SPIRIT OF PROPHECY – final warnings to all

Please watch the content in the Judgements Have Begun Nov 2023 and view all the files from our current date and work backwards. Look at the partial and even total devastation that these cities and countries are experiencing... Now tell me they will recover. How will they recover? Texas still has hundreds of thousands without power. The main highways in California are still blocked and it has been months since the land slides. Look further. Why are you not seeing this destruction on the news? Even when it is local, why do they only show you a few seconds of stagnant material (Like one sinkhole constantly, versus the thousands that are occurring everywhere worldwide)? After watching a few of these real life scenes from their victim's first hand perspective of their cell phone cameras while they are experiencing their dilemmas, you may want to do your own due diligence. You are being shaken to wake up.

DO NOT BE DECEIVED!!

DO NOT LIE TO YOURSELF!!

DO NOT PUT YOUR HEAD IN THE SAND!!!

DO NOT WASTE THE ADDITIONAL EXTENTION OF TIME YOU HAVE BEEN GRANTED TO REPENT!

OR THAT DAY OF DESTRUCTION WILL APPEAR UNTO YOU SUDDENLY WITH NO REVERSAL!!!

What do you think the people of those countries and considering now?

What preparations could they have made?

They are getting no help from their governments.

Their insurance companies advise them to get in line after the hundreds of thousands to millions of claims ahead of them.

What will you do?

Please make use of the KIOSK... prepare, and remember from which you have fallen - Revelation 2:5, Chronicles of Jerahmeel 9,10

Simple repentance... I'm sorry, forgive me, Jesus my savior who died for my sins. I won't do that again... and per chance you do...

He is faithful and just to forgive us our sins and to cleanse us of ALL unrighteousness – 1 John 1:9.

REMEMBER THE PLANDEMIC? YOU WATCHED IT FROM AFAR UNTIL IT HIT HOME TOO!

REMEMBER THE COVER UP, REMEMBER THE LIES YOU WERE TOLD. THE FALSE PROMISES...

YOU STILL TRUSTING THEM??? AWAKEN BROTHERS AND SISTERS... CHILDREN OF GOD – Hosea 1:10, John 1:12, 1 John 3:1-2.

The rulers of this realm are not from this realm, but are imprisoned until their judgement.

Remember who you are...

Why you are here...

You are eternal...

There are many truths hidden from you... some from Satan, so that you do not know who you really are; and some from your Heavenly Father, removed so your choice is truly from the heart - Jeremiah 29:11-14, Deuteronomy 30:19, Joshua 24:15. These truths you must seek with all your heart to find answers to, in order to make your heart felt choice, and not because of information you had prior knowledge to, of the outcome of who wins in the end. How do you find them? Read ALL of His Word. Come to Jesus and stay with him, and assist your brethren while we rescue the rest of our brothers and sisters that are still asleep to who they are, or are in a daze altogether, don't go back into the mire. It is not what you were told, and their promises are a lie. Seek Jesus while you can, before you are sent a strong delusion to believe a lie, as it is mandated for those who would not choose Christ in the time of these last days - 2 Thessalonians 2:11.

We are at the end of the time of the proving ground... ... time is at an end, while eternity still continues.

No religion, a Relationship with your Father God... ...the temporary probationary period for Adam and his progeny is at its end - 2 Enoch 32, 33:1-2.

...It's time for ALL to go back home in eternity.

Where will you choose your eternal home to be?

With your True Father of Lights richly rewarded in Heavenly glory, or with an evil wanna-be step-father of lies that never loved you, tormented in Hell for all of eternity (misery loves company)?

Yeah... and for your knowledge of knowing these are the last days, and with all the previous warnings you have been given, This is likely your last warning...

The choice is yours... Choose Now!
