

## Time itself is Facilitated!

**Matthew 24:22 (KJV)**

*And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.*

We know that there is nothing impossible for God. God can stop time “*And the sun stood still, and the moon stayed, until the people had avenged themselves upon their enemies. Is not this written in the book of Jasher? So **the sun stood still** in the midst of heaven, and hasted not to go down about a whole day.*” **Joshua 10:13(KJV)**. God can move time back, “*Behold, I will bring again the shadow of the degrees, which is gone down in the sun dial of Ahaz, ten degrees backward. **So the sun returned ten degrees**, by which degrees it was gone down.*” **Isaiah 38:8(KJV)**. God can move time fast. If the Lord Almighty God can move time back, the Lord can move the time forward. God can move time fast or slow it down depending upon His plan. God can move in time forward to the future, can go back in time to the past, I have seen this to. I have seen Jesus crucified on the cross, live, I have seen Jesus walking by Jordan river with few people and three rafts by the bank of the river. I have seen events in the past, and the future, prophecy. Prophecy is about the future, what is to come in few days, years, decades and centuries. God is not in the realm of our time. God tells the future from the beginning. The time in heaven and time here on earth are not the same. God can see the present, the past and the future, God is all knowing. I have seen the feet of Jesus going back, in time to the past and going forward, in time to the future.

In the last four days, since Russia invaded Ukraine, how many events have we witnessed? We even said that events are unfolding like a fast motion picture. We questioned, who is after Ukraine, who is next. From what the Lord gave us, we gave many prophetic words, one of them is “War in Eurasia,” and last week “War in Europe.” Since the Lord revealed for us that He uses Russia as His ***force of indignation***, Russia is empowered. Since the time the Lord gave us this word, the progress Russia has made in developing weapons of mass destruction is very alarming and fast. In few years, they developed supersonic weapons which can go past the radars undetected. No wonder Babylon is going to go in one hour, it is going to be even less than that. What is prophesied, what many fear is here in fast progression. This is Putin of the day on nuclear alert:-

***“Top officials in leading NATO countries have allowed themselves to make aggressive comments about our country, therefore I hereby order the minister of Defense and the chief of the General Staff [of the RF Armed Forces] to place the Russian Army Deterrence Force on combat alert,”*** Putin said in televised meeting with Defense Minister Sergei Shoigu and chief of the General Staff of the Russian Armed Forces Valery Gerasimov.

“Yes, sir,” replied Shoigu.

When this news came to light, all eyes are wide open. Many took it as a simple threat. ***This is not a simple threat. This is real.*** The Lord gave us some light as to how things have deteriorated so fast .

In 2016, the Lord gave me a word of knowledge saying ***“Time is facilitated.”***

It is one sentence which says all. Time is not the time we know. We are past midnight hour, we are living on borrowed time. The Lord pushed many prophetic word to the short near future, many time. The enemy is moving, the patience of the Lord is exhausted. The Lord is angry, very angry!!! Now, Many things are happening in a short period of time. The last four days have shown the truth of the words of the Lord. Many events are happening at a very fast pace, for the pain of many to be shortened.

Here on, as we see and witness in our life today, events are coming in fast successions, one after the

other. War is one of it. All the other bitter prophetic judgments passed, carnal and spiritual events, from the heavens, from the land, from the ocean, from the belly of the earth, from the air, all are coming like a heavy rain from a storm, We have repeatedly said, it is **“An all out storm”** and the storm is here, true to the word of the Lord *“For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.” 1 Thessalonians 5:3 (KJV)*

***Repent before the facilitated time passes by!***
