## *1 John 1:5(KJV)*

*This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all.*

---///---

From what is revealed for us and the experience from the world of the spirit, we know of the reality and existence of:-

- 1.The forces of Light and
- 2.The forces of Darkness.

Ever since, the war between the forces of light and forces of darkness continues and will end very soon with the victory declared even before creation. Victory belongs to Almighty God the creator of everything created and the victory won by Jesus is our victory, the little children of the most high God, the God of Abraham, Isaac and Jacob, the Lord of hosts. ***“What shall we then say to these things? If God be for us, who can be against us?” Romans 8:31-32 (KJV)***

To know the enemy-the way it looks, the way it transforms, the way it shifts(forms), the way it acts helps us to fight and to win over the enemy, for we have to fight the fight here on earth, in the spirit world. Know your enemy. Many of what is given bellow doesn't need mentioning as well as explanation for believers are the targets and they know what they are dealing with. Since the deceived world believing the carnal, the material is the only real world, this is another way of telling them this is not all. For us believers who suffer from the evil of the enemy, in addition to the pain we go through, what we see in the spirit world testifies to the reality of what is behind the attacks and what the other side of the spirit world looks like. Knowledge is power. In short here are few of what is revealed for me the blessings and the struggle I endured through the years:-

## *A. Forces of light*

### *1. Heavenly*

**1. God Almighty-God is light.** I have given more than enough testimonies about what is revealed for me. No need of going through this again. In short, I have seen God as bright light and as the true beings of the Trinity, as a loving God and as a consuming fire. Needless to say I see Jesus-always.

### **2. The Angels-**

I have seen angels in bright light, as warriors. with their armors, as beautiful beings in human shape and form.

### **3. The saints, the saved**

-King Solomon(yes, he is what you read in the bible)

-The multitude of the saved, the redeemed, the raptured entering the Kingdom of heaven in an open portal, Jesus leading them in and our Father receiving them.

-Many saved, parents, family and friends

### *2. Earthly*

-Humans-the saved, the redeemed, the righteous, the remnants and the warriors.

In a number of visions and revelations, I have seen, here on earth, the children of God as bright light shining like stars and as newly created in their wonderful beautifully, bright and clean-the saints. Some are our families, relatives and friends. They look very much different than their carnal, natural looks.

## ***B. The forces of darkness.***

Few years earlier, the Lord gave me understandings of the forces of darkness saying in small voice ***“They have their legions i.e. hierarchies”*** and in another vision of the coming planet of the reptilians, in a small voice, the Lord said ***“They are the reason for your sickness,”*** i.e. from their attacks. All the current intensified evil we see around the world is a manifestation of the approaching forces of darkness from the heavens.

Many of us are given the gift of the holy spirit, one of them being ***discerning of spirits.*** We need to developed and use the gift to know which is good and which is evil or which is from the light and which is from the darkness for the enemy is very deceptive.

The more we suffer from the attacks of the enemy, the more the revelations we are given, the Lord doesn't leave us his children without understanding in darkness in confusion. There are those of us, who suffer knowing it is coming from the enemy. There are many who suffer and die without knowing the causes.

***Main characteristics.*** They forces of darkness are all corrupted-dark, evil and stinky-Light has left them, their power is almost gone, they are in the process of death and decay, they shifts forms, their job is nothing but attacks, they are relentless in their attack, they are wicked. Like their master they are thieves, liars, deceptive and killers.

### ***1. Heavenly(the lower heaven)***

***1.The prince of darkness***-the old serpent called the devil, the liar, the thief, the deceptive and the killer.

I have encountered in revelations, the devil himself as the old serpent falling from the sky and as he truly is more than once(remember the two horned devil in the clouds sticking his tongue up to the heavens and down to the earth-that is him). I have a face to face revelation of Lucifer the devil and I told him ***“Depart from me, He(The Lord) created you”*** as the devil knows he is a created being, he departed after the rebuke.

### ***2. The Powers and Principalities***

I have seen the dark, two horned devil clearly three or more times. One in New York, the second joining a meeting of people around the table, the third in Maryland, Hyattsville-Columbine street.

I have encountered the red eyed frightening entities. Once a very dark, frightening red eyed evil entity emerged from the ground under the root of a dried tree and said ***“Are you the one sending them down?”*** referring to the demons I cast out, down to hell through rebukes, prayers, songs and the sound of the trumpet.

In another revelation, many of them from the old ages came and said ***“we are the powers and the principalities. We are the ones holding you down so that you don't grow.”***

In many revelations, I have seen many strange entities in human form, their faces like the face of a person who have leprosy, wrinkled, corrupted and deformed.

***-The fallen angles***-I saw frightening dark, bat like two-winged fallen angels-20 in number descended from the heavens and landed on the women on earth.(2016?)

***-Hound dogs***-The fallen angels manifested as frightening hound dogs descending to earth from the heavens and the dogs, their kinds barking in our neighborhood.

### ***2. Earthly.***

***The demons and evil spirits***

Dark evil spirits-the demons in human form are the most common entities I see more frequently. Even though they walk the earth in single file, their number is greater than humans. A single person can be possessed and taken over by hundreds and thousands of demons. Remember how many evil spirits-legion the Lord drove out from the man in the caves- multitudes.

In the same night, a man of God, a preacher and myself saw countless numbers of dark demons equal or greater than the number of people in the neighborhood, outside their homes.

**-Human wicked evil spirits.** This is gray area where I sometimes have difficulty as to what they are, real demons or the wicked evil spirits of humans.

### **Lower forms**

-Humans as well as demons manifested as:-

**-Serpents**, different colors and size. Dark, gray, yellow, yellow-green, dark-dark red colored serpents. Serpents full of the open field. A huge, Payton-size serpent have been following me for at least seven years. At the end, I did what I have to do to kill him, yes I killed the big serpent striking him on the head. In another vision, a dark serpent entangled my two feet and knocked me down on my face but I sprung up straight fast.

**-Crocodiles**-I saw the fallen angels manifested as crocodiles and shortly transformed to human like beings. In another revelation I saw a person I know well transformed into the spirit of a Crocodile. Remember the testimony I gave, Iranian soldiers in the tunnel during the attacks on the US soil and the Crocodile on their left side with them in the tunnel.

In another revelation the same Crocodile-man led me to the dungeons of Crocodiles to expose me to an attack and a chase

**-Frogs**-Frogs, unclean spirits. I have given a testimony of a very beautiful lady possessed by a huge room size frog spirit, who later died at a young age.

**-Flies**-A swarms of flies were hovering and tormenting me throughout the night and the next day the Lord said "**They hate you.**" The name the Lord gave to the master of all evils is "**The lord of the flies of the dungeons**"

**-Chameleons**-Remember the testimony I gave about the chameleon who dried the branches(the vine and the branches parable).

**-lizards**, geckos, rats and bats-I see people I know manifested as lizards, geckos and rats in another revelation bats biting me with their sharp teeth.

**-Witches**- I have seen two witches in front and behind a very dark shining marble stele. I had a revelation of five witches, contorting with twisted legs and long nails like claws in my neighborhood.

I have seen a demonic spirit singing a Christmas choir as a member of one of the three singers. I have seen a very well known lady musician as a dark dog in her coffin after she died. In another vision I have seen the lead singer of a Christian concert as a frightening evil demon with red eyes.

**The contorting evil spirits**-The Lord revealed to me Gulum like frightening evil demon with evil spirits in many mentally compromised sick people.

### **-The Shape shifters.**

I know one person who sold her soul to the devil and lost the light the Lord gave her, shifts/changes form at least to more than six-seven forms, manifesting as a serpent, a chameleon, a rat, a gecko, a demon, an Allain, a witch, two in one hybrid(two people in one body), a wicked lady and of course as a

human being in the carnal world and in the spirits realm-a very dangerous attack weapon of the enemy and I am told "*she is their toy*"

At the end, I have given a testimony in this website about the change in spirit of those who have taken the jabs. Some are changed to light-dark and dark entities, some to manikin-human hybrid like entities and yet some to evil spirits transformed to lower animal forms and reptilians, one of them I know -transformed to the spirit of a Crocodile.

***Know your enemy and fight the good fight now, in a while it will be too late.***

***Repent, Repent, Repent!!!***

[\*Ephesians 6:12-20\(KJV\)\*](#)

*12. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.*

*13. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.*
