

From Safe and Effective to Injurious and Deadly

The U.S. government and those who run it behind the scenes have been lying to the American people for a long, long time, from decades to centuries.

Because My people did not seek Me during the Covid times, but shut their doors and cowered in their homes and lived in fear. They made decisions out of fear, not faith. How rare it was for a church body and pastor to stand against the tyranny. Rare exemplified – 3 to 4 churches in New Mexico alone stood strongly against the NM Government shutdowns, and less than 100 around the country. That seed of fear took root in My Body, and they acted on that fear with masks, shots and the separation from each other, and it grieved My Spirit.

When they opened their doors, they did it in fear and trembling, not of Me, the Lord of Heaven and Earth. They did so in fear of reprisal, rampant sickness, and rebuke in the community. For a virus that didn't exist no less.

The hospitals and nursing homes were literally killing fields, and it hasn't stopped. The protocols and deaths, that is. So many hospital staff from administrators, nurses, doctors and more will be held accountable for their shedding of innocent blood. Their murderous protocols killed hundreds of thousands in the U.S. alone.

Pharmacists raked in tens of thousands per month administering the injections of death and destruction. They sold their souls to the god of Mammon. Now they will bear My Judgment and Wrath for sowing seeds of death – some fast, some slow and some yet to be seen. Now, those same pharmacies are sending out abortion pills across the U.S. continuing their murderous ways. ENOUGH!

I AM jealous for My Bride, and long for My Body to be jealous for My love, My Affection, My Care and Compassion. But My Body is soiled, weak, and living not in victory but in fear, still to this day. As a form and function of discipline, I'm going to wake My Body up and instill again a Holy Fear of El Shaddai – The Almighty. This will be similar to Annanias and Saphira with their lies to the Holy Spirit cost them their lives. What should happen to My Body who spurned faith in Me and chose fear? Then this same Body claimed to act in faith and offered their arms and bodies to man in fear of the unknown.

Their faith wasn't in Me. Now it's time to repent! This repentance will be as David's was when Nathan confronted Him. It will come at a high price, because the betrayal of My Body bowing to man instead of Me, The Lord of Heaven and Earth is an affront to the very grace and mercy that I bought with My Own Blood. Now most in my Body have coursing through their veins evil technology all over their bodies, foreign DNA is slowly taking over their bodies and minds. And no one is sounding the call to Repentance! It's Time! There is NO MORE TIME! REPENT! REPENT! REPENT!
