

EMP Attack, Economic Collapse, War and The Tribulation!!!

McKana, March 1, 2022

1 Corinthians 13:9(KJV)

We know in part, and we prophesy in part.

Luke 13:3(KJV)

*I tell you, Nay: but, **except ye repent, ye shall all likewise perish.***

-----//-----

When the Lord passes judgment, no earthly, no heavenly power can stand. The Lord has raised nations and thrown down nations. How can a big nation which has placed itself above every nation collapse this soon and this fast. The Lord is in control. No man, no nation, no created being exalts itself in front of the almighty God. More over, pride comes before destruction and fall **“Pride goeth before destruction, and an haughty spirit before a fall.”** *Proverbs 16:18(KJV)*

Do not be dismayed seeing messages repeated. The repeating of these messages from different servants of the Lord are warnings and they are a tell of the truth of the near future. At least confirmations of what we know, what we have heard and what we read. For now, I am operating with one eye, many errors but this didn't stop me and nothing will. If you see mistakes, focus on the message for we all have limitations.

I hope, from these glaring realities, we will be pressed as well instructed to make our final preparations. Above all, have faith and trust the Lord. There is anything to hang on but our Jesus, our Loving God who is given the authority over the earth and heaven.

From old and new visions:-

The terrible day of the Lord is coming!

(Revelation of December 15, 2014, between 2-3AM)

A very horrible night with a dream and repeated voice on my head, annoying and terrible vision:-More than three times, I heard :-

“The terrible day of the Lord is coming!”

“The terrible day of the Lord is coming!”

“The terrible day of the Lord is coming!”

I had cold and medication, added to that this was very, very annoying and terrible. It was as if I was passing through the terrible day itself. Lord have mercy.

The second time, in my sleep, there comes the same message which says:-

“The terrible day of the Lord is coming!”

EMP attack and the Surrender.

(Vision/Dream of late 2014)

I called this vision “The surrender” and it is for sure a surrender.

I see men in good military, light yellowish brown khaki uniform spread through different terrains, highland, valleys, plain fields. I see the military personnel like cadets with their military dresses and caps, not war ready with camouflaged fatigues. I see all, in all the places surrender with no fight. All perplexed as to what has happened. Something happened which makes them give up and surrender with no fighting. It is like a lightning struck the whole system. Evidently the system is crimped by something which looks supernatural but it is an EMP attack which disabled the whole system of warfare and even more. I was encouraging them to fight saying fight! and they are getting ready to fight. Then, I see the military in trenches facing east fighting with guns and artillery.

Economic collapse news.

(December 12, 2017, 2:00 AM)

A lady is broadcasting the news through the radio, not TV, radio. She sounds as if she is reporting from the battle field. Very intense. Looks so real. She is announcing the companies which have collapsed and are in the going of collapse,

She is reading the names of the companies, one, two, three, on and on. I am trying to record what she is listing on a note book, another note book before I finish, another one trying to record and cope with what she is narrating. The radio got interrupted. In an instant we are running, outside to the woods and the valleys.

I am telling people around me, I have a radio set at home. Let us go and listen, but we kept running. I am telling them, "This is what was anticipated and expected long time ago, it is bigger and global, in a while the dollar will collapse, the gold will collapse and global crisis will ensue!" but we kept going, running.

Very desperate, when we leave, we have nothing on our hand, unexpectedly we ran out of home. I have no idea where the location of our home is. I am asking, which direction is our home? I see an uphill mountainous forested terrain and some lady I thought I know running in front of us is telling us, "this way," pointing up the hill. I looked, there is scarcity of food and hope we can find some, somewhere up the hill. I felt they have food up there as if it is some sort of sanctuary, safe place but I don't see it, only hope.

In a while another dream came:-

Warplanes filled the sky

We are in the woods, I looked up, the sky is full of warplanes. Some way high up, some little lower, trails of smoke is coming out of some of them, from the attack of the warplanes chasing them. The sky is a mess. One or more of the warplanes to the right is shooting at another warplanes in front but at a distant sky. I looked, countless numbers of locusts are falling on the ground. Locusts! Then I looked at a distance. The big fat whales, the dolphins and a number of big fish are up on the air, heads up, on the air from the ocean stretching way long, falling down to the ground/ocean. I don't see the ocean and body of water clearly. I see the land before it. They are above the ground and the level of the ocean, they are falling down.

I don't know who is shooting whose planes but it is war. The locusts, as I understood are the falling warplanes. The whales and the dolphins and the big fish are the haves, the rich, hitting the roof.

The Tribulation!!!

(April 1, 2019 5:00 AM)

First, I am in a house I don't know, I have never been there. The door is facing south, outside of the house I hear the sound of turmoil and chaos. People are talking and talking, hard to single out what they say. I hear "economic" the problem expected, regarding the economy, "Global" referring to the global nature of the chaos, things of this sort. It is very chaotic. ***There is a big change in everything. Very changed world.***

I opened the door and tried to look around. From the West to East are rows after rows, rows after rows of rolled up blankets and sort of thin mattress, the length the size of a normal bed. Some are hanging by the sides of each door of the residents and many, many are lined in rows on both sides of the narrow street. It is day light, I see everything clearly. They are preparing to take the people of the community to concentration camps.

Then, one of the evil armies, upset that I opened the door came rushing towards me. I was not afraid at all. I stood the ground knowing who is in me, the one in me is greater than the one in the world. By the power of the one in me, without touching him, the evil one was instantly pushed back almost a hundred

meter away with fear and trembling. I can see the light around him that pushed him away. The evil one is freed from evil and I heard him say, looking at himself, "I am healed, I am freed." The change in himself has surprised him.

A little further, by the fence, I see armoured military vehicles in front of me. I see one of them trying to point his heavy machine gun on me. I looked at him. Mocked and scoffed at him with no fear and with no concern of his gun and death. The military vehicle is a tank. They pulled out the data computes and started studying the information they have. I see a couple of them, their head with military fatigue and helmets, in full gear. The neighborhood has become a war zone. Mentioning my title and my name, one of them said ***"this is his house."***

Then, I closed the door, tightened the nob, left it secured and turned my back. There comes one short being, short like Chinese, in the middle of the room. I asked him, "How did you come in?." He said in a broken English, he has the key of the back door. He is in the middle of the room with an evil demonic power not by opening the door. He is holding two little but thick computerized devices with yellow screens, like the old walk-talkies but advanced. I looked at his eyes, he has the most frightening black eyes, everything of his eyes is black. This is an evil spirit, the army of the devil in human cloth.

I called on the Lord and said in a shout ***"Dear Lord, turn this evil thing to ash!!, ash!! ash!!."*** The evil thing is knocked to the ground flat, melted to liquid and disappeared right in front of my eyes, not by my own but by the power of the one in me. I didn't even stretch my hand. His bullet proof vest remains on the ground and I said ***"I don't want anything of this evil thing, anywhere around me."*** I see a big hole in the middle of his bullet proof vest. I didn't see or hear anything, when he fell on the ground, he was struck by the power of God. The black hole in the middle of his vest is the mark of the area it is struck.

Then water started coming up from the ground washing it off the floor while the big black hole on the vest is clearly seen. With victory by the power of almighty God, I woke up wondering the presence of the light and the power of God in me.

A week ago, I saw the same kind of vision where the military is taking the young from the neighborhood to concentration camps.

This is the vision of the Tribulation, one small aspect of "The Global, All Out Storm."

Trust the Lord, He will do wonderful things in these last days.

1 Corinthians 13:8-10(KJV)

8 Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away.

9 For we know in part, and we prophesy in part.

10 But when that which is perfect is come, then that which is in part shall be done away.

1 John 4:4 (KJV)

Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world.

Isaiah 55:7-9 (KJV)

7 Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the Lord, and he will have mercy upon him; and to **our God, for he will abundantly pardon.**

8 For **my thoughts are not your thoughts, neither are your ways my ways, saith the Lord.**

9 For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

2 Thessalonians 1:6-8 (KJV)

6 Seeing it is a righteous thing with God to recompense tribulation to them that trouble you;

7 And to you who are troubled rest with us, when the Lord Jesus shall be revealed from heaven with his

mighty angels,

8 In flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ:

Jeremiah 17:10 (KJV)

10 I the Lord search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings.

Jeremiah 23:24 (KJV)

24 Can any hide himself in secret places that I shall not see him? saith the Lord. Do not I fill heaven and earth? saith the Lord.

Hebrews 4:12-15 (KJV)

12 For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

13 Neither is there any creature that is not manifest in his sight: but all things are naked and opened unto the eyes of him with whom we have to do.

Psalms 139:7-12 (KJV)

7 Whither shall I go from thy spirit? or whither shall I flee from thy presence?

8 If I ascend up into heaven, thou art there: if I make my bed in hell, behold, thou art there.

9 If I take the wings of the morning, and dwell in the uttermost parts of the sea;

10 Even there shall thy hand lead me, and thy right hand shall hold me.

11 If I say, Surely the darkness shall cover me; even the night shall be light about me.

12 Yea, the darkness hideth not from thee; but the night shineth as the day: the darkness and the light are both alike to thee.

Read all Deuteronomy 32

Deuteronomy 32:4 (KJV)

4 He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he.
