to me but has to be kept as secret. I am trained and know how to use it. Pray to receive such kind of gift from the Lord. Needless to say, am I free from the attack? No, I am still in it but now I have the weapon which can shake the lion, with the understanding that I am under attack and that I am well armed. ***The enemy has a lot to fear from the children of the Lord.*** We are the little children of the Lord, as well mighty warriors by the power give to us. Amen

If we boast, in our Lord.

“That, according as it is written, He that glorieth, let him glory in the Lord.”1 Corinthians 1:31

“My soul shall make her boast in the Lord: the humble shall hear thereof, and be glad. O magnify the Lord with me, and let us exalt his name together.” Psalm 34:2-3

Put on the Armor of the Gospel and fight the good fight.
