

## ***North America splits east and west, Population Thinned! Time to Listen-II***

McKana, March 11, 2022

(The land east of the Appalachians mountains is under water, in the middle, it is split)

***Zephaniah 3:5-6 (KJV)***

***5 The just Lord is in the midst thereof; he will not do iniquity: every morning doth he bring his judgment to light, he faileth not; but the unjust knoweth no shame.***

***6 I have cut off the nations: their towers are desolate; I made their streets waste, that none passeth by: their cities are destroyed, so that there is no man, that there is none inhabitant.***

-----/|||||-----

As it is written we see in part. When we pray, we get clarity and better understanding. When the Lord reveals these vision, most of the time we see them as observers, with no pressure and fear. We see them with the very eyes of the Lord, with understanding enough to deliver the message. I have seen many which I can't imagine I will hold and keep my sanity. Many of what I saw are accompanies with the fear, the terror and sometimes facing the dread of death.

***What kind of mighty force will bring a continent to split***, the land to submerge under the sea and a coastline to clip off and disappear in the ocean? The end of times brings catastrophic events which has never happened in the history of mankind.

***America! God is angry, very angry.*** The anger of the Lord is burning. As all have heard the word "vengeance mine" to pay the sin of mankind all over the world with unimaginable wrath. When? all the signs tell the end is here, everything written in the scripture.

Repeating messages is one way of making sure many or all have listened and have a good understanding of the time and the judgments coming. Here are two revelations given years earlier for these very days.

***All the prophetic words will come to pass***

(The word given on July 29, 2015 1:15AM)

The Lord says:-

***"All these things will occur in the final years before I return."*** And then, I saw destruction and debris.

***"All these things"*** the Lord showed me in vision, in five consecutive phases are the economic collapse and civil unrest, earthquakes, war and Inversions.

## **Mega Earthquake, America Split** (Chaos number three)

(Vision of August 22, 2015, 12:40AM)

In the middle of a deep sleep, I am taken high above the clouds. The Earth is covered with clouds. A small section of the cloud opened up and I see the Earth below. The area of focus is on one continent. I see the whole continent split open in the midsection from North to south. The earth has opened up. The result of a mega Earthquake. I am sensing, the impact of the Mega quake is in every part of the world. It is big, it is huge. As usual, my vision was for a second, like a blink of an eye.

When I saw, I thought and felt it is the continent of Africa, not very sure. I couldn't see the other continents, they are covered with clouds.

I prayed for clarity of what I saw.

Later I heard the word came saying ***“My son, what you have seen is the continent of North America split”***

I understood that, it is the continent of North America split in the middle, east and west along the Mississippi river, along the New Madrid fault line.

## **Population Thinned**(Scenario #4)

(Vision of August 28, 2015 ~3:00AM)

***After all is done and finished, the judgments completed, the end result is revealed in this vision.***

I am seeing the whole continent of the United States from above. It is clear, no obscurity. I see grape fruits, not in bunches but singles throughout the states.

The fruits are small, not fat, not well nourished, not in bunches but small, singles and yellow-green. They don't look they are in good condition.

They are sparsely, thinly distributed. In some areas, the East, South East and Southern states, there are barely none. In the center there are few, as mentioned above are sparsely distributed. The size, color and the condition of all is the same. I tried to look towards the West. I am not sure, but look somewhat dark and see no fruits but dark rugged mountainous region.

When the Atlantic pours over the east coast, the the land splits in the middle, when the west sinks under the ocean, when war brings the destructions, when the storm brings the devastation, the rest is the thinning as well paling of the population. What will be left of America and the rest of the world?

Dear Lord have mercy!!!

***Repent! Repent! Repent! the Lord is merciful and forgiving!***

### ***Zephaniah 3:2-7***

*2 She obeyed not the voice; she received not correction; she trusted not in the LORD; she drew not near to her God.*

*3 Her princes within her are roaring lions; her judges are evening wolves; they gnaw not the bones till the morrow.*

*4 Her prophets are light and treacherous persons: her priests have polluted the sanctuary, they have done violence to the law.*

*5 The just LORD is in the midst thereof; he will not do iniquity: every morning doth he bring his judgment to light, he faileth not; but the unjust knoweth no shame.*

*6 I have cut off the nations: their towers are desolate; I made their streets waste, that none passeth by: their cities are destroyed, so that there is no man, that there is none inhabitant.*

*7 I said, Surely thou wilt fear me, thou wilt receive instruction; so their dwelling should not be cut off, howsoever I punished them: but they rose early, and corrupted all their doings.*
