

Surprise-Nuclear-EMP, Nuclear attack and Invasion.

McKana, October 19, 2022

2 Corinthians 13:1(KJV)

This is the third time I am coming to you. In the mouth of two or three witnesses shall every word be established.

---//---

The Lord confirms the words He gives us through different mouths, ever since. One word which struck me most in its consistence is what we saw it yesterday. **“There will be 3 EMP BOMBS, so high that most people will never see them. They will cover all of America, Canada, and Mexico. There will be NO PLACE to run”** THE END IS COME, OCTOBER 18, 2022 8:15 PM, UB READY.

The same word was given to Maurice Sklar, March 14, 2014, stated “**Three rocket missiles** that took over to the air. Two came out of the ocean water and one came from the land and traveled great distance, **All of them blow up in the air one after another**, one two and three in the upper atmosphere within five minutes of each other and there outer in space. **They were terrible nuclear bombs and the last one is the biggest and it created a huge mushroom cloud over the med west part of America**, then the ground shook and **everything went black**. **There were not any electric light coming from any homes**. And candles started to be lite and fire and little light started to be seen. **There were other nuclear explosions and people perished throughout the nation**. There were twisted metal and charred debry in cities that were tall and majestic.”

These are few prophetic word from different servants of the Lord, old and new, I have compiled in March 16,2016. Many of us are familiar with their names, all speaking the same word from the Lord.

1. There was no nuclear weapon at the time (1933)

A great explosion rent the entire land, and left the land of America a smoldering, chaotic ruin. As far as the eye could see there was naught but craters, smoking piles of debris, and no humanity in sight.

William Branham -Visions(5) 1933 https://www.youtube.com/watch?v=3qG87k5_QOg

2. A . The Attack.

I became aware of missiles being launched and hitting U.S. cities. I watched as mushroom clouds started forming over many areas of the United States. Some of the clouds came from missiles that I knew were fired from Russia, and others were not from missiles at all, but from bombs that were already in the United States. These latter bombs had been hidden in trucks and in cars driven to certain locations and then detonated.

I specifically saw Los Angeles, Los Vegas, and New York City hit with bombs. New York City was hit with a missile, but I think that Los Angeles was hit by at least one truck bomb, if not several, because I didn't see any missile. I also saw a mushroom cloud from north of Salt Lake City, but without the aid of a missile.

B. The Invasion

At almost the same time and in the same locations as the mushroom clouds, **I saw Russian and Chinese troops invading the United States.** The **Russians** were parachuting at many spots along the **Eastern Coast**; I also saw them parachuting in Utah. **Chinese troops were invading from the West Coast near Los Angeles.** They were met with resistance from those who had survived the disease and bombs. I did not see any United States military there at that time . **The invasion was part of the nuclear war that I had seen earlier**, and I knew that similar events were taking place all over the world as I had seen previously. I did not see much of this war, but was impressed that it was short in

duration and the Russian and Chinese armies lost and left .

3. "**The Russian spies have discovered where the nuclear warehouses are in America.** When the Americans will think that it is peace and safety - from the middle of the country, some of the people will start fighting against the government. The government will be busy with internal problems. Then from the ocean, from Cuba, Nicaragua, Mexico,... (He told me two other countries, but I didn't remember what they were.) ...**they will bomb the nuclear warehouses. When they explode, America will burn!**" He showed me all of **California** and said, "This is Sodom and Gomorrah! All of this, in one day it will burn! It's sin has reached the Holy One." Then he took me to **Las Vegas**. "This is Sodom and Gomorrah. In one day it will burn." Then he showed me the state of **New York**. "This is New York. This is Sodom and Gomorrah! In one day it will burn." Then he showed me all of **Florida**. "This is Florida," he said. "This is Sodom and Gomorrah! In one day it will burn."

4. The Attack and Invasion

America is going to be destroyed by fire! Sudden destruction is coming and few will escape. Unexpectedly, and in one hour, a **hydrogen holocaust will engulf America** and this nation will be no more. **they will hit not only New York but also every region in the country. Even the heartland won't be spared** An attack from Russia, and "The great holocaust follows an economic collapse in America." A **hydrogen holocaust will then sweep this nation in a Russian invasion of America.**

David Wilkerson 1985, 1992, <http://americaslastdays.blogspot.com/p/david-wilkerson-economic-collapse-then.html>

5. **Three rocket missiles** that took over to the air. Two came out of the ocean water and one came from the land and traveled great distance, **All of them blow up in the air one after another**, one two and three in the upper atmosphere within five minutes of watch other and there outer in space. **They were terrible nuclear bombs and the last one is the biggest and it created a huge mushroom cloud over the mid west part of America**, then the ground shook and **everything went black. There were not any electric light coming from any homes**. And candles started to be lite and fire and little light started to be seen. **There were other nuclear explosions and people perished throughout the nation**. There were twisted metal and charred debry in cities that were tall and majestic

6. **The Lord says, The sword will be the nuclear war. War is coming to America.** There is wickedness in the high places both in the spiritual and natural realm. They are plotting behind the sine to take America down. **Important information is given to the Russian government regarding the United States and the Russia will use this information to attack the infrastructure of your nation.** He says, many will her this information but will ignore it thinking it will never happen to their beloved nation.

Consistent in three counts

1. The Russian spies have discovered where the nuclear warehouses are in America #3
2. Important information is given to the Russian government regarding the United States #6

Surprise attack

They will cry, 'Peace and safety!'— And then sudden destruction will come upon them. That is when it will happen."

As I watched this alarming sight, from my vantage point in the heavens, my attention was drawn homeward to the United States, and I wondered if she realized what was about to come upon her.-----“**the warning is not getting through! They won’t even know what hit them!”**

Henry Gruver, December 14, 1986, <https://www.youtube.com/watch?v=4oB4feKSFUA>

America is going to be destroyed by fire! **Sudden destruction is coming and few will escape. Unexpectedly, and in one hour, a hydrogen holocaust will engulf America** and this nation will be no more

David Wilkerson Prophecy 1985, <http://americaslastdays.blogspot.com/p/david-wilkerson-economic-collapse-then.html>

The big surrender . Early in 2013, I saw well dressed military cadets, with khaki and capes, no arms on them. They are all over the land, in the fields, valleys and mountains. **Something strange has happened. Everyone is cough in utter surprise as if hit by a lightening. They have surrendered without knowing what has happened with no resistance.** Then, I realized the country is attacked and invaded. EMP attack?

McKena, 2013, <https://444prophecynews.com/surprise-attack-mckana/>

I began to see planes being shot at out of the sky with missiles and the planes were falling out of the sky. These were American planes that were being shot by missiles. They were falling of the sky one by one and this is as if **American planes really didn't stand a chance. There was no comparison, there was no fight.** It wouldn't be compared with those attacking them. Then it became night time. The warfare intensified and they were just, you know, my God, they were just **decimating American planes out of the sky left and right. America just stood no chance.**

Meshay Nays, July, 2016, <https://www.youtube.com/watch?v=HnyOuNYtf8s>

I was seeing total destruction, total chaos and death. I got to see different parts of the world being destroyed, it terrified me. I wrote it down and I remember what Jesus explaining to me, in the dream, He was basically telling me “**Wake Up, I came to gather my people, it is time**”. In the dream, all these disasters where happening on Earth and, it terrified me. Just to give you some of what I saw, I saw dead bodies in the streets, I saw cars which are flipped upside down, **It was obvious this was done by missiles and it felt like a war zone, it deed**. **It happened so fast, it threw people off guard. They were not expecting this at all because People were going on with their live cycle like they were not thinking a missile or a bomb is going to drop on their houses that day and I remember people being in shock, the survivors because there were a lot of dead people.**-----Jesus started telling me this is really going to happen

<https://www.youtube.com/watch?v=RleayJ9Rwnw> Aug 22, 2016

I see myself in front of a city, I can see the skyscrapers and many buildings but my sight is set on the sky. I received understanding that I am seeing New York City. Suddenly I see a shock wave, like energy that formed a halo, and heard the LORD say “**Event kickoff**”. Then I saw myself explaining to people what an EMP is, while it was all dark.

End of the dream

I know what the LORD means by the term “**Event kickoff**”, New York will be the key signal when the declared judgments for the USA take place. **It will mark the beginning of the fall of this country because Jehovah has decreed it. Destruction with missiles, it will be invaded by the army of other nations (treason), its economy will be shaken, the dollar falls, and many will die.**

Second, I know what an EMP (Electromagnetic Pulse) is. In simple words, **it is a weapon that discharges a large amount of energy which pulverizes all electrical/electronic devices and everything related to technology (televisions, computers, phones, tablets, etc.) This will disable any tracking military protection system.**
