## Introduction

If I can give a title to this newsletter edition it would be called,

**Can We Know the time of His Coming?**

This is my feature study that you will find just below my introduction material. I am not a prophet but a prophetic teacher. I only teach what I can prove from Gods Word.

Many prophets and teachers have used prophecy's, signs in the sun, moon and the stars, and religious festivals to predict the very day that Jesus will return. I will show

you why this will not work **and I will show you from scripture the clues that will not reveal the exact day but clues that will put you on high alert, revealing that we are so close to the Lords return that it can be any day.** I personally believe that the first fruits of the resurrection as Jesus referred to the 144,000 as, in the Book of Revelation, chapter 14, is an event that will happen any day now.

Further if you will study Revelation Chapter 7, starting at verse one, it teaches that the Great Tribulation will not begin until the servants of God are sealed.

## **We Are being Tested**

### **Are you a quitter or will you pass the test???**

We are being tested, are you going to pass or will you give up?

In Jesus day many were only following Him for the benefits. The food and the miracles. Jesus could multiply a single boy's lunch and feed thousands. Jesus realized that many were only following Him to have a full stomach.

When Jesus confronted the crowd and told them that they were not really His decuples, most bowed their heads in shame and walked away. Jesus then turned to His decuples and said, "Will you leave me also?" One of His disciples answered and said, "Only you have the words of eternal life."

Personally, I thought Jesus was coming back around seven years ago. I remember in the spring of 2016 when I went to God in prayer and I asked the Lord what am I to do? At that time it was a big disappointment to many Christians and interest in my books and message was mostly Gone. I heard close to the audible voice of God that night and again a few nights later, God told me to "Stand your Ground" and a bit later, "To stay the course" I committed to do just that, At this time I believe I was being tested, I believe I passed the test at that time.

I may not know the exact time of His coming, but I will follow Jesus until He either He comes for me or I die and I go to Him. Personally, I am holding on to a personal word from God with Him telling me that He will totally heal my body in an instant and He will send me out totally healed to work and preach for Him again.

So, no matter how long I have to wait, no matter what God wants me to do, I will not stop serving Him. Remember, Only Jesus has the words of eternal life.

**Passing this test is not going to be easy.** It seems I struggle and fail almost daily, one way or another. Remember the devil wants you to quit. If you want the devil to leave you alone, then just be a Luke warm Christian. But if you are a sold out, Blood bought, Child of God living fully committed to walking obedient to Him every day, and I mean having fellowship with Him every day then you can expect that you are on Satan's radar and satan will assign demons to take you out and try to make you quit.

If you have a weak area in your life, don't quit, but pick yourself up daily and keep serving God.

The Bible says that if we confess our sins, God is faithful and just and will forgive our sins and cleanse us of all unrighteousness.

Do you remember when the disciples asked Jesus how many times, they were to forgive a person in a day? They suggested seven times. What was Jesus response? Seven times seventy times. Do you think God expects us to be more forgiving than what God is to us?

This does not mean that we should not worry about our sins? No, we must always be intentionally striving not to sin again, but if we do, we have an advocate in Jesus Christ. This is why our walk with God must be daily. The Bible tells us to not even go to bed at night if we have unforgiveness against someone.

I have heard TV preachers say that we can attain a totally sinless life. I don't see this taught in the Bible and this same TV preacher years ago had a moral failure and he had to step out of ministry for a while, but God did forgive him.

What does the Bible actually say about our ability to live a Righteous life?

1. The Bible says that OUR RIGHTEOUSNESS IS AS FILTHY RAGS.
2. The Bible in the book of Psalms says, "Non are righteous in this life"
3. In the New Testament it says, "If you say you have no sin, you are a liar, then it says all liars are going to hell.

If you study the Lord's prayer, Jesus taught His disciples a model for daily prayer. In the Lord's prayer we are taught to daily ask God for forgiveness as we forgive

others. There are scriptures that teach us that to be forgiven by God we must forgive others.

In closing, do you remember Winston Churchills' most famous speech? It went something like this. **"Never, Never, Never give up."**

**Remember the rewards for not giving up will last forever and forever.**

I have seen many in recent months quit. How do I know this? I have without explanation seen many quit supporting my ministry. I asked one why and he basically said that things were not happening fast enough. that when things start to really happen then he will come back. He told me months ago he wanted to be part of the First Fruits of the resurrection. I asked him that he could miss out on this event. He then said that when this event happens then he will get back in and wait the 3 years of great tribulation and go up at that time.

**This is crazy.** If you don't pass the test during good times, how are you going to make it when the tidal waves hit, when America is attacked, When America is invaded. How do you expect to stay true to God then if you can't do it now? How true to God will you be when your home is invaded and family's are raped, killed and your food is stolen?

**A Special request.** I have seen a drop in support in recent months, If you still believe God has raised me up to warn and prepare the church for what is coming, then I am asking that you will do what you can to help me catch up with my finances. I have to put \$500.00 aside each month just to cover property taxes, I have had to dip into these funds. I have a fridge going out and needs to be replaced. I don't like asking for funds, I prefer God putting my needs on peoples hearts to give, So I ask you to pray and see if God is speaking for you to give to my support and a catchup donation.

## **Your Water Project, A must to Survive**

I have recently shared my need to have water filter systems to help people as God instructs me during the Great Tribulation. I have been building a farm and ranch to house and help feed people during the coming says of sorrows.

I have almost arrives at a number of Water filter systems that will be used to help people have the needed clean water needed to survive. Recently I have ordered

replacement filters to extend the life of the Burkey type gravity feed systems. I have also ordered some replacement spikets that run the clean water into a cup or a pot. An idea hit me that if you have these items, costing less than \$50.00 and you have a couple of clean, empty food grade 5 gallon buckets, you can create a water filter system equal to one costing 2 to \$300.00 ‘

What you do is stack these two buckets on top of each other with the lids attached. The bottom bucket lid will have a hole in the lid, maybe 2 inches in Diameter that is lined up with the top bucket that has a small hole lined up with the hole of the bottom bucket. This top bucket will have the water filter that has a threaded stem with nut that attaches to the small hole in the bottom of the top stacked bucket. This will allow the water that is being filtered to drain into the bottom bucket.

When this is assembled you fill the top bucket with the filter attached with water and as the water runs through the filter you end up with the bottom bucket with biologically clean water, you take the spiket and drill a mounting hole in the side of the lower bucket, about an inch and a half up from the bottom of the lower bucket. This allows you to drain clean water as you need it.

I found the needed filters and spiket on Amazon, I will copy the links below so you can order them and create a great affordable water filter system.

## **Financial Needs**

My Ministry is faith based. I am trusting God to meet my every need; the needs for the sanctuary God has directed me to prepare will still have needs going into the Great Tribulation.

### **Instructions on How to Give to This Ministry**

You can use the donation link on my site [www.tribulationtruth.com](http://www.tribulationtruth.com) that uses PayPal with your credit card, or mail your donation to **John Shorey, 178 Camino Embarcadero, Rio Rico, Arizona 85648, May God Bless You as you partner with my ministry.**

**Thank you so much. I am sorry I have not been able health wise to reach out and thank you personally for your support.**

### **Ministry Project**

**Many Ministries make appeals to raise more money than they need and they live high on the hog. This is not true with me. A few years ago, when I was selling many books, I put all the proceeds into the ministry. God directed me to build our mini farm ranch into a sanctuary to help His Children in the last days. When I asked God one night in 2015 how many I needed to prepare to help. I heard God so clearly, it was almost the audible voice of God telling me to prepare to help feed 100 people during the Great Tribulation.**

Recently God has revealed more to me on how I am to help the needy during the Great Tribulation. I thought I was to house the people on our property so I have bought tents, sleeping bags and other survival and camping supplies, along with enough food to help these people.

Recently God has revealed to me that my food and supplies will be super naturally delivered to those who are hiding in the woods and other places and as they are calling out to God, God has prepared people like me who have been instructed to prepare to help those in need during the Tribulation

Because we are so close to this time, I realize I need a couple of items faster than I have time to see the funds come in.

I need eight Burkey type water filters and eight hand operated grain mills. I have had enough grain mills come in but still need some quality Burkey type water filters. The ones from Augason Farms are no longer available but I found a great one from Amazon. The filters will last for 6000 gallons which is great. They cost about \$225.00 with shipping but it is a deal for this quality. I will post the link to this Amazon Item below.

**Please, If you do not have a comparable gravity feed water filter, buy one for you and your family first.**

When you order filter as gift to my ministry, have these sent directly to me. John Shorey, 178 Camino Embarcadero, Rio Rico, Arizona 85648

When you partner with me on this project, God will reward you greatly.

## **Health Update**

I recently revealed to my partners in ministry that my last medical checkup revealed that I probably have advanced prostate cancer. I knew this three years ago but because of a lack of insurance and the Covid situation, I decided against treatment.

I have been praying on the timing of my going for treatment and two things come to me. Over three years ago I was warned by God that He would allow this to keep me relying on Him, God told me He could restore and heal me in a moment as He had done instant healings on my body in the past. So based on His promise and with the ongoing virus situation I am waiting on and trusting God, my health has taken a turn for the worse in other areas. I have lost half my hearing and my vision has taken a sharp turn in just weeks since my last newsletter. Now a month later It has become more of a challenge to do these newsletters from worsening vision.

God continues to come through for me to give me good days to work on and complete these studies and newsletters. I covet your prayers and support.

**May God richly Bless You, Your Friend in the Faith John Shorey**

## Can We Know the time of His Coming?

I have written on this question recently, as much as I see the truth, I am still tempted to think of dates based on a religious feast or a Jesus event like Easter that is deeply woven from Jewish religious feasts or event.

I try to compensate for my thoughts on a date as a best guess date. **The Bible says that no man knows the day or the hour.** So, what I see as my best guess is just a guess. I don't know but I can hope. I also say that I hope my best guess, my blessed hope date turns into the blessed reality event of The Lord's Return.

As I was driving home on Saturday, the day before Easter the thought hit me that no matter how good it appears that the Lord will return on Easter, {Resurrection Day} It was Jesus resurrection day, so would this not be a good time for the resurrection of the Saints?

It hit me that this day could come and go because the Bible not only says that no man knows the day or the hour but it says that Jesus doesn't even know the day, only the father knows the day of the Return of Jesus for His saints.

So, If no man knows the day or the hour and that even includes Jesus, only the Father knows. This is why you cannot lock in on any Jewish festival as the day of the Return of Christ. Many Bible teachers over the years have locked the Rapture into the date of the Feast of Trumpets. They will say we cannot know the hour as it is tied to a lunar event that the hour cannot be known if it is a cloudy day. But wait, maybe you cannot know the hour but you can still know the day because the Jewish Rabis blow the trumpet on the third day, and the Bible says, no man knows the day.

**The Logic of what I am saying here is that you cannot use any Jewish feast or festival to lock in on a certain day for the Return of Christ. Yet when the big event happens it could be connected to a Jewish event that we didn't even expect.**

### **There will be signs in the sun, the moon and the stars**

In recent years I have seen Bible teachers set dates based on events happening with the sun, the moon and the stars.

I have heard Bible teacher say that on a certain year and day Solar eclipses will occur and this will be the time of the Lords Return.

How many remember the four blood moons happening in the two years of 2014 and 2015. I won't mention names but some preachers were packing their bags for a certain date in 2015 and it didn't happen.

Signs in the stars. Do you remember I believe it was 2017 when the constellation in the stars called Virgo and The Dragon occurred? There was a planet that went into the womb of Virgo and on the date that the planet left the womb was predicted to be the day of the rapture. I remember one well known prophecy preacher saying that if you do not believe the rapture will happen at this time, you will be left behind. Well, we were all left behind.

Think about my take on signs in the sun, the moon and the stars. If you were traveling to NY City and you see a sign that says, NY City is 150 miles away. What does that sign tell you? You are getting close but you have not arrived yet. The signs in the sun, moon and the stars are like road signs, telling us we are getting close but we have not arrived yet.

## **Be Not Deceived**

In Matthew 24, Jesus said, "Be not deceived" He was referring to prophets who frequently set dates concerning the Return of Jesus. Remember what I just said above? If no man knows the day or the Hour then answer this question, Are prophets men? Yes, so if no man knows the day or the hour, how can these men set a date for the Lords return?

So what am I saying in this study on knowing the time of Christ Return, In Matthew 24, the disciples of Jesus met with Jesus on the Mount of Olives and asked Jesus, "What will be the sign of your coming and the end of the age? The first part of His answer was to not be deceived by prophets. Now remember what I said, prophets are men and no man knows the day or the hour. Also remember the Bible even says that only the Father knows the day and even Jesus is left in the dark on the answer to this question until the Father instructs Jesus that the day has arrived.

## **Then, what is the sign of His Coming?**

## **Did Jesus give His disciples an answer to their question?**

If Jesus said, be not deceived by the Prophets.

If Jesus taught that you cannot set a day based on Jewish festivals

If the signs in the sun, moon and stars don't give us the day of His Coming.

## **Then what is the clue of the time of the Return of Jesus??.**

**I have taught that both Jesus and John in the Book of Revelation taught the same list of the seals of Revelation.**

**The answer to the disciple's question is in the list of the seals.**

**The list Jesus gave us are news events. Not everyday news events but Mega news events all coming together to warn us that the Great Tribulation and the return of Jesus is about to happen.**

We are on the cusp of World War three, it could happen any day. We are on the cusp of a plaque event much worse the Covid 19. We are on the cusp of global famine and starvation happening just months away or any day.

President Biden a week ago said that we need to form a global government and the US needs to head it up. This is a news event warning us that a Global One World Government is in the planning stage right now.

In conclusion, the clues to watch are not coming from the prophets, not coming from Jewish festivals and not coming from the signs in the sun, the moon and the stars. No just watch the news happening around the globe.

When WW3 breaks out, Mega earthquakes are happening, then the list Jesus gave in Matthew 24 has been completed and the Great Tribulation has already begun and if you understand the sealing of the 144,000 also called the servants of our God, has already taken place. This small group that have been sealed as described in Revelation 14 are the First Fruits of the Resurrection.

So quit paying attention to the prophets and watch what is happening around the World. With War so close to happening, this is why I believe the gathering of the 144,000 is only days away.

# War Analysis Update

I have been teaching on the seals for some time. If you study what Jesus said in Matthew 24 and what John wrote in the Book of Revelation concerning the seven Seals you may conclude as I do that they are teaching on the same events.

Jesus is teaching about events like war that have been events happening in every generation. John is teaching about the same events happening in an end time catastrophic way.

When Jesus mentions war in His list, He says there will be wars and rumors of war so don't be too concerned. But when Jesus completes His list with Great Earthquakes than a change occurs. When Jesus completes the list with Great Earthquakes He then says, These are the **Beginning of Sorrows**. The Days of Sorrows is the Great Tribulation. I have no doubt in my mind that all the seals are pushing at the gates waiting for the completion of the list. I have said this before, that when the mega Earthquakes occur, this will be like the gun going off and all the seals will move forward together.

Some are teaching that many of the seals are already in play. I disagree. As Jesus said, don't be concerned about war. When the seal of War opens it will be WW3, look at famine and starvation, this like war has happened around the globe for all time. But when we see Global famine and global starvation all over the world than this will be when all the seals are in play and the Great Tribulation has begun.

Look at plagues and pestilence, these have happened in many places but not on the scale the Bible teaches concerning death. John teaches when the Seals are in play. John calls the 4<sup>th</sup> seal death. He says 1/4 of the earth will die by war, starvation and Plague. Some translations say by beasts instead of plagues. Plagues often come from living organisms. Some say Covid 19 came from monkeys or bats. They say Ebola came from monkeys. Look at what Revelation says, 1/4 of earth will die, that is over two billion deaths.

The reason the seals are not open yet is because when they are opening at one time the number of deaths will be on a mega grand scale. We may be seeing a few million dying from Covid 19 but just one Billion is a thousand million.

I believe we will see mega earthquakes soon, I believe this will trigger all the seals and World War Three will follow on the heels of this Earthquake event that I believe

will be very, very soon. In my last newsletter I said I believe we are only days or weeks away from WW3. Yet this cannot happen until Mega earthquakes.

I am not a prophet, I don't know the exact day these things will happen but I am trying to create urgency to get people prepared. I believe it is Gods mercy and grace that is holding these events back so more will wake up.

So, you might ask, what does all this have to do with your War analysis? I watch the news concerning the war in Europe every day. Their analysis is flawed because they do not understand what the Bible has to say about war in the last days.

Over the last 60 years there have been many credible prophets who God has used to warn America, that America will be destroyed by nuclear bombs. The Bible describes America as Mystery Babylon and says it will be destroyed by fire in one hour.

When you watch the TV or internet news, they don't see the destruction that the Bible and Gods prophets describe. I keep hearing them say that Putin may use tactical nukes taking out a few city blocks. They keep talking of Putin as weak and that we don't have to take his threats seriously. I look at what is coming down through the looking glass of the Bible and prophets. Credible prophets have warned us that Russia and China and even North Korea will come together to take out America.

Those three nations with each having Hypersonic nuclear missiles can take out America in one hour. Just look at what Russia has in its nuclear arsenal. Nuclear armed subs in the artic that can hit NY City in 25 minutes, These subs are on the west coast, on the east coast, AA Allen saw missiles being fired from the Gulf of Mexico in the 50's.

Russia has these 80 foot long drone subs that are launched from a submarine that can travel at least 3000 miles undetected with a 100 megaton Nuclear payload.

Right now, America is arming the Ukraine with enough weapons to defeat Russia, many European countries are doing the same, thinking that Russia's threats are only threats. This thinking is greatly flawed. We are fast pushing Putin into a corner. Putin is using up to 1000 missiles into Ukraine on a daily basis. What do you think Putin will be using when he runs out of these non-nuclear missiles???

My War Analysis is Bible based, the seals are all primed and ready to go off. As Christians this is no time to be lukewarm and asleep. This is not the time to be listening to the pillow prophets that are feeding the church with feel good words that America will be great again. No this is time to wake up and give your all to God on a daily basis.

## **Words from the Prophets**

### **JUST A LITTLE GLIMPSE**

APRIL 17, 2022 4:35 AM, BROTHER MOSES

I will put you in charge of many things. Mathew 25:21

April 17, 2022

Words from the Lord.

Many of My children have turned their heart from Me. Many are now weary of My work. The world have taken full possession of many who once followed me with their whole heart. The light of many of My children have become dim. Many of My children have left their duty post to pursue after the vanity of this life.

The world that is very dark and decaying is what many of My children are serving with their whole heart. You cannot serve Me and the world at the same time. You either belong fully to Me or you belong to the world. I will not accept your lukewarm services.

What have you gain from following the world and its systems? The world will only bring confusion, disappointment and regret to your heart. There is no peace to those who live only to gratify their fleshly lust. The more sin enters into your heart the darker your heart becomes.

I the Lord is coming to bring home with Me only those who have fully turned their back from the world and have fully surrendered their life and will to Me. I am coming for a pure bride. Great glory awaits My bride. What I have prepared for My bride who loves and follows Me with passion cannot be described by the most wise man on earth. Man in his highest ability can not be able to fathom the great things that awaits My bride in the heavenlies. No human language can describe it.

My bride will be very close and united with Me for all eternity. She will reign with Me forever. My glory will be hers. She will rule the nations with an iron rod. She will be one with Me in spirit, soul and body. She will be like Me in life and nature except in the Godhead. That is she will not be worshiped as God but will receive the full honour due to her as My bride! She will forever be known as bride of God. All those who are walking in an intimate relationship with Me in this life will be My bride for all eternity. I will put My bride in charge of many things.

She will be seen as the fourth person after the Godhead, for she will be greater than the angels in power and authority. She will be so intimate with Me more than an earthly wife is to her husband. She will have power to judge the world and even the angels. The union between Me and My bride is a great mystery that will take My bride eternity to fully comprehend.

This is just a little glimpse of the great glory and beauty that awaits all those who are faithfully working with Me in an intimate relationship.

The worst thing that will happen to you in this life is to miss being my bride! Drop your pursuit of the vain glory of this world and start building an intimate relationship with Your God. DONT MISS THE GREATEST FLIGHT THAT IS COMING SOON!.

I AM YOUR KING, HUSBAND AND BEST FRIEND.

## **ARE YOU MY BRIDE?**

**BROTHER MOSES,** APRIL 7, 2022

You will always be at the top never at the bottom, .Deut 28:13.

Words from the Lord

I am a God that does not change, My standard remains the same throughout all generations. I love all my children and desire to fill them with my spirit. My plan for my children is so great beyond what

you can think of or will ever imagine for I am the Perfect Father. I love all my children with an everlasting love. Eyes have not seen, ears have not heard

neither have the heart of man be able to know or understand the great things I have prepared for all those who loves me with all their heart.

My child I your God longs for intimacy with You, for that is the major purpose why I created you, but it is sad that many of my children denies me of an intimate relationship with them. They love to play with the world than to sit at my presense. The world can never give you any true satisfaction. True satisfaction only comes from an intimate relationship with your God who love you and gave Himself for you. I am coming very soon, much sooner than your mind can imagine, to rapture my bride and take her to the heavenlies. To my kingdom of great glory and beauty beyond human comprehension.

My bride are all those who have fully turned their back from these dark and evil world. She loves me with all her, spirit, soul and body. The world does not attract her, for she has placed me at the center of her heart. My presense is the best place that she loved to stay. My bride have fully surrendered all her life and will to me. She dies daily to the flesh that is her self. Her heart beats after me. She loves my word more than her necessary food. She is my warrior bride and always intercedes before me. She is the only light that is shining in these dark world and immidatly my beloved bride is taken away, the world shall sink in to deep darkness and the mystrey of iniquity will be fully reaveled. My bride is extremely beautiful, filled with my holiness, peace, joy and love. My bride will always be at the top, for she has made me the first person in her life. She will never walk in darkness, but will always shine forth brightly as light in these dark and cruel world. ARE YOU MY BRIDE?

**I AM THE GREAT LOVER OF YOUR SOUL!. YOUR LORD AND SAVIOUR JESUS.**

## **STRONG WARNING: DESTRUCTION IS AT THE DOOR**

VICKY ADKINS, APRIL 17, 2022

**For many years, I have been warning through the voices of my scriptures, through prophets, and leaders with ears to hear, PREPARE, PREPARE, PREPARE. Some have ears to hear and have been preparing their lives spiritually and physically. Some have drawn closer to Me to hear My words and to seek My heart regarding their daily lives. Some have**

**searched My words in Scripture and been diligent to study to know what I want, what I have said and what is soon coming to pass upon the earth.**

They have learned and embraced My promises. They have been faithful to walk uprightly before Me, keeping themselves spiritually as clean as they understood to do in their daily lives, guarding their hearts, minds, and loyalty to Me and to My words.

And as the time has passed and the warnings of greater tribulation to come is yet to be seen in its fullness in the earth, they have remained faithful to their Father. They have not only sought to prepare themselves but have also been the trumpeting voices that call others to repentance, that teach others how to live lives of purity, that spend time in prayer for those who have are still in the world or who have wandered away and not yet returned. They pray for their families, their friends and co-workers, their cities, and nations. They cry out for those who are lost and give generously to those in need. They serve Me. They do not only speak of serving Me. They serve Me.

They are my 5 wise virgins. They have been preparing through their intimacy with Me, their obedience to Me and their faithfulness to take up their crosses and follow Me daily. They are by no means perfect. They are waiting on Me, and they are waiting for Me, even as they continue to labor in the field which is white and ready to harvest. They continue to thrust in their sickles and reap. And their lamps will have the oil they need when I return.

Many of those who profess My Name are not prepared. They have heard the warnings, they have watched as the world grows darker, but they do not see the darkness. Their eyes are blinded by their rebellion. Because My coming has not yet occurred, and because the warnings of destruction, famine, and other monumental catastrophes have not manifested in their comfortable lives, they have gone to sleep. They will only stay awake for a moment, but easily slumber when their lives are not too disrupted.

They are not willing to give up their bondage to the world and to self. They see themselves as living in freedom, making decisions based on their greed to satisfy their own selfish desires. They are fast asleep and if they do not repent, if they do

not wake up, if they do not stop believing the winds of doctrine that declare the things they believe – which have no foundation in My words in Scripture – they will be shocked to find that they do not have the oil they need in their lamps to be ready to go out to meet Me when I come.

They will be left out of My wedding chamber when I go in and close the door behind Me. I will not know them if they do not know me. And if their lamps are empty – if their lives have no fruit, nor evidence of the intimacy of relationship with Me – it will do them no good to knock and seek entrance. When I close the door...the door will remain closed. In My word, I said that what I open, no one can shut and what I shut, no one can open. That applies to this as well.

Those who claim to be My people must stop telling Me 'No'. Those are My rebellious children and foolish virgins. I am Father, and when I say to do something, I mean it. I am serious when I say to do or not do something. People have taken My commands lightly and oftentimes totally dismissed them. Whether in scripture or when I tell you something, personally, I expect obedience. I am Father. You are not.

But they are not intimidated. They see no threat to their own lives because they are filled with pride and have thought to ignore and dismiss Me as nothing more than the God they take off the shelf to acknowledge once or twice weekly, if at all. They have believed they can do no wrong in My eyes and are not concerned with what My eyes even see. They are the lukewarm that I will vomit out of My mouth. They are the fence-sitters. They are the ones who never enter in, and in their damnable doctrines of free and cheap grace, they lead others into the same hell they will find themselves in one day if they do not repent. They are so filled with arrogance that they cannot see and do not remember that they are the dust of the earth. They do not think I am serious about holiness. And many of them do not care if I am.

You have your free will. You are not without choices. I will not take those choices away from you now, but the day will come when your rebellion, your refusal to obey, your independent attitude which is filled with pride will cost you the place you desire in My kingdom, if you do not repent and obey Me. This is not a game. Your life and the future you hope to enjoy are connected to whether or not you obey Me. Show Me you love Me. Obey Me!

I am weary of watching My sons and daughters behave like the world. I am weary of the hateful language, the selfish attitudes, the proud looks, the deceptive practices, the lies, the wastefulness, and the lust for more, more, and more. I am weary of the provocative dress and behavior of both sons and daughters. I am weary of telling My people to change and listening to them tell me 'No', whether literally or simply by refusing to obey. What good parent will allow the disobedience of a child to continue without consequences?

Those 5 wise virgins deny their own flesh. They seek My will. They hunger and thirst for righteousness, not the approval of the world or the self-gratification that brings death. They rest in Me. They live and breathe in Me. They make their choices based on the desires of My heart, which have become their desires as well. Because they love Me, because they have chosen to give themselves over to Me, they will be ready when I call them into the Marriage Chamber.

If you would be Mine and hope to be with Me one day in My kingdom, you must let go of yourself and seek Me with all your heart, might, mind and strength. You must deny your flesh and stop telling Me, 'No'. You must choose My ways, which are not the ways of the world. I am greater than you give Me credit for being. Let your 'yes' be 'yes' and let that 'yes' be in response to my word.

Destruction is quickly coming to the earth. Nations continue to clash with greater intensity every day. The swords are being drawn and the war horses are pawing the ground, ready to race into the battle.

There are hands poised over devices that will bring mass destruction to nations. In his great haste to bring mankind to an end, the enemy has unleashed greater hatred in the hearts of men who hold the reigns to great power. I have told you that there will be countless deaths coming to the earth. It has already begun, and it will only increase. And the increase will be more rapid than you think.

Hell is opening her mouth wide for the crop of souls who have refused to turn to Me. My army stands ready in the heavens, but the time is not yet. There is still more to come before I return. My army on earth is now beginning to pray with greater fervency than before. The bondages that will be imposed on nations will seem to squeeze the breath of life out of the peoples and only those who are strong enough to keep their focus on Me will be able to endure what lies

ahead and even now is at your doors. More disease, more poison, more fighting and more wars as the enemy continues to use mankind to destroy mankind.

This earth is not your home. Never forget that. Many have forgotten and because they do not know Me, they claw the air to try to save their own lives. Do not be like them. Be willing to lose your life in any way for the sake of finding it in Me. Let go of your opinions and seek Mine instead. Stop saying 'No' to Me. Rather, begin saying words that are very familiar to Me..." Not my will, but yours be done." Amen.

## **THE MERGING OF THE PHYSICAL AND SPIRITUAL IN HIS FIRST-FRUITS**

**Thursday, March 31, 2022, Julie Whedbee**

*This message is in response to my prayer, asking again, as I very often do, if I need to do anything differently, as physically things have become so much more challenging. I know many of you are in the same situation, and our spirits are on fire and ready to minister and bring in the harvest, but we are weak in the flesh. I asked Yahushua why His word of 'NOW' does not have the same meaning as our word now, so I could understand more about His timing. It has been so difficult waiting for His perfect timing, and I know the weariness is being felt in all of the remnant like never before. Father is so very loving and always encouraging, and I wanted to share what He spoke to me with each of you, so that you can also be encouraged and excited, as He fulfills all He has promised. King Yahushua's love to you all. Julie*

Message received March 30, 2022

***Daughter, I am here inside you, closer than any other could be, and I hear the cries of your heart. My heart is yours, and your's is Mine, and***

***We operate now as One! Now does mean NOW, as I have already come inside you and transformed you, little by little, as you have walked out this journey in Me! Just as I have spoken to you before, your transformation is ongoing, and what you are now looking for is the 'collective' and final transformation physically of each soul chosen for this first harvest, which is imminently upon you. You must believe Me! Your vessels are ready, and all that remains is the moment of My glory enveloping you in the natural, as this has already occurred in the spiritual! Do you remember the visions where I have had you immerse in the pools and rivers of My Living Water? This is where your spiritual transformation has taken place. What you now seek so desperately is the merging of the physical and the spiritual, and your release from the restraints and limitations of this realm and dimension. I tell you again, it is upon you!!***

***I hear all the cries of My remnant, as so many struggle in the natural to keep the faith and continue forward in boldness and courage despite the terrible darkness that has now covered the lands. I will say it again, your position now is crucial. It is of the utmost importance that you are insulating yourselves, not allowing distractions to take your focus off Me and the extremely important instructions I am giving you for this season. My instructions will be straightforward and precise, but I will not often give you many details for the next step. This is for your protection, as well as those around you. You are to walk out each step in obedience, and then wait for My next counsel. By using the keys I have given you, doors will open for you as they must, because it is My authority in you operating.***

***I have moved many already to the position they will remain in for this next season of the harvest, and more will be moving imminently. Do not waver if I speak to you "go," for your hesitation could be very costly, both for you and those around you. When I call you to go or do something, it will be My strength you move forward in to complete that which I have given each of you. My army comes together now in various locations and much will be done quickly to advance My causes. This is why it is critical not to hesitate in any matter, even when the steps do not appear to have an order you are accustomed to in the natural. When We operate as One, I will ensure what I have spoken to you will be carried out without obstacles, as all around you aligns to My will for you. Will I cause to labor and not give birth to all I have***

**ordained for you individually and collectively? Obedience is the key!  
You know this!**

**I realize how difficult it is for you physically to not have the strength you believe you need to carry out your tasks; however, being physically weak and emptied of self is where I am able to pour in, filling you to overflowing with Me, as you know you are nothing without Me. You have been prepared My remnant, My army. You have been through the fires of affliction and trained, emptied of all and fashioned into the image of your Creator. I will now use you powerfully to advance My Kingdom here- on earth as it is in Heaven, and the release you have been waiting for will not compare to anything you have ever experienced here. Although the requirement for your purpose has been costly here, your reward is with Me.**

**The anointing I now give to My remnant will enable you to accomplish things not possible here in the physical. You are sealed and will help those whose positions are in Me as the larger Bride group, but who are on a different point in their journey to discover their purpose in Me. Each detail of your assignment is completely specific to you, personally, and therefore, this is why the geographic position is so crucial. Those I ask you to separate from for a time are being given an opportunity, as you have been in the past, to make a choice to place Me first in their lives, but many times now, this means not having you in their immediate lives as security. Does My Word not say that I came to cause division? From now on in one house, there are five divided-three against two and two against three. This is so My will is carried out, not the desires of fleshly man. One must give up ALL to follow Me.**

**Continue to pray unceasingly for the lost and those I have placed you with in this life. I will do a work in them and soften their hearts towards you in My perfect timing, and a joy will be theirs as well, when I am revealed in and through you- My servants, My heirs, My kings and priests, My Bride. Do not fear anything man can do now, as things appear so evil, as The Creator of All Things will have His way in the earth and all will know truth once and for all!**

**I love you My children, I love you!! YAHUSHUA**

## Russia Announces Full Control Over Mariupol; Shoot-Down of Cargo Plane Carrying NATO Weapons

WORLD HAL TURNER 16 APRIL 2022

The Russian Ministry of Defense has announced that Russian forces now control "all of Mariupol" after the surrender of 1,464 Ukraine troops.

Pavlo Kyrylenko, governor of the Donetsk region, told CNN the city was "no more," leaving Russians with nothing left to seize.

"The enemy may seize the land Mariupol used to stand on, but the city of Mariupol has been wiped off the face of the earth by the Russian Federation.

### NATO WEAPONS DELIVERY SHOT DOWN

There is now also word filtering out that Russian air defenses have SHOT DOWN a cargo plane carrying a shipment of NATO Weapons for Ukraine, but this is dicey . . .

Russia claims it downed a *Ukrainian* transport plane carrying weapons "in the Odessa region."

There are no Ukrainian transport planes flying there, but there were some flying **from Turkey to Poland.**

At this point, the flag of the plane is believed to Be Ukrainian, but that is \*NOT\* confirmed. (Could be a NATO Plane)

Some Sources, primarily Russian, claiming that the Aircraft shot down was a NATO Military Aircraft carrying Weapons to Ukrainian Forces in Odesa, but again this is extremely unlikely. However, if found to be true, oh boy . . .

## Hal Turner Editorial Remarks

Flying from Turkey (Drones) to Poland (the central distribution point of NATO weapons) ultimately entering Ukraine?

If this is one of the planes shot down, then in one fell swoop, Russia has put Ukraine, Turkey, and Poland, on notice that NATO weapons shipments are not safe anywhere.

Bold move by Russia. Still have to get all the facts and, of course, see how this plays out.

## VIDEO: NATO Shipping MiG-29's into Ukraine, Disassembled, by Flatbed Truck

WORLD NEWSDESK 15 APRIL 2022

Video has emerged from inside the conflict zone showing NATO transporting MiG-29's into Ukraine by flatbed truck. The aircraft are partially disassembled, the fuselage is covered with camouflage netting to obscure visual imagery from above (satellites) and the planes are taken over-the-road, into Ukraine.

The six-seconds of video, below, shows NATO being caught in the act:

Looks like Ukrainian MiG-29s are being transported in different parts across roads. Would be interesting if this is how "donated" MiG-29s from NATO countries are being transported into Ukraine to not lure Russian airstrikes.

There are Unconfirmed reports coming out of Russia today that **the Russian Federation is preparing to Formally Declare War on Ukraine** in response to the sinking of the Russian Black Sea's Flag-Ship "Moskva." (Story [HERE](#))

This would allow the Russian Government to begin Mass Conscription as well as Economic War Actions.

For 15 years, radio host Hal Turner worked with the FBI; his final five years, from 2003-2008, with the Joint Terrorism Task Force (JTTF). According to Assistant Special Agent in Charge, Amy Pickett, of FBI New York City, in sworn testimony in Brooklyn federal court, in December, 2009, Turner handled "national security, terrorism, and foreign counter-intelligence." As such, the Hal Turner Radio Show has contacts within the Intelligence Community (IC) around the world, with whom he remains in contact to this very day. Some of those contacts feed information to Turner . . . info like this story . . . that mass-media outlets never get, and never get near. **Some of that intel he can share. Much, he cannot.**

## **RUSSIA FURIOUS OVER SINKING OF MISSILE CRUISER "MOSKVA" - TALKING "WW3"**

WORLD HAL TURNER 15 APRIL 2022

The Russian people are enraged beyond words over the sinking of their Black Sea flagship, the Guided Missile Cruiser "Moskva" and they are already publicly saying on TV that they are in World War 3 with the United States.

Barrages of Russian missiles were launched late last night against at least 8 different "fronts" inside Ukraine, hitting targets in Kiev, Kharkov, Nikolaev, and elsewhere, causing thunderous explosions.

On Russian television, the mood was ferocious anger, and the remarks being made were specific: Russia is already in World War 3, Russia is at war with the United States/NATO, and more. Here's a small sample:

One source familiar with the unfolding events, told me the following:

*The cruiser sank. There were many victims on board. There was a monstrous explosion of ammunition and airborne missiles. I think there may be several hundred dead, if not almost the entire crew. So there will be a backlash.*

That same source then SPECULATED what he believes the Russian response will be:

*The RF Armed Forces will hit Bankovaya, the Ukrainian Defense Ministry, the GUR building and other facilities in Kyiv.*

*In addition, a strike on the Baltic states or arms convoys in Poland or the Czech Republic is possible. There will be strikes by the RF Armed Forces on bridges along the western border of Ukraine, on bridges in Kyiv, on bridges across the Dnieper.*

*There will be strikes on railway bridges in Western Ukraine and on transport hubs and interchanges, on junction stations, and so on.*

*There will be strikes on the barracks and control centers. Blows are prepared from all trunks. They will strike from the Caspian, from the Black Sea, from the Crimea, even from the Baltic and from Kaliningrad. There will be shelling by Belarusian artillery and Belarusian rockets.*

*The strike will be three waves, massive volleys, there will be up to a thousand missiles at the same time.*

**WAR IS GOING TO A NEW LEVEL !!!, WATCH.** This story is still developing, check back for updates.

## **UPDATES - 8:24 AM EDT --**

Russian Defense: We will increase the number and size of missile attacks on Kiev. Russian Defense: More than 30 Polish mercenaries were killed in Kharkov.

Among the prisoners in Ukraine there are military personnel of NATO countries, said Senator Klimov of the Russian Federation Council

“We already have prisoners among the military personnel of NATO countries, we will show all this when we conduct trials, and the whole world will see what really happened,” he said

## **UPDATE 8:32 AM EDT --**

The United States has received an official Diplomatic demarche (note) from Moscow which says, in sum and in substance "Russia demands the United States stop arming Ukraine" and then threatens "unpredictable consequences" if such arming of Ukraine continues.

This is stated in an official diplomatic note from Moscow.

# **Members Of Congress Are Now Using Words Like “Famine” And “Starvation” To Describe What Is Coming**

April 7, 2022 by Michael

I have so much information to share with you today, and I will do my best to be brief. But be warned that this article is going to be longer than usual. Global events are moving so quickly now, and I believe that they are going to move even more rapidly in the months ahead. Sadly, the changes that we are witnessing will have a very real impact on the daily lives of every man, woman and child on the entire planet. As I discussed yesterday, a global food shortage has arrived. In fact, members of Congress are now using words like “famine” and “starvation” to describe what conditions will soon be like all over the world.

For example, U.S. Senator Joni Ernst just told Fox Business that our planet is facing “impending famine”...

*About 40 to 45 percent of the production in Ukraine will be decreased this year because of the war and the scarcity of supplies that go into the planting season. And we know that*

*Ukraine also supports about 400 million people around the world with its food products. **So we do see that we have an impending famine.** And I've heard from David Beasley at the World Food Bank that he's now going to have to take from the hungry to feed the starving.*

And U.S. Senator Cory Booker has previously warned that we could soon see tens of millions of people "dying of starvation"...

*"Democrats and Republicans in Congress need to quickly come together and approve emergency global food aid in order **to prevent tens of millions of people, including millions of children, from dying of starvation,**" Senator Cory Booker, a Democrat from New Jersey, told Reuters.*

They aren't exaggerating. Even Joe Biden recently admitted that food shortages are "going to be real". The one thing that could provide a ray of hope would be an end to the war in Ukraine.

But it appears that isn't going to happen any time soon. In an interview with Fox News on Friday, Volodymyr Zelenskyy stated that his nation will not accept anything less than "victory" in the war...

Meanwhile, millions upon millions of people are already deeply suffering. In Somalia, we are being warned that an "impending famine" is at the door...

*What we are now seeing is impending famine similar to that which occurred in 2010/2011 in which more than a quarter of a million people died – including 133,000 children under the age of five. Although some donors have committed to fund Somalia's Humanitarian Response Plan (HRP) which seeks US\$1.5 billion, not even 4% of funding required to meet Somalia's humanitarian needs have been allocated. Like the novel coronavirus, which had impacted many of Somali households, the Ukraine crisis has driven inflation and rising costs in Somalia, particularly for food and energy, at a time when families are already incredibly desperate.*

The reason why the situation in Somalia has become so desperate is because that nation normally gets more than 90 percent of its wheat from either Russia or Ukraine...

*Finally, in the Horn of Africa 13 million people are already suffering from hunger. Ethiopia imports around 40 percent of its wheat from Russia and Ukraine, Kenya 30 percent, and Somalia over 90 percent.*

Meanwhile, the food crisis in Yemen just continues to escalate. One man that was recently interviewed admitted that he and his family "live like ants"...

*Experts are warning that the world faces a historic famine. The war in Ukraine is only one of many problems plaguing the global distribution of food. In Yemen, Ghalib al-Najjar skips meals so that his children have enough food. He says he and his family "live like ants or fish...we eat what we can find."*

In Peru, rapidly rising prices for fuel and food have sparked massive nationwide protests...

In Afghanistan, it is being estimated that 95 percent of the entire population does not have enough food to eat right now...

*Afghanistan has faced grave hunger crises before. Two decades ago, people in the country were so hungry they resorted to eating wild grass.*

*But the situation in the country now is unprecedented. Exacerbated by an unusually cold winter and the worst drought in decades, the economic upheaval that came with the Taliban takeover has left 95% of Afghans without enough food.*

We haven't seen anything like this in a really long time. Overall, the World Food Program is warning us that "285 million people face starvation"...

*The head of the World Food Program, former South Carolina Governor David Beasley, says the world food supply already faced a catastrophe before the war in Ukraine.*

Here in the United States, nobody is starving just yet, but the cost of living is escalating at a frightening pace.

*"Inflation will mean the average U.S. household has to spend an extra \$5,200 this year (\$433 per month) compared to last year for the same consumption basket," Bloomberg Economics reports. Having to spend an extra \$433 per month to get the same is a hefty, even gargantuan ask for anyone — especially parents who are already struggling to keep a roof over their kid's heads and food on the table.*

The system is crumbling all around us, and we really are in the early stages of a full-blown economic implosion.

Millions upon millions of innocent people don't have enough to eat right now, and that number will rise with each passing day. Normally, most Americans don't pay too much attention to what is happening on the other side of the world, but food scarcity is growing in the United States too.

**So if you and your family have enough food to eat tonight, you should be very grateful, because at least for now you are one of the lucky ones.**

## **Out Of Control Inflation Is Absolutely Eviscerating America's Rapidly Shrinking Middle Class**

April 11, 2022 by Michael

I tried to warn you that the U.S. was going down the exact same path that Venezuela had already traveled. Once upon a time, Venezuela actually had a thriving middle class, but then a horrific inflation spiral came along and destroyed it. Thanks to hyperinflation, just about everyone in Venezuela became millionaires, but just about everyone was also pushed into poverty because the currency was essentially worthless. In order for an economy to thrive, a stable currency is essential, and that is a lesson that our leaders have never learned. Our politicians in Washington just kept borrowing and spending trillions upon trillions of dollars that we did not have, and the "experts" at the Federal Reserve just kept pumping trillions of fresh dollars into the financial system. As a result, we now have way too much money chasing way too few goods and services, and this has caused rampant inflation and widespread shortages.

You know that things are bad when even the White House is warning of “extraordinarily elevated” inflation data, and each month the overall inflation rate just continues to go higher and higher.

So how high will it ultimately go?

If our leaders continue to recklessly create giant mountains of money out of thin air, will we eventually start to resemble Zimbabwe or the Weimar Republic?

Needless to say, the American people are becoming extremely concerned about this crisis. According to CNBC, consumer expectations for inflation are now at the highest level ever recorded, and a new CBS News poll found that 66 percent of Americans say that higher prices have been “difficult or a hardship” for their families.

At this point, just about everyone is feeling the pain. One recent survey discovered that nearly two-thirds of all Americans are currently living paycheck to paycheck. So many people that I hear from are just barely scraping by from month to month, and rising inflation is certainly not helping matters.

Just look at what has been happening to home prices. They are up 32.6 percent over the last two years, and it is being estimated that soaring mortgage rates have now priced 9 million homebuyers out of the market...

*The National Association of Realtors (NAR) estimates millions of Americans have been priced out of the housing market since January as sky-rocketing mortgage rates spark an affordability crisis.*

*Nadia Evangelou, a senior economist and head of forecasting at NAR, said 9 million homebuyers had been priced out of the market. Out of that total, about 3 million millennials.*

Meanwhile, everything else is becoming a lot more expensive as well.

The cost of living is rising much faster than our paychecks are, and Americans are increasingly turning to debt in order to help make ends meet. Unfortunately, the rate at which we are now taking on debt is clearly not sustainable...

***Consumer debt rose at the fastest pace in 20 years in February.***

*Total consumer debt rose by \$41.8 billion 11.3% in February, according to the latest data from the Federal Reserve. It was an 11.3%*

*increase year-on-year and the highest rate of growth since November 2001. Analysts had projected a modest \$15 billion gain.*

And credit card debt is soaring at a particularly alarming pace...

***Americans ran up their credit cards at a blistering pace in February.*** *Revolving credit, primarily credit card debt, rose by a whopping 20.7%. American consumers added \$18 billion to their credit card bills in February alone. US credit card debt now stands at over \$1.06 trillion.*

In a highly inflationary environment, families have to continually find larger and larger piles of money just to maintain the same standard of living.

Unfortunately, that is a game that most Americans are going to lose.

Meanwhile, the shortages that we have been witnessing around the nation continue to get even worse.

For example, one mother says that finding Similac has become "almost a full-time job"...

*After she visited three different stores in one day, Elyssa Schmier, the vice president of government relations for advocacy group MomsRising, "all of a sudden realized my formula was nowhere to be found. ... It's almost a full-time job trying to find Similac."*

*After experiencing the nationwide shortage firsthand, Schmier organized an Instagram Live discussion Friday with Brian Dittmeier, who is the senior director of public policy for the National WIC Association.*

But on the other side of the globe things are much worse.

In fact, one Lebanese official just admitted to CNN that Lebanon is already dealing with an extremely severe food shortage...

*A shortage of Russian and Ukrainian farm products, combined with long-term economic instability and inflation, is creating a major food shortage in Lebanon, the minister for trade told CNN this weekend.*

*"In addition to the wheat, we're having challenges that we're concerned about two months from today that includes sunflower oil and sugar."*

As I detailed yesterday, we are still only in the very early chapters of this global food crisis. So what will conditions be like six months or a year from now?

The entire global system is in the process of melting down, and Gerald Celente is warning that we are literally facing "the greatest financial, socioeconomic, and geopolitical crisis in the history of the world"...

*It's not business as usual. Do you know what the office occupancy rate in the United States is? 40%. 'You mean it's down 60%?' You go to New York, on the east side, west side, all around the town, for rent, for rent, for rent, for rent, for rent, for rent. So now they are coming out and central bankers are saying they are warning of an inflationary era. Guess what? This is nothing new. Everything they are doing is making a terrible situation worse. We are on the cusp of the greatest financial, socioeconomic, and geopolitical crisis in the history of the world."*

## **Such a Debt, who can Pay?**

**I am continuing to run this story, as this is a great witnessing story to use to lead someone to Jesus Christ. I believe this could be the study you will want to share with your unsaved friends and this story and the scriptures can let them know how much God loves them and wants to forgive them.**

While attending Bible College years ago I enjoyed reading stories I could use to share the Gospel and I would put them into a note book for later use. I found this

story about Czar Nicolas the leader of Russia. It was such a good story of forgiveness that I have never forgot it.

So I asked my barber if he had ever heard of Czar Nicolas? He said no so I proceeded to share this story.

Czar Nicolas the king of Russia would from time to time travel to outposts in Russia disguised as someone else so he could see for himself what was going on in his country.

As he was making his tour late one night in this one particular outpost he was walking down the halls of this town hall kind of building and he noticed that the lights were still on in the office of the town treasurer.

Let me go back and explain what was going on in this office. The treasurer for this out post was misusing funds, He was losing money gambling and thinking his luck would turn back he kept digging a bigger hole that would eventually bury him. Then one day it was the day of reckoning. He received a notice that in a couple of days the bank examiners were coming to check the books and do an audit.

He knew he was in big trouble so on this same night that the Czar would be walking the halls of his office, he was up late counting money and figuring out how much trouble he was in. When he finished adding up the debt that he owed, he knew he was in to deep and there was no way out. His solution was he would take his life. He had his pistol on the table and when he finished adding up the debt he owed he wrote these words at the bottom of the balance sheet. **“Such a debt, who can pay?”**

He was overwhelmed with fatigue so he laid his head down on the desk and fell fast to sleep. While he was sleeping, this is when the Czar of Russia spotted the light on so late in the office of the Treasurer. The Czar saw the door was unlocked and he walked in. He sees the man sleeping, he sees the gun lying by his hand and he looks at the record book and realized this man had been stealing from his kingdom, a crime that would mean the death penalty and disgrace. Then at the bottom of the balance sheet the Czar spotted these words. **“Such a debt, who can pay?”** This is when the Czar picked up a pen and under the words, **“Such a debt, who can pay?”** the Czar signed his name and walked out the door.

Just before morning the treasurer woke up and realizing how long he had been asleep, he reached for his pistol to take his life and just before ending his life he looked down at the bottom of the balance sheet and saw the signature of Czar Nicolas. Finding this hard to believe he looked into his files for a document with the Czar’s signature and sure enough the Czar had been there that night and paid his

debt. The next day men from the Treasury of Russia arrived with bags containing the missing money and his debt was paid in full.

**The Bible says that we will all stand before God and be judged from what has been written about us in the record books of our lives.** We all have been assigned guardian angels to watch over us and record every word, thought, good deeds and bad.

Just like that man in charge of the cash of his town in the story above, God has access of the record books of your life. We owe a debt that is **“Such a debt, who can pay?”** If you will call out to Jesus the one who died to pay for your debts. If you will ask Jesus to forgive your sins, Jesus will take his eraser and wipe out the sins that have been recorded in the record book of your life. Then at the bottom of the blank pages of your record book, Jesus will sign His name with these words. **“Paid in full by Jesus Christ.”**

**Below I have written out important scriptures for leading someone to Jesus and I have included the sinners prayer as a guideline for leading someone to Jesus.**

## Share God’s Plan of Salvation

### 1. Admit you are a sinner and repent.

(Romans 3:10 NIV), “As it is written: There is no one righteous, not even one.”

(Romans 3:23 NIV), “For all have sinned and fall short of the glory of God.”

(Luke 5:32 NIV), “I have not come to call the righteous, but sinners to repentance

### 2. Believe in the Lord Jesus Christ.

(John 3:16 NIV), “For God so loved the world that He gave his one and only Son, that whosoever believes in him shall not perish but have eternal life.”

### 3. Confess or declare that Jesus is the Lord of your life.

(Romans 10:9 NIV), “That if you confess with your mouth, ‘Jesus is Lord,’ and believe in your heart that God raised him from the dead, thou shall be saved.

## The Sinner's Prayer

If you would like God to forgive all your sins and make Jesus Christ the Lord of your life, then stop here and say this prayer to God. (Prayer is simply talking to God.)

**Dear Heavenly Father, I know I am a sinner. I believe Jesus Christ died on the cross for me. Please forgive me of all my sins. Jesus, please come into my heart and wash my sins away. Please be the Lord of my life and help me to live for you every day. I ask this in Jesus name. Amen.**

The Bible says when a sinner repents and makes Jesus his Lord, the angels in heaven rejoice. A word of warning is advised at this point. As we read in the story of the ten virgins, not all who call themselves Christians will make it to heaven. Knowing about Jesus and the plan of salvation is no guarantee of making it to heaven. When we arrive in heaven, the greatest surprise will be seeing people we did not think would make it. And just as surprising will be the absence of those we thought would be there. The Bible says Jesus knocks on the door of our hearts and wants to come in and live with us. The important thing to realize is God wants our hearts, not just our minds. Head knowledge about salvation does not save us, but sincerely allowing God to forgive and wash our sins away will allow God to give you a new heart. When your heart is changed, people will notice you have been changed and made into a new person in Christ. This is called being "Born Again."
