Introduction

God spoke to me today to get what I could out to those who will listen and those who are watching.

Even though I have not been well, This last week or so has been my worse.

I study my news sources and prophetic sources every day. I store the most important for later use.

I can feel God strengthing my body today so I can put this information out for you to read and pray over.

I am putting out a lot of raw news, I usually clean up and condense my collection of material. I just want to get as much out as possible and pray you will give it all a serious read.

I am not a prophet, but am a prophetic teacher and prophetic analyst. I cannot set any dates but I can literally feel it in my bones that something big is getting ready to happen. I feel very strongly something huge is going to happen this next week.

I know that a World War is knocking at the door, I don't know exactly what will happen next week but you must read what I am sending and pray over this material.

This newsletter does not contain as much of my personal writings as I normally include in a newsletter but the material I would use to do my analyses is all contained in this newsletter.

Health Update

I am getting tired of explaining my health woes. God told me 4 years ago to trust Him for my miracle of healing. The wait hurts at times but I am and I will continue to trust God for a bunch of health miracles. I only ask that you would pray to God for a renewing of my strength while I am waiting for my miracles.

Thank you so much for your prayers and support.

War Analysis Update

Part of my war analysis is from the news articles below. As I mentioned in my last month newsletter . A trusted prophet, Demetri Dudemun, was shown that WW3 would start with China attacking American interests, followed by Russia doing their part to destroy the USA.

China said last week that they would not hesitate to start a war with the USA over Tiawan. This article below is showing that China is paving the way to invade Tiawan with the same declaration that Russia used before invading the Ukraine.

I am going to add a second news article on what I believe will prompt the beginning of WW3. Both The USA with a large number of countries are sending a huge Naval force toward Tiawan to commence the largest naval exercise in years. China is following suit. This event is reported to begin June 29th.

For a couple of years I have heard different watchman being shown that two aircraft carriers would come under attack with the sinking of the Abraham Lincoln and great damage being done to the Ronald Reagan. Both these carriers are either already off the coast of Japan or are on the way.

Twenty-Six Nations to Participate in World's Largest Naval Exercise

INDER SINGH BISHT JUNE 1, 2022

The 2022 edition of the Rim of the Pacific (RIMPAC) exercises will see key US partners deploying their naval assets in the world's largest naval war games.

The 26-nation exercise includes the four Quad members (Australia, India, Japan, and the US) and five nations bordering the South China Sea (the Philippines, Malaysia, Brunei, Indonesia, and Singapore).

The other 17 participants are Canada, Chile, Colombia, Denmark, Ecuador, France, Germany, Israel, Mexico, the Netherlands, New Zealand, Peru, the Republic of Korea, Sri Lanka, Thailand, Tonga, and the UK.

25,000 Personnel to Participate

Thirty-eight surface ships, four submarines, more than 170 aircraft, and approximately 25,000 personnel, including nine national land forces, will take part in the biennial exercise from June 29 to August 4 in Honolulu and San Diego, the US Navy's 3rd Fleet said in a statement.

Participants will practice a range of maneuvers, including "amphibious operations, gunnery, missile, anti-submarine and air defense exercises, as well as counter-piracy operations, mine clearance operations, explosive ordnance disposal, and diving and salvage operations."

To Ensure 'Free and Open Indo-Pacific'

The exercise draws on the collective strengths of participants, intended to "ensure a free and open Indo-Pacific."

The joint exercise will help the partner nations enhance the "interoperability, resilience, and agility" needed to ensure safe sea lanes and "deter and defeat aggression by major powers across all domains and levels of conflict."

America's 'Political Clout' on Display

A former director of operations at the US Pacific Command's Joint Intelligence Center, **Carl Schuster**, told *CNN* that the "line up" in the exercise shows that America's "political clout" is still intact worldwide.

"It signifies the strength and breadth of America's global maritime partnerships, a very important deterrent signal to any potential aggressors who may believe Washington's influence and strategic position, especially that of its navy, is in decline.

"RIMPAC's broad international participation proves that is not the case," Schuster said.

China's President Signs Decree: "Special Military Operations"

WORLD HAL TURNER 15 JUNE 2022

President Xi Jinping of China signed an order on the right to conduct a "special military operation" without declaring war. It seems clear, he has Taiwan in mind.

Chinese President Xi Jinping, also general secretary of the Communist Party of China Central Committee and chairman of the Central Military Commission, recently signed an order to promulgate a set of trial outlines on military operations other than war, which will take effect on Wednesday.

The outlines will standardize, and provide the legal basis for Chinese troops to carry out, missions like disaster relief, humanitarian aid, escort, peacekeeping, and safeguarding China's national sovereignty, security and development interests, experts said.

The outlines aim to prevent and neutralize risks and challenges, handle emergencies, protect people and property. They also deal with safeguarding national sovereignty, security and development interests, world peace and regional stability.

The outlines have important meanings for the Chinese armed forces to carry out their duties and missions in the new era, as they will make innovations in ways military forces are used and standardize the organization and implementation of the armed forces' military operations other than war, sources say.

Military operations other than war refer to operations that do not involve war, like disaster relief and humanitarian aid, as well as operations that limit the scale of the use of force like maritime escorts and peacekeeping, a Chinese military expert who requested anonymity said today.

The Chinese armed forces have been engaged in the fight against the COVID-19 pandemic since 2020. They also played a vital role in saving the people from natural disasters like earthquakes and floods, which often took place in China over the past years, the expert said.

The Chinese armed forces are also responsible for counter-terrorism, antipirate and peacekeeping missions, including regular escort missions in the Gulf of Aden and waters off Somalia as well as UN peacekeeping missions, providing public security goods to the international community, the expert said.

By carrying out these operations overseas, in some cases, the Chinese troops can prevent spillover effects of regional instabilities from affecting China, secure vital transport routes for strategic materials like oil, or safeguard China's overseas investments, projects and personnel, analysts said.

With six chapters and 59 pages, the outlines summarize experiences accumulated from past missions and practices, draw results from both military and civilian research, and standardize the basic principles, organization and

command, types of activities, activity support and political work, providing the legal basis for the troops to carry out military operations other than war.

Atop all those matters, the issue of Taiwan seems to be the real focus of the President's new Decree.

In the same way that Russia is now engaged in a Special Military Operation in Ukraine, China now has the legal basis for it to do the same with Taiwan.

Words from the Prophets

As you read the words from the prophets and the news stories I have included, you need to really pray over this as it appears to me that both the prophets and the news are giving us the same warnings. I am a watchman, not a prophet but God reveals truth to me and Ezekiel warns the prophets and the watchman to warn others to what is coming. If I warn you but you do not listen and take this to heart, your blood will be on your own head and not mine. Please take this newsletter seriously.

Renewal of Ezekiel's Call as Watchman, Ezekiel 33:1-6

33 The word of the LORD came to me: ² "Son of man, speak to your people and say to them: 'When I bring the sword against a land, and the people of the land choose one of their men and make him their watchman, ³ and he sees the sword coming against the land and blows the trumpet to warn the people, ⁴ then if anyone hears the trumpet but does not heed the warning and the sword comes and takes their life, their blood will be on their own head. ⁵ Since they heard the sound of the trumpet but did not heed the warning, their blood will be on their own head. If they had heeded the warning, they would have saved themselves. ⁶ But if the watchman sees the sword coming and does not blow the trumpet to warn the people and the sword comes and takes someone's life, that person's life will be taken because of their sin, but I will hold the watchman accountable for their blood.'

Global Earthquake and Shaking

JUNE 15, 2022 5:07 PM MCKANA

June 15, 2022

Isaiah 24 (KJV)

18----and the foundations of the earth do shake.

19 The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly. 20 The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again.

Global Earthquake

(VISION OF JUNE 15, 2022 3:00AM)

In sound sleep, I see a startling vision. I am given a view of the entire world. I see the East, the West, the North and the South. I see earthquakes all over the world, all at the same time. The area of the earthquakes are marked with orange-red circles.

The main focus was in the area of the ring of fire, the entire view of the Pacific ocean and the costliness of the continents. There are huge swarms of earthquakes in the whole region. The earth is shaken all over. The shaking is on the land, on/under the ocean, it is all over the world. The number of earthquakes in the regions is uncountable.

Compared to the rest of the world, the ring of fire has much, big number of shakings. The magnitudes are different small and big. One month earthquakes around the word is not a match for this global shaking.

I shouted louder saying "Global Earthquake, Global earthquake" again and again until I wake up and I continues shouting louder even after I woke up. It is coming, much close!

The world have not experienced this big and wide global earthquake, I felt.

How did this happen, what caused it and the extent of the damage is not revealed for me.

Lord have mercy. Pray for Mercy! Repent! Repent! Repent!

Another Warning Of Future Attack On Naval Battleship

JUNE 15, 2022 7:42 PM SHARLENE REIMER

Vision #358 June 13/22 Mon evg Another Warning Of Future Attack On Naval Battleship/USA Will Mourn/Word To Repent

I was praising and worshiping the Lord in the Throne Room as I always do. I flagged to: Catch the Fire- Let Your Glory Fall https://youtu.be/xYaCrKDJik4 and He Is Yahweh https://youtu.be/2ftSiUw4WtA. I began to pray. When I came to proclaim Ps 91 and the mountain I climb, I saw a warrior standing on a large rock near the base of the mountain speaking to the large group of warriors. Our horses were standing behind and to the right of the group. Unfortunately I didn't hear him but I understood that he was exhorting: don't give up when the battle gets hard. We all can use some encouragement. Personally, I've been facing some persecution and oppression as of late, so it's good to stay focused on Jesus and seek His face daily. Dear Believers, expect that you will be persecuted. Prepare your hearts in Christ so you can not only stand up when it happens but rejoice! 2 Tim 3:12 "In fact, every person who wants to live a Godly life in Jesus Christ, will be persecuted." Remember Peter and John who were beaten by the religious leaders and rejoiced, "...because they had been counted worthy of suffering disgrace for Jesus." (Acts 5:41). Sometimes you will be persecuted by a church or your own family. Matt 10:34-36 Jesus said, "Do not assume that I have come to bring peace to the earth; I have not come to bring peace, but a sword. For I have come to turn a man against his father, a daughter against her mother, a daughterin-law against her mother-in-law. A man's enemies will be the members of his own household." But Jesus will reward those who suffer for Him. Matt 5:10 Blessed are those who are persecuted because of righteousness, for theirs is the kingdom of heaven.

The warrior on the rock prayed over us and up we went to climb the mountain.

It seems there is always angelic presence as we go up because the attacks are constant. I reached the top, found my eagle and off I went proclaiming Ps 91. I was over a large body of water and came to a battleship, flew over it very closely to the highest point, looked down but knew we were to continue to fly. We came to land and I found myself looking at a graveside service. A group of people had gathered as the deceased person was lowered into the ground. I saw soldiers/marines dressed in full uniform. One had saluted. There were marines who were strategically folding a flag up and passing it to a family member. Then I saw more people coming into the cemetery but heading in a different direction. I understood they were going to attend another burial and graveside service that day. I heard a bugle playing Taps. It gave me shivers. I saw several guns saluting and cannon fire. Then I understood that there would be many more graveside services just like the one I saw. I was reminded of a previous vision #42 about the USA in mourning because of fallen marines. I sang to those mourning Turn Your Eyes Upon Jesus as a prayer. I blessed them before I left.

I returned to the white bench and asked Jesus about the graveside service. I asked if this was related to previous visions regarding the US naval ship that was attacked in a bay? And Jesus replied, "Yes, daughter." He continued, "There will be many funerals and much mourning. But I Am their comfort. In their most painful hour, I will comfort them like a Father who comforts His child."

I went to see a vision. I went down the stairs, greeted my greeter group that waits for me at the bottom left and walked across with them to where the others had already gathered. It opened up to see an explosion that came from a battleship. It's like I came to a scene where an attack was in progress. There were other missiles that attacked and hit the ship as it was on fire. I saw that it was anchored possibly in a bay and land was behind it. I was reminded that this was the ship I flew over earlier in my spirit travel. But it was travelling en route somewhere.(I have ministered to marines on this ship in previous visions #174,201) Then I heard an eerie sound of bending metal and saw that it was starting to sink. I understand this attack is related to vision #22 & #85. The attack was by Russia. What is the message? What is Your heart?

"My daughter, tell the people, "It's time that they take Me and My Word seriously. For too long they have served two masters. If you are friends with the world you are My enemy. If you claim to know Me and yet walk in the darkness you are not in My Light and the truth is not in you. These people are double minded and lukewarm; neither hot nor cold. Repent and fully return to Me for I Am about to spit you out! But just as I encouraged you to read further when I rebuked you, daughter, I am also encouraging the world to read on in that chapter. What does it say? (Rev 3:16-19)I replied, You discipline those You love.

You want to refine us but we have to choose it so we can become everything in You- Your bride and do what You have called each of us to do. Jesus said, Yes, daughter. And I love deeply, so very deeply. If only the people knew! It seems painful at the time to submit all your will to Me, but that pain is only for a moment. I Am not a tyrant! If you confess your sins I Am very willing to forgive you and cleanse you. My children, call on Me. Seek Me with all your heart and I will answer you. Then you will know My joy, My peace, My contentment and My fellowship. That is My heart."

James 4:3-4 And when you do ask, you do not receive, because you ask with wrong motives, that you may squander it on your pleasures. You adulterous people, don't you know that friendship with the world means enmity against God? Therefore, anyone who chooses to be a friend of the world becomes an enemy of God.

Rev 3:16-17 I know your deeds; you are neither cold nor hot. How I wish you were one or the other! So, because you are lukewarm—neither hot nor cold—I am about to spit you out of my mouth.

Rev 3:18-19 I counsel you to buy from Me gold refined by fire so that you may become rich, white garments so that you may be clothed and your shameful nakedness not exposed, and salve to anoint your eyes so that you may see. Those whom I love I rebuke and discipline. So be earnest and repent.

1 John 1:5-10 This is the message we have heard from Him and declare to you: God is Light; in Him there is no darkness at all. 6 If we claim to have fellowship with Him and yet walk in the darkness, we lie and do not live out the Truth. 7 But if we walk in the Light, as He is in the light, we have fellowship with one another, and the blood of Jesus, His Son, purifies us from all[a] sin. 8 If we claim to be without sin, we deceive ourselves and the Truth is not in us. 9 If we confess our sins, He is faithful and just and will forgive us our sins and purify us from all unrighteousness. 10. If we claim we have not sinned, we make

Jer 29:13-14 You will seek Me and find Me when you seek Me with all of your heart. I will be found by you, declares the Lord.

Him out to be a liar and His Word is not in us.

A VIRUS WORSE THAN COVID-19 IS COMING

JUNE 17, 2022 7:56 AM *DANIEL MASIKA*

Revelation 9:3-6 3 And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.4 And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads. 5 And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man. 6 And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.

On 10th June 2022 I heard a Voice calling me

Daniel...Daniel and I looked Up on a mountain and I saw an angel standing on top of the Mountain He had Two wings and he was Very Tall, But He was prepared as a Angel of war with a sword and he said Come up and see the strange Thing that is about to happen Now, I was Lifted up and stood on the same mountain and my eyes opened, It was very Dark Cloudy Day and full of smoke Then we saw the Earth and everything in it, The power and ability to see Things was Given to me and I saw millions of people Falling down as leaves from a tree Mightily shaken by

heavy Wind From Africa, America, Asia, Europe and all the world People were Vomting Blood, even Black blood from their Mouths and nose and eyes with ears, I was shaking, Troubled and worried of what I saw,

-The angel said Daniel You have not seen anything yet But careful watch and see where the Dark smoke is Coming from, He said Only those with the seal of the Lamb of God will prevail, and will come through with the Testimony, For He that sat on the Throne has called out the Chosen, the Called and those that are washed out of the Old and wicked world for the new earth is Ready and their will Rejoice in their that will Prevail!!!!

Mathew 24:34 Verily I say unto you, This generation shall not pass, till all these things be fulfilled.

-When I watched careful the Dark smoke was Kind of a virus worse than Covid-19 their thought it was coming from the Wild, But I saw a horse that fled very fast in Heaven, his head was like that of the Locust and when he fled fast ,something come out of him as ashes but it also looked like Blood drops which when it dropped on Earth it caused trouble on human health and it was scattered us ashes carried by wind all over the Earth and it Dropped us blood on Earth, Through the Pain the men and women went Through their sought Death But it was impossible, Nothing on Earth could bring relieve or Hope the situation was worse, But there was a group that did not Know this pain, or Blood coming out the mouth, nose, and ears their were safe and looked like their were Protected and resistant of what was happening this are those the angel said their had Repented , have a seal of the Lamb of God on them!!!!

-An angel of the Lord said its very Close and Closer than it was expected, ooooh if their Could only turn and repent, their Could know peace and rejoice But now its Hidden in their face for it will caught them unaware.

Then I woke up out the Vision and I was scared for this Vision writing this tears flowing on my face, I humble ask everyone to repent and turn back!!!

Much Love Daniel

NECESSARY PROVISIONS FOR YOU AND YOUR FAMILY

JUNE 7, 2022 12:50 AM HISFORGIVEN1

7 May 2022

It was almost 6am, still trying to get to sleep, I had just finished praying, when I saw a beautiful clear spring of water. I could see the fresh, clean, clear water coming up from under the ground. A man on the other side of the water stooped down to get a drink. He put his hands into the water and scooped up the water to take a drink. When all of a sudden, the water in his hands evaporated away before he could get it to his mouth to take a drink. I believe this was a vision, I saw it like it was in real life. I feel that the Lord is telling us that a severe water shortage is soon coming. But I know in my heart that our Lord and Savior will take care of those who believe in HIM and belong to HIM. Cup your hands and drink freely from the Living Water of Life. Lift up your head and look up for your redemption draweth nigh.

In a message dated 22 August 2017, the Lord said,

"Everyone must prepare! Food will become scarce, a famine is coming to America and the world. Not just a famine for food, but a famine for MY WORD. Clean drinkable water will also become insufficient for the need. Many water reserves will be poisoned. When people are starving, they will do anything for food and water. The enemy wants all people to come to them for all of their provisions, so that everyone will be forced to rely on them only. But you must not! You must rely on ME, Your SAVIOR only! For when food and water and other supplies run out, I will be your supply. You, your family, and all that trust in ME will be well taken care of, for I love you with an everlasting love!"

In a message dated 28 March 2018, the LORD said,

"A new disease that will eat the skin, will break out in Western Countries, as a form of punishment for touching the Apple Of God's Eye, (God's Covenant People). The skies will be darkened and many brightly burning meteors will fall from the sky, like a meteor shower. Trees will burn in large numbers. Volcanoes will spew lava high into the sky and in large quantities, and mountains will burn when lava falls. It will fall on water reservoirs and drinking systems, causing the water to become undrinkable. Seek for MY protection, it will come, are you ready?"

Part of a message from 16 March 2019, the LORD is asking us some questions.

"Do you hear the VOICE OF MY SPIRIT now, while you are living in relative peace? If not, then how will you hear MY VOICE in the midst of chaos, disaster and war? Yes! war is coming to America. What will you do when food and clean water is not available? Do you know how to believe ME and trust ME to provide for you? I will provide for those who are MINE, those who seek ME daily with their whole heart. Do you help the poor and cloth them when it is cold? Do you help the needy, the homeless, the widow and the orphan? If not, then who will help you?"

Next I believe California will be hit very soon. Many believers in California will soon be taken to Heaven when destruction comes.

In a message on 8 April 2019 the LORD said parts of the west coast will break off and fall into the ocean. I feel California will be hit the hardest, possibly two/thirds of California will be destroyed, with much of the land breaking off and

disappearing into the Pacific ocean. Due to this great loss of life comes the anguish and pain for those left behind who have to deal with this. Many will lose iobs, homes and loved ones. They will need shelter, food, clothing, compassion and medical help as they try to cope with the loss of their friends and family. Many states and countries rely on California for food, especially through the winter months. This loss will effect the whole world. The LORD is saying, we must store food and water for the coming food shortage which will quickly turn into a famine. After this happens, you will not be able to afford to buy food. As you can see we are already having some shortages of food, and prices are already increasing. Please prepare now while there is still some time left! The global elite have been planning this famine for several years. They have been storing food in their underground cities for a long time. Their plan is to eliminate 90 percent of the population of the world, especially in America. They are well on their way with the millions world wide who have died from their poisonous fake vaccines. Many of you have yet to realize that you are in the end times and that there is no pre-trib rapture that will take you to heaven before things get bad. Things are already bad in case you haven't noticed. God is fed up with all the evil going on in the world, believe me, you don't know even one percent of the evil and wickedness happening in this ungodly world. God sees it all and it breaks HIS HEART! That's why HIS Judgments are about to begin. HIS Judgments are against all the evil and wicked people of this world who constantly come against HIM and are trying to destroy HIS People. Many of God's people have already died from the poisonous vaccine because they didn't pray and seek God for an answer, but they believed the lies on TV and the media and the evil "big pharma". If you are a believer in the LORD JESUS, (YESHUA, our MESSIAH), we must awaken many to come to salvation, our chances to do this are quickly running out. We must not waste any more time. If you are not a believer in the LORD JESUS, now is the time to get saved. First, you must repent of your sins, and repent daily from now on. Then you must believe that JESUS, the creator of heaven and earth, is LORD, and receive HIM as LORD of your life. Invite HIM into your heart and life and HE will save you and give you eternal life. Those who reject HIM will end up in hell and the lake of fire for eternity when they die. Please read John 3:16-18 in the Bible. Then read the whole Gospel of John, to give you a much better understanding. Please take these warnings seriously. As seasons change, food shortages will greatly increase. Crop failures and drought will continue. You must prepare now! Store up as much food and water as you are able. Make this a priority! Drink distilled or filtered water only. Where we live, they poison tap water with sodium fluoride and other chemicals. I like the Berkey water filter best, but at least have something that will take the fluoride out of your drinking water. Distilled water is the best to drink and cook with, but if you buy distilled water, I prefer to run it through a Berkey water filter to get all microplastic particles out of the water. You must be careful about your health. Also eat organic food only, grow your own if you can. Avoid all genetically modified so called food, (GMO garbage). If you eat out, BEWARE! They do not feed you organic food!

Next, you must prepare for blackouts. When the LORD told me that the wicked elite would cut off electrical power to the USA, I asked HIM, for how long? Will electrical power be cut off for ten days or so, I asked. The LORD replied, "Prepare for at least six weeks, in some areas that won't be long enough, but some areas will have power back on before six weeks. Some will loose power permanently, others will have power off and on. It is all done on purpose to increase death and destruction of the people in the USA." Have you thought about this at all? Most have not. First, start working on your food and water supplies. Store double or triple the amount of water that you think you will need! Then have plenty of cash on hand, small bills only, up to twenty dollar bills. Remember, banks will be closed. Stores will be closed. Gas stations closed. Telephone lines will be down, you will not be able to make calls to your family. Next, keep your gas tank full, and if you store extra gasoline, store it in a proper gasoline container, in a shed away from your home or garage. If you live in an apartment, and you wanted to store some gasoline, find a family member or a close friend you can trust to store any extra gasoline in their shed. Remember, when things get bad, the LORD JESUS CHRIST, YESHUA HaMASHIACH, is the only ONE that you can completely trust who will never let you down. I believe HE will help and provide for HIS Children who have proven faithful in their walk with HIM. It is getting to be that we can't trust in man anymore. The LORD is warning HIS CHILDREN out of love! Also there are many people who are receiving medical care in their homes, who need electricity for their medical equipment. They will have to go to a hospital to continue needed medical care. Possibly an outside external generator can be set up to provide electrical power for your medical equipment. This should be done now, and it must be an extremely quiet running generator in a very secure area or it will quickly be stolen from you. Next you will need to have the ability to make a small fire to boil water to be able to cook food for you and your family. A propane powered Coleman two burner stove should work great for you, Be sure to have plenty of one pound propane cylinders on hand or have the connections to hook up a twenty pound propane canister to your Coleman Stove. Always use these stoves outdoors. Think of ways to keep warm in the winter and ways to keep cool in the summer. There are battery powered fans that would help in the summer. They use D cell batteries. All of us need to practice living without electricity for a day or two. Take good notes and make corrections where needed and develop new ways to make living off grid easier. Please do this ASAP. When the electrical grid is down, we may have water for a day or two until the water company runs out of fuel for their pumps. Without water you won't be able to flush the toilet.

So have plenty of 13 gallon plastic bags, double them and use them in the bathroom or inside a 5 gallon bucket or pail. You can purchase these with a built in toilet seat. Cover contents with kitty litter or a lot of sawdust if available. Be sure you have several dependable flashlights with plenty of extra batteries. Understand there will come a time in many areas where EMP's will be used and batteries may not work. To protect your batteries and electronics, you could insulate a metal box with a secure cover or even a metal trash can, keep it covered and ground it to the grounding terminal in an electrical outlet plug in. Use 10 or 12 gauge wire. Please Stock up on candles, smokeless if available. Have plenty of matches and lighters and fuel for lighters. We must press forward in our relationship with our LORD. Be in HIS WORD daily, praying to our Savior and our Heavenly Father daily, coming to the LORD constantly for answers to questions and concerns. "Plan discretely for these contingencies, MY Children says the LORD, Always be discrete in the areas of supplies, particularly for food and your safety. Always come to ME for answers, clarity, guidance. Be wise MY Children."

Power outages can happen at any time. A summer heat wave or storm can cause a power outage. A winter storm and other natural disasters like an earthquake, a hurricane, or tornado are other possibilities. Here are some ideas and tips on what to do before, during and after a blackout. Build or buy an emergency preparedness kit, including a flashlight or two, batteries, cash, first aid supplies, the more first aid supplies of different items the better. Make sure you have alternative charging methods for your phone or any device that requires power. A crank or solar powered radio/flashlight/cell phone charger is a good alternative to battery powered ones. Always keep your cell phone charged and have a supply of batteries on hand. Know where the manual release lever of your electric garage door opener is located and how to operate it.

Purchase or clean used plastic bottles with screw on caps fill them with water except for an inch or two depending on the bottle size for expansion, and fill with water. Put them in the freezer to freeze solid then put some of them in the refrigerator and keep the rest in the freezer to keep food cold longer in case of a power outage. Remember to keep your car's gas tank full. Gas stations rely on electricity to power their pumps. If you use your car during a blackout to recharge devices, do not keep the car running in a garage, partially enclosed space, or close to a home, this can lead to carbon monoxide poisoning. If you rely on anything that is battery- operated or power dependent like a medical device, determine a back-up plan.

When a blackout happens, flashlights or battery operated lanterns are the safest for emergency lighting. If you use candles or an oil lamp, be very careful where

you position them. Keep them far away from children or pets and nothing else close to them. Candles accidentally have burned down many homes. Leave one light turned on so you'll know when the power comes back on. Most food requiring refrigeration can be kept safely in a closed refrigerator for several hours. An unopened refrigerator will keep food cold for about 4 hours. A full freezer will keep the temperature for about 48 hours. Remain cool if it is hot outside. If you remain home, move to the lowest level of your home, since cool air falls and hot air rises. In the summer, wear light weight, light colored clothing. Drink plenty of water, even if you do not feel thirsty. Put on layers of warm clothing if it is cold outside. Never burn charcoal for heating or cooking indoors. Never use your oven as a source of heat. If the power will be out for a prolonged period, plan to go to another location (the home of relative or friend, or a public facility) that has heat to keep warm. Of course this applies to a local outage only. Turn off or disconnect appliances and other equipment in case of a momentary power "surge" that can damage computers and other devices. Consider adding surge protectors. Only use generators away from your home and NEVER run a generator inside a home or garage, or connect it to your home's electrical system. Avoid unnecessary travel, especially by car. Traffic lights will be out and roads will be congested. If electrical power lines are down, don't touch them, keep your family and pets away! Report down lines to your utility company. During a blackout, throw away any food that has been exposed to temperatures above 40 degrees F (4 degrees C) for more than 2 hours or if it has an unusual odor, color or texture. When in doubt, throw it out! If food in the freezer is colder than 40 degrees F and has ice crystals on it, you can refreeze it. Contact your doctor if you're concerned about medications having spoiled. Restock your emergency kit with fresh batteries, canned foods and other supplies you used. Keep well stocked emergency survival kits in the home, at work and in your cars. Time is quickly running out, start your emergency preparations NOW! The destruction of California will be the beginning of the coming famine, This could happen any time now. The second judgment will occur when an asteroid hits the Atlantic Ocean near the Caribbean Islands flooding the islands and Florida and all surrounding coastal areas of the USA and S. America. Hebrews 12:1-8 Therefore, since we have such a great cloud of witnesses surrounding us, let us also get rid of every weight and entangling sin. Let us run with endurance the race set before us, focusing on Yeshua, the initiator and perfecter of faith. For the joy set before HIM, HE endured the cross, disregarding its shame; and HE has taken HIS seat at the right HAND Of THE THRONE OF GOD. Consider HIM who has endured such hostility by sinners against HIMSELF, so that you may not grow weary in your souls and lose heart. In struggling against sin, you have not yet resisted to the point of bloodshed. Have you forgotten the warning addressed to you as sons? My son, do not take lightly the discipline of ADONAl or lose heart when you are corrected by HIM, because ADONAl

disciplines the one HE loves and punishes every son HE accepts. It is for discipline that you endure, GOD is treating you as sons, for what son does a father not discipline? But if you are without discipline, something all have come to share – then you are illegitimate and not sons.

"We Are Teetering On The Edge": Food Shortage Worries Mount As PA Farms "Crushed" By Record Diesel Prices

BY TYLER DURDEN THURSDAY, JUN 16, 2022 - 03:55 AM

There's nothing like the sweet smell of Building Back Better...

Pennsylvania farmers are being "crushed" by the record cost of diesel - so much so, that questions about a food crisis are starting to loom, the Morning Call reported.

One farmer in Lehigh County is quoted as saying: "I've got a tractor hooked up to my corn planter out here, no diesel fuel, and I can't afford to get any."

That farmer was airing his gripes to Kyle Kotzmoyer, a legislative affairs specialist for the Pennsylvania Farm Bureau. Kotzmoyer then turned around and testified to state lawmakers: "We have reached that point to where it is very close to being a sinking ship. We are teetering on the edge right now."

The situation looks as though it will continue to push food prices higher, after the government reported that food prices in May were 10.1% higher than last year.

Kotzmoyer lamented the possibility of a food shortage: "One, if they can't afford to put it in the ground. Or, two, if they can't afford to take it out."

The PA average for diesel is now \$6.19 per gallon, up about 75% from a year ago, the report notes. It is a "huge, huge expense" for farmers, Kotzmoyer told state legislators.

One farmer who works on about 3,500 acres burns through about 2,000 gallons of diesel per month, he said. "If the farmers cannot get crops out of the ground, then there is not food on the shelves."

US to send heavy guided missiles to Ukraine

WORLD HAL TURNER 17 JUNE 2022 HITS: 4560

The US is sending Ukraine heavy guided missiles with a range of 70km for use with the HIMARS multiple rocket launchers, Undersecretary of Defense for Policy Colin Kahl revealed on Tuesday. The White House previously said that HIMARS launchers would be provided with "battlefield munitions," widely understood to be unguided rockets with a shorter range.

The high-mobility artillery rocket system will come with GMLRS guided rockets, Kahl said on Tuesday, speaking at a conference hosted by the Center for New American Security (CNAS), a Democrat-linked think tank for which he used to work.

"Sometimes when you see images of MLRS firing off, it's like salvos of multiple rockets going off at the same time. That's really not how this system is meant to operate," Kahl said.

"The GMLRS is a precision guided munition, and a big one – a 500 pound munition," he added. "Think of GMLRS more like the effect of an airstrike rather than launching off whole salvos. So, in other words, you can do a lot with a little, or you don't need a lot to have a significant effect."

When the White House first announced it was sending HIMARS launchers to Ukraine on June 1, it said they would be armed with "battlefield munitions," which was widely taken to mean barrage rockets with a range of between 32km and 60km, considering that HIMARS is also capable of launching ballistic projectiles with a range of up to 300km.

"The range does not depend on the system itself, but on the missiles that are used," Russian President Vladimir Putin said in a TV interview earlier this month, adding that if the US sends long-range rockets Russia will "draw the appropriate conclusions and use our weapons, which we have enough of, in order to strike at those objects that we have not yet struck."

Even though the US initially promised four launchers and said they had been "pre-positioned" in Europe, they have yet to reach Ukraine, according to the Pentagon. The first group of Ukrainian artillerists are currently finishing their training on the launchers, Kahl said.

The HIMARS launcher is equipped with one pod that can carry six GMLRS rockets, according to their maker, Lockheed Martin. The M270 launcher, which the UK has promised to Ukraine, carries two pods for double the payload. Kahl did not say how many rockets the US was sending.

According to the Russian Ministry of Defense, since the start of the conflict Ukraine has lost over 500 multiple rocket launch systems and more than 1,900 pieces of artillery. Kiev has beseeched its allies in the West to provide more weapons and ammunition.

"We're going to provide the Ukrainians what they need to prosecute the targets inside Ukrainian territory that they're looking to go after," Kahl said at the end of his remarks about the HIMARS.

On Monday, the authorities in the Donetsk People's Republic reported the heaviest Ukrainian shelling since 2015, with "indiscriminate" strikes on the city of Donetsk resulting in five fatalities and almost 40 civilian injuries. Among the incoming shells were 155mm munitions used by howitzers provided to Ukraine by the US and other NATO allies, authorities in the Donbass republic said, requesting additional military assistance from Russia.

Moscow has condemned the shelling of Donbass civilians as "absolutely barbaric." A spokesman for the UN secretary-general called the shelling of a maternity hospital in Donetsk "an obvious breach of international humanitarian law."

Russian Members of Parliament Say On TV "Four Sarmat Missiles Could Wipe Out Entire USA"

WORLD HAL TURNER 01 JUNE 2022

Politician, Alexie Zhuravlev, was joined on a talk show by fellow Member of Parliament Yevgeny Popov, the host of a popular Rossiya 1 TV channel show, and made clear Russia can "wipe out" the US with just four (4) of their new, nuclear, missiles.

The lawmaker claimed that two of Russia's Sarmat 'Satan 2' missiles would destroy the entirety of America's east coast - before adding it would take just "two missiles for the west coast" as well.

"Four missiles and there'll be nothing left.

The discussion centered on U.S. interference in the Russia-Ukraine special military operation to de-Nazify and de-militarize Ukraine, and what Russia may have to do to stop that interference.

The U.S. has interfered severely by supplying money and weapons to Ukraine, even though the U.S. has no national interest in that country whatsoever.

The US weapons are enabling the KILLING of Russian soldiers, and the Russian government is getting more and more aggravated by the interference from the U.S. and its NATO vasal state partners.

Standing at the colossal height of a 14-storey tower block, the 208 ton RS-28 Sarmat missile, also known as the 'Satan 2', is capable of striking targets at almost 16,000mph.

The world-ending missiles can carry 15 warheads and have the potential to obliterate an area the size of the United Kingdom in a single strike.

Each of the Sarmat missile's 15 nuclear warheads are over 100 times more powerful than the nuclear bomb dropped on Hiroshima in World War 2.

Russian President Vladimir Putin has also said that his missiles "can break through all modern anti-missile defenses."

They achieve this not only through the speed at which they travel, but also by being able to maneuver in-flight specifically to avoid incoming missile defenses, which cannot change course and cannot fly as fast as the Sarmat. Quite simply, there is presently no protection and no defense against such missiles. The US and NATO could literally be wiped-out by them.

Experienced observers say while these kinds of threats have become increasingly common on Russian TV news shows since the invasion of

Ukraine, the risk of mutually assured destruction undercuts much of the danger. Those experienced observers, however, turned out to be wrong.

Russia has a national system of nuclear bomb shelters for its population. The US does not.

Russia's blast shelters are stocked with food, water, medicine, tools, and have emergency generators for electric, with fuel to run those generators. The US does not.

Russia performs regular nuclear attack drills with its civilian population, and has successfully seen forty million (40,000,000) of their citizens arrive at shelters within minutes, to survive a US or NATO nuclear attack. Neither the US not any of its NATO partners ever conduct such drills.

These facts kind of take the "mutual" out of of "mutual assured destruction." Put simply, the US and NATO would be wiped out, while Russia and its citizens will survive in great numbers, with food, electric, and tools, to rebuild afterwards. The US and NATO would not survive or be able to rebuild.

The Russian politicians know this and they are going to great lengths to make clear what the world faces.

Why the US and NATO continue to interfere, when there is no national security interest at all with Ukraine, seems to many, to be suicidal.

Yet the mass-media in the US and its NATO vasal partner states in Europe, conceal this information from the general public; leaving citizens blissfully unaware that western governments are sleepwalking them into nuclear Armageddon.

Official Warning: "Direct US-Russia Conflict"

WORLD HAL TURNER 01 JUNE 2022 HITS: 11224

Russia today officially warned the United States it is now risking "direct conflict with Russia" after the US announced it is sending still heavier, longer-range weapons to Ukraine.

Washington's arming of Ukraine with heavier weapons increases the risk of direct US-Russia confrontation **regardless of American statements** about mitigating such a possibility, Russian Deputy Foreign Minister Sergey Ryabkov said on Wednesday.

The diplomat was commenting on the news that the US has decided to supply HIMARS multiple rocket launchers to Ukraine. Washington has insisted that the weapons system will not allow Ukrainian forces to attack Russia and <u>argues</u> it prevents a scenario in which Moscow would consider the US a party to the conflict.

"We're not providing any weapons that will allow the Ukrainians to attack Russia from inside of Ukraine, and President [Joe] Biden has been very clear on that," US representative to the UN Linda Thomas-Greenfield said of the deliveries. "We're not going to become [a] party to the war."

Ryabkov disagreed with the rationale, saying the US was making the conflict more dangerous.

"Any arms supplies, which continue and escalate, increase the risk of such a development," Ryabkov told journalists, referring to the possibility of a direct confrontation between Russia and the US.

The diplomat added that the US for years has done nothing to prevent an escalation of tensions with Russia over Ukraine. It stonewalled Moscow's last-

ditch attempts to negotiate a legally binding deal that would have addressed Russian concerns over NATO expansion in Europe, he pointed out. After open hostilities broke out in February, "the remnants of a healthy attitude to the situation were shattered," he said.

Washington "maintains its course of what we characterized many times as an intention to wage war to the last Ukrainian, which reflects the goal of inflicting – as they say themselves – the strategic defeat of Russia. This is unprecedented. This is dangerous," Ryabkov said.

The latest ramping up of arms supplies to Ukraine does not fundamentally alter the situation, only raises the risks, he stated.

Russia threatens to wipe out the entire US with just four Satan II missiles in chilling warning over Ukraine

Will Potter, 11:10 ET, May 31 2022

A chilling moment on Russian state TV on Monday saw hosts issue the latest in a long line of threats, this time warning Putin could "destroy the entire east cost of the US" with just two missiles.

In footage from <u>Russia's</u> flagship propaganda show, a member of Russia's parliament boasts about the nation's military might, before also labelling 2 million <u>Ukrainians</u> as "incurable."

Sarmat missile test launch on April 20, 2022. Credit: East2West The politician, Alexie Zhuravlev, was joined on the talk show by fellow MP and Russian-state mouthpiece Yevgeny Popov, the host of the Rossiya 1 channel show.

The lawmaker claimed that two of Russia's <u>Sarmat 'Satan 2' missiles</u> would destroy the entirety of America's east coast - before adding it would take just "two missiles for the west coast" as well.

"Four missiles and there'll be nothing left.

"They think the mushroom cloud will be taller than a high rise. That mushroom cloud will be visible from Mexico" said Zhuravlev.

Standing at the colossal height of a 14-storey tower block, the 208 ton RS-28 Sarmat missile, also known as the 'Satan 2', is capable of striking targets at almost 16,000mph.

The world-ending nuke can also carry 15 warheads and has the potential to obliterate an area the size of the UK in a single blast.

Putin-cronies <u>have claimed</u> the Russian military could have as many as 50 Sarmat missiles in their arsenal, and have even bizarrely threatened to use them to <u>drown the UK in a radioactive</u> tsunami.

Each of the Sarmat missile's 15 nuclear warheads are over 100 times more powerful than the nuclear bomb dropped on Hiroshima in World War 2.

Russian dictator <u>Vladimir Putin</u> has also said that his Satan 2 missiles "can break through all modern anti-missile defences."

However, while these kinds of threats have become increasingly common on Russian propaganda shows since the invasion of Ukraine, the risk of mutually assured destruction undercuts much of the danger.

As well as threatening to wipe out the United States with their nuclear capabilities, the unsettling conversation also covered the crisis in Ukraine, as the hosts repeated the 'nazification' theme of Russia's invasion.

Describing them as "incurable," Zhuralev stated that two million Ukrainians should "be denazified, which means to be destroyed."

***** FLASH ***** Russian Foreign Minister Says 3rd Country "Could Become Involved" in Ukraine Conflict

WORLD HAL TURNER 01 JUNE 2022 HITS: 3287

** FLASH ***** Russian Foreign Minister Sergei Lavrov publicly stated late this evening (Moscow time) that "A third country could become involved in the Ukraine conflict, now that the U.S. is sending long-range missiles to Ukraine."

Lavrov did NOT expand on his meaning.

The possibilities being **SPECULATED** over this remark are:

- 1) Another country, like Belarus, might join the fight against Ukraine to assist Russia against the onslaught of NATO weaponry being sent into Ukraine, OR;
- 2) The country SUPPLYING the new long-range missiles to Ukraine, could become involved by being ATTACKED for sending the weapons. If this is the possibility, then the U.S. might be the one "becoming involved" or a European nation trans-shipping US missiles to Ukraine could be the third country Lavrov speaks about.

Lavrov's remarks are not clear about what he means, and this type of ambiguity is very unusual for Lavrov and for Russia.

Perhaps that's the point; within the ambiguity are severe escalation possibilities. Perhaps Russia is allowing that ambiguity to sink-in before letting on what they actually mean.

Either way, Lavrov's remarks clearly mean one solid thing: escalation. Again.

What is the 'Game-Changer' HIMARS Rocket Artillery Biden is Sending to Ukraine?

On Wednesday, US President Joe Biden announced a new military assistance package for Ukraine amid that country's recent territorial losses to Russian forces and their allies in the Donbass. Among the weapons in the package is a multiple-launch rocket system, HIMARS, that can carry longer range missiles.

"Today, I am announcing a significant new security assistance package to provide timely and critical aid to the Ukrainian military," Biden said in a statement. "This new package will arm them with new capabilities and advanced weaponry, including HIMARS with battlefield munitions, to defend their territory from Russian advances."

The Pentagon added that the US had pre-positioned the HIMARS in Europe for rapid delivery to Ukraine. The initial tranche of HIMARS will be four. Under Secretary of Defense for Policy Colin Kahl later said that the Pentagon had decided to honor Kiev's request for the advanced weaponry because the three-month conflict has "become an artillery duel"; the HIMARS system has superior range to Russian multiple launch rocket systems (MLRS).

The M142 High Mobility Artillery Rocket System (HIMARS) is a powerful wheeled launcher system that's seen as the lighter alternative to the older, tracked M270 MLRS. It debuted in 2010 and is today built by defense giant Lockheed Martin.

The launcher truck can carry either six smaller rockets or one larger missile, with most of their ammunition being interchangeable with that used by the M270. A major difference is that HIMARS is small enough to fit inside a C-130 transport aircraft, and can have targeting information fed to it by an F-35 Joint Strike Fighter's computer system.

Biden has said the US will not give Ukraine weapons with which it could attack Russian territory. The HIMARS' regular M30/31 rockets can reach 42 miles away, but its weapons have been steadily upgraded, with its large MGM-140 Army Tactical Missile System (ATACMS) capable of striking targets 190 miles away. In October, a US Army test-firing of the Precision Strike Missile (PrSM), which is intended to replace the ATACMS, exceeded its anticipated maximum range of 310 miles.

That number isn't arbitrary: <u>before the US pulled out</u> of the Intermediate-Range Nuclear Forces (INF) Treaty in 2019, **it was the maximum allowed range for land-based missiles** that the US or Russia could develop. The treaty banned missiles with ranges between 310 and 3,420 miles (500 and 5,500 kilometers, respectively) after the US stationed Pershing II missiles in Europe with a flight time to Moscow of just six minutes, <u>dramatically</u> increasing the risk of nuclear war.

Within two weeks of the US unilaterally leaving the INF Treaty, it began testing missiles that violated the treaty's parameters, including a ground-launched variant of the Tomahawk cruise missile capable of being fired by Aegis Ashore systems. Two such systems have been built in the years before in Romania and Poland, to which Moscow protested but which the US assured them could only fire defensive missile interceptors.

Removing those sites or allowing Russian inspections of them to verify their purely defensive nature was part of the negotiations in early 2022 that preceded Russia's special military operation in Ukraine, as the systems threatened to cross a "red line" laid by the Kremlin to defend its security interests in the region.

Another red line was the ability for Ukraine to serve as a NATO base from which to attack Russian soil; it should be noted that a **PrSM fired from a HIMARS system in the northeastern Ukrainian city of Shostka would be able to strike Moscow**, the Russian capital.

This is why Russian Foreign Minister Sergey <u>Lavrov slammed the US</u> giving HIMARS systems to Kiev as a "direct provocation."

Such a Debt, who can Pay?

I am continuing to run this story, as this is a great witnessing story to use to lead someone to Jesus Christ. I believe this could be the study you will want to share with your unsaved friends and this story and the scriptures can let them know how much God loves them and wants to forgive them.

While attending Bible College years ago I enjoyed reading stories I could use to share the Gospel and I would put them into a note book for later use. I found this story about Czar Nicolas the leader of Russia. It was such a good story of forgiveness that I have never forgot it.

So I asked my barber if he had ever heard of Czar Nicolas? He said no so I proceeded to share this story.

Czar Nicolas the king of Russia would from time to time travel to outposts in Russia disguised as someone else so he could see for himself what was going on in his country.

As he was making his tour late one night in this one particular outpost he was walking down the halls of this town hall kind of building and he noticed that the lights were still on in the office of the town treasurer.

Let me go back and explain what was going on in this office. The treasurer for this out post was misusing funds, He was losing money gambling and thinking his luck would turn back he kept digging a bigger hole that would eventually bury him. Then one day it was the day of reckoning. He received a notice that in a couple of days the bank examiners were coming to check the books an do an audit.

He knew he was in big trouble so on this same night that the Czar would be walking the halls of his office, he was up late counting money and figuring out how much trouble he was in. When he finished adding up the debt that he owed, he knew he was in to deep and there was no way out. His solution was he would take his life. He had his pistol on the table and when he finished adding up the debt he owed he wrote these words at the bottom of the balance sheet. "Such a debt, who can pay?"

He was overwhelmed with fatigue so he laid his head down on the desk and fell fast to sleep. While he was sleeping, this is when the Czar of Russia spotted the light on so late in the office of the Treasurer. The Czar saw the door was unlocked and he walked in. He sees the man sleeping, he sees the gun lying by his hand and he looks at the record book and realized this man had been stealing from his kingdom, a crime that would mean the death penalty and disgrace. Then at the bottom of the balance sheet the Czar spotted these words. "Such a debt, who can pay?" This is when the Czar picked up a pen and under the words, "Such a debt, who can pay?" the Czar signed his name and walked out the door.

Just before morning the treasurer woke up and realizing how long he had been asleep, he reached for his pistol to take his life and just before ending his life he looked down at the bottom of the balance sheet and saw the signature of Czar

Nicolas. Finding this hard to believe he looked into his files for a document with the Czar's signature and sure enough the Czar had been there that night and paid his debt. The next day men from the Treasury of Russia arrived with bags containing the missing money and his debt was paid in full.

The Bible says that we will all stand before God and be judged from what has been written about us in the record books of our lives. We all have been assigned guardian angels to watch over us and record every word, thought, good deeds and bad.

Just like that man in charge of the cash of his town in the story above, God has access of the record books of your life. We owe a debt that is "Such a debt, who can pay?" If you will call out to Jesus the one who died to pay for your debts. If you will ask Jesus to forgive your sins, Jesus will take his eraser and wipe out the sins that have been recorded in the record book of your life. Then at the bottom of the blank pages of your record book, Jesus will sign His name with these words. "Paid in full by Jesus Christ."

Below I have written out important scriptures for leading someone to Jesus and I have included the sinners prayer as a guideline for leading someone to Jesus.

Share God's Plan of Salvation

1. Admit you are a sinner and repent.

(Romans 3:10 NIV), "As it is written: There is no one righteous, not even one."

(Romans 3:23 NIV), "For all have sinned and fall short of the glory of God."

(Luke 5:32 NIV), "I have not come to call the righteous, but sinners to repentance

2. Believe in the Lord Jesus Christ.

(John 3:16 NIV), "For God so loved the world that He gave his one and only Son, that whosoever believes in him shall not perish but have eternal life."

3. Confess or declare that Jesus is the Lord of your life.

(Romans 10:9 NIV), "That if you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised him from the dead, thou shall be saved.

The Sinner's Prayer

If you would like God to forgive all your sins and make Jesus Christ the Lord of your life, then stop here and say this prayer to God. (Prayer is simply talking to God.)

Dear Heavenly Father, I know I am a sinner. I believe Jesus Christ died on the cross for me. Please forgive me of all my sins. Jesus, please come into my heart and wash my sins away. Please be the Lord of my life and help me to live for you every day. I ask this in Jesus name. Amen.

The Bible says when a sinner repents and makes Jesus his Lord, the angels in heaven rejoice. A word of warning is advised at this point. As we read in the story of the ten virgins, not all who call themselves Christians will make it to heaven. Knowing about Jesus and the plan of salvation is no guarantee of making it to heaven. When we arrive in heaven, the greatest surprise will be seeing people we did not think would make it. And just as surprising will be the absence of those we thought would be there. The Bible says Jesus knocks on the door of our hearts and wants to come in and live with us. The important thing to realize is God wants our hearts, not just our minds. Head knowledge about salvation does not save us, but sincerely allowing God to forgive and wash our sins away will allow God to give you a new heart. When your heart is changed, people will notice you have been changed and made into a new person in Christ. This is called being "Born Again."
