Many prophets and watchmen have put out videos regarding the 3 Eclipses (2017, 2023, 2024). I thank all of them for their hard work. I want to give you an overview of how awesome God is. All the signs in

the sun, moon and stars show his soon coming. These signs are put out by God, for his glory. All these signs, put together, are UNREAL and show he is truly God. This is an overview of what is lining up on April 8, 2024.

God is known for repeating patterns and numbers in the Bible. He uses the same number of days for many occurrences that repeat over and over. e.g., 3 days of darkness in Egypt; 3 days of darkness in the fish that swallowed Jonah; Saul was blinded for 3 days and after being given back his sight, then becoming Paul. Of course, when Jesus died, he came back from the darkness of death, 3 days later. All these biblical occurrences were based around 3 days and darkness.

An interesting fact is that the 3 days of darkness, that happened in Egypt, was on April 8, which was the first day of darkness. This was the 9th plague of the 10 plagues in the land of Egypt, right before Moses took the Israelites out of Egypt. Genesis 1:14 told us that the Sun and the Moon and Stars were for signs. Solar Eclipses are only on a new moon and lunar eclipses are on a full moon. **(Thanks to Paul Begley- Breaking "Total Darkness"- YouTube)**

Eclipse Definition

A solar eclipse occurs when the moon passes between the Sun and Earth, casting the Moon's shadow on Earth. A solar eclipse can only happen during a **new moon**.

For any given place on Earth, a solar totality appears **just once each 375, on average**. Here and there, a few odd places enjoy two totalities in a single decade while others must wait for more than a millennium. Some locations receive total solar eclipses only a few years apart. But not many!

Alpha and the Omega/ Tav & Aleph

August 21, 2017 – Total Solar Eclipse

October 14, 2023- Annular Solar Eclipse

April 8, 2024- Total Solar Eclipse

When looking at the path of darkness these **3 solar eclipses** cast on the USA, they create appearance of the early paleo **Hebrew letter Aleph** or **first letter of the Alphabet** (this looks like the letter A at an angle).

When you take the **total solar eclipses from 2017 and 2024**, where they connect you get an X which is directly over the New Madrid Fault Area of the USA. This **X is the last Hebrew letter of the alphabet which is called Tav**. In Hebrew the Tav means a mark or a sign, ownership, seal, covenant, or to join two things together.

So, these eclipses are the first and last letter of the Hebrew Alphabet which corresponds to the **Greek alphabet or the Alpha and the Omega**. **God is known as the Alpha and the Omega and the beginning and the end**. Is God marking these solar eclipses with his name?

The X can also be looked at, as a cross. What if it is suggesting that Jesus was on the cross. Jesus' final words were, "It is finished". Could this be the finish to the United States?

Where the two total solar eclipses make a X, it exactly falls on a street called Salem.

Revelation 1:8 NKJV

⁸ "I am the Alpha and the Omega the Beginning and the End," says the Lord, "who is and who was and who is to come, the Almighty."

Revelation 22:13 KJV

¹³ I am Alpha and Omega, the beginning, and the end, the first and the last.

Information on the Total Solar Eclipse

The expected duration of totality is around 4 hours, starting around 11:07 a.m. PDT and ending around 5:16 NDT. States in the path of totality for the 2024 solar eclipse include Texas, Oklahoma, Arkansas, Missouri, Illinois, Kentucky, Indiana, Ohio, Pennsylvania, New York, Vermont, New Hampshire, and Maine.

Actual length of time for darkness in each town is less than 5 minutes.

History of Why Jonah was Listened to When Arriving at Nineveh

June 15th of the seventh of 763BC is the first of Elu on the Hebrew calendar, and what did Jonah say? He said 40 days and God will judge you. The reason God gave Nineveh 40 days was because 40 days after the first of Elu is the day of atonement which is Judgement Day. Also, Elu is the month of repentance. Nineveh's people listened to Jonah since a Solar Eclipse corresponded with his visit.

So, the sign of Jonah can be construed as a Solar Eclipse. This ties to both the Solar Eclipse and when Jesus was on the cross. The sun went

dark for 3 hours (this is not a normal darkness that can be equated with eclipses).

Cuneiform tablets were found in the 19th century, and they describe the Bur-Sagale Eclipse that NASA verified occurred June 15th, 763 BC. The path went over Nineveh. To make matters worse, two years before there was a plague (the ruler could not go to war even though that was the custom) and was followed by a civil war and another plague. When Jonah showed up, they were ready to listen.

When it is said we will have 3 hours or 3 days of darkness it is a tie into Jesus/ Jonah/ Solar Eclipse; we are in the last days

Thank you: April 8th Eclipse, What You Need to Know... -Troy Brewer-YouTube

Parallels to 763 BC

Looking at the last section we found that in 763 BC (Nineveh's timeline) that two years before Jonah came to town there was a **plague** which kept the ruler from going to war, which was followed by **civil unrest** and then **another plague**.

*We have just had, in **our current timeline**, a **plague** that kept the world inside, followed by all counts civil turmoil within most nations and a war that is starting and looming over this world.*

Then the Total Solar Eclipse of April 8th will possibly have 3 hours instead of a less than 5-minute shadow of darkness, that envelopes it's path (to correspond to Jesus' death at the 9th hour or 3 p.m.). This is an impossibility with eclipses. I think that God will totally surprise all, in an epic display, all at one time. So, this scenario is probably unlikely.

What happened after the eclipse of Jonah's day was REPENTANCE for 40 days. This repentance was mandatory for the survival of Nineveh.

Our survival of America, as well as the whole world, is tied to us repenting and turning from our evil ways. Can we do this like Nineveh or are we too proud, too warlike? Remember, God repeats patterns.

Revivals might spring up throughout the world, waking the sleeping dead (those who are not the chosen, who do not follow God's rules). For when Jesus died, he spent three days in darkness and came back from the dead, to have his last 40 days on Earth. Could this be the last 40 days where the wheat and the tares are separated? Could this be the time of separation for those who are willing to repent and change their ways? Could the rapture follow after the 40 days?

These are educated guesses, but I am only a human and make mistakes like everyone else. God is always in control.

With calendar changes, different calendars, I do not know what these dates might represent now. This year Purim falls on the evening of March 23rd to March 24th. Purim is a feast that was established by Israel and not by God. Passover is April 22-30 (14-22 Nisan 5784). Could YOUR feasts (since not created by God-Purim), turn into mourning?

Amos 8:10

I will turn your feasts into mourning, And all your songs into lamentation; I will bring sackcloth on every waist, And baldness on every head; I will make it like mourning for an only son, And its end like a bitter day.

A Penumbral lunar eclipse happens on March 24th to March 25th. We have Palm Sunday this year on March 24 and Easter Sunday on March 31st. So many overlapping eclipses to the past, what are the chances?

The main purpose for God's light in the heavens is to act as signs to signal his appointed times and to mark his feast days.

Gen 1:14

14 Then God said, "Let there be lights in the firmament of the heavens to divide the day from the night; and let them be for signs and seasons, and for days and year

Example:

Blood moon tetrads signaled Israel becoming a nation again in 1948 and again when they took back Jerusalem in 1967.

No matter what order, what happens and when, just remember God is in control of it all. God wishes to wake us up, shake us up and then bring us up. Even though we might think how we can be going thru this in our lifetimes, God wishes for us to get to Heaven. We need to know of our Lord and Savior, we need to Repent and need to stay away from all sins. Our wakeup call, this time, will not be with an alarm clock and coffee!

Jonah and Location Signs

Luke 11:29 NKJV

29 And while the crowds were thickly gathered together, He began to say, "This is an evil generation. It seeks a sign, and no sign will be given to it except the sign of Jonah the prophet.

If this is the only sign God will show us, then the X going thru America will possibly mark the spot of destruction. The X goes thru cities Like Little Egypt, Nineveh (7 cities called Nineveh in Indiana, Texas, Missouri, Ohio, Penn, Virginia, New York) and the total solar eclipse will hit all of them. It will even hit another 2 Nineveh's in Canada as well. Jonah (2 cities) & there are only 2 Jonah's in the USA, Enoch (3 cities), Elijah (2 cities), Groom, Joppa-total of 12 Joppa's in USA and

will cross 6 of them (Jonah went to Joppa to escape from God), Gourd (covering from tree for shade) one in USA and going thru it, Noah (3 cities), and right at the X is Little Egypt and close to that Rapture, Indiana. Rapture Harmony Township, Indiana has a Goodman Rd. (The Goodman of the House watched). As the Total Solar Eclipse works its way up from Texas to Maine, it will go thru cities like Groom, Jonah, Nineveh, Boaz, Ruth, Naomi & Gourd. What are the chances?

It also turns out that the New Madrid fault zone is directly dead center where the X is. On August 21, 2017, the Total solar eclipse SE path went thru 7 cities called Salem. The cities of Salem were in Oregon, Idaho, Wyoming, New England, Montana, Kentucky, and South Carolina.

That the name **Salem** refers to **Jerusalem (Jeru Salem)** is evidenced by Psalm 76:2 which uses "**Salem**" as a parallel for "Zion", the citadel of **Jerusalem**. The same identification is made by Josephus and the Aramaic translations of the Bible.

The solar eclipse starts in Eagles Pass, Texas (first city that the solar eclipse will pass over in USA on April 8, 2024,) going to Maine. The Eagle is our national bird. Eagle Pass is also ground zero for the southern border crisis with people going over the border. This is the city where many people are entering the USA, to take it down.

*Eagles Pass also has a prophetic meaning as well. One should look at Matthew 24 it talks of the coming of the Lord and the Rapture of the church (is also known as where the Eagles gather). Jesus is coming soon, and the heavens are declaring this. Now we are worrying about civil war due to state and federal having different agendas. Jesus will be coming back for us, and we will meet him in the air (clouds) or where the Eagles gather. **(Troy Brewer) ***

More interesting Facts:

7 is the number of judgements. There are 7 seals, 7 trumpets, 7 bowls. Nimrod built Nineveh which was a very wicked city. USA is the wicked Babylon that is in the Bible who will get their just desserts.

Egypt received a plague by God that were locust (which are closely related to cicadas). So now, the cicadas are going to be extremely heavy in Chicago area and neighboring areas. The dual cicadas are happening the same time as the eclipse and is in the general area of the New Madrid zone.

The Solar Eclipse will be going thru Winston, Ky. Noah's Ark (facsimile) is right where the X is. What are the odds that the eclipse will be 98% in this area? Could this be God telling his children to get on the Ark before it is too late?

2024 Jubilee Calculation: There have been exactly 70 Jubilee's since the Israelites first entered the Promised Land and began counting the 49 year cycle: $1407 \text{ BC} + 70 \text{ Jubilees (3,430 years)} = 2024$, 2024 is a Jubilee and attests to the 70 Weeks Prophecy.

Not only does the Eclipse pass through 7 US cities named Nineveh, but unbelievably, there are ONLY 7 total US cities named Nineveh in the entire United States. So, the path of the Total Solar Eclipse of 2024 will literally cross over every location called "Nineveh" in the United States.

Thanks to: Blazingpress- Shocking! There were 2 Eclipses 7 Years Apart When Babylon Fell Too! and also Steve Quayle

From the Eclipse of April 8th to the election, to the exact day, is 7 months. 2017 eclipse went thru 7 cities called Salem which is Hebrew for peace. The 2024 eclipse goes thru 7 cities of Nineveh. You can't make this stuff up. Then the saying 40 days and 40 nights.....From April 8th add 40 days and 40 nights comes to Pentecost.

Jonah 3 Days and 3 Nights

Jonah 1:17

*Now the Lord had prepared a great fish to swallow up Jonah. And Jonah was in the **belly** of the fish **three days** and **three nights**.*

Matthew 12:40

*For as Jonah was **three days** and **three nights** in the whale's **belly**; so, shall the Son of man be **three days** and **three nights** in the heart of the earth.*

What if Matthew 12:40 is telling us that there will be an event of 3 days of darkness that will happen (on or around) at the sign of Jonah? Hundreds of prophets have had dreams and visions of this darkness coming. Many have claimed that after this darkness, the chosen will become light to carry on God's work for a revival that has never been seen.

Jonah & The Warning Delivered

I believe that we are in for 40 days warning from April 8th, 2024, to May 18, 2024, and then destruction might come if the 40-day warning is similar to Jonah.

The day after the 40-day warning, is Pentecost, Sunday, May 19, 2024. Pentecost is celebrating the **descent of the Holy Spirit** on the disciples of Jesus, upon Jesus' Ascension to Heaven. When Jesus came back from the grave after 3 days, he stayed on the Earth for **40 days before he ascended to Heaven.** His ascension was important so that the Holy Spirit would guide the disciples of Jesus. Could this be the time frame where God's chosen are endowed with gifts from God to accomplish a Revival that will certainly hit the Earth? The purpose of this revival is to awaken all those to God's glory and existence so to bring most to Salvation thru our Lord and Savior.

Story of Jonah 3

3 Now the word of the Lord came to Jonah the second time, saying, ²“Arise, go to Nineveh, that great city, and preach to it the message that I tell you.” ³So Jonah arose and went to Nineveh, according to the word of the Lord. Now Nineveh was an exceedingly great city a three-day journey in extent. ⁴And Jonah began to enter the city on the first day's walk. Then he cried out and said, “Yet forty days, and Nineveh shall be overthrown!”

⁵ So the people of Nineveh believed God, proclaimed a fast, and put on sackcloth, from the greatest to the least of them. ⁶ Then word came to the king of Nineveh; and he arose from his throne and laid aside his robe, covered himself with sackcloth and sat in ashes. ⁷ And he caused it to be proclaimed and published throughout Nineveh by the decree of the king and his nobles, saying,

Let neither man nor beast, herd nor flock, taste anything; do not let them eat, or drink water. ⁸ But let man and beast be covered with sackcloth, and cry mightily to God; yes, let everyone turn from his evil way and from the violence that is in his hands. ⁹ Who can tell if God will turn and relent, and turn away from His fierce anger, so that we may not perish?

Jonah in Fish / Nineveh Warning

Jonah 1:17 NKJV

¹⁷ Now the Lord had prepared a great fish to swallow Jonah. And Jonah was in the belly of the fish three days and three nights.

Jonah 3:4 NKJV

*⁴ And Jonah began to enter the city on the first day's walk. Then he cried out and said, "**Yet forty days, and Nineveh shall be overthrown!**"*

Jonah told Nineveh, the evil city, that was slated for destruction that they had only **40 days before they were to be destroyed by God**, unless they repented. The Hebrew word translated "repent," teshuva, means simply to "return" to God. **There was a total solar eclipse over Nineveh as Jonah gave the 40-day warning.** The eclipse showed Nineveh that Jonah was a profit of God, and they were willing to listen which stalled their demise for a very long time (100 years). Their repentance was what God wanted from them. If there wasn't a sign in the sky, I doubt this wicked group of people would have listened to Jonah.

America mirrors Nineveh and this total solar eclipse is a message from God for our repentance.

Luke 4:2 NKJV

² being tempted for forty days by the devil. And in those days, He ate nothing, and afterward, when they had ended, He was hungry.

Jesus was tested by satan for 40 days. Jonah tested the Ninevites for 40 days thru Jesus telling all to get in Sackcloth and ashes and to repent for their evil deeds. America aka Babylon will be tested for 40

days from April 8, 2024 (or possibly earlier) and will either get a reprieve, like Nineveh, for a short period of time or will be found wanting. If found wanting, we will be destroyed, most likely 40 days after the X warning. We do know it will happen at some point, for it is written. God does repeat patterns, but he also modifies them slightly between occurrences.

Good Friday/ Resurrection Sunday & Easter

Another possibility of darkness is that on March 29, 2024, is Good Friday, the day of Jesus Crucifixion. While Jesus was on the cross, the sky became dark from 3 pm to 6 pm (At 3 pm he died, and the veil of the temple was torn in two and there was an earthquake. On Passover day, many graves were opened, and the bodies of the Saints were raised Matthew 27:53). Jesus dies and spends 3 days in darkness in the grave. Resurrection Sunday is Easter Sunday or March 31, 2024. Could this be the 3 days of darkness that might occur from Good Friday (March 29) to April 1st which would start the 40 days of repentance and possibly the revival? Will revival start at the end of the 40 days of repentance? God has said that he will put signs in the sun, moon, and stars. Just remember the signs in the sky are just a roadmap and are warning to what is coming (just like a sign says BUMPY Road Ahead). We all need to take heed of what we are seeing.

Another Concept of Noon

Darkness comes at noon. **Amos 8:9** *"And it shall come to pass in that day," That I will make the sun go down at noon, and I will darken the earth in broad daylight.*

God follows patterns. In bible days, noon time was considered 3 p.m. But when you study the scripture, the darkness started in the sixth

hour putting it back at noon and since time has progressed, noon is now 12:00 pm. This makes the word of God true. Jesus was on the cross and was in darkness for 3 hours which represents the three days of darkness. The pattern is the same, but yet different.

How can it be noon in different time zones? When you realize there are 24 time zones in this world, man has created all to come to one point of convergence at the North Pole. At the North Pole there is no time. This gets very deep and to be honest, is beyond my understanding. But it is interesting that the scripture say it will become dark at noon, comes to light (pun intended), another verse now takes on a fuller meaning. Much more to this very interesting video having to do with the 3 days of darkness.

Thanks to Vicky Goforth Parnell- YouTube- 3 Days of Darkness Zoom Meeting 3-12-24

3 Days of Darkness

God's calendar starts on the Month of Abib (Nisan) which is March 19, 2024, (evening). This is the starting month of God's calendar (Exodus 12:12). The 14th day of Abib is considered Passover on God's calendar which falls on April 1, 2024 (at sundown). Will April 2nd be where our feasts turn into mourning?

This was the same night the "destroyer" came through the land of Egypt to kill the firstborn male of every man and beast (one of the ten plagues #10). However, the "destroyer" could not harm those who sacrificed the Passover lamb, those who placed the blood over and on the side posts of their door.

Another possibility may be Ascension Day which is May 7- 9, 2024, where Jesus left the Earth after 40 days from coming back from the grave.

These are all high watch times.

Both Umling and Parnell have had visions/ dreams that in three moons, we can expect something major to happen. Please watch their videos for more exact dates and information.

What to Look Out For at the Start of 3 Days of Darkness and What You Need to Know if this Plague of Darkness Comes Once Again

Auroras in the Sky. WARNING Just in Case

(Hundreds of people have had God given dreams and visions of the 3 days of darkness. I take these warning seriously)

1. **Auroras will be in the sky**, throughout the world. Darkness can start very shortly after these auroras begin. Exact timing is not known.
2. **Go home** immediately, do not spend precious time looking at the auroras of swirling lights. Find a room that will be comfortable near a bathroom that you can stay in for 3 days.
3. Get **trash bags** (black) and tape them up so no light can go in or out of the windows.
4. Get white **candles** (not scented or colored) and matches.
5. Get **food and water** and can goods to supply your needs. You will not be able to see much in most cases, know where everything is. **Fasting** would be preferable. Houses with Christians may have light.
6. Get any **medications** you might need.
7. Get **warm clothing**, pillows, blankets, cots, bed so you can stay as comfortable as possible.
8. **Darkness** will start to descend, and you will actually feel this darkness. You might feel an earthquake and then you will be at the beginning of the 3 days of darkness.
9. **The closer you are to Jesus, the better off you will be.** The darkness outside (demons) will be attracted to those who are in sin. Whatever you hear outside, try not to pay attention. Demons will try to get you to go outside and even pretend to be a loved one with a voice you are familiar with. Believe me, if it is outside, it is already dead!
10. **There is a Heaven, and a Hell** and God is giving you a wake-up call to repent and stop all sin in your life. Pray to God in Jesus name for forgiveness of all sins, past and present. Make sure you have forgiven

everyone who has ever done you wrong. Ask for God's help. Give your life to God during this time.

11. Under no circumstances, **do not look outside**. The sight of what is outside, will most likely kill you.

12. If you have a **mechanical watch**, put it on, digital will not work. Other possibilities not working are electricity, some candles, flashlights, or anything you normally count on.

13. **Ask Jesus into your heart** and know that he is our creator. This is your wakeup call before it becomes too late, and you wind up in a place that is NOT Heaven.

14. If you are part of the chosen bride who are following all of God's rules, you will most likely be **translated** to light during this time.

15. If any people disappear or are raptured before or during this time frame, know that you will most likely find them in Heaven waiting for you.

16. **Anoint your home, windows, pets and yourself** with olive oil after praying over it.

17. **Take a picture of this list on your phone**. If you see the Auroras, find these pictures of instruction, and send it out to all your friends and relatives to give them a heads up of what is happening. You can save many lives by this simple task. **Take these pictures NOW!**

18. **No sin is allowed into Heaven**. Repent and stop all sins, now!

16. God loves you and wants you to be a part of his Kingdom.

Will God Visit Us During the Darkness?

For it has been said that God will visit everyone during the darkness and show us our sins, shortcomings, and encumbrances that keep us bound to this Earth and darkness. This would certainly wake-up the masses extremely fast. Now, eyes will see, and ears will start to hear.

3RD Day After the Eclipse- The Signs in the Sky

After the **3rd day** from the eclipse the moon is in the constellation of Aries (Hebrew=Taleh or Lamb). The new moon represents the Messiah or Bridegroom. Jupiter, the Bride of the Lamb (male child) from the Revelation 12 sign are the true Christians. (Note: Many believe that the male child is Jesus, but assuming it can be either or both let me continue.)

The **3rd** day represents the resurrection of Jesus from the grave. The dead in Christ rise first, and then we follow to meet Jesus in the air. April 10, 2024, the **3rd day** of Nissan begins. It is the first month of the Jewish calendar. The wedding at Cana in Galilee occurred on the **3rd** of Nissan. Another tie into the Wedding of the Lamb.

Every single planet (exception of Pluto, which is no longer considered a planet) is in the constellation of rapture and every planet is in the correct position to tell the story of the rapture.

God gave the people of Mount Sinai, **3 days** to prepare, to meet with him. This is a foreshadowing event of the rapture. On April 10, 2024, will be the **3rd day**. (Exodus 19:10-11,13-16,19-20). At the sound of the trumpet of God, we will go up to meet him in the air. (Exodus 10:21-22).

While the Israelites were still in Egypt, darkness came to the Earth. A darkness that could be felt. (Exodus 10:21-23). The restrainer will be removed at this darkness. Satan will have free reign for 7 years.

Story of the 153 Fish Catch

The story of the catch of 153 fish near Capernaum, Jesus chosen home city, at the shore of Galilee is the 3rd time that Jesus was revealed to his disciples after he was raised from the dead.

The wedding in heaven occurs on the band of the fish in the sky. Many have wondered what the 153 fish stand for. But I believe that the signs in the sky are the answer to that question.

Firstly, Jerome claimed 153 fish species, or the catch became the symbol of a fruitful mission as fishers of men. As fishers of men, God has always said he will not lose even one of them. The net was not broken even with the high yield of fish.

John 21.11

11 Simon Peter went up and dragged the net to land, full of large fish, one hundred and fifty-three; and although there were so many, the net was not broken.

153 fish is about the rapture of the church. 153 brings us to Pentecost. Pentecost is on the 15th day of the 3rd month (15 is the first portion of 153 and 3rd month is the 3 of 153) on the Jewish calendar. On God's original calendar all three feast days were on the 15th day.

There are 7 appointed times in where 3 are feast days. The Feast of Unleavened bread and the Feast of Tabernacles begin on the 15th day of the respective months. All are on the 15th of God's original calendar. These are meetings with God.

The Rapture brings the age of grace to a close. The account of the 153 fish occurs at dawn it tells us who will be raptured. It will be the

Christian who is the symbol of the fish (in the sky). The eclipses are the road map to the rapture and tribulation.

Revelation 12 sign to the eclipse of 2024 is 6 years, 6 months, and 16 days which is 666, or the number of the beast. So, June 16, 2022, to the 3rd day after April 8, 2024, is 665 days. So, will the antichrist appear on the 666 day?

This answer to when, why and how is pretty convincing. Only time will tell.

7 Year Plenty, 7 Year Famine

Seven-years of plenty (Sept 2017 to April 2024 is 7 years), now we take on the 7-year famine. The first eclipse in September 2017 was the initial warning we have only 7 years before we take on the famine). It only makes sense that the famine will be concurrent with the Tribulation. This will be a repeat of what we saw with Joseph, with his dream of 7 years of plenty and 7 years of famine.

Dividing of My Land

Joel 3 NKJV

(If Israel is divided in a two-state solution, he will divide our land.)

3 “For behold, in those days and at that time,
When I bring back the captives of Judah and Jerusalem,

² I will also gather all nations,
And bring them down to the Valley of Jehoshaphat;
And I will enter into judgment with them there
On account of My people, My heritage Israel,
Whom they have scattered among the nations;
They have also divided up My land.

Wake up the mighty men,

Let all the men of war draw near,

Let them come up.

¹⁰ **Beat your plowshares into swords**

And your pruning hooks into spears;

Let the weak say, ‘*I am strong.*’ ”

¹¹ Assemble and come, all you nations,

And gather together all around.

Cause Your mighty ones to go down there, O Lord.

¹² “Let the nations be wakened and come up to the Valley of
Jehoshaphat;

For there **I will sit to judge all the surrounding nations.**

¹³ **Put in the sickle, for the harvest is ripe.**

Come, go down;

For the winepress is full,

The vats overflow—

For their wickedness *is* great.”

¹⁴ Multitudes, multitudes in the valley of decision!

For the day of the Lord *is* near in the valley of decision.

¹⁵ **The sun and moon will grow dark,**

And the stars will diminish their brightness.

¹⁶ The Lord also will roar from Zion,

And utter His voice from Jerusalem;

The heavens and earth will shake;

But the Lord will be a shelter for His people,
And the strength of the children of Israel.
¹⁷ “So you shall know that I *am* the Lord your God,
Dwelling in Zion My holy mountain.
Then Jerusalem shall be holy,
And no aliens shall ever pass through her again.”

War Tie Into Solar Eclipses

Since the inception of the USA, we have only had 8 Total Solar Eclipses. Possible soon coming correlation with War.

June 24, 1778, and Oct 27, 1780, American Revolutionary War

(Apr 19, 1775 – Sep 3, 1783, Actual War Dates)

July 18, 1860, Aug. 7, 1869, July 29, 1878, American Civil War

(Apr 12, 1861-Apr 9, 1865, Actual War Dates)

Mar 7, 1970, and Feb 26, 1979 - Vietnam War

(1954- 1975) Actual War Dates)

Aug 21, 2017 (warning) and Oct 14, 2023 (annular eclipse which crossed the USA) and April 8, 2024. World War 3 could be a possibility.

Meeting After Each Solar Eclipse & Tie into War

The Aug 21, 2017, crossed over USA and went through seven cities with the name of Salem. Salem is known as Jerusalem. Jared Kushner met with Saudi Crown Prince Mohammed bin Salman to discuss Israeli-Palestinian conflict the day after the solar eclipse on Aug 22, 2017.

On Oct 15, 2023, Blinken meets Saudi crown prince and calls for pressure on Hamas to release hostages. This was the day after the 2nd of 3 Solar Eclipses occurring in the USA.

So, with these two eclipses there are 2 Saudi USA meeting the following day after the eclipses, to discuss the Israeli Palestinian conflict. On April 9, 2024, will there be a meeting, that has to do with a two-state solution. For if so, God will split our land.

The eclipses of 2017 and 2024 are 2422 days between them or 6 years, 6 months, 6 weeks, 6 days apart. Or 6666 What are the odds?

Comet 12P Pons/Brooks the Devils Comet/ Foreshadowing of Possible Earthquake

Comet 12P Pons has the appearance of horns which gives it its name. When this volcanic comet erupts, the appearance of horns can be seen.

This comet has a solid nucleus, Hard Icy Shell which is made of ice, gas and dust and surrounded by a cloud. As it gets towards the sun it can super heat up its interior.

WARNING: A few prophets have had visions that it could be dangerous, even with glasses, to watch this eclipse. It has been mentioned that there might be a possibility of another pandemic

planned, that might be airborne. This event will have millions of people from all over the Earth coming to see it. Whether this will be the case or not, I thought I would mention it (when two or more).

The Devil's comet came by in the 1800's last time there was a **X** on our country around 1811. This comet is also known as Comet 12P Pons/Brooks. It has a cycle of every 71 years. What are the chances that this comet will be arriving April 8, 2024, and reaching its closest to the sun on April 24, 2024, for the total solar eclipse?

On June 16, 1806, and on Sept 17, 1811, five years later (number of grace) This intersection was over New Madrid. Illinois to Missouri. 1811 (dec 1811- three months later came a massive earthquake) There were many earthquakes at that time. Over 2000 in central Midwest. 8.1, 7.8, 8.8. You could feel the quakes all the way to N.Y. and Boston. It even made the Mississippi River run backwards.

Can we assume that God is marking this area for destruction?

This eclipse is 7 years between Solar Eclipses, the number 7 means it is complete or finished. God said on the cross when he was dying, "It is finished".

Israel is in war now, they will sign a peace treaty, probably this fall, right after that, the other sign will appear in the heaven, the great **red dragon**, **Nibiru** is the **red dragon** with seven heads or seven object in orbit around it.

Devils Comet will reach a magnitude of 6.66 on 03/10/24 at 1:27:22 on 04/08/24 at 1:29:8 with a magnitude of 4.72. (**Steve Fletcher**)

Jesus Death- Eclipses- Gentiles and More

At the time of Jesus' death there was a very unusual celestial sign.

If you look at all the Lunar and Solar Eclipses that occurred between 29AD and 34 AD the only Total Lunar Eclipse falls on the feast of Passover, the time of Jesus Crucifixion in 32 AD. The scriptures mentioned in Matthew 27:45 Amp

Matthew 27:45 KJV

⁴⁵ Now from the sixth hour there was darkness over all the land unto the ninth hour.

This means that there was 3 hours of darkness. This mean it could not have been a Solar or Lunar Eclipse (longest 7 ½ minutes, this one under 5 minutes). So, if it wasn't either a solar or lunar eclipse, what was it?

Because of the Jews reaction of the Messiah, not being Jesus, according to the Pharisees and Sadducees, allowed for the gospel to come to the Gentiles. The shedding of Jesus Christ blood is what made it possible as Gentile believers to be accepted into the body of Christ.

2 more solar eclipse are coming in 2025

Planets Lining Up

The 7 planets (Venus, Jupiter, Saturn, Mars, Mercury, Uranus, Neptune) in our solar system will be in alignment as the Total Solar Eclipse of 2024 crosses America. Also, a Comet 12P Ponce Brook comes into the shadow of the sun during the Total Solar Eclipse.

The next planetary alignment takes place on April 4, 2024. It will feature four planets – Venus, Neptune, Saturn, and Mars. The planets will align in the morning sky. Venus, Saturn, and Mars will be visible to the naked eye, but you'll need a telescope or high-powered binoculars to see Neptune.

But everything that I have just shared with you pales in comparison to a discovery that has been made by Rachel Baxter. (Michael speaking) In addition to our planet, there are 7 other recognized planets in our solar system.

In January, all 7 of those planets, along with the sun and the moon, began to "line up" in the sky.

This is different from a "planetary alignment". During a "planetary alignment", several planets appear to be stacked behind one another as one looks out from the Earth. But in this case, the other planets in our solar system are actually forming a straight line in the sky. This is how Rachel explained it in an email that she sent me...

Beginning in January 2024 an alignment of the other 7 planets began to take shape and will continue through mid-May. Opposite the earth

– when looking from Jerusalem to the East (which I believe is the way the Lord “keeps time” with His planets) all 7 recognized planets will line up in 3 constellations of Pisces, Aries, and Taurus. They will look to be in a line (not what people commonly think of as a planetary alignment where the planets disappear into one bright light from our viewpoint.)

On April 8th, the sun, the moon, and the other planets in our solar system will appear to form a straight line in the sky when looking out from Jerusalem toward the east. The following is from a graphic that Rachel sent to me...

I want to thank Rachel Baxter (Signs in the Heavens Happening NOW) for allowing me to share this remarkable information with all of you.

Rachel asked ChatGPT how frequently the planets line up like this, and she was told that it would only happen once in 19 million years.

And when she included the sun and the moon, she was told that it would only happen once in 32 million years

All seven planets were lined up on March 17-19 Unbelievable! These are all signs in the sky that lead us to what will be occurring in the near future!

Double Diamond Ring

A “double diamond ring is a rare phenomenon when two slivers of the sun suddenly and simultaneously appear to flash during the beginning and the ending of totality.

The moon covers the sun and only gives light going fully around the moon at its edges. Then two bits of light come thru almost looking

like a diamond ring. This will be seen at Eagle Pass, Texas at 3:51 CDT. If you read the time backwards (3:51 CDT), you will see 153 like In the number of fish that were caught (John 21:11) The fish alludes to Rapture of the Church. Could this be God's wedding proposal to his bride?

Lunar Eclipses vs Solar Eclipses

Lunar Eclipses refer to judgement towards Israel, but Solar Eclipses mark the area of judgement. This is the very first Total Solar Eclipse since 1776 that has ONLY hit the USA (2017, 2023 (not Total) & 2024). Does this mean that God has put a target on our nation. On April 8, 2024, this will be the ninth Solar Eclipse to go over America.

Northern Kingdom Parallels to War

Northern Kingdom and America parallels Amos 3:11 advisory surround us (Russia and China as our judgement)

Amos 3:11 war judgement and how correlates to Aug. 21, 2017 & April 8, 2024

Amos 3:11

¹¹ Therefore thus saith the Lord God; An adversary there shall be even round about the land; and he shall bring down thy strength from thee, and thy palaces shall be spoiled.

- a. Amos 3:11 11= Judgement
- b. Conclusion is war

Northern kingdom there was an earthquake and if we look at the X it marks where the New Madrid earthquake might occur. Amos 1:1

Amos 1:1 KJV

*1 The words of Amos, who was among the herdmen of Tekoa, which he saw concerning Israel in the days of Uzziah king of Judah, and in the days of Jeroboam the son of Joash king of Israel, two years before the **earthquake**.*

Since Joel 3 ties into much of this and the signs we will be seeing, we can possibly conclude that WW3 will be played out on our lands as well as many other countries. Babylon will be destroyed in one hour. Does Israel separate their land (two state solution) right before April 8th, 2024, or May 18th? Do we get our land separated by God as a result? We do know it will happen at some time, for it is written.

Many more interesting occurrences that tie to Jonah, Nineveh, repentance, war can be found by going on YouTube or other platforms and searching on April 8, 2024, and solar eclipse. I have given a few incredible highlights of the hints God has given us for the upcoming Total Solar Eclipse. It makes me wonder if this is what we have all been waiting for. Please research for yourself and be amazed!

Feast of Trumpets

On Oct 2, 2024, there is another annular eclipse on the eve of the **Feast of Trumpets**. Will there be any significance to this. This eclipse is over the oceans and not land. Could this represent the nations and judgement for them at the 70th week of Daniel?

Hebrew Year 5784 is until October 3, 2024. But on October 2, 2024, there will an annular eclipse on the **Feast of Trumpets**. Could this be the conclusion of all eclipses and if repentance has not been accomplished that the **feasts will be turned into mourning?**

Amos 8:10

*¹⁰And I will turn your **feasts into mourning**, and all your songs into lamentation; and I will bring up sackcloth upon all loins, and baldness upon every head; and I will make it as the mourning of an only son, and the end thereof as a bitter day.*

Will the USA repent and learn from the past? Will we wake up like Nineveh did when Jonah told them they must repent? For they lasted another 100 years after his warning. This gave God time to replant many into other sections of the world.

111 Foot Cross at Where the X Meets

Where the X meets from the 2017 and 2024 total eclipses in Missouri and Illinois there is a religious cross that is called the Bald Knob Cross

and is also known as the cross of peace. It is 111 feet tall or 33m (meters)

Bald Knob Cross, Alto Pass, Illinois

*Towering above the landscape at an over 111 feet, and visible for over 7,500 square miles, this is the **Bald Knob Cross** of Peace – one of the largest **crosses** in the United States.*

Solar Eclipse Going Thru 13 or 16 of the Largest Crosses in America- With 90-100% coverage

There is another cross that is considered to be the largest cross in the USA at 198 feet. Known as the "Cross At the Crossroads," this massive metal cross is just short enough to avoid the FAA. The total solar eclipse will be going thru it in Effingham, Illinois as well. Many other crosses that are considered the 16 largest crosses in the USA are in the path of the eclipse or just outside the path by a short distance. Unbelievable! Coverages are approximate.

Carbondale Where the X Marks the Spot & is Tied to Abortions Now & Sacrifice of Humans in the Past

Carbondale, Illinois is where the X is marked on the USA where the two total solar eclipses cross. Carbondale can be linked to “Little Egypt” in Southern Illinois to ancient civilizations. These civilizations had many sacrifices in Little Egypt. Mesoamericans were called the Cahokia and there was much human sacrifice in the area.

There weren't any abortions done in Carbondale until Ro vs Wade was overturned. Now there are a great deal of abortion clinics are in Carbondale. Is history repeating, are we to pay attention to what is playing out once again? Has God had enough?

It is interesting that Carbondale is where X marks the spot. The total solar eclipse starts at 12:42pm and will be at its peak at 2:01pm.

ESTHER and the Correlation with Exact Solar Eclipses Pattern

The story of Esther is an entire template of the end times. In 2024 you will note that all eclipses dates match the eclipses that were in Esther's time. The very year that Esther was crowned Queen in the biblical story in 480 BC. The eclipses from Esther's time are an overlay of 2017 -2024. They uniquely only land in two constellations unlike any other given year, those two constellations are tied to the story of Esther. Pisces is tied to Haman. There are many signs that lead to the Solar Eclipses being connected to Esther. Watch this important video if you want to see the tie ins.

Poem of the Sign of Jonah- By LynL

God's Warning to the Children
Can be found in his eclipses
Three lines through the states
Do you know the dates?

Aleph and Tav, Beginning and End
His Name drawn on the land
X marks the spot
The signs foretold long ago
Are now circumnavigating the globe

The sun, stars, and moon
Were designated as signs
For this evil generation
Is warned by the sign of Jonah
For it can be told, what April 8th, will unfold

Seven planets lining up, in a straight line
New Madrid, dead center, marked with an X
Eclipses passing through Jonah & Nineveh
War correlations to past events, all line up now
What are the chances?

Is God telling us we need to repent,
For we are an evil and adulterous generation.
Is this our 40-day warning?
Should we get on our knees?
God Repeat patterns
Will 3 days of darkness be our just desserts?
Time will tell if we are sheep, or the goats
Where is our home? Above or below?
Only the Father knows

Use this time to repent and cry
Ask for forgiveness and change your ways
God is forgiving and wants us to succeed
Stay on bended knees

Feel Free to Copy and distribute this compilation of God's incredible signs. God told us that the only sign we would see of his coming, was the sign of the Prophet Jonah. Many would be amazed to see how precise God is with everything and how he works in patterns.
