

The Great Global Earthquake and the Timing of it.

McKana, May 31, 2025

Here is one very important message from our sister. This message goes with what was posted here yesterday about the Great Global Earthquake.

The script is long but the important points are summered below for better understanding of the time.

Very important is the time of the shaking. There was a message from Efrain Rodriguez which he delivered on The Prophecy Club on October 25, 2010. The message from Efrain has almost the same time. There is another message delivered in this website about the shift of the axis of the earth from this great shaking(see at the end)

Here is the summary of the message from the sister. For the detail, visit the website given at the end.

Great Shaking/Earthquake Is Coming!

Vision & Prophetic Words from God.

The Rising, May 27, 2025

“The Lord has compelled me to share several words that he's actually given me in regards to a **“Great Shaking”** that is coming and He has made it very clear to me that this will be an actual physical, literal shaking of the earth and that it is coming soon.”

I. Word given on 10th of December, 2022

“I'm going to share several words he's actually given me over the **last 2 to 2 and a half** years. So on the **10th of December, 2022** was the first time I actually received a word in relation to this shaking that is going to take place and on this particular day the words he spoke to me:-

“There are going to be Terri in signs

“To indicate my imminent return

“Signs my return is near

“Rest My dear

“In the fact I'm near”

II. Vision of 1st of March in 2023 which has quite an urgency about it.

“So then this next particular Vision I'm going to share with you was on the **1st of March in 2023** which has **quite an urgency about it** **scene shaking and it represented a big earthquake and that all these people in this particular scene had actually been shaken by this earthquake.”**

“And then in the next scene, I actually see a Chain Gang of people like figures and they're all **Prisoners of a New World Order in the Fallout of the shaking events** and it's a scene where hundreds of thousands of people. I can see them marching all together in like a chain gang along a dirt path and I remember there were all these trees lining this dirt path and when I see these people marching far off in the distance, at the beginning of this vision some of them are characters like outline drawings and then they actually, all morph and become like all the other people fairly quickly who are Marching and then the Holy Spirit shows me these people marching right up close and so now I can see them in much closer detail and they all have **Ape or gorilla like faces with human like bodies**. They're all beige in color and they are trapped in this life but they accept it even though they don't like it and then in the next scene I see these, Ape-like people all using a hoe to dig into the ground and they're all having to dig into very hard dirt and then that was the end of the vision.’

“And then God gave me the understanding of this vision and it was a sense and understand this vision is a picture of what life will be like for all Humanity once tragedy falls for all those people

of this world who do not belong to Jesus. It was an understanding that *they are now subject to a New World Order System*. I also had the understanding and the thought that the Ape Gorilla faces represent people of the world who've embraced and believe lies of the devil in all things including *the lie that man evolved from apes* and that's the life they will end up with, with living the life of an ape under the devil's control."

III. Word given on March in 2023

"Then the next word I received from God was actually on *March in 2023* and the Lord spoke the following words to me which:-

Were you're going to feel a shaking like never before, like never before.

"Hold on My dear

"For the shaking is near

"Don't fear

"Your head, Heavenly Father is here

"Be crystal clear

"I'm forever near

"Just take My hand

"And you'll understand

"All things to pass away

"All Things become new"

IV. Word given on 29th of March in 2023- "When the clock strikes Three"

"the next word I received was on the *29th of March in 2023* and I woke up around 4 to 3 AM. and then I heard the phrase spoken into my heart the following words

"When the clock strikes Three"

so when I heard this phrase, I got out of bed and the Lord gave me pictures in my mind of

"A GREAT SHAKING and EARTHQUAKE!!!"

and a sense that we will all experience -*Being thrown up in the air several times as the Earth becomes completely upended by the Holy Spirit shaking the whole Earth on its axis"*

V. Word given on the 18th of June in 2023, "The Shaking is here."

"On the *18th of June in 2023*, the Lord woke me at exactly at 4:11 am. and when I got up to pray the Lord gave me an understanding of the seriousness of the message. He was about to give me that something's humming the shaking and I spoke with him for a while and then after some time. I took my phone off the charger and it was exactly *4:33AM.*, and the Lord continued to speak into my heart and he said these words:-

"The Shaking is here.

"It's Upon Us prepare

"To move for battle, let me make it clear,

"The devil is here

"And there's a shaking there,

"come to me for victory and you'll see that I AM here,

"And I AM near you dear one

"So don't fear the day of the evil one,

"Trust in Me Christ, God's Son

"The war has begun

“Between Heaven and satan's Dominion on Earth and I AM bringing a storm, a lashing but I, your savior King, ruler over everything”

VI. Word given on February 2024. “The Six Seal of Revelation”

“in February 2024 earlier this year, the Lord actually spoke the following word very clearly to me and he said:-

“The Six Seal is about to be opened!”

and I knew this would be represented in the Book of Revelation, all the seals are written there and recorded there and so I actually grabbed my Bible and opened up to the New Testament book of Revelation to see exactly what the ***Six Seal*** was and it's recorded in the Sixth chapter 12 of Revelation in verse to 4 and it reads.”

“I watched as the lamb broke the Sixth Seal and there was a great earthquake. The sun became as dark as black cloth and the moon became as red as blood then the stars of the sky fell to the Earth like green leaves falling from a tree shaken by a strong wind. The sky was rolled up like a scroll and all of the mountains and Islands were moved from their places.”

“So there's a great shaking coming and it's a significant earthquake that the Lord revealed to the writer John that would be taking place in these very last days and God has made it clear to me in many ways through words and signs and many other things that He speaks to me on a day-to-day basis that ***this great shaking is is going to come very soon*** and ***it will change life on Earth as we currently know it.*** The Lord has also shown me that the number six is actually prophetic sign of this great shaking that is going to be taking place. He's been showing me signs relating to this pointing to the fact that this great shaking is coming soon and ***He's pre-warning us with many many signs*** so that we as his people know that He is in control of all these world events and He is with us as we endure and experience all these things in the Earth around us and that's why ***He's giving these signs to prepare us as as his followers that these things are coming and that we can look up and know that Jesus is coming back very very soon.***”
