Introduction

This Newsletter has been delayed by more than two weeks because my phone and internet was down for more than two weeks. It really seemed bizarre because for the first two days of my outage the work orders were canceled without explanation. Then I was told it would be two weeks before they would assign a repair crew.

I actually thought some agency in the government had discovered my studies and was having me shut down. Well, I am back and I will keep blowing the whistle and warning those who are listening that Americas best days are coming to a close.

Jewish New Year is not the time

Today is the first full day of the beginning of the Jewish new year, on the Enoch Calendar. In my last Newsletter I expressed my opinion that I believed America would see the destruction of Mystery Babylon before this day. I was wrong, yet What God has revealed to me in the last week blew my socks off.

We are currently at the time of Rosha Shana and the feast of trumpet. We are also at the beginning of the ten days of AWE. It made so much sense to me that before this day, America would see its end and on this day we would witness the beginning of the Great Tribulation.

I have included studies from my last two Newsletters below, the insights in these studies are invaluable to understand how rapidly prophetic events are falling in place.

I believe what I am sharing in the three next topics below will make a strong case for catastrophic events coming to America in October and a strong case for the beginning of the Great Tribulation and the Mark of the Beast being rolled out around Thanksgiving of this year.

Don't change that dial, You must finish reading all of this important Newsletter.

God ordained Buddhist Encounter

What I am about to share with you blew my socks off.

Last week I took a trip to Costco, I had not shopped there for some time and I thought they opened at 9am. I was wrong and had to wait for the 10am opening.

I was sitting on a cement bench and I was sitting behind a man wearing a tee shirt with a picture of Buddha in the back. So I asked him if he believed in Buddha and he said yes he did. I then asked him a second question, do you believe in the Bible? Now this guy was not the talkative type but he did answer my question telling me that he used to believe in the Bible. This let me know that he used to be a Christian.

So to keep the conversation going I told him that I was a Bible Prophecy teacher and author. I told him that in my recent studies I have recently concluded that America would be attacked during this month of September. What he told me next was mind blowing. Since having this encounter I have concluded that God gave this man a vision for him to share with me last week.

This is what he told me, I had a vision last week and I saw America attacked in October. He then went on to tell me that he saw America surrounded by nuclear submarines ready to fire nuclear missiles into the cities of America and he said this is coming and no one sees it coming. WOW, I didn't say anything to him about subs and nukes.

I then told him about the same prophecies and visions that AA Allen, Henry Grover and Demetri Dudaman had saying the same thing but without a time frame. My conversation was ended with the opening of Cost Co.

After leaving with this food for thought, I thought maybe a deceiving spirit gave him a dream with the wrong timeframe but I knew I would have to wait as it could have been me that had the wrong time frame.

During this last week things I will share below came to me and I have concluded that he had it right, I believe God gave him this dream for me to share with you. And with what I will share below I am seeing the pieces of the puzzle coming together.

G-20 Meeting and the Mark of the Beast

It was about a week ago that the G-20 group of the strongest economic nations met in Europe. **What they discussed and agreed to roll out is so scary.** They have set the date and time of this Thanksgiving to roll out a number of components that spell out the beginning of the Great Tribulation and the Mark of the Beast.

They will be launching a new digital currency and digital ID program. They will be launching this world wide and it will include a new vaccine requirement that will restrict you from flying and other things unless you have taken this new vaccine.

Stop and think about this, in order for this to work it will require a digital implant that without it you will have no access to your money and without this you will not be able to buy food, Gas or anything like even paying you bills.

Also realize that if you accept this system of the coming global Government, You will be taking the mark of the beast. If you as a Christian do not buy into this system, then you will become an enemy of the state and you will need to be rounded up and sent to a reeducation center. If while you are at this concentration facility you may be given an opportunity to recant your faith in Jesus and take the implant that allows you to buy and sell. If they cannot re-educate you then they will kill you.

Do you want to be able to buy and sell and go to hell or are you willing to die for your faith in Jesus and go to heaven and live a heavenly life for eternity?

In conclusion realize that currently America is standing in the way of a one World government, The dollar is standing in the way of rolling out a global digital currency.

What does this mean? America must be destroyed before these events are rolled out this November. This is why the dream that this Buddha man had about America being attacked and destroyed in October makes so much sense.

What should this information mean to you? It means it is time for you to pray, repent and prepare for what is being rolled out.

The Shortening of Days

What I am about to share with you is a very important piece of the puzzle. About 5 or six years ago I did a study called the shortening of days, I had hoped I could find this study buried in a former newsletter to include in this newsletter.

This study was based on the scripture that says in my paraphrase. "Unless those days are shortened, no one would survive, for the sake of the elect, I will shorten those days." Those days being referred to are the days of the Great Tribulation.

In my previous study I was comparing the Rwanda massacre to the killing of Christians during the Great Tribulation. This Rwanda massacre was from two different ethnic groups in Rwanda, where the stronger group wanted to wipe out the weaker group.

When this mass killing started it was slow in numbers are first but as time went on it became a killing frenzy of unbelievable proportion. This will be similar to the killing of Christians during the Great Tribulation.

In both the Book of Daniel and the Book of Revelation it speaks of the anti-christ making war against saints for 42 months or 3.5 years. This is the period of the great tribulation. This period is over at the rapture and then the Wrath of God begins.

The Bible says we as Christians are not accounted for wrath. Yet many Christians believe we will be here during the wrath of God. This mistake usually comes from the verse in Matthew 24, where Jesus said, After the tribulation of those days we will see the Son of Man coming in the clouds. The mistake comes from thinking that the tribulation period is 7 years long. No, the 7 years is two periods of time, the first part is tribulation and the second half is Gods Wrath.

I did a Greek word study on the Words tribulation and the words for wrath and this study proves that the tribulation period ends at Revelation 7:9 when the saints show up at Gods Throne at the time of the rapture. The Greek word for tribulation is never used again after the saints show up at the throne in Revelation 7:9.

I am sorry for chasing this rabbit but back to the shortening of days. What we are talking about is reducing the months of the tribulation to less then 42 months.

If you agree that it makes since that the mid week rapture will happen in the fall around the feast of trumpets. We wont know the day or the hour. If this time frame makes since, then the shortening of days has to happen on the front end of the 42 months.

If we can now see the tribulation starting around this thanksgiving and we end up with less than 42 months then we will be looking at the rapture happening in around 3 years from this years Feast of Trumpets and what this means is that 6 of the 42 months has already be shortened. Then with around Thanksgiving being around the beginning of the Great Tribulation, then we have two more months that will be shortened from the 42 months, making the great Tribulation around 34 months long.

Now, think about the study verse saying, " Unless those days are shortened no one would survive," and look at what happens in heaven in Revelation 7:9 the number

that the elder said just came up from the Great Tribulation was so large, must have been millions or more that could not be counted the number was so large.

In conclusion, it is the component of the shortening of days that has thrown off a lot of Bible teachers who would have thought as I did that the Great Tribulation should have started this week at the beginning of the new Jewish year.

These next two dated studies are from studies I included in my last two previous newsletters. These must really be studied with this current newsletter so you can see how all the pieces of the puzzle are fitting together.

June 25, 2023 Summary

Why America and the world is currently in a clear and present danger of Nuclear war.

The answer to this question is being answered on almost every page of this newsletter.

I will be covering a lot of ground in this very important newsletter. I am including two studies from my last newsletter because they are so important to be included in new information in this newsletter. In fact what may be the most important revelation I have ever received from God is in the mix of my introduction studies. So you know what study this is, it is about the destruction of America.

I have a number of mini topics I will cover now before I get into the larger studies.

1, My thoughts on timing for beginning of Great Tribulation. First I will say I have thought for a long time that the Great Tribulation should have already started. All of us who thought this back in 2015 were all wrong. In Sept of 2022 we completed a seven year shemith cycle. Some teachers thought the rapture was to happen in September of 2022. In reality on that date we entered the 50th year called the Year of Jubilee, This year of Jubilee we are currently in will end around

the end of September of 2023. My thought on the timing of the great Tribulation can happen any time from now to the end of September. Don't hold me to this as No man knows the day or the hour.

2. Why the elites want Pres Trump in Jail or dead? Many think is is so he can not ren for President in 2024. In my last newsletter I cover why I see former Pres Obama as the coming antichrist, I show a pathway for Obama to become the leader of the North American region after America is destroyed, {Mystery Babylon} This making Obama one of the 10 heads of the Beast Government of the Book of Revelation. The reason Trump must be taken out is so he is not an option to be the leader of the North America region of the coming global government. This leadership position is being saved for Obama so he is one of the 10 candidates to become the anti-christ.

3. The Wagner uprising. This event just started unfolding two days ago. Russia has a large hired mercenary army called the Wagner group. This small army with in Russia's military has been at odds with Russia's military leaders for some time and something provoked the Wagner group to take a force of 25,000 to march toward Moscow to over throw the present government. This could very rapidly grow into a nuclear nightmare. Fortunately, a level headed Russian leader negotiated a peaceful solution. NATO was on the verge of taking advantage of this attempted coup. and was talking of doing a nuclear first strike against Russia.

I have a large news report on this incident, Even though it is already dated, I have included in my War analysis section so you can see how explosive things are in Russia and Nato and any incident over there will explode on Americas front door.

4. Ukraine, NATO and the USA are all trying to provoke Russia into firing the first shot of a Nuclear War. Russia has not taken the bait so far. I have included a number of different source stories backing up this claim, Zelinski has been storing much ammo in this important Nuclear Power Plant and NATO and USA leaders have said if this NNP is attacked and it emits radiation , they will declare article 5 and all of Nato and the USA will be obligated to attack Russia. NATO has expressed their goal to defeat Russia and split Russia into more then 30 separate countries that can be controlled by the coming World Government. This will never happen as the Bible clearly teaches that Russia has an important Role to play in the last days.

America will be destroyed and it will happen soon

A couple of weeks ago, God showed me something so incredible but most will not believe it even if I am able to explain it. What God showed me was that America must be destroyed before the One World Government can be formed.

If there is any chance for you to see the truth of what I am going to show you, you must be willing to lay aside all you have already thought and been taught was true on this topic. I will lay out all the pieces and the truth may not hit you until you can see all the pieces laying before you.

To begin you must believe America is Mystery Babylon. This truth came to me many years ago and I wasn't hearing others agree until I read that Dvid Wilkerson also believed this.

If you follow other Bible teachers you will hear a number of different opinions. The most recent one I recently read says that Saudia Arabia Is currently building a great city that will be Mystery Babylon. There are many problems with this, The biggest is that it would take decades for this new city to become the world center of commerce . Also read the description of Mystery Babylon. It says they kill the saints. Christians are not allowed to live in any numbers in this country.

America is the only super power today that did not exist when the Bible was written. Today the tide is turning against Christians and the Bible in every segment of our society. The day is soon coming in America when to be a Christian will come with a death sentence.

The elites of the world are currently pushing for a global currency and a one world government. God told me over 10 years ago that the current president then Obama would sell out America to join the One World Govt. At that time I saw him as a strong candidate to be the anti-christ. More and more teachers are seeing this now.

Recently our Pres. Biden said we need a Global One World Govt and America needs to be the head of this government.

This is where it gets interesting . Our American leaders are depleting our military's ability to defend America, I have always said that America stands in

the way of forming a World Govt. and America must be taken out of the way. The weakening of America is bringing us in that direction.

I see Obama as the coming anti-christ. If you read my book you will have seen that the coming anti-christ has to be one of the 10 regional leaders, Revelation says one of the heads is fatally wounded, not a real head but one of 10 heads of states. This means Obama must end up being the head of the north American region. How could this happen without him being the president, I will show one way I see this being possible

There has been a real problem in my thinking on how you get all the nations of the World to join this new government. If American leadership is in charge, there is no way that some regions will join, especially Russia and China, So how can this truth from the Bible that every nation will join be pulled off?

It came to me two weeks ago. Some funny back stage things are happening between China and Macron, the Pres of France. China is heading up a peace proposal. I believe Macron is cutting a deal to be the leader over the 10 region global government. Some are saying Macron will be the anti-christ. No, Macron will be leader over the 10 but when the real antichrist is brought back from the dead, from one of the 10, Macron, or whoever is the first leader of the 10 regional leaders will step aside.

Now back To the revelation from about two weeks ago . While China is saying they will present a peace proposal, Russia came out with an absolute condition for them to accept the peace deal in Ukraine. The brokered peace must include the forming of a One World government but this one world government must not be headed up by America, This is where the Pres of France comes in, or some other first leader of the 10 regions.

Now we have a real problem, OBiden will not accept terms where America is not the leader of the new Global World Govt, Do you see where this is taking us??? As I said earlier, America is standing in the way of forming a Global One World govt, In order to fix this problem, America must be destroyed before the global government can be formed,

If you understand America is Mystery Babylon, then what does the Bible say? Mystery Babylon will be destroyed in one hour.

Now there is another paradox that must be figured out. The Bible says that three of the 10 regions will drop out. I see Russia and China both dropping out because they both have separate parts to play leading up to the Battle of Armageddon during the Great Tribulation. So why after Russia getting their way that America will not lead the new world order does Russia and China both drop out?

Here is my solution. When America, Mystery Babylon is destroyed in one hour, Most American leaders will be killed in this destruction and somehow Obama will be given the leadership of the North American region. This is OK with Russia and China because Obama is only one of the 10 regional leaders, But when one of the heads is fatally wounded as the Bible says and when this one of the 10 heads turns out to be Obama, then Obama the former president of America has now become the anti-christ and is now the leader of the One World Government.

As I said in the beginning of this portion of my newsletter, America will be destroyed soon. Why soon? Tensions are building up for a global nuclear war, to save the world from destruction America will be sacrificed.. This must happen soon because if not soon we will see Europe destroyed with the USA in a nuclear war, but we know from the Bible that Europe is the center of the coming world government and this move to head off a full blown nuclear war must be soon.

What does the destruction of mystery Babylon mean? It means the head of America will be cut off, Washington DC, Wall Street and New York City. And key cities across America. It means America will see the invasions of foreign armies.

Can we prepare for this? I believe we can, There will be great loss of life and Christians who die will go to heaven, We must be spiritually ready. But God will protect many who God will use in the coming great revival. Are you willing to be used for this?

Below in the prophet section it speaks of God setting up safe sanctuaries. This will happen if you will allow God to use you in setting up places that have food and supplies to meet the needs of those in need of Christ and other needs,

Are you stepping up to the plate to be used of God during this time of tribulation?

America destroyed before the Tribulation begins

I am sending you at least two links, the first one from Hal Turner , predicts WW3 will begin in June. I believe he is wrong on important point, It will not be WW3 it will be the destruction of Mystery Babylon, America. I do not agree with June but I see anytime soon. **This is not the war of the 6th seal and I will prove this later. This is the judgment of America and our allies will stand down and just watch America burn,** Read Rev, the merchants of world watch Mystery Babylon burn,

A link for you to watch is from Henery Grover, a highly respected prophet, this 6 min video show his dream of the nuking of America. He saw both the west and east coast cities nuked.

<https://www.pinterest.com/pin/450852612668579041/>

There were many respected prophets who have seen similar visions,

Dimitru Duduman had simiar dreams that included west coast cities being nuked,

AA Allen saw missiles coming out of the gulf of Mexico hitting several cities in America,

Kenneth Hagin senior saw cities bombed out with Women and children walking out.

Now I will tell you why I see this happening before the 6th seal.

When the 6th seal is triggered, it will be triggered by great earthquakes around the world, I believe this will include the mega quakes of the west coast. The book of Revelation says the 6th seal will include meteor events with tidal waves, Prophets have seen tidal waves destroying cites on the east coast, and earthquakes destroying cities on the west coast.

Think about what I am saying next. If the events of the 6th seal destroys the cities on the west and east coasts, why would Russia and our enemies need to nuke these destroyed cities ??? I believe some of the west coast cities will be destroyed by earthuakes and some even sinking into the ocean, at the opening

of the 6th seal, after the 6th seal events there would be no need to nuke these cities, What does this mean?? The nuking of the east and west coast cities happens before the opening of the 6th seal.

I am hearing God warnings all of us to prepare for very hard times, The rapture will not save us from what is coming, the destruction of America not being WW3 is no different then what is happening in Ukraine right now, There are thousands of Christians seeing horrible times in Ukraine and they did not get raptured out of that mess.

Are you and your friends prepared for this ??

What important things should we have?

Potassium Iodine, to protect from radiation poison

Water filtration system, like a burkey stand alone, good cheaper ones are out there

Propane stove and fuel for cooking,

A generator to power up your fridge and LIGHTS , A RIDGE OR FREEZER ONLY NEEDS 2 OR 3 HOURSS OF RUN TIME A DAY TO KEEP THINGS COOL OR FROZE, run generator one hour to a time

FUEL FOR GENERATOR, Jerry jugs to store.

Having enough food is a given, but just food without items listed above is not enough.

Greatest Mystery Revealed

You may not agree with me yet on what I am about to share but I believe the greatest mystery in 2000 years that has been hidden in the Bible from most is about to be revealed. What am I talking about? I am talking about the sealing of the 144,000.

I started studying this topic back when I wrote my first book over 10 years ago. It was a mystery to me at that time as to what their purpose was. The Bible shows they are on earth during the wrath of God and it shows they are sealed before the beginning of the great Tribulation.

I know some are already asking, where is this in the Bible? In the 5th trumpet of Gods wrath it says the scorpion locusts cannot harm them. Then when you read Revelation 7:1-3 it shows the timing of the sealing of the 144,000 just before the opening off the 6th seal.

If you study Matthew 24 you can see that the opening of the 6th seal is the beginning of Sorrows or the beginning of the Great Tribulation.

The sealing and the revealing of the 144,000 is the most under taught end times topic in the Bible.

Think about this, we are talking about 144,000 according to Revelation 7:1-3 servants of God called in Revelation Chap 14 as the 1st fruits of the resurrection.

Most don't get it, The first fruits of the resurrection means they have been given their resurrection bodies and they are on the earth during the last 7 years.

I remember writing in my book asking the question, "What are they doing during this time?" are they just sitting around watching Christians suffer during the Great Tribulation?

You may not believe what I am about to say but I have since learned that during the Great Tribulation God is going to use this group as the tip of the spear to lead the charge for the greatest revival the world has ever seen.

As I was saying, this event has been a hidden mystery that will not be recognized until it happens. This is very similar to the mystery of the resurrection of Jesus. Jesus taught His disciples that He would die and come back to life on the third day. This event of the resurrection of Jesus is written very plainly in the Old Testament. Yet When Jesus died, the disciples thought it was over and they went back to their fishing.

I have taken much criticism for teaching on this topic, I have lost financial support for teaching on this topic but it is so plainly taught in Gods Word and If you just study Matthew 24 and Revelation chapter 7:1-3 you can see that this event happens just before the beginning of the great Tribulation. If This is true and I know it is true, then this great Mystery is the next big prophetic event that is about to happen.

When will it happen you ask? I believe we are so close to the beginning of the Great Tribulation, and the sealing that comes first, means it could happen at any time. But it could be a few months away, In closing on this topic I will say that when it does happen and tens of thousands of Christians are transformed , into heavenly bodies it will look like some sort of rapture has just taken place.

August 06, 2023 Summary

Shemitah Cycles and the Year of Jubilee

Some of my thoughts on Shemitah cycles was shared in my last news letter but with the prophetic vision I will share below, I am seeing things more clearly and will be expanding on this topic below,

My thoughts on timing for beginning of Great Tribulation. First I will say I have thought for a long time that the Great Tribulation should have already started. All of us who thought this back in 2015 were all wrong. In Sept of 2022 we completed a seven year shemith cycle. Some teachers thought the rapture was to happen in September of 2022. In reality on that date we entered the 50th year called the Year of Jubilee, This year of Jubilee we are currently in will end around the 15th of September of 2023 at the time of Feast of Trumpets.. My thought on the timing of the Great Tribulation can happen any time from now to the end of September. Don't hold me to this, as No man knows the day or the hour.

I truly believe we are currently finishing up the year of Jubilee, the 50th year at the end of seven Shemitah Cycles. In 2015 many known teachers were saying that the rapture would occur during Feast of Trumpets in 2015, I remember Mark Biltz saying before September of 2015 that if the rapture did not happen during Feast of Trumpets of 2015 we would have to wait seven more years. I did not want to wait 7 more years but those 7 years ended in September of 2022. Again teachers were saying the rapture would occur last September. They were wrong again.

I have no doubt that another error was to not take into account the 50th year at started last September and ends September 15th next month. If the Rapture was to be a pretrib rapture as many believe, then it would be this next month in September that this would take place, I personally believe the main Rapture will occur around the middle of Daniels 70th week

Now I will be sharing why I am almost totally convinced that the Great Tribulation is about to begin at around the time of the end of the current year of Jubilee that ends around the 15th of this September.

As you read my War analysis and the current news on the build up to a great war and the destruction of Mystery Babylon, America. I cannot see anyway of pushing Gods End time events into a future time frame past this September.

Jeanettes Dream in 2018

In 2018 a prophet lady I did not know had a vision and she had it posted on Jeff Barleys site, I knew Jeff and his site and he call me on the phone and told me you better be seated, A prophetess named Jeanette has just posted a vision God gave her and you was in this vision and God actually gave her your name, Jeanette at that time had never heard of John Shorey. In the posting of this vision she said I need to find out who John Shorey is and what is the connection to September.

We made contact with each other and we have stayed in touch over these years maybe once or twice a year and each year we would ask if the content of her vision was for this coming year,

Over these years I have followed her prophetic words and she has been spot on accurate, So now I am sure you want to know what was in her vision.

In this vision I was in a building with another preacher whos name I do not remember and as we looked out the window we could see a foreign invading force making war against America on American soil. And in the vision we knew that this took place in September. Each year we have not seen the signs line up that war and the invading of America could take place that is until this year.

I called up Jeanette yesterday and asked her if she thought this was the year and coming September that this vision would be fulfilled? She did not want to be committed but agreed that this could be the year. Then she shared something that

was a bit spooky. She told me that her daughter was to take a long trip away from home and she called her and told her that she needs to finish her trip before September. Her daughter replied, God has already told me the same thing

In light of the war drums beating, and along with the shemitah cycles and the current year of Jubilee it appears to me that all the pieces of the puzzle are coming together.

Now realize that none of this will pin point the day or the hour of these events but it is shouting loud and clear to get right with God, to get your house in order and prepare for hard times.

Now some closing thoughts on the timing of coming events, In my last newsletter I share why I am convinced that the destruction of Mystery Babylon, America will happen before the opening of the 6th seal, Based on the end of the Year of Jubilee ending around the middle of September this would mean that the destruction of America comes before the middle of September. Now factor in Jeanettes dream of an invading ARMY boots on the ground in September, this invasion would have to come after the destruction of America with nukes.

The invaders would not want to be in America while the nukes are hitting our cities and spreading nuclear fallout all over the place, I think and this is just my thinking. But David Wilkerson said that when America is weak our enemies will invade us. Think about this , if the invaders wait 2 to 4 weeks to invade before that actual invasion this time would serve two purposes. One the fallout can have time to cool off and second, during this time, with grid down and no food to be bought in stores, starvation and famine would be out of control and the people of America would be putty in the hands of invading forces.

Then add into this the fact that our president has been sending most of our arms and ammunition to Ukraine we will be weak to defend ourselves. It is already being said that America has given so much of our arms away that we could only defend ourselves for 2 or 3 weeks.

In my final closing thought, the sad truth in spite of all the evidence presented in my recent newsletters, most of those reading this will not believe these words and warnings until it happens. When it happens it will be too late to prepare.

Financial Needs and Health Update

My Ministry is faith based. I am trusting God to meet my needs. God uses people most of the time, rarely does God use ravens and fish.

Due to my internet being down for over two weeks, I was delayed in getting out a timely newsletter. Yet this delay allowed me to receive very important intel that I am sharing in this newsletter

This delay has contributed to my finances to fall behind. I know for many; these are tough financial times. If you are not able to give, then please pray for me and my finances.

I want to give a special thanks to those who have continued to support my ministry, I am trusting God He will lay needs on some hearts.

Health wise, I am hanging in there and God has been sustaining me day by day. If you are able to continue to support my ministry, I thank you and pray God will richly Bless you and your family.

War Analysis Update

My war analysis is mixed into most every section of this newsletter. I will share a few thoughts here and then share evidence that the destruction of America is just around the corner.

As I have shared in recent Newsletters, I have thought America was to be attacked sooner than this date. This newsletter includes info that gives the greatest clarity to the time frame of the destruction of America, Mystery Babylon.

As I have shared in my writing's, America stands in the way of the forming of a Global One World Government. Most Americans and even most Christians do not see what I see, but some of our current leaders in Washington are doing all they can to prod our enemies into attacking and destroying America. A former high level American leader aspires to be the top leader of this coming One World Government and America must be taken out.

If you will study all the studies I have included in this newsletter you will understand His game plan to bring this all to pass.

Below, I will include info from some of the news clips I have read recently, that supports how close we really are to Americas destruction.

North Korea Last week pledged their full support to stand with Russia to defeat Ukraine and defeat NATO if necessary. The United States is part of NATO.

Last week North Korea bledged to send between 3 to 500,000 troops to help Russia, These troops are already arriving in Russia.

NATO has already placed 300,000 NATO troops on the Russia Boarder. NATO just announced that with the help of all the European NATO members They can muster a trained army of 3.5 million as needed.

Two NATO countries have already supplied Ukraine with long range missiles that can reach Moscow. Ukraine has been given and tested missiles that are capable of defeating Russia's S-300 and S-400 missiles defense systems. About a week ago Ukraine used these advanced NATO Missiles to take our a Russian sub valued at

300 million dollars along with a troop carrier ship. These same advanced missiles are now capable of defeating Russia's defense systems that protect the Kremlin. It is only a matter of time before Russia attacks the nations that are supplying these arms to Ukraine. I just read that the United states has supplied Ukraine with 400 Billion dollars' worth of Arms for Ukraine to defeat Russia.

Like it or not, the destruction of Mystery Babylon, (The USA) in one hour is in the Bible. **Have you taken prepping seriously?**

Important Prepper Advise

If you have to survive three years of great tribulation could you do it? I hear this comment all the time. I am not afraid to die. How do you want to die? Starvation is a horrible way to go. If you don't care for yourself, What about your kids or grand kids?

When the nukes hit America the grid is coming down. Do you have a generator to keep your fridge and freezer working long enough so your food does not spoil?

Do you have some sort of heat source, so your don't freeze to death in Winter? Do you have cold weather sleeping bags, a tent and camping supplies in case you have to flee to a safer place? Do you have what is needed to cook your food when the grid is down or when you have moved into the woods?

In WW@ a small group of Jews escaped Warsaw Poland and camped and survived in the woods for years. By the end of WW2 this group had grown to 1000 strong.

Russian Foreign Minister: "U.S. is waging war on Russia"

WORLD HAL TURNER 19 SEPTEMBER 2023

Washington's massive campaign to support Ukraine with arms amounts to a war against Russia, Foreign Minister Sergey Lavrov said, adding that the US has long groomed Kiev for this very purpose.

In a comment to Russian reporter Pavel Zarubin released on Sunday, Lavrov suggested that rumors about Washington possibly giving the green light to the delivery of Army Tactical Missile Systems (ATACMS), which have a range of up to 300km, were aimed at *"shaping public opinion."*

According to the minister, these deliberations would not change the fact that *"for many years Ukraine has been groomed to fight with its hands and bodies in order to inflict a strategic defeat on Russia."* **Lavrov accused the US of controlling the hostilities between Kiev and Moscow."**

In recent weeks, several Western media outlets have reported that the administration of US President Joe Biden is edging closer to approving deliveries of the ATACMS, which Kiev has been requesting for several months. The US has been reluctant to approve sending these missile systems, arguing that potential Ukrainian strikes deep into Russia could trigger a major escalation in the conflict.

Ukraine has already received long-range missiles from the UK and France, which, according to local officials, have been used to attack civilian targets and infrastructure in Russia's Crimean Peninsula and Donbass.

While the US has yet to grant Kiev's request for ATACMS, it has committed more than \$43 billion in military aid to Ukraine since the conflict began, including air defense systems, armored personnel carriers, and M1 Abrams tanks.

Moscow has repeatedly warned the West against supplying Ukraine with arms, saying that doing so will only prolong the conflict but will not change its ultimate outcome.

HAL TURNER EDITORIAL OPINION

I was reluctant to report these remarks by the Russian Foreign Minister for a simple reason: If the Russian Foreign Minister is now publicly accusing the U.S. of "controlling the hostilities between Kiev and Moscow" and also publicly saying the U.S. efforts for Ukraine amount to "the U.S. waging war upon Russia" then the only logical conclusion that __I__ can come to over such remarks is that at some point, **Russia is going to strike the U.S.**

Now, the mental weaklings of our society respond that such a thing is "impossible." In their little minds, the United States is so powerful that Russia "wouldn't dare." In __my__ view, those people are wrong.

The reason they are wrong is because Russia sees the ongoing Ukraine conflict (with full material support from the west) as "an existential threat." They're correct in such an assessment. Want proof?

Back in April, I reported to you that Europe had revealed a map showing its plans to break Russia up into 43 separate countries (Story [HERE](#)).

Here is Gunther Fehlinger, Head of the Austrian Non-Governmental Organization (NGO) connected to the United Nations, showing the West's map of a world without Russia:

The revelation of this map is literal PROOF that it is the actual intention of the West to do-away with Russia. By even manufacturing such a map, the West has shown its intent. Russia now faces an ACTUAL existential threat. Their very existence is at stake.

Think about the time and effort that was necessary to research the populations and ethnicities in each of these areas, where they are, and how to draw actual lines along the geography of the demographics, to create this vision of new, autonomous, countries. The research and planning alone had to take . . . **YEARS.**

So the mental weaklings who say "Russia wouldn't dare" have their heads up their ass. Russia may decide it has no choice.

Thus, the remarks by Russia's Foreign Minister Lavrov over this weekend, are "building a case" for a massive Russian strike at the U.S. Lavrov's public remarks are "building a record" for posterity.

Step-by-step the U.S. has escalated the Russia-Ukraine fight. Step-by-step the U.S. and its NATO vassals continue to escalate. Well, while the West is doing its thing, Russia is systematically building an open, public, historical record of what is actually taking place.

When a man like Sergei Lavrov utters the words he spoke over the weekend, it is as serious as a heart attack.

I will preface my further remarks by admitting I very much admire Foreign Minister Lavrov. In my view, he is the single most competent, most skilled, Foreign Minister on the entire planet. He says what he means, and more importantly, he means what he says.

You never once hear the Russian Foreign Ministry "walking-back" anything Lavrov says. You never once hear the Russian government having to "clarify" what Lavrov said.

That Lavrov has now said the US is "controlling the conflict between Moscow and Kiev" lays actual involvement and responsibility for war on the US lap.

Closer and closer we seem to be coming to the moment when Russia strikes.

None of us will ever be able to say We weren't warned.

UPDATED 1:00 PM EDT – NORTH KOREA TO SEND 300,000-500,000 TROOPS TO ASSIST RUSSIA

WORLD HAL TURNER 15 SEPTEMBER 2023

This is FLASH Traffic. North Korea has agreed to send three-hundred-thousand (300,000) to five-hundred thousand (500,000) troops to Russia to assist with its Special Military Operation in Ukraine, against NATO.

The first deployment will be about 20,000 soldiers to assist with Logistics.

North Korea will also deliver to Russia, the new KN-09 Multiple Launch Rocket System.

Intelligence assessment of these new rocket launchers is as follows:

Judging by the published photos, the military received MLRS, known under the Western designation KN-09 or KN-SS-X-9. Its caliber is 300 mm.

The first version, which has eight missile tubes, was shown in 2015 at the parade in honor of the 70th anniversary of the Workers' Party of Korea.

It is believed that missiles with a warhead weighing up to 190 kg are capable of hitting targets at a distance of at least **220 km**.

Guidance is inertial, in preparation for use, the calculation uses data from navigation satellites, which provides a fairly accurate hit.

In 2020, an upgraded version was introduced, in which the three-axle all-terrain vehicle was replaced with a four-axle platform with **twelve tubes**, **which is the version shown in the image above.**

Ukraine Scores Big Hits; Destroys Russian Submarine and Landing Ship

WORLD HAL TURNER 13 SEPTEMBER 2023

Ukraine has successfully attacked the Russian port of Sevastopol on Crimea, and destroyed the Russian Submarine "Rostov-on-Don" and the Landing Ship "Minsk" (pictured above). Both vessels were in dry dock for repairs.

We learned about the consequences of Ukraine's attack on the Sevmorzavod (dry dock/shipyard) in Sevastopol last night. Sources in the Black Sea Fleet, in the General Staff and in the Sevastopol government told us the following:

As a result of the missile strike, 11 people were killed - factory workers and military. 31 people, according to the latest data, were injured.

The Ukraine missiles completely destroyed two vessels – **the large landing ship Minsk and the submarine Rostov-on-Don**. Both vessels were in for repair but are now not salvageable. In addition, two more vessels were damaged at the Sevmorzavod Ship Yard, and it may be possible to restore them. Authorities refused to say the names of these ships, "so that the enemy would not receive valuable information about the result of his attack."

According to updated data, eight Ukrainian missiles and two naval drones were fired at Sevastopol. The drones were destroyed, and **only two of the missiles were shot down**, so the damage from the impacts is serious. Sevastopol Governor Mikhail Razvozhaev has already demanded to strengthen the city's air defense.

During the missile strike last night, panic began in Sevastopol. The police received information that saboteurs were operating in the city, and sent several patrols to search for them. One of them mistook an armed military patrol for saboteurs and opened fire on his own. As a result of the shootout, four people were killed - three soldiers and one policeman.

The Submarine B-237 "Rostov-on-Don", passed tests and entered the Russian Navy fleet in 2014. It cost about \$300 million and was a Kalibr missile carrier.

FLASH: U.S. Moving Combat Jets to Romania - "in addition to others committed to NATO"

WORLD HAL TURNER 09 SEPTEMBER 2023

The United States is moving Combat Aircraft to Romania -- but not for NATO. What does THAT translate to, in your mind? US v. Russia directly? Word of this came from US Ambassador to Romania, Kathleen Kavalec.

"The United States plans to station combat aircraft in Romania in addition to those performing NATO air policing duties" said the Ambassador. Notice she said "Combat" aircraft. Not refueling tankers or cargo planes no she explicitly said combat aircraft.

Did all of us somehow miss a vote in Congress about some minor little detail like direct US war against Russia?

Words from the Prophets

URGENT WARNING: Top off Preps! Something Big is Coming // Come out of Babylon //Underground

AUGUST 22, 2023 1:19 PM

ELIZABETH MARIE

LATTERRAIN333.WIXSITE.COM/LIFELINE/

On August 18th and 20th I received some urgent words from the LORD. During both those times, I felt such a somber, and sobering spirit upon me, as the HOLY SPIRIT drew me to HIM to receive these messages. PLEASE seek the LORD for further understand, confirmation, or revelation.

On the 18th of August, in the middle of the day, the HOLY SPIRIT came upon me, and I was given a warning to get myself prepared....and to *'top off any preps.'* It was a personal message, however, there was a section that I feel that I should share:

*"Something **BIG** is coming your way....*

Not personally, but generally.

It is not what you expect....it is something different!

Get any, and all preps ready,

For soon it will be too late...

Do not hold back...

Do not hesitate!

I will take of MY own....but you still need to prepare!"

In my spirit, I felt that the timeframe was between September and the first of next year. I believe this could include supply chain issues.

I am given these warnings, so that we can pray for the LORD's mercies, and for HIS help in our time of need. ([Hebrews 4:16](#))

I also like to pray for the LORD's PERFECT WILL to be done....and if possible, that any further judgments be delayed, or minimized, so more people can become saved!

THEN, the next day, while preparing to do a Youtube video, the LORD had me completely change what I was to record, and instead gave me a completely different message.

First, in my spirit, kept hearing over and over again:

'UNDERGROUND'

So I asked the LORD what does *'going underground'* look like? I immediately heard this:

'It is being wise as a serpent, but gentle as a dove!'

That was a surprising answer for me!

Then I started hearing instructions, which turned into a message:

INSTRUCTIONS:

"Use your social media carefully....do not become entangled in.

Separate yourself as much as possible!

Make it hard to be tracked by the wicked one.

Seek the LORD for personal instructions, for it will look different for each person.

Pray against any traps, and snares that have been laid against HIS people."

Then the LORD reminded me of a dream that I had a few weeks ago:

I was living in a townhouse, high above the street. When I walked outside, there were front steps that went way down...in other words, I was living on a large hill.

As I looked out at my long, sloped, front yard, I was startled to find out that it was covered with wires, that were tangled up and scattered all over the lawn. I knew that they were cable wires, telephone wire, electrical wires, fiber optic wires, etc. They were so intrusive, that I couldn't even go down my front steps, so I decided to escape by going back into my townhouse.

END OF DREAM

INTERPRETATION:

Upon awakening, the LORD showed me that the townhouse, on top of the hill, represented a type of 'UPPER ROOM,' for the saints of GOD. It was a holy place,

sanctified, and consecrated for the LORD. This represents the remnant, as they gather together.

Outside the house, is all the entanglements of the world, with all the AI, 5G, phones, media, electronic devices, tv's, etc.

The LORD is calling HIS own to COME OUT OF BABYLON, and become a HOLY, and pure BRIDE.....free from the snares, and traps of the enemy. This calls for wisdom, and discernment from the HOLY SPIRIT!

BACK TO MESSAGE:

"Pray for supernatural, and miraculous occurrences to come at the most unexpectant times, and places!

Learn to be more self-sufficient in the world....but more dependent on the LORD in the SPIRIT!

PRAY for divine appointments to come forth, and for doors of HIS perfect will be opened!

Know what time it is....know what season your are in.....so you will not be surprised as what is coming! ([Psalms 112:7](#))

Stay steady, and firmly on the ROCK....even as the WHIRLWINDS comes....do not let them toss you to and fro!

MESSAGE:

"Though wickedness increases, MY SPIRIT will rise up, and fall on many!

As the apostasy continues in the lukewarm churches, I am raising up MY REMNANT, which will be increasing, and growing."

Then the LORD reminded me of the parable of those who were invited to SUPPER, but were too busy to attend....therefore, the invitations then when out to the highways to invite the unworthy, humble, and lowly at heart!

Then I heard:

"The unworthy, humble, and lowly at heart will be MY true guests at the Supper of the LAMB. The down-trodden, the poor, the weak, and the lame.....I call for them to come and become the SHEEP of MY PASTURE!

ALL ARE WELCOME, though few respond! For I have come for all the world....for MY LOVE has no boundary or limit!

For those who respond, and CRY OUT to ME, from their hearts, I will hear, and will direct your path, and embrace your soul, through MY HOLY SPIRIT!

NEVER will you have to be alone again....for if you are willing, I am there with you in all things!

BE READY for what is coming!

Put on your full armor!

WATCH!

LOOK UP & WATCH!"

Take Refuge from the Coming Judgment:

"Come, my people, enter your chambers, And shut your doors behind you; Hide yourself, as it were, for a little moment, Until the indignation is past. For behold, the Lord comes out of His place To punish the inhabitants of the earth for their iniquity; The earth will also disclose her blood, And will no more cover her slain." Isaiah 26:20-21

The Time for Preparation Was Over

SEPTEMBER 6, 2023 7:25 AM

RICH FYKE

ETERNAL LIFE MINISTRIES

I had this dream on July 17, 2023.

"Laying up in store for themselves a good foundation against the time to come, that they may lay hold on eternal life" (1 Timothy 6:19).

The Time for Preparation Was Over

I had a dream on July 17, 2023. Rarely do I share dreams, but this one I will share. In the dream, I was in this city. It was a big city. All of the sudden, things changed and everything went into total chaos. It looked like a movie. Buses started crashing and were trying to run people over. There was traffic that was trying to run people over. You could hear helicopters flying very low — so low that it stunned everyone.

We knew things had changed. We began running to hide and we knew that life would never be the same again. I remember thinking, did we prepare for this time? Did we take the time to prepare, because now the time was upon us?

A group of people were clamoring together, trying to figure out what was happening. They were giving different scenarios about what was going on. I stepped in the middle and stopped all the commotion, and told them maybe this was the beginning of the new world order, as if to say it was the beginning of the new world order.

I had a little child with me that I was protecting, and we were beginning to hide. We were going underground. I awoke. Time was now up and there was no more opportunity to plan or prepare in advance.

The time for preparation was over. Whatever preparation — physical, spiritual, that had been done previously — was now all that could be done, because we were now in the beginnings of the world never being the same again. The new world order — the beast system — had come. The time of trouble — the time of great tribulation — had come. All the warnings of hard times, suffering, and trouble had now come to the full. We were now in this time and preparations for it were over.

The people clamoring together in the group were clueless as to what was going on. They had their theories, but they didn't know what was happening. They weren't expecting anything to happen. I was able to tell them in the dream what was happening — that what we have been warning about and preparing for has finally come. The beast system that The Bible speaks of had finally come. They never expected that they would see tribulation, but it had now begun. They thought they would be taken out before hard times came, but they were lied to by false teachers and false prophets.

The time for warning — the time for preparation was over! There was now no more time to prepare! So, prepare today, Children of God. Seek the face of The Lord like you have never sought Him before.

Jesus said, "I must work the works of him that sent me, while it is day: the night cometh, when no man can work" (John 9: 4). We should work while the daytime is still here because the nighttime is coming when you will no longer be able to work. You will be left with what you did up until that time. The time to get our house in order is now. We should be strong in The Lord and in the power of His might, putting upon us the whole armor of God, and having done all to stand, we should then stand.

God bless you all, in Jesus' Name.

Such a Debt, who can Pay?

I am continuing to run this story, as this is a great witnessing story to use to lead someone to Jesus Christ. I believe this could be the study you will want to share with your unsaved friends and this story and the scriptures can let them know how much God loves them and wants to forgive them.

While attending Bible College years ago I enjoyed reading stories I could use to share the Gospel and I would put them into a note book for later use. I found this story about Czar Nicolas the leader of Russia. It was such a good story of forgiveness that I have never forgot it.

So I asked my barber if he had ever heard of Czar Nicolas? He said no so I proceeded to share this story.

Czar Nicolas the king of Russia would from time to time travel to outposts in Russia disguised as someone else so he could see for himself what was going on in his country.

As he was making his tour late one night in this one particular outpost he was walking down the halls of this town hall kind of building and he noticed that the lights were still on in the office of the town treasurer.

Let me go back and explain what was going on in this office. The treasurer for this out post was misusing funds, He was losing money gambling and thinking his luck would turn back he kept digging a bigger hole that would eventually bury him. Then one day it was the day of reckoning. He received a notice that in a couple of days the bank examiners were coming to check the books and do an audit.

He knew he was in big trouble so on this same night that the Czar would be walking the halls of his office, he was up late counting money and figuring out how much trouble he was in. When he finished adding up the debt that he owed, he knew he was in to deep and there was no way out. His solution was he would take his life. He had his pistol on the table and when he finished adding up the debt he owed he wrote these words at the bottom of the balance sheet. **“Such a debt, who can pay?”**

He was overwhelmed with fatigue so he laid his head down on the desk and fell fast to sleep. While he was sleeping, this is when the Czar of Russia spotted the light on so late in the office of the Treasurer. The Czar saw the door was unlocked and he walked in. He sees the man sleeping, he sees the gun lying by his hand and he looks at the record book and realized this man had been stealing from his kingdom, a crime that would mean the death penalty and disgrace. Then at the

bottom of the balance sheet the Czar spotted these words. **“Such a debt, who can pay?”** This is when the Czar picked up a pen and under the words, **“Such a debt, who can pay?”** the Czar signed his name and walked out the door.

Just before morning the treasurer woke up and realizing how long he had been asleep, he reached for his pistol to take his life and just before ending his life he looked down at the bottom of the balance sheet and saw the signature of Czar Nicolas. Finding this hard to believe he looked into his files for a document with the Czar’s signature and sure enough the Czar had been there that night and paid his debt. The next day men from the Treasury of Russia arrived with bags containing the missing money and his debt was paid in full.

The Bible says that we will all stand before God and be judged from what has been written about us in the record books of our lives. We all have been assigned guardian angels to watch over us and record every word, thought, good deeds and bad.

Just like that man in charge of the cash of his town in the story above, God has access of the record books of your life. We owe a debt that is **“Such a debt, who can pay?”** If you will call out to Jesus the one who died to pay for your debts. If you will ask Jesus to forgive your sins, Jesus will take his eraser and wipe out the sins that have been recorded in the record book of your life. Then at the bottom of the blank pages of your record book, Jesus will sign His name with these words. **“Paid in full by Jesus Christ.”**

Below I have written out important scriptures for leading someone to Jesus and I have included the sinners prayer as a guideline for leading someone to Jesus.

Share God’s Plan of Salvation

1. Admit you are a sinner and repent.

(Romans 3:10 NIV), “As it is written: There is no one righteous, not even one.”

(Romans 3:23 NIV), “For all have sinned and fall short of the glory of God.”

(Luke 5:32 NIV), “I have not come to call the righteous, but sinners to repentance

2. Believe in the Lord Jesus Christ.

(John 3:16 NIV), “For God so loved the world that He gave his one and only Son, that whosoever believes in him shall not perish but have eternal life.”

3. Confess or declare that Jesus is the Lord of your life.

(Romans 10:9 NIV), “That if you confess with your mouth, ‘Jesus is Lord,’ and believe in your heart that God raised him from the dead, thou shall be saved.

The Sinner’s Prayer

If you would like God to forgive all your sins and make Jesus Christ the Lord of your life, then stop here and say this prayer to God. (Prayer is simply talking to God.)

Dear Heavenly Father, I know I am a sinner. I believe Jesus Christ died on the cross for me. Please forgive me of all my sins. Jesus, please come into my heart and wash my sins away. Please be the Lord of my life and help me to live for you every day. I ask this in Jesus name. Amen.

The Bible says when a sinner repents and makes Jesus his Lord, the angels in heaven rejoice. A word of warning is advised at this point. As we read in the story of the ten virgins, not all who call themselves Christians will make it to heaven. Knowing about Jesus and the plan of salvation is no guarantee of making it to heaven. When we arrive in heaven, the greatest surprise will be seeing people we did not think would make it. And just as surprising will be the absence of those we thought would be there. The Bible says Jesus knocks on the door of our hearts and wants to come in and live with us. The important thing to realize is God wants our hearts, not just our minds. Head knowledge about salvation does not save us, but sincerely allowing God to forgive and wash our sins away will allow God to give you a new heart. When your heart is changed, people will notice you have been changed and made into a new person in Christ. This is called being “Born Again.”
