

# You are invited to the Wedding Banquet with God, His Son Jesus, and all of the people in Heaven.

Encouraging Visions of God's Kingdom, Words from Jesus, and Warnings.

October 25th, 2023. To God be the Glory.

*Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and He will make straight your paths. - Proverbs 3:5-6*

This is a message of revelation and an urgent call to faith for all who are willing to hear. These past two weeks the Lord has been rapidly sharing revelation with me to share with others, and his plans for when His children enter God's Kingdom. The timing of these things is so unique for many reasons, but most of all, I feel that Jesus is sending these messages to you who are reading this to prepare, and have great hope.

God is preparing us for what He will do, He's calling us out of great love to believe in His son Jesus, and more than anything on this earth you can trust where He is leading us. If you don't read anything else, remember this: **Prepare your hearts, Share the good news, read the word, spend time with God in prayer, rejoice and Hope in Jesus and the Kingdom that is to come.** God is on the move and is here to let you know you're a part of His plan and the gem of his eyes. This message also concludes with two warnings of things to pray about.

*October 10th - Vision of Wedding Supper, A voice says that you are invited.*

On October 10th right as I got into bed, I began to see a vision of large banquet style tables, covered with white coverings and with many people seated at the seats. I recall seeing that these guests had radiant joy, some of the women with flowing hair, smiling with joy and brightness. I also recall seeing large, round and well decorated container-like objects on the tables that looked like they held liquid, and appeared made of Gold. To God's glory, I have learned more and more that there will be wine at this banquet mentioned in **Isaiah 25:6, and Matthew 26:29.** A voice from Heaven was speaking to me as I was seeing the vision, and I heard the voice tell me that this was the Wedding Feast to occur in Heaven. And I specifically heard in great detail, "**To Start Inviting People**".

Today, **I want you to know that you are invited to God's Kingdom. Jesus is for real people, and today is the day you can believe in Him and give your life over to Him.** In Him there is an unshakeable joy, hope, and light that goes beyond anything in this life, and no one can take that away from you, no matter your story, what you've been through, or what you will go through.

**You are invited to dine with Jesus in Heaven.**

October 13th - *Discovering More truth about the Wedding Banquet*

Just a few days later I woke up and felt led to open up to Revelation 19, and to my surprise I found that it spoke about the Wedding Supper in further detail. What caught my full attention was **Revelation 19:9** where an angel is speaking to the author and says, **“Write this; Blessed are those who are invited to the Marriage supper of the Lamb. - These are the True words of God.”**

October 17th - *Vision of elders worshiping God at His throne.*

The Lord spoke again on October 17th, sending a vision in the middle of the night. When I awoke, I saw a large circle of people in white clothing, all bowing with reverence, with their arms outstretched towards the center of the circle. I could sense by their actions that this was not remotely something to be taken lightly, but was meant to be holy. Though I could not clearly see the center, where I am certain the Lord would be seated, I knew that **these represented the 24 elders in Heaven described throughout the whole book of Revelation.** These are the ones who are worshiping God directly at His throne. There is such inspiring detail to what they wore, the words they say, and when they bow before God. They are also mentioned in the same chapter as the Wedding Supper. I've attached a link below to learn more about this.

October 18th - *Jesus with us from beginning to end, Final Words.*

The following morning as I opened the bible, the Lord led me on an incredible journey through the word. In short, I saw that God's people often begin in a place of darkness and captivity, then deliverance, and finally salvation/reunion with God. What was even more incredible, was that in these verses and surrounding chapters Jesus was mentioned before, during, and after every event to occur. Jesus was and always will be the Alpha and the Omega, the first and the last, and will be with us from the beginning through the end. I heard Him tell me that morning:

**“Write down these words: I am Coming Soon.”**

These are also the same words of the second to last verse in the bible.

Finally, after this I was led to **Isaiah 54:9**, which is a chapter of promise, but verse 9 jumped off the page as it read: **“This is like the Days of Noah to Me.”**

So it all starts with **one leap**. The invitation to the kingdom is in your hands. Ask God to enter into your heart, and Jesus to be your Lord, and your savior. Many people don't understand that Jesus is more than we could imagine. He's here to nurture us, not to harm us, but to guide you into His kingdom. To give you life and light that this world and everything in it can't give you. He loves you. He's called you, He desires to know you and have a relationship with you, to give you healing and peace. And when you believe, understand you were bought with a price, and you no longer live for yourself or things that are temporary, but eternal. If you need prayer there are people who are waiting to welcome you into their heart and prayers. You were formed by God's hands. He will never leave you, and he will never forsake you. You are redeemed in Jesus. He's overcome darkness so you can walk in His light and share it with others.

Give grace, do good, love and serve others. If you're going through a hard time, keep holding onto God's words and being restored in prayer. We aren't strong enough to walk this life alone, but with God and good people we can!

Please share with people you love, share this with the people you pray for. This is hope for the believers, encouragement for the new believers, and a light for those who have yet to believe in the Lord and hang onto His spirit. Seek the Lord today, receive His salvation, and put your hope and trust in Him alone now and forever.

## **Warnings**

**Please Pray about these and for the schools and young people across this country.**

**Schools in Nebraska** - Around the same time as these messages, I woke up early one morning and heard the Lord tell me that there would soon be an act of violence at a school in Nebraska, and it would cause weeping and deep prayer in the community affected. Shortly after I recall seeing a woman in deep prayer to God in a room that shone with yellowish light. Please pray for the safety and protection of schools in America and in that state. This is a hard topic but I will share it because I believe that the Lord has a purpose for everything. And If I were wrong about this, only time will tell, but I would be glad to be wrong about this.

**Dream of Darkness in College Campuses** - I also had a dream of wickedness running on our college campuses, with dark and evil music coming from below. I saw kids partying in utter darkness, heading underground into basements. It was not regular college kids being kids, but the complete lack of the presence of God, in all of the actions and places they went. The dream felt like the enemy was lurking around college campuses, trying his best to convince kids that none of this was something to worry about, and to keep their minds off of God and who He is in order to lead them to destruction. There was no sense of danger to them, as they did not care where they were headed. I had this terrible and urgent feeling of needing to take people I knew and leave that place immediately due to what was coming. I recall the music so clearly rumbling from below. The enemy is prowling like a lion, but He won't succeed! Pray for our college kids and kids readying to go into college, and all of our young people. Share with them and teach them that darkness is not where we belong, but in the light, and to run to the places of safety with God and His Son where He will protect them. Teach them now to know Good from evil, teach them about Jesus, and to run to the Lord. They are engaged in a battle they need to know about.

Test everything by the word and with prayer. I only share what I've seen and heard, and I will make sure to continue to do so when the time is right.
