Introduction

My last prophetic Newsletter was September 20th. I believe it was the best Newsletter I have ever done. It has been six weeks since that newsletter and I scan the news every day looking for the pieces for my next newsletter. I would have liked my newsletters to be published on a more consistent timing, like one every three or four weeks but I only go to work in putting these out when the Holy Spirit prompts me to.

This Newsletter I am putting together today may not be my best newsletter as my last one was, **but this newsletter contains the most important information and warnings that you will ever read.**

The section called, "What is in the news" has only been collected in the last few days. I am listing these news segments from the oldest to the most recent so you can see how these news events are progressing and brings us to the brink of war.

I am getting ready to do my section called "War Analysis Update" This section is very important because I will be giving the Bible's perspective on the wars of the end times. This is very important because many news sources are saying we are on the brink of WW3. I have said this in my newsletters and I will say it here. WW3 is not in the Bible. And I will be sharing what wars we are currently seeing and what is about to happen.

Financial Needs and Health Update

My Ministry is faith based. I trust God to meet my needs. God uses people most of the time, rarely does God use ravens and fish.

My Newsletters are going out to over 3000 people to over 100 countries around the world and yet last month I only had a dozen donations. If you are being informed and blessed by my ministry then prayerfully consider partnering with me to get these messages out.

I know for many; these are tough financial times. If you are not able to give, then please pray for me and my finances.

I want to give a special thanks to those who have continued to support my ministry, I am trusting God He will lay needs on some hearts.

Health wise, I am hanging in there and God has been sustaining me day by day.

I regret my health and lack of energy has prevented me from doing more to reach out and thank those who give to my ministry. Please accept my thanks here and remember God totally keeps track of your gifts to the work of the Lord.

If you send me a donation, please include your email or phone number so I can reach out and thank you. It is easier for me to talk on the phone than to respond on my computer. Thanks again so much

Instructions on How to Give to This Ministry

You can use the donation link on my site www.tribulationtruth.com that uses PayPal with your credit card, or mail your donation to **John Shorey, 178 Camino Embarcadero, Rio Rico, Arizona 85648, May God Bless You as you**

partner with my ministry. Thank you so much for your prayers and support.

Are you and your friends prepared for war ??

I am hearing God warnings all of us to prepare for very hard times, The rapture will not save us from what is coming, the destruction of America not being WW3 is no different then what is happening in Ukraine right now, There are thousands of Christians seeing horrible times in Ukraine and they did not get raptured out of that mess.

During this last month I checked out my gas generators and they were not ready, I had to do maintenance and repairs on both of them. A back up generator had to be brought to the shop for replacement parts. Old gas had turned to gel and filters and the carburetor needed new parts. If you wait until the lights go out to start up your backup power, it will be to late to take it to the shop.

What important things should we have?

Potassium Iodine, to protect from radiation poison

Water filtration system, like a burkey stand alone, good cheaper ones are out there

Propane stove and fuel for cooking,

A generator to power up your fridge and LIGHTS , A RIDGE OR FREEZER ONLY NEEDS 2 OR 3 HOURS OF RUN TIME A DAY TO KEEP THINGS COOL OR FROZE, run generator one hour to a time

FUEL FOR GENERATOR, Jerry jugs to store.

Having enough food is a given, but just food without items listed above is not enough.

Closing thought, Being prepared is not just for your benefit. We are commanded in the Bible to be prepared to help both our family and friends.

War Analysis Update

Jesus said there would be wars and rumors of wars and we were not to be concerned that these wars, that we will always have are the sign of the end.

What I am sharing in this latest newsletter is not to cause fear in your heart. I look forward to the Lords Coming but I know we will have to go through what will be like hell before the Lord Returns.

I am not a prophet, I am a prophetic teacher and I constantly analysis world events in conjunction with the Word of God.

As far as timing goes, I really thought the Lord would return before this. In recent Newsletters I have been warning of an imminent nuclear attack on America and for the sake of those who are not saved or even Christians who are not prepared for horrible times, we are blessed that we have had more time.

In this section that includes my analysis of current wars and coming wars I am going to share what I see the Bible says on the wars of the end times.

From my Study of Gods Word I see four significant Wars described in the Bible, I will list each and comment on each of them.

Right now there is much talk and discussion of an imminent WW3 event that could happen any day. I will say again, that I do not see a WW3 event happening in the end times that we are currently in. I just don't see this in the Bible and I will explain why I believe we will not see a global world war in these days we are in.

The four significant wars I see described in the Bible are.

1. The Psalms 83 War

2. The destruction of Mystery Babylon, "The USA"
3. The Ezekiel 38 War
4. The Battle of Armageddon

1. I will start with the Psalms 83 War. I believe what is erupting in the Middle East right now is the Psalms 83 War.

It looks like this war that is building up pressure like a pressure cooker and is ready to explode any minute will turn into WW3. Right now, countries around the world are choosing sides. I have to admit that what is happening has all the making of a World War about to happen.

There would be some major problems with the fulfilling of Bible prophecy if the Psalms 83 War turned into WW3. Russia and China have already chosen to side with the Palestinian's. The USA, England and the NATO countries of Europe would side with Israel. In an all out WW3 war, it would go nuclear really fast. There would be no winners and every major country and continent would end up an ash heap.

Think about this. If Europe is nuked to any major degree, how can Europe as most Bible prophecy teachers believe, become the Revived Roman Empire and the place the Anti-christ will rule from. If Russia was nuked to any degree of destruction how could Russia recover to be the major player of the Ezekiel 38 War?

First let me say that we don't know if a major war will break out in the coming days or weeks. A last minute peace agreement could be brokered on the midnight hour.

But I am going to share my opinion, not thus saith the Lord but my opinion on how things could play out.

Just over a month ago, a close friend and military advisor to Russia's President Putin suggested a plan that would avert WW3 from happening. What was suggested was that Russia would nuke the UK off the map and this show of destruction would cause all war hungry countries to stand down.

The problem with this is that the USA would have to come to the UK's aid and you would still have a global nuclear war. The solution to make this plan work would be that Russia would have to nuke both the UK and the USA off the map. The scary thing about this plan is the fact that the Bible says that Mystery Babylon would be

destroyed in one hour. Many prophets have for decades been shown American cities being nuked from a major nuclear submarine attack.

If this was to happen what would happen with the war in the middle east right now? It would mean that Israel would be standing alone. Israel would not have American arms being shipped to them to bail them out. It would mean that the war would be the Psalms 83 War and without the help of America Israel would be annulated. But wait, read Psalms 83. In this War Israel wins. How? Israel would have to fall on their knees and beg for God's help and mercy.

I believe God is going to use the Psalms 83 War to bring many Israelites to Christ. I believe that many of the backslidden Jews will repent and God will reveal Jesus to many Jews in Israel.

So where does this leave the USA? I believe the destruction of Mystery Babylon, the USA will cause the lukewarm church to repent like America has never seen. It will cause the greatest revival and harvest of souls like we could never imagine. Realize the nuking of key coastal cities will not destroy all of the USA.

In closing, please remember what I said earlier. We don't know when this will happen because a last minute peace could be brokered that would push these events down the road for who knows how long. My advice to all who are reading this is. Prepare for the worst outcome and pray for the best outcome.

I have now covered two of the four, End Times Wars. As I have explained, the Psalms 83 War has turned into a regional war.

The destruction of Mystery Babylon is also regional. Our allies do not come to our aid. The Bible says the merchants from afar watch Mystery Babylon burn.

Now if you study the Ezekiel 38 War, it will be Russia coming against Israel, and the Bible says that God intervenes and destroys most of their army. This is not a World War.

The last War before the end of the millennium is the Battle of Armageddon. This is also a regional war, a war that will end all wars for 1000 years.

BREAKING NEWS: U.S. ATTACKS SYRIA

WORLD HAL TURNER 26 OCTOBER 2023

The U.S. military launched airstrikes early Friday on two locations in eastern Syria which the U.S. claims - without evidence - are linked to Iran's Revolutionary Guard Corps.

The Pentagon said the strikes were in retaliation for a slew of drone and missile attacks against U.S. bases and personnel in the region that began early last week.

According to the Pentagon, there have been at least 12 attacks on U.S. bases and personnel in Iraq and four in Syria since Oct. 17.

Air Force Brig. Gen. Pat Ryder said 21 U.S. personnel were injured in two of those assaults that used drones to target al-Asad Airbase in Iraq and al-Tanf Garrison in Syria.

The General did not say why the U.S. has military bases inside Syria since ISIS, the reason they went there, is long dead, and the Syrian government has repeatedly demanded the US leave their country.

All of the above, along with Submarines and other support ships show an utterly massive naval deployment. I am told this present deployment is **larger** than the ones done prior to the US war(s) against Saddam Hussein in Iraq in 1991 and again later.

In addition to all the above vessels, another Aircraft Carrier, the HMS Queen Elizabeth II, transited the Strait of Gibraltar yesterday morning around 11:00 AM, enroute to the eastern Mediterranean:

In addition to THAT additional aircraft carrier, the Navy of Italy is also now deploying vessels:

AIR

In the 24 hours period from Friday into Saturday, the United States flew 49+ military transport aircraft from the US to the Middle East, carrying TROOPS!

On top of those troop transport flights, a Significant number of C-17A Globemaster III and C-5M Super Galaxy Transport Aircraft from the U.S. Air Force's Air Mobility Command have been arriving in the Middle East.

The flight info above **DOES NOT** even cover the regular commercial airline flights the US has chartered to exclusively move troops!

Yesterday, Saturday 28 October 2023, Germany put 1,000 soldiers on alert for deployment to the Middle East in case of emergency. The German Army keeps 1,000 troops on alert for possible deployment to the Middle East in case of emergency, given the prevailing tension in the region as a result of the war between Hamas and Israel.

This flight from Fort Sill, OK has my attention at the moment. Fort Sill is home to a THAAD battery and this flight appears to be headed overseas. There are no helpful ACARS for this flight, but this is possibly a THAAD battery flight enroute to Saudi Arabia:

At about 1:47 AM eastern US Time Sunday, which was about 11:00 AM in Tehran, Iran, the President of Iran said **Tehran will not follow US warnings against interfering in the Palestinian-Israeli conflict.**

According to the Press service of the President of Iran: **"Israel has crossed red lines, forcing everyone to take action."**

The President made it a point to also say **"the presence of U.S warships in the region will make no difference to Tehran's decision."**

Hal Turner Analysis

Based solely upon the movement of ships, troops, and planes, it is obvious to me the United States is going to war. A big war.

Trouble is the federal government under the Biden Regime has intentionally left the US southern border with Mexico, virtually open. Literally millions of illegal aliens have been entering the country via Mexico since Biden took office.

It is my opinion that many - but not all - of these illegal aliens are a "5th Column" sent here by adversaries to be "sleeper cells." I believe that when war erupts in the Middle East, that WE HERE IN THE USA will also be attacked by these sleeper cells.

YOU must be ready with emergency food, water, medicine, a generator to make electric in case the grid is taken down. Have CASH MONEY in your possession incase cyber attacks take out the financial networks, making credit, debit, and SNAP/EBT useless. After all, **almost no one takes checks anymore.** So folks with cash will eat. Those without cash will go hungry.

The utterly massive movement of troops and weapons indicates to me that hostilities are imminent. Which could -- and I emphasize "could" (not necessarily "will") -- trigger sleeper cell attacks here in America.

If you wait until trouble starts, then YOU and every other person who failed to plan, will all be rushing to stores at the same time trying to get food and supplies. In short order, **store shelves will be empty and those of you who took no action, will find yourself standing in an empty store.**

Don't be like "the masses who are asses" that wait until the last minute to get supplies. Do it right now. **Today.**

And gas-up your cars, trucks, and spare gas cans for your generator.

Lastly, have COMMUNICATIONS GEAR - a CB or a HAM (Shortwave) radio -- so if things go wild weasel, and communications like phone, fax, email, cellular/Internet all go down, at least YOU will be able to communicate locally (CB) and hear international news on shortwave (HAM).

Of course, some of you will say that this story and its advice is sort of like "Chicken Little, the sky is falling." To those who would scoff I merely point out that, this morning, a U.S. E-6 Nuclear Command Post is now flying over the US East Coast:

The E-6B Mercury is a communications relay and strategic **airborne command post** aircraft. It provides survivable, reliable, and endurable **airborne Nuclear Command, Control, and Communications (NC3)** for the president, secretary of defense and U.S. Strategic Command.

So it isn't just ME telling you to take steps to prepare, it's the US Military, too. **Take the hint!**

Yemen Army Spox: "Yemen has officially declared war on Israel"

A spokesman for the Army of Yemen announced "Our armed forces have launched a large batch of ballistic and winged missiles, as well as a significant number of drones, at various targets of the Israeli enemy in the occupied territories."

He went on to say Yemen "vows to continue its attacks on Israel with missiles and drones until the aggression on Gaza stops."

Elsewhere in that country, the leader of the Yemeni Ansarullah Movement took to TV to say: "Yemen is Ready to Mobilize Hundreds of Thousands to Fight alongside Palestine."

"They have crossed the village of Beit Lahia in the northern Gaza Strip and are now stationing in Gaza City at one of the main roads – al-Nasr street," he said.

"Witnesses have told us there is heavy exchange of fire between fighters and Israeli troops."

This will get more interesting as time passes.

"On the other side of Gaza City, in the southeast, tanks have crossed from the eastern side heading towards the coastal road. They are halfway between Salah al-Din street and the coastal road," he said.

-- Houthi (Yemen) Brigadier General Bin Amer tells Al-Mayadeen that they are prepared to launch more attacks on Israeli targets in the coming hours.

Egypt's Prime Minister says his country **is ready to "sacrifice millions of lives" for the Sinai peninsula** in an apparent reference to reports of Israel's intelligence ministry's LEAKED wartime draft proposal to transfer the Gaza Strip's 2.3 million people to Egypt's Sinai region.

In the north of Israel, Hezbollah takes credit for the bombing of an Israeli tank near the Lebanon border: killing and injuring the Israeli forces in the vehicles. In return, IDF hits southern Lebanon with more airstrikes.

Update 10:26 AM EDT --

"Yemen has officially declared war on Israel" official representative of the Yemeni armed forces, spokesman Yahya Sariye Anu, announced.

Yemen Brigadier General B.Amer: "The Yemeni armed forces will continue to support the Palestinian people until the aggression stops. The decision to enter Yemen into this conflict was not random, but rather a deliberate decision that came based on the call of the Yemeni people."

He went on to say:

"Faced with the heinous Israeli-American aggression against the Gaza Strip, it was necessary for us to fulfill our duty, relying on Allah, in support of the just cause of the beloved Palestinian people.

We have launched a large batch of ballistic and winged missiles, as well as a significant number of drones, at various targets in the occupied territories. We confirm that this operation is the third in support of our oppressed brothers in Palestine.

We will continue to carry out more precise strikes with missiles and drones until the Israeli aggression stops.

The stance of our Yemeni people towards the Palestinian issue is unwavering and principled, and the Palestinian people have the full right to self-defense and the attainment of their full rights.

What destabilizes the region and expands the circle of conflict is the continued commission of crimes and massacres by the enemy against the people of Gaza and all of Palestine."

-- Yemen is the only Arab country to declare war on "Israeli" since the October War of 1973.

Protesters calling for a ceasefire in Gaza interrupted US Secretary of State Antony Blinken during a Senate hearing on Tuesday. Numerous people stood in the crowd and repeatedly yelled "Ceasefire now!"

Secretary Blinken and US Defense Secretary Lloyd Austin are testifying about the White House's \$106bn (£87.4bn) national security funding request. It includes \$14.3bn to support Israel's military efforts against Hamas.

Standing up one by one, protesters waited for Mr Blinken to begin his testimony before shouting over him again. The Secretary of State paused and lawmakers were forced to suspend the hearing several times.

Capitol Police quickly escorted the protesters from the room when they began shouting. Police said 12 people had been arrested.

HAL TURNER - HISTORICAL PERSPECTIVE

It took 4 years for the world to catch up with Nazi death camps, when the official Nazi propaganda was "*we're just relocating those Jews east*".

It's taking mere days for the world to catch up with the Jewish government of Israel trying to apply Nazi tactic of "*we're just relocating those Palestinians south(west)*".

I wonder how that's going to end for Jews (all over the world, and not just in Israel).

We've already seen scenes of "random mobs" (carefully organized lynching groups) looking for Jewish passengers on international flights, but that's just the start of what we can expect to see now... in the U.S. primarily, since CIA is a Nazi organization, and Nazism is (perfectly obviously) is now strongest in the U.S..

It already started, about two weeks ago, in Berlin, Germany:

Last night in Paris, France:

On Saturday, in Dagestan, More than 20 people were injured when hundreds of rioters stormed a Russian airport in the North Caucasus

republic of Dagestan and ran onto the tarmac Sunday night following calls on social media to block a flight from Tel Aviv.

The flight from Tel Aviv was scheduled to arrive at 7 p.m. local time Sunday. Earlier in the day, a number of Telegram channels based in Dagestan had issued calls for people to go to the airport and “catch” Israelis on the flight.

When the flight landed, dozens of people broke past security and onto the tarmac. Passengers from Israel who were about to disembark were ordered back onto the plane.

Hell... all of the gangs, and half of the militias in the U.S. are neo-Nazis. I know this for a fact since I worked with the FBI from 1993-2008, with the final five years (2003-2008) with the Joint Terrorism Task Force (JTTF).

Just think of what might happen (to the U.S. government) when all those people start looking for someone to blame for the troubles coming here to America as a result of our meddling all over the world, and our blanket support of Israel ... and not just Jews, but also every single politician in Washington DC who voted to fund all this foreign nonsense and to fund Israel, that is probably going to get us bombed here in the USA by foreigners.

I suspect that what comes of this situation could make January 6 look like a kids' confetti parade compared to the fireworks that might start going off all over Washington DC.

... which is so ironic(!), considering that U.S. (CIA-controlled) government is a Nazi institution as well (being run by the Nazi CIA, it has to be, by definition)... and, furthermore, it's a Nazi institution that pretends to be keeping Jews (in Israel) safe while doing literally everything in its power to kill them all (in WW III).

The very people who ignored the First Amendment freedom of the press and threw me in prison for 33 months over an editorial they didn't like, seem to have finally fucked things up so badly that THEY THEMSELVES seem to be causing their own destruction. Someone -- quick -- pinch me; I think I'm living the most beautiful dream ever!

COVERT INTEL: U.S. IN SERIOUS DANGER

WORLD HAL TURNER 01 NOVEMBER 2023

The United States of America is now in severe danger. We're actually unable to fill all the missile tubes in our own Navy because we're so short on them; and we cannot make more, fast enough to defend our own land.

Think of the last two World Wars. There was no known start date like a football game. The start of both was only known in hindsight.

Hamas now have to go 'all in' as they know that they face annihilation by the IDF. Hezbollah (Iran) no doubt will do the same knowing this is their best chance ever in achieving their aim of wiping out Israel.

Rumours abound that Hezbollah will declare war on Friday. Yemen have already done so. How long before Jordan, Syria and Egypt join the mess? Maybe even Turkey?

USA are of course 'joined at the hip' with Israel. UK too. So both nations will be dragged in to protect Israel which will lead to Russia, China and others (Pakistan, Iran etc...) getting involved.

And China will surely use the crisis to open up a Pacific front by invading Taiwan and maybe the Phillipines too. The USA are going to be very stretched to cover all three fronts effectively - Russia/Ukraine, Israel/Arab and China/Taiwan.

Meanwhile, there are other flashpoints that don't even get any coverage anymore but are just as dangerous - Serbia/Kosovo, Armenia/Azerbaijan and North/South Korea to name just three that are either at war, or on the verge of one.

Undoubtedly we are already in WW3. It's just going to get worse.

As it gets worse, a cold, hard reality is going to become crystal clear: We don't have enough missiles to defend ourselves, and we CANNOT make more, fast enough.

A Reader of this website, and listener to my radio show, has shared the following:

1. The facility that produces standard missiles like the sm2 sm3 and sm6 that are used for counter ballistic missile defense was not too far from my old house and I know people who worked there. The "Trump Military Buildup" **didn't even get the navy back to a point where they had enough missiles to fill every single Vertical Launch System (VLS) cell in our entire combat-coded fleet at the same time.**

As of the last couple years, that has meant that as ships come in off a patrol at sea their missiles are unloaded and transferred to the ships about to head out **because there's not enough missiles to just leave the ships loaded.**

3. That production plant run by Northrop can *either* produce ATACM's OR standard missiles in a given multi-month production run, but **NOT BOTH!**

WHY? Because there's only enough autoclaves to run land attack *or* naval missile production because both lines **share the same autoclaves.**

2.

Now idk about you but I seem to remember another of our "allies" burning through a whole fuck ton of our land attack missiles requiring us to buy more for the last two years...think: Ukraine.

4. The Northrop facility has had multiple Chinese spy arrests and 2 separate sabotage incidents all of which has stopped production and caused delays each time in the last 2 years.

5. When Trump entered office and "started rebuilding our war stocks" we were so low on key missiles like standards sm2, sm3, sm6, that **the navy wasn't even going to be able to do test and practice fires** had Trump not forced through the money to pay for more production because the navy was below it's congressional and legally mandated minimum war stock inventory levels.

6. What this means is Trump got us back up to barely legal **bare minimum levels** before COVID hit. Then when COVID hit, it

screwed up production again.

What the 6 points above point you to is the understanding that, yes those 50 warships presently in the Mediterranean Sea probably sailed to the Middle East with full missile loads, ***but every time they're forced to expend them there's an extremely good chance we don't actually have more to replace them.*** Especially not without robbing them from other theaters opening us up to vulnerability elsewhere in the world.

Between Ukraine and everyone in the Middle East screaming for us to send them more PATRIOT missiles, etc., which we were already so desperately short on that we pushed off Taiwan's Order out to 2028 already... What do you think we actually have left here at home and or at any other hot spots globally?

Put simply, every time we expend missiles knocking down Houthi missiles fired from Yemen, or send more missile batteries to the Middle East we come closer and closer to the Continental US being completely undefended.

If you just zoom out and look at this entire situation from the 30,000 foot view, it's blindingly obvious that the BRICS alliance (including several nations we're sending patriot batteries to in the ME) are very deliberately spreading us thin and getting us to expose our soft underbelly.

This is not a good situation and it could get a whole bunch worse very quickly. We are perilously close to being UNABLE to defend our own land.

UPDATED 2:32 PM EDT -- The Warnings Grow More Stark

WORLD HAL TURNER 01 NOVEMBER 2023

Iran WARNS ISRAEL: "If the war expands any further, we cannot say that Israel would lose, because nothing will remain of Israel to be described as loser or winner"

IRAN - "IF AN IMMEDIATE CEASEFIRE DOESN'T TAKE PLACE BY U.S. AND ZIONIST REGIME THEN CONSEQUENCES WOULD BE HARSH."

Jordan: Ejects Israeli Ambassador, RECALLS Jordanian Ambassador from Israel; Neither to return until War on Gaza stops.

Then . . . there's this:

UPDATE 2:32 PM EDT --

MORE: the US Army has placed approximately 2,000 soldiers on high alert for a potential deployment in support of Israel.

Note: On Nov 3, Hezbollah Chief Nasrallah is scheduled to deliver a speech. Many analysts anticipate a potential escalation of military operations by Hezbollah.

Yet Another War: Iraq Islamic Resistance Tells U.S. "Get out of Iraq" or All American Troops here will face military attack

WORLD HAL TURNER 01 NOVEMBER 2023

The United States has been told by Iraqi groups that all American troops must leave Iraq immediately or all US bases in that country will be attacked; all troops, killed.

"One American present in Iraq is too much, Abu Ala al-Walai said."

Today the Secretary-General of the Iraq Islamic Resistance, Harakat Al-Nujaba, Sheikh Akram Al-Kaabi, confirmed that the Iraqi Islamic Resistance **has decided to liberate Iraq militarily**. "The matter has been resolved, and what is coming is greater."

The speakers continued by saying "We in the Islamic Resistance, "Ashab al-Kahf," send an unequivocal message that we are ready and will continue to strike American bases until our land is liberated."

U.S. Deploys MASSIVE Number of Military Planes 4:30AM This Morning over CONUS; Middle East Getting **MUCH Worse** WORLD HAL TURNER 02 NOVEMBER 2023

The armed forces of the United States deployed an unprecedented number of military aircraft over the 48 continuous United States at about 4:30 this morning for an unknown reason. Most observers have ****never**** seen this many MILITARY planes flying over the Continental United States (CONUS) ... ever.

Social media "lit-up" about this early this morning, with some social media users proclaiming "SOMETHING BIG IS HAPPENING - WW3- STAY VIGILANT AND PREPARE FOR THE WORST." The map above shows ****only**** the military aircraft over CONUS this morning.

Thankfully . . . nothing happened. At least not yet, as of the writing of this story at 9:58 AM EDT

Over in the Middle East, things seem to be spiraling out of control, headed for a very fierce regional war.

Bahrain announced the Israeli ambassador has left the country, Bahraini ambassador to Israel has been recalled, and economic relations halted with Israel.

Iran's Defense Minister, Mohammad Reza Ashtiani this morning said "The Aqsa Storm operation showed that the destruction of the Zionist regime is imminent." "If this war and the crimes of the Zionists against humanity do not stop, they will soon receive a heavy blow in the region and beyond." "Freedom-loving people and Muslims around the world will not be patient much longer."

Iran's president says the US is the 'main cause' of 'Israeli crimes in Gaza.'

In another country, Iraq, Chief of Staff of the Iraqi Hashd al-Shaabi, Abu Fadak: "Regional conditions herald war, and we will be with Palestine as a government, people, and as the Hashd al-Shaabi. We emphasize the high readiness of all our fighters in the various sectors and formations and their full readiness to defend the country's sovereignty and national borders." Hashd al-Shaabi has over 300,000 fighters who are experienced in urban warfare, they defeated ISIS.

The Kingdom of Jordan informed Yemen that it will not allow its airspace to be used against Israel. Saudi Arabia also opposed Yemen's request to use its airspace against Israel. **But they do let Israeli airplanes use their airspace.**

In Gaza, UNICEF reports - Situation in Gaza is Catastrophic "Relentless bombing, a massive increase in the displacement of children and families, and no safe places."

HAMAS

This morning, HAMAS issued an official statement:

'In the name of God, the most gracious, the most merciful

Press Statement

*The White House's statements regarding working on an international regional consensus to manage the Gaza Strip after the end of the Zionist aggression on Gaza are rude and unacceptable statements, **as the free Palestinian people are not the ones upon whom guardianship is imposed.***

We say clearly that the attempts of blatant intervention by the United States to impose a new reality that suits them and the Zionist occupation in the Gaza Strip are completely rejected, and our Palestinian people will confront them with all force.

The decision to arrange the Palestinian situation is the decision of the Palestinian people, and they alone are able to determine their fate, future and interests.

These malicious American statements and plans are pipe dreams in their minds. Our great Palestinian people and their valiant resistance will prevail over this fascist occupation, and our people will impose their will and seize their rights by force to establish their independent Palestinian state with Jerusalem as its capital.

Islamic Resistance Movement - Hamas'

Negotiations between many countries are ongoing and one of the most informed and influential Israeli observers, Yoni Ben Menachem, confirmed that there was indeed information about a potential plan for Hamas leaders traveling abroad in exchange for the release of kidnapped

Israelis.

According to the observer, we are talking about the so-called "Beirut model." Israel is exploring the possibility that the leaders of the military wing of Hamas will leave the strip in exchange for their safety, the creation of another government in the strip and the release of all hostages.

Meanwhile, in Turkiye' Iran's Foreign Minister Hossein Amir Abdollahian has said that Turkish President Recep Tayyip Erdogan has agreed with an idea proposed by his Iranian counterpart Ebrahim Raisi that heads of states of the Organization of Islamic Cooperation (OIC) **meet** on Gaza.

In addition to what's going on with Israel in the southern Gaza Strip, IDF Spokesperson revealed this morning that Iranian militia is fighting alongside Hezbollah on Lebanon border in Israel's north.

An Iranian militia arrived in southern Lebanon and is assisting Hezbollah in fighting against Israel, according to IDF Arabic spokesman Lt. Col. Avihai Adrai on Thursday.

According to the announcement, the Imam Hussein militia was assigned to assist in Syria in recent years, but now it is "Involved in friction with the IDF on the Lebanese border in recent weeks and takes part in offensive activity into Israeli territory."

CLOCK TICKING

Regardless of what they are all talking about, the clock is still ticking toward Friday at 3:00 PM local time in Beirut/Tel Aviv, when the head of Hezbollah is scheduled to make a televised speech about the ongoing hostilities between Israel and Hamas.

Word came out yesterday that both Hezbollah and Iran allegedly told Israel and the United States that unless Israeli hostilities HALT by sunrise tomorrow, it will be all-out war by tomorrow afternoon.

The clock is still ticking.

If open war is declared during the Hezbollah speech, it would take place at 3:00 PM local time in Beirut/Tel Aviv, which translates to 9:00 AM on the US East Coast.

We could all wake up **tomorrow morning** to a world on fire.

*******FLASH ***** U.S. House Approves Resolution on Iran: "All means necessary" to prevent Nuclear Armed Iran**

NATION HAL TURNER 02 NOVEMBER 2023

The U.S. House of Representatives passed a Resolution late last night "... to use all means necessary to prevent Iran from obtaining a nuclear weapon; ..." Now we know why our military is massed in Middle East.

A direct Link to the official US Government Website showing the text of the Resolution is [HERE](#)

Hal Turner Editorial Opinion

Interestingly, this now seems to be a method for declaring war without actually "*declaring*" it.

While the words "Congress shall make no law . . ." does ****not**** mean what it actually says in the Constitution's First Amendment, and while "

.. shall not be infringed." does ****not**** mean what IT actually says in the Constitution's Second Amendment, you can bet your ass that ". . .*any means necessary* . . ." means exactly what it says in this resolution!

So . . . it now appears that the massive naval and military build-up we've been watching in the Middle East over the past two weeks was all part of a well-planned series of moves KNOWING FULL WELL they intended to take us to war with Iran. They just waited until ONE day before likely hostilities break out, to put through this new "policy."

This is the level of sleazy, political, human, garbage we have in the Congress of the United States.

Oh, and by the way, have you noticed that this web site is the ****ONLY**** media outlet in the entire country pointing this out? That shows you the level of sleazy, human garbage, infesting the mass-media these days. Keep it all quiet -- on purpose. Keep the American people in the dark -- on purpose.

Then, when actual war breaks out, the American people are blind-sided, afraid, and called to rally behind the troops. **All one big plan.**

As our military starts coming home in body bags, the very same politicians who literally caused the war, will cry crocodile tears for the men whose lives their vote snuffed out.

It's disgusting to me on a level that's hard to verbally describe.

COVERT INTEL: Hezbollah Leader Speech **Tomorrow**** is "Ruse"**

WORLD HAL TURNER 02 NOVEMBER 2023

This content is for Subscribers Only --

Covert Intelligence coming out of Lebanon says that the Secretary General of Hezbollah, Seyyed Hassan Nasrallah (Leader of Hezbollah), has ALREADY RECORDED his speech to air at 3:00 PM tomorrow, and these reports ALSO ****CLAIM**** (unverified) that the speech is a Ruse. The Intel (unverified) ****claims**** that Hezbollah is actually going to enter the war in a massive manner, TONIGHT.

No way to verify any of this. Very frustrating.

The idea that he pre-recorded a speech is not unbelievable, since he knows Israel will kill him if they find out where's he's giving the speech from. But the added ****claims**** that Hezbollah is actually intending to enter the war late tonight, are pretty astonishing.

Not sure how much of this is factual. Sadly, the only way any of us is going to know is if Hezbollah actually enters the fight tonight.

So in an earlier story, when I finished by writing "We could wake up tomorrow to a world that's on fire" it may happen tonight.

Top off your supplies. Be home with your families. Stay vigilant. Pray.

UPDATED 4:01 PM EDT -- New Hezbollah Video About Speech "Tomorrow" Shows Pushing LAUNCH Button

WORLD HAL TURNER 02 NOVEMBER 2023

A video just released by Hezbollah in Lebanon, in advance of a speech by the Hezbollah Leader, -- has, as its final scene, a finger pushing a Missile control panel button labeled "LAUNCH." If ever there was a signal that open warfare begins tomorrow, this seems to be it. Video below.

UPDATE 4:01 PM EDT --

There is now a growing consensus in the Intelligence community, that the video above is actually a CODED COMMAND for Hezbollah forces to "commence attack at 2:26 AM" which is the time on the LED clock at the start of the video.

Parliament of Algeria Votes War Powers to President Against Israel

WORLD HAL TURNER 02 NOVEMBER 2023

The Parliament of Algeria has just voted to authorize Algerian President Tebbun to go to war against Israel.

While one may chuckle at the notion, it is necessary to point out that Algeria can basically SHUT DOWN entry/Exit between the Mediterranean Sea and the Atlantic Ocean.

So all that naval firepower that is presently in the eastern Med . . . can be sunk as they try to go home. Any other warships attempting to enter the Mediterranean from the Atlantic, can similarly be sunk.

This is serious.

Words from the Prophets A Great Depression is coming

OCTOBER 16, 2023 4:57 PM
ASHA B

Message received 15/10/2023

The day is come that the whole world will be in turmoil. The evil unleashed upon the earth will not stop, until my return. Be ready against the day and return to me with your whole heart, for it is time

There shall be much upheaval for many people throughout the earth. There shall be famine now coming upon every nation. Who has not stored up as I have told them? They shall not be feed, if they do not obey me. Tell all who will listen, to get the supplies needed before the hand of wrath comes down upon the world. As You have seen abroad, so shall it be.

There is now a great depression coming on all parts of the world, where many will live for want of a meal, for life. The pestilence shall follow hard on its heal. There will be no peace for those not walking with me.

I will then show my right hand to my children and they shall come to me. There shall be many saved during this time. I shall not wait for the time I have spoken of has come.

The universe displayed watches my children. Walk with me in all things. It is now time that I have told you of for many, many years. The time is now here.

I will pour out my blessings on my chosen ones. You shall want for no good thing. My spiritual gifts and blessings shall overtake you, for this is the time of the latter rain, that my word speaks of. Do not fear it shall be well with all my children. Do not fear I am with you.

Your loving Father

Pss.138[7] Though I walk in the midst of trouble, thou wilt revive me: thou shalt stretch forth thine hand against the wrath of mine enemies, and thy right hand shall save me.

Gen.41[56] And the famine was over all the face of the earth: and Joseph opened all the storehouses, and sold unto the Egyptians; and the famine waxed sore in the land of Egypt. [57] And all countries came into Egypt to Joseph for to buy corn; because that the famine was so sore in all lands.

Matt.24 [6] And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. [7] For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and

pestilences, and earthquakes, in divers places. [8] All these are the beginning of sorrows.

4Ezra.16 [18] The beginning of sorrows and great mournings; the beginning of famine and great death; the beginning of wars, and the powers shall stand in fear; the beginning of evils! what shall I do when these evils shall come? [19] Behold, famine and plague, tribulation and anguish, are sent as scourges for amendment. [20] But for all these things they shall not turn from their wickedness, nor be always mindful of the scourges.

James.5 [7] Be patient therefore, brethren, unto the coming of the Lord. Behold, the husbandman waiteth for the precious fruit of the earth, and hath long patience for it, until he receive the early and latter rain. [8] Be ye also patient; stablish your hearts: for the coming of the Lord draweth nigh.

WARNING! Two End-Time Shakings, Wind & Fire...the Day of the LORD Comes!

OCTOBER 24, 2023
ELIZABETH MARIE

While praying the first week of April, 2020, I saw the LORD JESUS sitting on the white stone. After receiving a message from HIM, I saw HIM from a distance, and suddenly there was something unexpected and odd. All around HIS feet, and at the base of the white stone, on the ground, were piles of BROWN, SHRIVELED UP, DEAD LEAVES. I then heard this very sobering interpretation from the LORD:

“The dead leaves represent the people who were once alive in ME, but shriveled up. and dead. They are no good to MY KINGDOM, but to put them under MY feet to be trampled upon. They were alive, but now are not. They have fallen far from the BRANCH OF LIFE, and have not remained. I weep at their destruction, for they once were a part of ME.”

*“Yet gleaning grapes will be left in it,
Like the shaking of an olive tree,
Two or three olives at the top of the uppermost bough,
Four or five in its most fruitful branches,”
Says the LORD God of Israel.”Isaiah 17:6*

*"When it shall be thus in the midst of the land among the people,
It shall be like the shaking of an olive tree,
Like the gleaning of grapes when the vintage is done." Isaiah 24:13*

2 SHAKINGS: PROMISE TO THE UNSAVED & SAVED:

1) All things shaken are going to be removed

2) Only those who are part of the Kingdom will NOT BE SHAKEN, and WILL REMAIN

"...whose voice then shook the earth; but now He has promised, saying, "Yet once more I shake not only the earth, but also heaven."

Now this, "Yet once more," indicates the removal of those things that are being shaken, as of things that are made, that the things which cannot be shaken may remain.

Therefore, since we are receiving a kingdom which cannot be shaken, let us have grace, by which we may serve God acceptably with reverence and godly fear.

For our God is a consuming fire. Hebrews 12:26-297

FIRST MESSAGE: (10/19/23)

"TWO SHAKINGS.....the first one starts in MY HOUSE....for judgment begins with MY people, who are called by MY name, but do not carry MY torch to the nations, but, instead, are worldly, and cater only to their own personal needs.

If they had been MY witnesses, in holiness, and truth, it would have then raised up a standard in society. For MY people are called to be the SALT OF THE EARTH, but THEY HAVE LOST THEIR SALTINESS, AND MANY WILL BE TRAMPLED UNDER FOOT.

This shaking will come through the PERSECUTIONS & SUFFERING. It will test even those who are most faithful, and will expose the hearts of those who were not true.

All that is impure, unholy, unrighteous, and sinful will be shaken off those who are grated into the vine. Those who respond to MY call will remain, but all others will become as tares in the wind....soon ready for the final harvest.

When this FIRST SHAKING comes, do not resist it, but know it is from MY hand to purify MY BRIDE, and test their hearts!

2nd MESSAGE (10/7/23)

"There is a GREAT SHAKING that is coming.

It will not be delayed, but set for an appointed time.

Man's souls will be laid bare....

Women's minds will be exposed....

For this shaking in not only in the physical, but in the spiritual as well.

No one will be able to stand, for all will fall to their knees, for the shaking will be that severe.

The mountains will fall to the valleys, and the valleys will be raised up. (Luke 3:5)

What is up will be down....

and what is down will be up!

It will be opposite world, for all things will be turned upside down....much like a pole shift!

THIS DAY IS COMING!

Only those who have their feet planted firmly on the ROCK will be able to stand, and resist!

The winds will be great, as they blow havoc across the land. Nothing will remain except what is true, good, and righteousness....all else will be swept away!

Evil will then be a thing of the past, and wickedness will be no more....for this great purging will come, and cleanse the land.

The remnant that remains will be true to ME. They are MY BRIDE WARRIORS that have stood up for ME, and what is true and just. They will remain, and enter the PROMISED LAND to MY KINGDOM!

For those who have ears to hear, prepare, so that you will not be caught up in what is coming. Instead you will be found with MY RIGHTEOUSNESS, and I will give you the garments of white.

Though most scoff, and believe not, that this day is coming....the DAY OF THE LORD!

Prepare your hearts before ME, and then I will hide you under MY SHADOW.

Soon fire will come, and burn all the impurities of the earth. I will come down from heaven to set up MY KINGDOM, and MY servants will become co-heirs to MY throne.

The time is now....

No more delays....

PREPARE, PREPARE, PREPARE!

Prepare by drawing close to ME day and night....every moment....every day!

As a Father cares for his child, so shall I watch over you.... as long as you are near to ME. Do not wander off, and do your own thing....for you will then NOT be under MY protection!

Seek ME on all things, all decisions, all plans!

Pray that your path will be smooth, and level....clear of all hindrances.

Cast the mountains into the sea....

Cast the demons into the pit....

Remove all curses that hinder!

I have come to set you FREE....so do not become again entangled in your sin....for that opens the door to the enemy!

If you keep your focus on ME, you will not SINK, but will be grounded securely!

This takes a conscious effort, and discipline that you must learn, if you are going to OVERCOME!

The time is late..., The delays are over..., Watch, for I come soon!

Your heavenly friend, and SAVIOR,

JESUS CHRIST

[I then waited, and then heard:]

"Let the trials and tribulations work in you, to make you holy and pure. Do not hinder their work, but gladly receive, for it is the rod of discipline that comes on those who are MY own. Let these trials have their full effect, as you learn to crucify yourself to ME, as I have been crucified. The servant is not greater than the Master. Prepare to suffer as a sign that you part of MY BODY. Count it as a privilege, and honor to be counted in that number!" (1 Peter 1:6-7)

"The earth is violently broken,

The earth is split open,

The earth is shaken exceedingly.

The earth shall reel to and fro like a drunkard,

And shall totter like a hut;

Its transgression shall be heavy upon it,

And it will fall, and not rise again.

It shall come to pass in that day

That the LORD will punish on high the host of exalted ones,

And on the earth the kings of the earth." Isaiah 24:19-21

THE EARTH WILL MOURN, I HAVE SPOKEN IT AND I WILL NOT TURN BACK

Message received October 13, 2023, Julie Whedbee

My daughter, I have told you many times now, the hour is very late. The separation from those who walk with Me and those who do not choose to do so is happening before your eyes. I am jealous for My people, and I will not give My glory to another. You are seeing an ancient war playing out before you, one that began with Cain and Abel continuing on with Ishmael and Isaac, and then again with Esau and Jacob. The war between the seeds is reaching a fevered pitch, as the enemy knows how short his time is to accomplish his plans of killing as many souls of men that he can before I intervene.

The seeds that were sown side by side so long ago, those with the wheat and the tares are now ripe-- one for destruction, the other for the harvest. This story of the battle that has been raging all along is sown throughout My Word. For those with spiritual eyes open and ears to hear, you are aware of what I speak, of that which is now taking place. This must be so in order that all is fulfilled. What has been planned for so long in the dark now comes to the light for all to see-- the great clash between good and evil, light and dark. All the pawns are in place and the enemy plans his big move. However, he greatly underestimates Me and what I am about to do. My great move will humble the nations and every soul alive. My indignation is upon

all nations. Every soul will know that I exist and that I am Supreme over all.

In order that all hearts are prepared for what I am about to do, you will see much. I have warned you of this, and the darkness will be almost suffocating for some, but My design is perfect, and I alone am aware of what is necessary to bring the most souls to Me. Trust Me that all is going according to My design for this season and that I am with you in every moment, every step. Pray for greater faith and to be courageous and without fear. The events will happen very, very quickly now. Listen carefully and with discernment more than ever now for your personal instructions and counsel. Pray for more wisdom, and be still in your spirit. My angels surround you and My wall of fire protects you who walk with Me. Nothing can compare with the glory that I am about to reveal in and through you.

Be ready My child, be ready! YAHUSHUA

Such a Debt, who can Pay?

I am continuing to run this story, as this is a great witnessing story to use to lead someone to Jesus Christ. I believe this could be the study you will want to share with your unsaved friends and this story and the scriptures can let them know how much God loves them and wants to forgive them.

While attending Bible College years ago I enjoyed reading stories I could use to share the Gospel and I would put them into a note book for later use. I found this story about Czar Nicolas the leader of Russia. It was such a good story of forgiveness that I have never forgot it.

So I asked my barber if he had ever heard of Czar Nicolas? He said no so I proceeded to share this story.

Czar Nicolas the king of Russia would from time to time travel to outposts in Russia disguised as someone else so he could see for himself what was going on in his country.

As he was making his tour late one night in this one particular outpost he was walking down the halls of this town hall kind of building and he noticed that the lights were still on in the office of the town treasurer.

Let me go back and explain what was going on in this office. The treasurer for this out post was misusing funds, He was losing money gambling and thinking his luck would turn back he kept digging a bigger hole that would eventually bury him. Then one day it was the day of reckoning. He received a notice that in a couple of days the bank examiners were coming to check the books and do an audit.

He knew he was in big trouble so on this same night that the Czar would be walking the halls of his office, he was up late counting money and figuring out how much trouble he was in. When he finished adding up the debt that he owed, he knew he was in to deep and there was no way out. His solution was he would take his life. He had his pistol on the table and when he finished adding up the debt he owed he wrote these words at the bottom of the balance sheet. **“Such a debt, who can pay?”**

He was overwhelmed with fatigue so he laid his head down on the desk and fell fast to sleep. While he was sleeping, this is when the Czar of Russia spotted the light on so late in the office of the Treasurer. The Czar saw the door was unlocked and he walked in. He sees the man sleeping, he sees the gun lying by his hand and he looks at the record book and realized this man had been stealing from his kingdom, a crime that would mean the death penalty and disgrace. Then at the bottom of the balance sheet the Czar spotted these words. **“Such a debt, who can pay?”** This is when the Czar picked up a pen and under the words, **“Such a debt, who can pay?”** the Czar signed his name and walked out the door.

Just before morning the treasurer woke up and realizing how long he had been asleep, he reached for his pistol to take his life and just before ending his life he looked down at the bottom of the balance sheet and saw the signature of Czar Nicolas. Finding this hard to believe he looked into his files for a document with the Czar’s signature and sure enough the Czar had been there that night and paid his debt. The next day men from the Treasury of Russia arrived with bags containing the missing money and his debt was paid in full.

The Bible says that we will all stand before God and be judged from what has been written about us in the record books of our lives. We all have been assigned guardian angels to watch over us and record every word, thought, good deeds and bad.

Just like that man in charge of the cash of his town in the story above, God has access of the record books of your life. We owe a debt that is **“Such a debt, who can pay?”** If you will call out to Jesus the one who died to pay for your debts. If you will ask Jesus to forgive your sins, Jesus will take his eraser and wipe out the sins that have been recorded in the record book of your life. Then at the bottom of the blank pages of your record book, Jesus will sign His name with these words. **“Paid in full by Jesus Christ.”**

Below I have written out important scriptures for leading someone to Jesus and I have included the sinners prayer as a guideline for leading someone to Jesus.

Share God’s Plan of Salvation

1. Admit you are a sinner and repent.

(Romans 3:10 NIV), “As it is written: There is no one righteous, not even one.”

(Romans 3:23 NIV), “For all have sinned and fall short of the glory of God.”

(Luke 5:32 NIV), “I have not come to call the righteous, but sinners to repentance

2. Believe in the Lord Jesus Christ.

(John 3:16 NIV), “For God so loved the world that He gave his one and only Son, that whosoever believes in him shall not perish but have eternal life.”

3. Confess or declare that Jesus is the Lord of your life.

(Romans 10:9 NIV), “That if you confess with your mouth, ‘Jesus is Lord,’ and believe in your heart that God raised him from the dead, thou shall be saved.

The Sinner’s Prayer

If you would like God to forgive all your sins and make Jesus Christ the Lord of your life, then stop here and say this prayer to God. (Prayer is simply talking

to God.)

Dear Heavenly Father, I know I am a sinner. I believe Jesus Christ died on the cross for me. Please forgive me of all my sins. Jesus, please come into my heart and wash my sins away. Please be the Lord of my life and help me to live for you every day. I ask this in Jesus name. Amen.

The Bible says when a sinner repents and makes Jesus his Lord, the angels in heaven rejoice. A word of warning is advised at this point. As we read in the story of the ten virgins, not all who call themselves Christians will make it to heaven. Knowing about Jesus and the plan of salvation is no guarantee of making it to heaven. When we arrive in heaven, the greatest surprise will be seeing people we did not think would make it. And just as surprising will be the absence of those we thought would be there. The Bible says Jesus knocks on the door of our hearts and wants to come in and live with us. The important thing to realize is God wants our hearts, not just our minds. Head knowledge about salvation does not save us, but sincerely allowing God to forgive and wash our sins away will allow God to give you a new heart. When your heart is changed, people will notice you have been changed and made into a new person in Christ. This is called being “Born Again.”
