

THE RETURN OF THE NEPHILIM, WW3, AND CHRISTIAN PERSECUTION - COMING SOON

The Voice of Paul The Apostle

Due to the ongoing world wide developments I have felt compelled to share four additional dreams on this website. I had two of these dreams approximately 35 days ago, and two other dreams approximately 35 years ago.

The first dream I am sharing I had close to waking-up about 35 days ago. In this dream I saw a map of the Pacific Ocean, eastern China, Siberia, The Philippines, and other smaller countries in this western Pacific region. I also saw the coastline of the USA from California up to and including Alaska. In this dream I saw what were small white dots on this map with labeling that indicated the location of various naval warships, military aircraft, submarines, etc.. I could see these white dots moving slowly on this map. As I was watching the positioning of the various military warships, aircraft, submarines, etc. unfold I heard that the USA was sending all of its military forces into the western Pacific region, including military forces from Alaska. I understood this to mean that the USA would not be able to defend against an attack on the west coast of the USA because of the large number of military personnel and equipment that had been deployed in the western Pacific ocean. Then as I was beginning to actually wake-up I heard the words Pearl Harbor spoken loudly to me.

I interpret this dream to mean that the USA may soon become embroiled in a large military conflict in the western Pacific Ocean, which will be a great distraction, leading to the bombing and destruction of Pearl Harbor by the Chinese and their allies. This event may actually happen much sooner than I have ever expected.

The second recent dream that I had involved the Fallen Angels and the Nephilim. In this dream I found myself standing inside of a building wearing a typical suit and tie business outfit. I was looking out a large picture window when all of a sudden I witnesses very large boulders entering the Earth's atmosphere with smoke trails behind these very large boulders. I then heard the words "Asteroids" spoken to me. I also then noticed that these asteroids were falling to Earth at a 45 degree angle. Then all of a sudden I found that I was no longer alone in the room I was standing in while witnessing the incoming asteroids. Instead I saw a man or angel that looked very much like the old western actor Chuck Connors that had played the part of Lucas McCain in the old western TV series known as the Rifleman. All of a sudden this entity began to inform me that the asteroids were actually the Nephilim that were returning to Earth. He also stated in a very anxious and scared tone of voice that he had fought them in the past, a long time ago, and that they were extremely difficult to defeat in battle. He stated that he was seven and one half feet tall, and that the Nephilim that were returning to earth were at least fifteen feet tall. I then began to wonder how I would be able to fight against

these incoming Nephilim if a seven and one half foot tall entity was afraid of having to battle with these Nephilim, once again, as he had in the past. I was warned again by the Chuck Connors look alike entity that these Nephilim will prove to be very difficult to deal with, and that he was afraid of having to battle them once again. I then woke up from this dream.

I have heard repeatedly that as WW3 begins to unfold that "Aliens" will return to the Earth to aid Mankind, and keep Mankind from destroying the Earth, bring peace, etc.

The other propaganda I have begun to witness are Internet articles and videos that claim that the Anunnaki gods will be returning to earth very soon:

The title of the above listed YouTube video is: The Anunnaki Gods: The Astronaut Gods of the Sumerians - Sumerian Mythology - See U in History

This video makes it very clear that Mankind was not created by God, but by the Anunnaki Astronaut gods that will return to Earth again soon, and reveal to Mankind that they were the ones that created us, etc.

In the first dream I had approximately 35 years ago I found myself in an area of the world that looked like a mountainous area in South America. I found myself in a mountain Mestizo Native American Indian village. The people in this village were devout Christians that had refused to move down off of the mountain, out of their village, into a FEMA style camp in the more populated areas of this South American country. I had agreed to assist this group of fellow Christians to resist being relocated. I did not know how I ended-up at this particular village. I only know that I had somehow had been sent there by God to assist these people. The Elders of this village and I had decided that we would send the women, children and the elderly of this village deeper into the wilderness areas of the Andes Mountain range. I would stay in this village with the remaining young men to fight the special UN style military unit that was being sent to this village to either round-up these people or kill them if they refused to move to the FEMA style camp in the larger cities below. I then found myself in an adobe style building at the bottom of an open downward sloping field. I was joined by a relatively small group of single young men from this Mestizo village that ranged in age from about 14-22 years of age. I had been given a short period of time to train these young men to learn how to shoot firearms properly, and to fight in general. As I was pacing around the inside of this adobe building we were using as cover and concealment I heard a voice say that we would be like the the Greeks at the Battle of Thermopylae, fighting against a much larger and superior force of fighting men. I also heard that we would receive a certain level of divine protection as the gun battle progressed. As I was still pacing back and forth in the adobe building I began to see a large number of uniformed men appearing at the top of the open downward sloping field. They were dressed in a different style uniform that was more like a combination civilian police uniform and a regular military uniform. The uniformed men were neither regular civilian law enforcement personnel, nor were they regular military men. They were a special unit created to round-up Christians and other types of resisters to the NWO.

As these uniformed men began to make their way down the open field toward the adobe building the eldest of the single men from this village began to nervously open fire on the advancing troops using my favorite pistol, and the other young men began to follow his lead, except for the youngest, who was hiding in great fear in the bathroom area of this adobe building. I could tell he was in there as I could hear him clicking his teeth loudly in great fear of the oncoming assault. However, I heard a voice once again telling me that we would receive a certain amount of divine protection during the oncoming battle. I then informed all of the young members of my very small "platoon" that we would receive divine protection, not to worry, and to fight as hard as they could. I was then informed before I woke up that open and aggressive Christian persecution would begin to be active and accepted by a large number of the general population starting after the summer of 2023, based upon my age in this dream. It appears from this dream that anyone that is resisting being absorbed into the NWO will be considered an enemy of all of the people of the world for resisting the NWO. Especially, sincere Bible believing Christians.

In the second dream that I had approximately 35 years ago I was out in an area that appeared to be in the more open mountainous areas of the western USA. In this dream I was once again leading a group of men, older men, in guerrilla style fighting against the very same type of troops as in the other dream I had involving the Mestizo village in South America. These troops were wearing the very same uniforms as in my other dream. They were attempting to also round-up sincere Christian resistors and others that were refusing to go to FEMA style camps. In this dream we were intentionally antagonizing these troops so that they would follow us into remote areas where we could ambush them with gunfire and explosives. These troops willingly followed us into these remote areas, and we were repeatedly successful with our guerrilla tactics. However, in this dream I was informed that I should not be too confident due to our early successes with our guerrilla fighting tactics against these NWO troops. The reality was that we were being allowed to a certain extent to defeat these troops early on by the powers to be so that they could learn our tactics, numbers, strengths and weaknesses, locations, etc. I was also informed that we would be subjected to more difficult circumstances in the future that would make life on the run in the wilderness areas extremely difficult. In other words, the efforts to round-up Christian and other resistors to the NWO would continue and become more aggressive throughout the Great Tribulation. The I woke up.

What I must share with everyone is that there is no Pre, Mid or Secret Post Tribulation Rapture of any kind whatsoever. We will ALL be 'left behind' to undergo the trials and tribulations of the Great Tribulation. In the words of the very first Christian, Jesus Christ, the Rapture occurs immediately after the Tribulation of those days. Read KJV Matthew 24:29-31, which states very succinctly:

29 Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken:

30 And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory.

31 And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other.

There is only ONE Second Coming of Jesus Christ. Otherwise, it would not be a Second Coming. Too many people that currently identify as “Christians” today will not make it through the Great Tribulation. They will instead and in fact become part of the Great Apostasy. I have seen too many people that post on this website, and in my travels that continue to promote the false doctrine of a Pre. Mid, or Secret Post Tribulation Rapture of so-called Christians. Anyone that believes that they are somehow holier than their fellow Christians, and thus deserve to avoid undergoing the trials and tribulations of the Great Tribulation are deluded, and are deluding others by promoting such false doctrine.

Read exactly what Jesus Christ states in Mathew 24 about the gathering together of his elect. Also, I find that too many people currently identifying as so-called Christians today are actually practicing a form of “Progressive Christianity”, where anything Biblical is relative to today's culture. Furthermore, the people I meet that mistakenly believe because they “repent” of their sins, at least those sins they know that they commit, that they will not have to undergo any type of suffering during the Great Tribulation. Please note that salvation is by faith alone. See Ephesians 2:8-9, which states:

8 For by grace are ye saved through faith; and that not of yourselves: it is the gift of God:

9 Not of works, lest any man should boast.

Members of the Freemasons, Eastern Star, etc. mistakenly believe that they can “earn” their way to Heaven by their own “works”. While it is certainly possible to lose one's salvation by backsliding. No one can “earn” their salvation.

Last but not least, read Romans 3:23-24, which states:

23 For all have sinned, and come short of the glory of God;

24 Being justified freely by his grace through the redemption that is in Christ Jesus.

The only way to avoid the coming Great Tribulation will be either by taking the Mark of the Beast, or by dying for your Christian faith. The rest of us will survive by having faith, and fighting and surviving one day at a time during the coming Great Tribulation. Do not confuse the Wrath of God during the Day of The Lord with the Great Tribulation.

Repent, and be prepared to deal with great evil that we will all encounter and experience during the soon to start Great Tribulation, which I personally believe will be during the 2023-2030 time period.
