

## ***The Wedding Supper of the Lamb.***

McKana, March 19, 2022

### ***Matthew 7:7-8(KJV)***

*7 Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:*

*8 For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.*

No word can say enough, no pen can write perfect, no explanation is sufficient to show how good God is. All these testimonies are not about self, not at all, for it is written that we are all sinners ***“For all have sinned, and come short of the glory of God; Being justified freely by his grace through the redemption that is in Christ Jesus” Romans 3:23-24.*** Our redemption, everything the Lord is giving us here on earth and up in heaven is through His grace. I wish I can say, write and express according to what the Lord has done for us. There is no enough praise, exaltation, songs and glorification enough which goes with and according to the perfect, holy mighty, loving and merciful nature of GOD. We need to add everything we sacrifice in any for me to Almighty God by saying “According to Your heights and Holiness-Almighty God.” The least understood word in this world is ***“Creator.”*** God, the creator of everything created deserve to be feared, revered, honored, respected, praised, glorified and loved. For one who have sensed the scents of The fragrance of the Father, the liquid love of God, the humble, patience and mercy of Almighty God, will give Him everything according to His heights.

Th followings are short testimonies which show the goodness of God. Our testimonies are not only about the terror of the judgment but seeing the light above and beyond the darkness is much about what is waiting for us in the heavenly Kingdom of our Father. It is written ***“For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us.”Romans 8:18(KJV)***

AND, this is what is waiting for us, a glimpse.

### ***The wedding supper of the Lamb.***

(Vision of March 22, 2018)

High up in the sky, through an open window, I see a table set. Around the table are sitting three people. They look like a transparent water. They are not bright as bright light. They are light bright but transparent like water as if one can see through them. The one in front is a young beautiful lady of young age, 17-18. As young as she is, she is medium built. The one in the middle, to the left is very young little girl. She looks around two or three years old. The one standing is myself. I look young, the same age as the young lady with hair dress I use to dress when I am young. I am holding stacks of glasses with my left hand, the wedding ceremony. The way the glasses are stacked is very amazing, defying gravity. I am holding one glass, on top of it is another two, on top of the two are three, it grows up like that. They are all extending to the left as if they are floating on the air. Unless you see a picture, it is hard to describe(see the small sketch below)

Note.

The three sitting around the table are one family in the celebration of the wedding super of the Lamb.

-The young girl is the same girl who appeared in front of the Throne of God,

-The little girl is the same little beauty Jesus help to walk, taking baby steps.

-The young man is myself, I am here and at the same time I am up there.

### ***Jesus makes beauty.***

(Vision of May 4, 2018)

The Lord revealed something which I have never imagined and expected to see. I see the most, I repeat the most beautiful lady, hard to believe. The lady is dressed with beautiful, multicolor dress with a

dominant green leaves and flower. Her cloth stretch down to her ankle. She is sitting on a chair. Her face is decorated with a hard to describe face masks, sparkling and beautiful. I saw only half of her face, we indeed see in part. I have never seen anything beautiful as she is. Real wonderful, beautiful master peace, created work of the very hands of the Lord. This is a wonderful beauty. I can keep on describing her beauty but word for certain can't say anything close.

(Almost two years earlier, the Lord visited me. The life I am living made the Lord feel sad, He cried, very different cry and said ***"I have your beauty"*** that is the girl.

This is the young lady I mentioned a number of times. This the lady which I saw in vision preparing the bouquet of flowers for the wedding supper of the lamb, the lady described above sitting with the little girl and the lady who is described in front of the Throne of God.

Sadly, this young lady and her sister were killed by stray bullets thirty years ago. They were killed at a young age of the twenties. What a heart break but the Lord gave us joy.)

That is why I keep giving repeated testimonies of the goodness of the Lord. The Lord knows what we love and here it shows.

### ***Jesus drew a picture of me.***

(Vision of May 23, 2018)

Jesus is loving. The Lord manifests His love in multiple ways. The Lord makes new things every day. So that I remember, I sketch some of the visions the Lord gives me. Even though none of my sketches look good, they say something of what I saw. Nothing is like the beautiful heaven. The Lord must be laughing seeing my poor sketches.

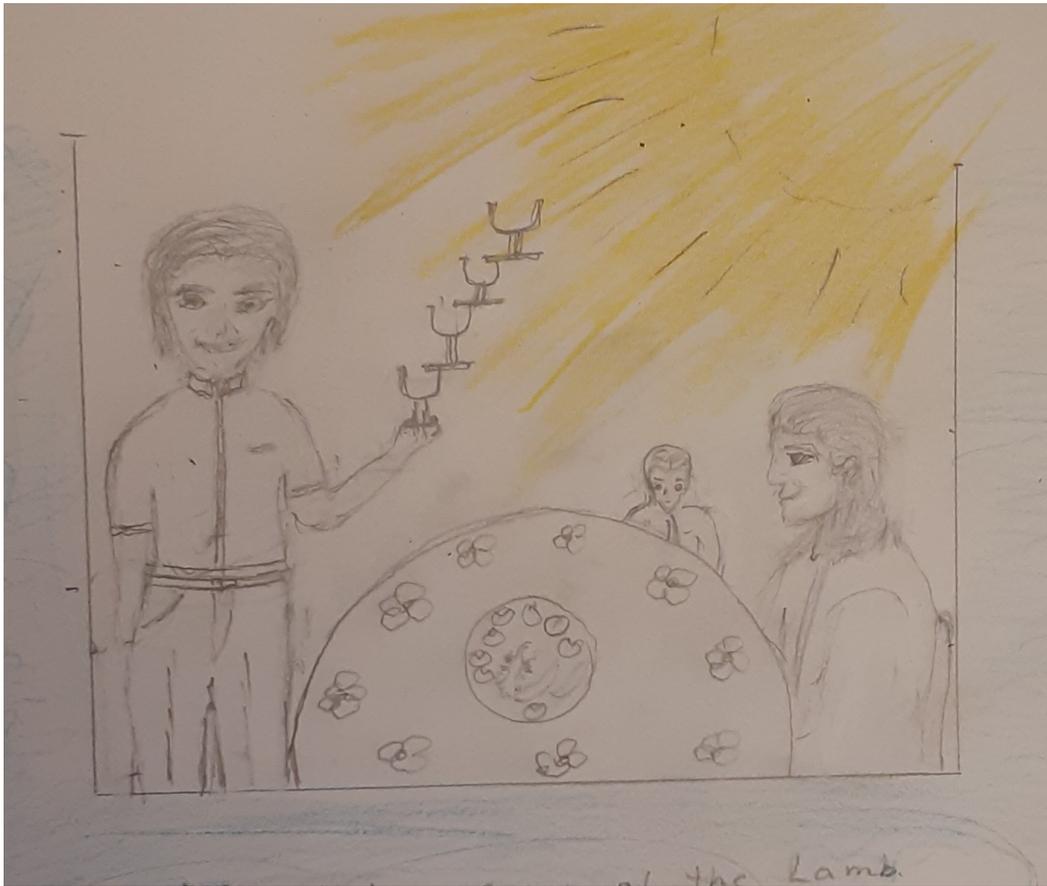

In the same way as I saw the handmade beauty mentioned above, I see a picture of myself, life size, dressed with thin like linen, beautiful and colorful outfit, a long shirt with long sleeves and pair of pants matching the shirt. I am sitting on a chair at an angle, my face and the rest of my body turned little to the left. Gentle, aliquant, beautiful and colorful. Jesus makes beauty out of dust, incorruptible. The reason for writing this is to praise the Lord for His lovingkindness and to engrave deep on each heart of every one who reads this testimony that we have our Lord who loves us and who will do everything for us. Remember what our Father told me saying ***"He(Jesus) will do everything for You(for us all)."***

Do you see "everything" done for us? That is what everything means. Trust me, the Lord is good beyond human understanding for God is perfect and whatever the Lord does is perfect and His lovingkindness too. It is written ***that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us.***

I hope, hope is kindled more brighter now in each heart. We hope in faith, as written ***"Now faith is the substance of things hoped for, the evidence of things not seen."*** Hebrews 11:1

***You are all invited to the wedding supper of the Lamb!***
