

The Big Global Earthquake and The Following Fire!

McKana, May 30, 2025

Isaiah 24:20(KJV)

The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again.

---//---

The heaviness of this event is so great, there can't be enough warning. This event affects every man, every Nation and the entire world. ***This is the Great Global shaking which is coming very, very soon*** to awaken the world from its current status of deep sleep. This is a wakeup call for all to prepare for the great devastation and destruction which affects every life in the entire earth. This Global shaking is the event which triggers all major events including the Nuclear Wars. The cataclysmic fall of one's Great Nation is one of the outcomes including the Beast System of the dark forces.

Let there be no doubt about this great event for it is spoken by many mouths and the revelation is given two times to the one who is delivering this message.

Many visions of the impending Great Global Earthquakes have been revealed to me through the last 10-15 years. All the visions given have their own messages. Some regional, some continental. The last two are very big, cataclysmic Global Earthquake which rattled the entire earth. The vision is true, clear and deserves repeated warning and better explanation.

In the vision given on ***SEPTEMBER 17, 2023. 3:30-4:30AM***, I was surprised and very much alarmed. The picture given above illustrates what was revealed in the vision.

Putting the vision in words:-

1st. Suddenly and Surprisingly, the Lord, big in stature, came from my back, passed through me.

2nd I saw him move fast with his right hand stretched forward out.

3rd I am watching where the Lord is heading.

4th In a much further distance, I see the sun to the left and the earth on its orbit to the right, just as in the picture.

5th The Lord pushed the earth with the palm of His right hand with force to the right and downwards further away from the sun. The earth looks like a small basketball in the hand of the Lord.

6th I can feel the resistance of the earth to the forceful push of the Lord. The earth is resisting to go out of its orbit.

7th When the hand of the Lord is released, the Earth trying to go back to gain its orbit shook violently. The earth staggers like a drunkard, jitters and shook like a strong current passing through it.

8th In the moment of the violent shaking, flames rose up from the surface of the earth and big fire started in different regions. I see bog fires fire all over the earth. The fires are are mainly from many volcanic eruptions and from what follows from the violent shaking.(the picture above is a representation, the earth doesn't totally burn)

This event is the judgment upon the world. The Faithful, good Lord has a surprise for the righteous. There are many messages given about the rapture accompanied with the Global Earthquake. The message give to Mr. Brook is a blessing for all.

One sentence from the message “*And so that finality will fully arrive when I gather the faithful of my Church to me in the clouds and **when their departing shakes the entire world.***”
