Introduction

Dear Prophecy Friends

Many Have wondered why no newsletters have come out for almost three months. The month following my last newsletter of November 1st was very quite, Then my health took a turn for the worse., I was about to push my elf to put out a news letter a month ago when I was hit with a flu bug into my lungs. This forced me to bed 24-7.

Health Update

This flu may have been Covid 19. That with a long list of health issues already, an enlarged heart, Cancer, high blood pressure and Diabetes to name a few it is no wonder I had to spend my flu days in bed. Today is the best day I have felt in the last two months.

It is now over 4 years since I was told twice in a month that I would be tested in my health and I was instructed to trust God. This last month has been a real test.

Each night as I go to bed I thank God for sustaining me for another day. Four years ago God gave me a promise twice in a month from 2 sources that I would be raised up to do a mighty work for God. Last month while at my regular doctor visit, I retorted that I am trusting God to raise me up and that I would trust Him even if it kills me. I win no matter what.

A few weeks ago the Holy Spirit was directing me to read the book of Job, I dragged my feet for a few days but when I started reading it I understood why I was to read Job. Job was being tested by God in his faith and he was faithful while his wife told Job to curse God and die. Then Job's friends showed up, called Job's comforters telling Job he must have sin in his life and he needs to repent.

It hit me that I may have a few comforters out there as well. Do I have sin in my life? What does the Bible say? If I say I do not I am a liar.

The Bible says we are to walk in holiness. Many do not know what holiness means. Years ago it was about dress and make up. If you want to understand holiness you need to study the Lord's prayer. It is about the daily confessing of sins and a daily walk of obedience to God. It hit me a couple of years ago that Holiness is not something we attain, it is something we put on **Daily**. It is the breastplate of Christ Righteousness and the Blood of Jesus upon our repentance and confessing of sins that makes us Holy before God.

What is Coming Soon

I believe we are days to only weeks from great devastation breaking out around the World. Much of my thinking on this close timing is based on the current news and prophetic warnings I have included in this newsletter

What Comes First?

When I wrote my last newsletter I thought it would be my last before we would see World War 3 breaking out. This has been the case for a few months now. It truly is the grace of God that is holding back the coming storms,

Most do not see the coming order of events. The next big event will be the opening of the 6th seal. This event will happen when the world is hit with a series of Mega earthquakes.. Read the prophetic Word below confirming this event.

The teaching that is the most over looked event for our time is found in Revelation 7;1 The sealing of the servants of our God just before earthquakes and War breaks out. I have taught on this in many newsletter but most are not listening. This event will appear to be the Rapture. Don't take my word . read Rev 7;1 Read Rev Chap 14 when Jesus meets this group and calls them the First Fruits of the Resurrection.

This event is next, just before mega earthquakes and the beginning of WW3

I see us in a pause, how are you using this pause? Are you preparing both spiritually and physically? Below I am repeating some tips on prepping from my last newsletter.

Financial Needs.

My Ministry is faith based. I am trusting God to meet my every need.

Do to my health challenge in the last three months I have seen a large drop in support, I want to give a special thanks to those who have continued to support my ministry.

For those who may have discontinued your support, How can I blame you, as far as you knew I may have died, I received a message on my phone the other day asking if I was still alive. They said they looked up Arizona's obituary to see if I had died.

I am hanging in there and God has been sustaining me day by day. If you are able to continue to support my ministry, I thank you and pray God will richly Bless you and your family.

I operate on a monthly budget that that is never a fixed amount. I am not able to predict breakdowns, Lately besides the breakdowns in my body parts I have been hit with a freezer quitting and losing all contents, a furnace quitting and water tank failures and more. I am not crying over any spilt milk, I am trusting God all will be covered and I want to thank all who have partnered with me in this ministry, I

don't just trust my needs will be met, I trust you will be greatly Blessed for your faithfulness.

I regret my health and lack of energy has prevented me from doing more to reach out and thank those who give to my ministry. Please accept my thanks here and remember God totally keeps track of your gifts to the work of the Lord.

War Analysis Update

WW3 is imminent, Biden and Obama are poking the bear in the eyes daily.

They just approved sending 31 Abram battle tanks, ASAP, They will put them on the Russia Boarder.

They have just approved sending F35 fighter jets to enforce a no fly zone against Russia,

Germany has just approved sending their most advanced tanks into Ukraine, This violates the armistice ending WW2

Russia has said if these tanks arrive in Ukraine Russia will nuke Berlin, they would have to nuke the USA at the same time,

Another country has promised long range missiles to Ukraine, B-52 bombers were seen flying toward Europe yesterday,

How imminent is WW3? I cannot set a date. But imminent to me is just weeks away.

I personally see a high chance of war as early as next Friday Feb 3rd

I cannot set a date but things are coming to a head.

When War arrives in America are you Ready

I have taught prepping for years. For those who have not listened, this may be your last chance. At this stage it will be difficult to reach a high level of preparation.

I would say at this stage to focus on three areas,

1. Food, at this stage any food that will not spoil in a year is a good start.

2. Water Do you have enough bottled water to last a month for you and your family? After that do you have a way to filter water from other water sources?

3. Shelter. During The tribulation shelter may only consist of a tent, sleeping bags and camping supplies, In the event that you have to run and hid would you be prepared with the needed supplies to survive?

Even if you are able to stay in your home, the odds are you will not have heat or electricity. Do you have alternate ways to cook your food, to purify your water? How about extra blankets or other heat sources to survive when the lights go out?

P.S. don't forget to have your Bible ready to go with you.

******* BULLETIN ***** Russian Navy Ship Conducts
SIMULATED Hypersonic Missile Launch off U.S. East**

Coast - Electronic Warfare JAMMED U.S. Radar, Phones, Internet for 34 seconds

WORLD HAL TURNER 25 JANUARY 2023

A Russian Navy ship in the Atlantic Ocean near Bermuda, conducted a simulated launch of a ZIRCON Hypersonic Missile against a "nautical target 900km away." The Simulated launch involved the use of Electronic Warfare that actually JAMMED U.S. radar, cellular phones in the Mid-Atlantic USA, and even disrupted digital internet traffic for 34 seconds!

The Russian Navy Frigate "Admiral Gorshkov" tested the strike capabilities of Russia's much-hyped Zircon hypersonic missile in the western Atlantic Ocean.

People in the mid-Atlantic region of the US experienced electronic warfare jamming of civilian devices like cellular phones and Internet for 34 seconds.

The Nuclear War That We Have Been Relentlessly Warned About Is Now Right On Our Doorstep

January 26, 2023 by Michael Snyder

Once the nukes start flying, there will be no going back. So I hope that you all understand that we are playing for all the marbles here. Sadly, our leaders don't seem to get it. They just keep escalating the conflict in Ukraine, and on the other side the Russians just keep escalating matters as well. On Thursday, Russia responded to news that the U.S. and Germany would be giving highly advanced tanks to the Ukrainians by firing "a barrage of missiles and drones across the country". The Russians are now so invested in this war that there is no way that they could ever back down. Of course the same thing is true for the Biden administration. Joe Biden has staked his presidency on winning this war, and Congress has already approved approximately 100 billion dollars in total aid for the Ukrainians. We are on a collision course with destiny, and the cataclysmic war with Russia that I have been warning about for many years is now right on our doorstep.

Donald Trump is warning that a worst case scenario is coming too. On Thursday, he posted a message that instantly made headlines all over the world...

A Truth Social post from Trump on Thursday appeared to react to the recent wave of announcements on Western tank deliveries.

"FIRST COME THE TANKS, THEN COME THE NUKES. Get this crazy war ended, NOW. So easy to do!" Trump wrote.

He is quite correct.

We must end this war before the nukes start flying.

And actually Joe Biden once warned that we would be facing "World War 3" if we ever sent tanks into Ukraine.

But now the Biden administration is trying to assure us that sending tanks into Ukraine is perfectly fine.

Look, at this point we are providing more funding for the war in Ukraine than everyone else combined, more military equipment for the war in Ukraine than everyone else combined, more ammunition for the war in Ukraine than everyone else combined, and more military intelligence for the war in Ukraine than everyone else combined.

In addition, we are regularly flying Ukrainians into this country for training.

Once their training is done, they are sent to the front lines where many of them will soon die.

Sadly, as long as it isn't our boys and girls that are dying on the plains of eastern Ukraine, most Americans are simply not going to care.

But the truth is that this has become our war, and the Russians understand this very clearly...

"There are constant statements from European capitals and Washington that the sending of various weapons systems to Ukraine, including tanks, in no way signifies the involvement of these countries or the alliance in hostilities in Ukraine," Kremlin spokesman Dmitry Peskov told reporters.

"We categorically disagree with this, and in Moscow, everything that the alliance and the capitals I mentioned are doing is seen as direct involvement in the conflict. We see that this is growing."

Over and over again, the Russians have threatened us with nuclear weapons, but for some reason we are not taking those warnings seriously.

This week, the head of Russia's lower house of parliament wrote something that should send a chill up all of our spines...

The head of Russia's State Duma has said that the promised deliveries of additional weapons to Kyiv by Western countries could heighten the war in Ukraine to a new level that could result in a "global catastrophe."

Vyacheslav Volodin wrote on his Telegram channel on January 22 that "if Washington and NATO countries supply weapons that will be used to strike civilian cities and attempt to seize our territories...this will lead to retaliatory measures using more powerful weapons."

The comments by the head of Russia's lower house of parliament were broadly taken to mean nuclear weapons, and he has now joined other high-ranking Russian officials who have recently threatened a significant escalation of the unprovoked war the Kremlin launched against Ukraine 11 months ago.

But the Biden administration can't back down now.

Biden has essentially pushed all of his chips into the middle of the table and is betting everything that this war will be a success...

Biden has pinned his legacy on a major land war in Europe in which the United States has engaged in an effective proxy battle with nuclear rival Russia. This fight – which is, in a way, the last battle of the Cold War – is a test of will between an American president and a Kremlin strongman deeply influenced by the US-Soviet standoff. Biden is leading the most significant foreign policy venture at least since the invasion of Iraq in 2003. Its success is critical for America's credibility as well as his own. The magnitude of the mission is likely to overshadow much of the rest of his presidency – including the current investigation into misplaced classified documents – in world history.

So more escalations are inevitably coming.

It is time for the American people to face the truth. We are at war, and there is no way out.

With Pandora's Box Opened, The Rush To Nuclear Annihilation Quickens: Russian Citizens Are Calling On Putin To Nuke 'Western

Aggressors' And Then, '75 Seconds And DC Disappears'

- Russia's Advanced Nuclear Weaponry And 'Dead Hand System' Assure America's Destruction

By Stefan Stanford - All News Pipeline - Live Free Or Die January 27, 2023

While German Foreign Minister Annalena Baerbock recently ignited a firestorm of historic proportions by saying the quiet part out loud when she bluntly said 'the West' is already fighting a war against Russia, but claiming the West had to do more to defend Ukraine by 'sending them more tanks,' the fact that 'bumbling biden' is obliging Baerbock and Ukraine by arming Ukraine with 31 of America's most advanced tanks helps explain why the world is now closer to Armageddon according to the Bulletin of Atomic Scientists than at any time before in history.

With the 'Doomsday Clock' first created by the Bulletin of Atomic Scientists all the way back in 1947 to warn the world about the dangers of nuclear weapons, as Zero Hedge had warned in this recent story, it should be seen as much more than just a 'coincidence' that Biden and the West promising battle tanks for Ukraine happened at the same time as the 'Doomsday Clock' moved forward, warning of nuclear war dead ahead.

And while biden and his DOD might think in their absolutely insane minds that arming Ukraine with all of these highly advanced tanks will help them 'win' the war against Russia, as we'd warned back on October 11th of 2022 in this ANP story titled "The Globalists Death Wish: Russia's 'Dead Hand System' Is Ready To Incinerate Washington DC, NATO And America Automatically, Even If Russia's Entire Chain Of Command Is Incapacitated", there is no 'winning' a war against an enemy who is set to completely destroy us, even if their leadership is all dead and gone! From that story briefly.:

With nuclear war insanely being babbled about at the very highest levels of the US government, and any nuclear war that does break out most likely hitting the

Washington DC psychopaths first, and quite literally incinerating millions of Americans in the process, we thought we'd remind those Washington DC psychopaths about Russia's 'Dead Hand System,' also known as 'Perimeter,' in this story.

As wikipedia reports of 'Dead Hand,' the system remains in place to this day, and while it is said to only be activated during times of crisis, who wouldn't argue we're in such a time right now? And as that wikipedia entry reported, 'Dead Hand' is a fail-safe Russian system that will automatically launch nuclear weapons at Russia's enemies, even if the entire Russian chain of command has been incapacitated. From that entry.:

'Dead Hand' is a Cold War-era automatic nuclear weapons-control system (similar in concept to the American AN/DRC-8 Emergency Rocket Communications System) that was constructed by the Soviet Union. The system remains in use in the post-Soviet Russian Federation.

An example of fail-deadly and mutual assured destruction deterrence, it can automatically initiate the launch of the Russian intercontinental ballistic missiles (ICBMs) by sending a pre-entered highest-authority order from the General Staff of the Armed Forces, Strategic Missile Force Management to command posts and individual silos if a nuclear strike is detected by seismic, light, radioactivity, and pressure sensors even with the commanding elements fully destroyed.

By most accounts, it is normally switched off and is supposed to be activated during times of crisis; however, as of 2009, it was said to remain fully functional and able to serve its purpose when needed.

So as Steve Quayle warns us in the must-watch 1st video at the bottom of this story while on his recent Hagmann Report with Doug Hagmann, the globalists are dead-set upon starting up World War 3 with Russia, not despite the risk of 'global nuclear Armageddon,' but BECAUSE they've been long working towards our nation's destruction, with Robert Barnes also warning in this new Infowars story they NEED something to cover-up their failed 'medical tyranny takeover' plans and nuclear war would do the trick.

As Steve also warns us in this video, if all goes according to the globalists satanic plans, the United States will cease to exist at some point in the future, with the globalists long-working to destroy not only US sovereignty but our military, giving away millions and millions of taxpayer funded weapons, which were supposed to be used to defend America, to Ukraine. And as Steve warns us, 'Pandora's Box is now open,' and if we stay on this track with German leaders saying they're already at war with Russia, pretty soon, Russian citizens will be calling on Putin to nuke Berlin, and London and Brussels and Washington DC. And one of Russia's hypersonic nukes fired at DC would hit it within just 75 seconds!

So as we see from this Anti-war.com story which is referenced within this video, while Putin is getting ready to defend the Russian people from the West's never-ending warmongering insanity running rampant in Biden's white house, the warmongering crazies are getting ready to send our own taxpayer funded 'self-defense' to Ukraine!:

The US is depleting its military stockpiles by shipping millions of artillery shells to Ukraine.

The Pentagon is planning to boost its production of artillery ammunition by 500% over the next two years as the US is depleting its military stockpiles by sending millions of shells to Ukraine, The New York Times reported Tuesday.

Since Russia launched its invasion of Ukraine, the US has pledged to send Ukraine over one million 155mm artillery shells. Before the US Army began efforts to increase production, it produced 14,400 155mm shells a month, but under the new plans, the number could reach over 90,000 each month.

According to the Times, an Army report said the plan will involve expanding factories and bringing in new producers in an effort described as “the most aggressive modernization effort in nearly 40 years” of the US military-industrial complex.

The US plans to dramatically ramp up ammunition production over the next two years show that the US is expecting to support Ukraine against Russia for years to come, and there is no sign that the fighting will end anytime soon.

What’s not clear is if the policy is sustainable, as US military officials have warned it may be hard to continue arming both the US and Ukraine as the war

drags on. Ukrainian forces are estimated to be using about 90,000 rounds of artillery each month, which is more than double what the US and Europe can currently produce.

And as Steve Quayle has warned us of time and again, all it will take is one Russian nuclear strike upon America to send us back to the dark ages. So while these satanists in the white house and the 'pentagram,' as Steve calls it, think that the American people will continue to pay for all these weapons to keep this war (that nobody in their right minds here in America wants!) dragging on and on and on, what happens when the American people put their own feet down and say no more funding our own destruction?

And what happens when Russia decides 'enough is enough' and brings their own BIG weapons into the game, or the US leadership is actually successful at taking out Russian leadership and their 'Perimeter/Dead Hand system' is launched upon America? That 'Bulletin of Atomic Scientists' Doomsday warning will come true before our eyes.

So with the very real possibility that any forthcoming World War 3 could bring America a 'permanent lights out scenario,' with Russia only needing one successful EMP attack to bring down 'the grid' from the East Coast to the West Coast, and EMP experts having warned any such attack that brings down the grid for a year to 18 months could see up to or more than 90% of the US population 'depopulated,' we'll look within this final section at preparing for such a catastrophe we pray never arrives on our shores.

As the Heritage Foundation had warned all the way back in 2010 within this story, an electromagnetic pulse (EMP) attack represents one of the greatest threats imaginable—to the United States and the world. From that story.:

An EMP occurs when a nuclear device is detonated high in the atmosphere—a phenomenon of which America's enemies are well aware. The electromagnetic discharge can permanently disable the electrical systems that run nearly all civilian and military infrastructures.

A massive EMP attack on the United States would produce almost unimaginable devastation. Communications would collapse, transportation would halt, and electrical power would simply be non-existent. Not even a global humanitarian

effort would be enough to keep hundreds of millions of Americans from death by starvation, exposure, or lack of medicine.

Nor would the catastrophe stop at U.S. borders. Most of Canada would be devastated, too, as its infrastructure is integrated with the U.S. power grid. Without the American economic engine, the world economy would quickly collapse. Much of the world's intellectual brain power (half of it is in the United States) would be lost as well. Earth would most likely recede into the "new" Dark Ages.

So with hundreds of millions of Americans sure to die should Russia take down our electrical grid, we give our families and loved ones a fighting chance if we're fully prepared for such a scenario, though tens of millions of Americans don't even have a generator to help keep our own power on in such a tragedy. So some generators that are still available right now with a shipment to your home within days include.:

DuroMax Gas Powered Portable 12000 Watt-Electric Start-Home Back Up & RV Ready, 50 State Approved Generator

Westinghouse 12500 Watt Dual Fuel Home Backup Portable Generator, Remote Electric Start, Transfer Switch Ready, Gas and Propane Powered, CARB Compliant

DuroMax XP13000E Gas Powered Portable Generator-13000 Watt Electric Start-Home Back Up & RV Ready, 50 State Approved, Blue/Black

WEN DF475T Dual Fuel 120V/240V Portable Generator with Electric Start Transfer Switch Ready, 4750-Watt, CARB Compliant

Many more links and suggestions on nuclear war prepping can be found on these previous ANP stories [here](#), [here](#) and [here](#). And as always, our comment section below is wide open to ANP readers suggestion and hints on how to help our community get through the unthinkable. With nuclear war only giving us a few seconds 'notice' of its arrival, but it then being impossible for anyone to ignore from that moment on out, we owe it to our families to prepare for such devastation now, because by the time it happens, it'll be far too late.

White House estimates chances of Russia attacking NATO,

26 Jan, 2023

There is “absolutely no indication” that Moscow is planning to strike the US-led military bloc, Washington says

NATO countries are not in danger of being attacked by Russia, US National Security Council spokesman John Kirby said on Wednesday.

Speaking at a regular press briefing, Kirby was asked whether the US-led military alliance has enough troops to repel a possible Russian strike on its eastern flank in case of a major escalation in the Ukraine conflict.

“All I can tell you is we’ve seen absolutely no indication that [Russian President Vladimir] Putin has designs on striking NATO territory,” the spokesman said, while stressing that US President Joe Biden is taking Washington’s Article 5 commitments “seriously.” He was referring to the principle that an attack on one member is an attack on the entire alliance. Kirby noted that Washington has deployed an additional 20,000 US service personnel in Europe, bringing their total number to 100,000. He added that NATO is “confident that we have the capability, the energy, the talent, the manpower, the resources to meet our Article 5 commitments.”

Words from the Prophets

**I have been studying many prophetic words from many sources
Who are you going to listen to????**

**This reminds me of the movie years ago called Ghost Busters,
What did they constantly say? Who you going to call??**

I ask you, Who are you going to believe?

**I have recently had many different prophetic words sent to me.
Most prophets you see on TV or high profile names on the
internet disagree with what I am sending you**

**I am warning of coming judgment to America. Most prophets
are telling you what you want to hear. What do you want to
hear? God is going to restore America to greatness. All that
the enemy has stolen will be restored.**

Who are you going to Believe?? My teaching come from the Bible. What do I see coming to America, based on the Bible? I see America as Mystery Babylon, I see the coming destruction of America as the judgment of God. It will take this judgment to bring the lukewarm church to its knees. This will lead to the greatest revival and period of repentance the World has ever seen.

So Who are you going to Believe?

Joshua Giles – “This has never happened before.”

January 26, 2023 by [James Bailey](#)

The following provides the transcript of excerpts from two videos recently published by Joshua Giles. Joshua is an author, conference speaker and founder of Joshua Giles Ministries.

I had not heard of him before seeing these but I decided to share them because he confirms some things I've seen, including a warning that I received last year that “nothing will be the same after September 25, 26”. To see more prophetic warnings that I've shared, please visit my author page which includes warnings from the past eleven years as well as many news stories.

However, I cannot confirm all that Joshua shares in these videos because he was shown many more details than I have, including the timing, which he says begins next month, February 2023. That got my attention because two friends of mine had already received similar warnings with that same timing. In any case, I believe these things are coming soon.

The first one is a 5-minute video. Another is shown below it.

"We're going to see the new thing come now in the systems of the world. We're going to see it happen right before our eyes in our own nations. We're going to begin to see this new thing begin to occur where whatever was happening for the last 30 years, 50 years, 20 years, they're going to say this has never happened before. So get ready for that phrase to be said throughout 2023. You're going to hear it in all sectors, in all industries. You're going to hear it on the news. You're going to see records being broken now in this year, more than what we've saw in the last several years, in the last three years.

And I want you to practice saying "this has never happened before" because some of you are about to break records in your own life. You're going to see a record-breaking anointing come upon you. And your mantra will be "this has never happened before".

That will be your declaration what God is about to do. It has never happened before. It's never entered into your heart. Your eyes have never seen it. Your ears have never heard it. It's never happened before so get ready for records to be broken now.

And I feel the anointing on this so strongly. We're going to see some things that will look negative in this year but the Lord's going to use them for our good. I saw the economy take another hit around the month of February in the year 2023. The Lord showed me this vision of our economy going through another downward spiral that's going to take another hit.

Whether you see this in the news or not, this is what the Lord showed me and as it takes that hit it will look negative for some people but the Lord says that it will also be a triggering for the transfer that will be presented as a recession and as a downward spiral. There's actually going to be a sign for the body of Christ that we are in the midst of that transfer that has been prophesied, that we have been hearing, and so around the month of February I saw the markets in panic. I saw things begin to shift within the stock market and within cryptocurrency yet again and the Lord says this time it's going to actually mark a period of "it's never happened before."

It's going to mark the season and period in which God says, "I'm going to give strategy to those that are connected to My heart and My voice because you're not going to be able to rely on the data. You're not going to be able to rely on

the charts and the graphs. Hear me for those of you that are in investments. You're not going to be able to rely on the charts and the graphs. You're not even going to be able to rely on the patterns from yesterday. You will not be able to rely on the patterns of what took place back then. And this is what we saw in the past 10 years so this is going to happen again. No, it's going to be very different. It's going to be the shaking but it's going to be a shaking from God.

Now there are several things that are going to be triggered at the same time. And I hear this in the spirit, not only are we going to see the economy triggered but you're also going to see yet again the oil industry. You're going to see the light being shined on that yet again. I saw this coming in the month of February going even into March where you're going to see it in the news where it's going to be where oil and gas are back in front of us again and it's going to be a focus on that because there is a contending and a battle behind the scenes but don't be caught off guard and don't be alarmed when you see this because all of these things are going to be prophetically significant parts of what the Lord is doing right now, and so when we see oil in the news you're going to know that the price of oil is going up not just in the natural but the price of oil is about to go up in the realm of the spirit.

So let me tell you what that means. We're talking about oil and we know how oil now is really like liquid gold to nations, but in the spirit you've got to understand that oil is symbolic of the anointing and when the price is going up this means that the level of sacrifice and the level of surrender and obedience that is going to be required of you is about to go up. You're going to have to pay a steeper price for what it is that you say you carry. You're going to have to pay a greater price for what it is that you say that God put on you.

I'm telling you this because you're going to see this change. I see in the spirit around the month of February that there's going to be much spiritual activity. And you're going to see many shakings begin to occur within February so get ready for it.

And there's going to be emphasis on money. I even see a major company in the spirit. This is a major conglomerate that's going to really, it's like they're going to be bankrupt and it's going to catch people by surprise. All of these things are going to be signs. There are going to be signs of a shift and a sign of a transference that is happening. So when you see that company going

bankrupt you're going to know that it is a sign of a shift that what the wicked held, the wealth that the wicked held, is now being transferred.

Joshua shared more details in the 47-minute video shown below, which was uploaded to YouTube on January 24, 2022.

The following transcript provides excerpts from this video:

The Lord said to me as we approach the month of February there is an acceleration that's beginning to take place. He said as we approach the month of February and from that month and the next several months onward we're going to see heightened spiritual activity. There are many things that we're going to see unfold. Some of those things are going to have an impact on our cities. They're going to have an impact on our nation.

The Lord began to show me certain visions and speak several things to me to share. He began to show me this vision of what looked like a perfect storm in the economy and I want to start there because over the next several months, many people are going to see things within the U.S economy but even in the economy of other nations that's going to be a shock to some and so I'm sharing I'm going into the prophetic forecast now which is simply sharing these words. Some of them will be words of warning that are going to come and I want us to pay attention and there also will be instructions that I believe the Lord has given me to share with others that's going to help us to navigate what's coming.

It's imperative that as a believer in Jesus Christ that you make it crystal clear that you are only serving him, that you're not chasing money, you're not chasing wealth, but you're serving the Lord. It says that the time will come in the near future when many people will lose massive amounts of money. I saw in a vision a stock market crash that would shake the nations. There is a time coming where multi-millionaires will lose their fortunes in one day. Those who have trusted in wealth will be greatly confused because of the major shaking coming to the Earth in this era. Even some of the billionaires of our time will be shaken and will be hemorrhaging cash. Now I'm reading this from Prophetic Forecast but this was the word of the Lord that he gave me and in this vision.

I saw very wealthy people selling off their possessions trying to mitigate their losses due to a massive recession. This will mark a period of a great natural and spiritual famine.

He said there was a coming of famine like the world has never seen and it's dealing with not just natural but also a spiritual kind of thing that we're also already seeing. In Amos 8 and chapter chapter 8 and verse 11 goes into this, that there will be a famine for the hearing of the word of the Lord.

"Behold, the days are coming," says the Lord GOD, "that I will send a famine on the land, not a famine of bread, nor a thirst for water, but of hearing the words of the LORD. (Amos 8:11 NKJV)

But the Lord said to me get ready as we come into February, and in the next several months, for the economy to be shaken and I saw this vision of a perfect storm where not only was it a situation of a default, where there are people that would typically have access to money that they're not going to have access to certain funds that the government would typically release in the United States, but He also told me that it would be another period where it would be a government shutdown that would be looming at the same time. And so we're going to see literally this collision of what will look like a perfect storm.

We are in that process where it's in jeopardy of a default but not only that we will see this pending government shutdown that's going to come but He said know that when you see this begin to happen that there's also going to be a spiritual exchange that is happening within the world that is also going to be assigned to the Church and to the body of Christ.

It's going to be assigned to the body of Christ as we see this perfect storm scenario begin to happen, it's going to be a sign that there's going to be an exchange happening in the spirit that the Lord is beginning to take off of one and place onto another. We're going to see it in terms of influence, but we're also going to see it in terms of finances where you're going to see some believers that have been faithful and some believers that have been true to the word of God, that you're going to see millionaires that are going to come up overnight, and I speak this prophetically by the word of the Lord, while some will lose their fortunes. There are those within the body of Christ that the Lord

says I'm giving you an economic plan for the future. I'm giving you clear prophetic instruction and direction and you're about to see now the next wave of millionaires that are going to be birthed within the Church and they're going to come from the body of Christ.

The Lord says to me get ready for the perfect storm that will begin to happen and you will begin to see it erupt in the economy.

The Lord said not only will you see where store shelves will be empty because of certain shortages that would come, He said you're also going to see hyper inflation at a level that we have never seen before. And the Lord said to me that you will walk into the grocery store and get literally just a couple of bags of groceries and it's going to be a couple hundred dollars that you will spend for something that is so minimal, that is so small, and I know that America has never experienced it like this before, definitely not in recent years, but the Lord said to me get ready for that. And some people are going to begin to panic because of the inflation.

We're beginning to see some of these things happen right now but we really haven't seen anything yet because I saw where you will literally walk into the stores and a bag or two of groceries are going to cost a hundred to a couple hundred dollars and it's going to really begin to shock people, but the Lord says I'm going to give ideas to my Church. I'm going to give instructions and strategies to the Church where you are going to prosper even in those Times. You're not going to have to panic with the rest of the world because we're coming into a period of group sharing where the Lord is causing believers to begin to pull our resources together. And if you do not belong to a community of Believers, a good church, you need to find you a good church and a good community of Believers because it's going to be crucial in the days that are ahead. This is not the time for us to be a lone ranger. It's not the time for us to be isolated on an island. This is not the time for us to be just on our own. This is the time for Kingdom connections to come into play. It's the time for you to begin to gravitate to like-minded people.

The Lord is going to use communities. I saw Kingdom communities that will begin to form, groups of believers, groups of friends, that are going to come together and you're going to begin to pull your ideas but not just your ideas but your resources together. You're going to buy property in that way. There's going to be five, six, ten people that will come together to buy a farm, to buy a

plot of land, and you're going to begin to work that entity, that project, and you're going to see profit come from that. And so if you've been in this mindset of just doing it on your own and doing things by yourself, you're going to need to be connected to the right people.

In the next several months, you're going to see it begin to happen. And so this is the perfect time for entrepreneurship. It's going to be the perfect time for you to start your business. It's the perfect time for you to rev it up. For those of you that have already started your business this will be the perfect time for you to take it to the next level because it's going to be a demand on you in the days that are coming.

I saw America come into a time where we would not be able to get certain funds out of certain banks, where there were going to be systems issues that would begin to happen and people were going to need to have cash on hand.

There are going to be cyber attacks, back to back cyber attacks, that we would begin to see within the United States and even in nations abroad. It's already beginning to happen but the Lord said to me that we're going to see that escalate in the coming months. Now some of these cyber issues you're not going to hear the news media actually say this is what it is you're not going to even hear the government release that that's what it is but you will know that that's what it is.

I saw a major and massive database. This data breach is going to actually be the largest that we have seen, even in recent times. We're going to say that we've never seen one this large, but the Lord said to me to put your eyes on of course the banking institutions because you're going to see cyber attacks against banking institutions.

Not only that, He said to begin to pay attention to the aviation system and industry. I heard the Lord say to me that for some reason we're not going to be able to fly. We're literally not going to be able to fly... and the Lord said to me to pull back because you're not going to be able to.

The Lord said to me that there's going to be more activity happening in the aviation systems and we need to begin to direct our prayers and our intercession to the aviation in system so we're going to need to pray for

airlines and we're going to need to pray as the Lord puts it on your heart, specifically for the aircrafts and for the airline industry within the United States and in other nations but I'm speaking this primarily here because I saw a major shaking come in the United States concerning some of these things that we need to be prepared for. We need to know this, so put your attention on the aviation systems.

We are also going to begin to see in certain stores where I saw more and more lab-grown food make its way into our grocery stores. They are already pushing to put more engineered food into our grocery stores... We're going to see it flood our stores and God said to me that you're going to have to be particular about what you put into your body. You're going to have to be particular about what you consume and about what you eat over the next several months. You're going to see more and more reports of contamination within foods. You're going to see more and more reports of what has been placed into foods that are not good for us. And so you can be led by the Holy Spirit to know what to eat, what to consume, what not to consume, what you should put in your body and what you should not put into your body. And some of you the Lord is going to tell you don't eat that particular brand. You're gonna feel it in your spirit that you should not consume that particular thing. When you sense that, you need to listen to the leading of the Holy Spirit.

You're going to hear back-to-back reports of foods that are either recalled due to contamination or you're going to see where there are things in those foods that are not good for us to consume. And we must pay attention to that because when the Lord is showing us those things we need to know because it will literally preserve your life.

The Lord said to me begin to put your eyes on Taiwan because you're going to see it come even more so on headline news in the coming days concerning an escalation of things in Taiwan and I saw in the spirit where it was literally a war that began to break out in that region. And the Lord said to me, "an escalation of things, an escalation of conflict in that particular area, in that region," and so God said, "Put your eyes on Taiwan and pray concerning those that are in that region, pray for the protection of God, pray for a hedge around those that are in that region and in that area now."

These are words of warning now so that we can know how to posture ourselves and so that we will not be caught off guard with what is coming in the near future.

ELIZABETH MARIE

LATTERRAIN333.WIXSITE.COM/LIFELINE/

I have 5 flash dreams that I would like to share. In asking the LORD for Scriptures, I was reminded of the WATCHMAN from Ezekiel 33. Since LORD is NOW pouring out HIS SPIRIT, like from the Book of Acts 2..... people receiving dreams, and visions in the LAST DAYS. Many are ALSO receiving WARNINGS from HIM.

Many of these WARNINGS can be personal, or for your family.....however, there are a few that are WARNINGS for the BODY OF CHRIST, and need to be shared.

When I am hesitant about 'SOUNDING the ALARM,' or putting out an 'ALERT,' I am reminded that, as a 'WATCHWOMAN ON THE WALL,' I need to be obedient, and share what I was shown, so the people can 'pray & prepare!' If I don't, then I am responsible for any harm that might come..... IF the WARNING becomes REALITY!

"But if the watchman sees the sword coming and does not blow the trumpet, and the people are not warned, and the sword comes and takes any person from among them, he is taken away in his iniquity; but his blood I will require at the watchman's hand"
Ezekiel 33:6

I want to encourage those that are also receiving WARNING DREAMS, WORDS or VISIONS.... to not keep it to themselves, but to share with the BODY OF BELIEVERS in JESUS! We will all be held accountable some day for what we said, as well as what we didn't say!!

A STERN WARNING

NOVEMBER 25, 2022 5:57 PM

HANDMAID OF THE MOST HIGH

Ezekiel 33:6 KJV

But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand.

The Holy Spirit has told me to share this Word. At least once a week, I have a dream which involves drawing detailed maps and giving directions on navigating the treacherous roads within the Orlando, Florida metro area for those who are unfamiliar. Seldom do I even know the individual(s). I am always very meticulous in my maps providing landmarks and cautions for areas of danger. My sole desire is for the people to find the best path for their destination.

The Holy Spirit said that these maps are a metaphor for the prophetic words, visions and dreams I share. They are a roadmap to keep the reader safe from the destructive forces that may lure the unsuspecting; keep from being distracted by lack of signage; from what is important or lead to sin. I take this role extremely seriously because I want to be obedient to the Father and my heart's desire is that those who may have gone astray be returned to the fold through repentance. I want others to be awakened to possibilities that would mislead or misdirect them, so that they arrive safely home (in Heaven).

Unfortunately, there are some, who claim to have prophetic gifts to share but in actuality what they share is out of their fleshly desires and beliefs. Some of their words may have elements of truth but are sprinkled with lies making the entire word invalid. But because it is not from the Lord, it is untrue. There are grave consequences to those, who share these things saying they are from the Holy Spirit but it is not! In the Old Testament directives, they would be stoned for their erroneous claims. In the New Testament, it is clear that this angers God and that they will be guilty of blood on their hands for misleading people.

Despite these stern directives there are still many liars. In fact, it is a daily occurrence to see these false prophets posting their words, instead of God's on various websites. Some even post here. Know this, the time to repent is now! Those who post prophecies claiming it comes from the heavenly Father and when it is not from Him will be thrown into the Lake of Fire along with their true master at Judgment. This sin is that serious!

The Holy Spirit says:

Daughter, I send my true prophets to warn and judge but many claiming to know me have never even repented of their sinfulness.

Many I never knew and some today, do so to get attention from others because they like attention and the accolades, they have no fear of me. This folly will soon be corrected. These along with the lying shepherds in charge of congregations some large and some small will soon hear “depart from me workers of iniquity”! These will be astonished because they got away with their folly and their fanciful stories for so long, they think that they pulled one over even on the Almighty God!

How foolish they are. I call upon the true children to call these false ones out on their many lies. They promise greatness again {for America}. They promise revivals and restoration of the righteous to the land and they know nothing of me nor the great judgment awaiting your land.

Judgment falls on the house of God and I will expose these false ones, many have already been captured in their sin, but the children refuse to acknowledge this exposure. So committed they are to the lies that please their ears and the perceived glory they will bask in. How little they know of me! They never read my book, instead, too lazy to verify what others tell them. These fools will also be judged for failing to walk in truth and righteousness.

I will send many more tests and trials and it will be obvious to those who truly see and hear that the false shepherds and prophets have taken advantage of them. These liars seek to enslave others so that they become dependent on having their ears tickled, when in reality they capture them to drag them to hell and at best destruction.

These false ones spreading falsehoods will soon stand before me without excuse for I have warned them time and again and yet, they continue in their falsehoods hoping no one will notice. I AM the Lord God and I know whom I can trust and whom I can not. The liars will mourn their loss of notoriety and the gifts and offerings but most of all their salvation. Many will cry out to me in that very same hour for an opportunity to confess to all men that they lied but it will be too little and too late. I will not hear them for while they were on earth, they had plenty of time to confess their lies to the brethren but were too vain and too proud to be honest. Pity them, pray for them but DO NOT BELIEVE THEM!

I AM has spoken. I see all and know all. These warnings I have provided will stand with them at their judgment to bear witness to their schemes and scandals to their utter shame.

Repent while there is time, false prophet. Repent while there is time, false shepherd. The hour of the Lord will soon be upon you!

Such a Debt, who can Pay?

I am continuing to run this story, as this is a great witnessing story to use to lead someone to Jesus Christ. I believe this could be the study you will want to share with your unsaved friends and this story and the scriptures can let them know how much God loves them and wants to forgive them.

While attending Bible College years ago I enjoyed reading stories I could use to share the Gospel and I would put them into a note book for later use. I found this story about Czar Nicolas the leader of Russia. It was such a good story of forgiveness that I have never forgot it.

So I asked my barber if he had ever heard of Czar Nicolas? He said no so I proceeded to share this story.

Czar Nicolas the king of Russia would from time to time travel to outposts in Russia disguised as someone else so he could see for himself what was going on in his country.

As he was making his tour late one night in this one particular outpost he was walking down the halls of this town hall kind of building and he noticed that the lights were still on in the office of the town treasurer.

Let me go back and explain what was going on in this office. The treasurer for this out post was misusing funds, He was losing money gambling and thinking his luck would turn back he kept digging a bigger hole that would eventually bury him. Then one day it was the day of reckoning. He received a notice that in a couple of days the bank examiners were coming to check the books and do an audit.

He knew he was in big trouble so on this same night that the Czar would be walking the halls of his office, he was up late counting money and figuring out how much trouble he was in. When he finished adding up the debt that he owed, he knew he was in to deep and there was no way out. His solution was he would take his life. He had his pistol on the table and when he finished adding up the debt he owed he wrote these words at the bottom of the balance sheet. **“Such a debt, who can pay?”**

He was overwhelmed with fatigue so he laid his head down on the desk and fell fast to sleep. While he was sleeping, this is when the Czar of Russia spotted the light on so late in the office of the Treasurer. The Czar saw the door was unlocked and he walked in. He sees the man sleeping, he sees the gun lying by his hand and he looks at the record book and realized this man had been stealing from his kingdom, a crime that would mean the death penalty and disgrace. Then at the

bottom of the balance sheet the Czar spotted these words. **“Such a debt, who can pay?”** This is when the Czar picked up a pen and under the words, **“Such a debt, who can pay?”** the Czar signed his name and walked out the door.

Just before morning the treasurer woke up and realizing how long he had been asleep, he reached for his pistol to take his life and just before ending his life he looked down at the bottom of the balance sheet and saw the signature of Czar Nicolas. Finding this hard to believe he looked into his files for a document with the Czar’s signature and sure enough the Czar had been there that night and paid his debt. The next day men from the Treasury of Russia arrived with bags containing the missing money and his debt was paid in full.

The Bible says that we will all stand before God and be judged from what has been written about us in the record books of our lives. We all have been assigned guardian angels to watch over us and record every word, thought, good deeds and bad.

Just like that man in charge of the cash of his town in the story above, God has access of the record books of your life. We owe a debt that is **“Such a debt, who can pay?”** If you will call out to Jesus the one who died to pay for your debts. If you will ask Jesus to forgive your sins, Jesus will take his eraser and wipe out the sins that have been recorded in the record book of your life. Then at the bottom of the blank pages of your record book, Jesus will sign His name with these words. **“Paid in full by Jesus Christ.”**

Below I have written out important scriptures for leading someone to Jesus and I have included the sinners prayer as a guideline for leading someone to Jesus.

Share God’s Plan of Salvation

1. Admit you are a sinner and repent.

(Romans 3:10 NIV), “As it is written: There is no one righteous, not even one.”

(Romans 3:23 NIV), “For all have sinned and fall short of the glory of God.”

(Luke 5:32 NIV), “I have not come to call the righteous, but sinners to

repentance

2. Believe in the Lord Jesus Christ.

(John 3:16 NIV), “For God so loved the world that He gave his one and only Son, that whosoever believes in him shall not perish but have eternal life.”

3. Confess or declare that Jesus is the Lord of your life.

(Romans 10:9 NIV), “That if you confess with your mouth, ‘Jesus is Lord,’ and believe in your heart that God raised him from the dead, thou shall be saved.

The Sinner’s Prayer

If you would like God to forgive all your sins and make Jesus Christ the Lord of your life, then stop here and say this prayer to God. (Prayer is simply talking to God.)

Dear Heavenly Father, I know I am a sinner. I believe Jesus Christ died on the cross for me. Please forgive me of all my sins. Jesus, please come into my heart and wash my sins away. Please be the Lord of my life and help me to live for you every day. I ask this in Jesus name. Amen.

The Bible says when a sinner repents and makes Jesus his Lord, the angels in heaven rejoice. A word of warning is advised at this point. As we read in the story of the ten virgins, not all who call themselves Christians will make it to heaven. Knowing about Jesus and the plan of salvation is no guarantee of making it to heaven. When we arrive in heaven, the greatest surprise will be seeing people we did not think would make it. And just as surprising will be the absence of those we thought would be there. The Bible says Jesus knocks on the door of our hearts and wants to come in and live with us. The important thing to realize is God wants our hearts, not just our minds. Head knowledge about salvation does not save us, but sincerely allowing God to forgive and wash our sins away will allow God to give you a new heart. When your heart is changed, people will notice you have been changed and made into a new person in Christ. This is called being “Born Again.”
