

# The war is between Russia and America:

It is considered as a perfect opportunity by the red-dragon country before it unleashes its power to the world

Dream received on 11<sup>th</sup> of March 2022

In the dream, I was taken to the war in Ukraine, and I realised it was actually a war between Russia and America. I found myself in the middle of a war scene – I was looking at a soldier who just killed an enemy soldier. After killing the enemy soldier, the other soldier felt very sad. He didn't feel like he won but looked down in deep sorrow. With that, I realised in the dream that the war is a lose-lose to both countries (i.e Russia and America). In the meantime, I understood that China is taking this as a perfect opportunity since the war would negatively affect two of the world's superpowers. Then, I saw a red dragon moving across the globe; it started from the far east, and as it was moving to the west all the places that it passed across (from north to south pole) turned red. Then, I saw a white tiger (very beautiful and powerful) walking across a river (clean and moderate amount of water passing through rocky land which seems like it exists in an environment that is far from the human touch/reach). The tiger was followed by some fifty or so white tiger cubs. As they moved, the river water turned to ice.

Dream ended

**My interpretation:** The dream seems very straight forward, except for the white tiger. What I sensed with the white tiger is it could represent God/Jesus. The white tiger cubs could be the genuine followers of Christ (who looked like Him) that God will raise as His army during the coming difficult times.

We, the ordinary people, have little control of what is going on in the world. Now is not a time to be distracted – keep your eyes on God. Our understanding to what is actually going on is very limited, and we could be easily deceived if we are relying on the media. Keep all your attention on God and follow what He advises you and what He wants you to do through daily repentance, prayer and fast.

**Relevant verses from the bible:**

**2 Corinthians 4:18** As we look not to the things that are seen but to the things that are unseen. For the things that are seen are transient, but the things that are unseen are eternal.

**Psalm 32:8** I will instruct you and teach you in the way you should go; I will counsel you with my eye upon you.

**Psalm 123:2** Behold, as the eyes of servants look to the hand of their master, as the eyes of a maidservant to the hand of her mistress, so our eyes look to the Lord our God, till he has mercy upon us.

**Psalm 25:15** My eyes are ever toward the Lord, for he will pluck my feet out of the net.

Please pray and seek confirmation and guidance from the Lord.
