Introduction

To my Friends in the Faith

This newsletter is more than just a newsletter; it is an urgent prayer request.

Some of what I will be sharing is not going to be easy to share. Much prayer has been spent in preparing to write what I am about to share with you.

First concerning my health issues. Let me say up front, no matter what condition my health is or appears to be, I was giving a promise of divine healing about six years ago and I have held to my conviction that the worse it may appear that my health is, it is an indication of how close we are to the lords coming and the coming healing of my total body.

What I am about to share concerns not just my health but my family.

My health has been getting worse, I have issues from head to my feet. Yet I have continued to trust God for my total healing. I have managed my health quite well with Gods help and with the help of a Christian medical practionair.

About two weeks ago I had a turn forte worse. , My eyes are getting worse. I just had new glasses prescribed but it was like things went worse soon after. I c only drive daytime, this has been for over a year but two weeks ago it is like my vision went dark. I can only read in one eye with glasses and sometimes a magnifying glass.

The reason I am sharing this concerns my wife. This is hard to share but I feel it must be said. It is complicted and I will not give all the details. My wife was emotionally hurt as a child and she shared this with me before we married. I did not realize this would be a ticking time bomb.

I cannot give all the details but she was molested as a child and it eventually festered into bitterness and hate toward men and specifically her husband who is a man. I have tried to work past this hurt but it has only gotten worse over the decades.

The hate and bitterness boils down to unforgiveness. I have told her she cannot be forgiven by God if she does not forgive others. And she says she cant because it is every day. What is my daily sin she cannot forgive? I am a man.

You would understand more if I could give more details but the details would hurt her family.

I am stuck between a rock and a hard place. I am not able to share details with her family and her hate toward me has grown so bad. She wants a divorce, she is waiting for me to die so she can sell off the ranch God had had me build to help people during the tribulation.

If it was just my bd health and no eye problem It would be easier to out last her and my prayer would be she would have her eyes opened when God heals me.

But my concern is my not being able to take care of my self from going blind. She has told me if I cannot take care of my self I would have to go into a nursing home.

I already do all my own cooking, my cloths washing, clean my dishes and buy my groceries. If I cannot take care of my needs I would have to go into hospice and pray to be healed or taken home. I believe I am supposed to be here to help people during hard times.

Now do you see my urgent prayer? I believe in the power of prayer and have seen miracles of answered prayers. If you take the time to read my newsletters then you can take time to pray for these needs.

And I thank both you and God for your help.

May God Bless you, A servant of the Lord, John Shorey

Cancer and Ivermectin update

I was sharing in my last Newsletter about my Cancer and my needs to have enough of a product that is working almost like miracle cures for many cancers. I want to thank those who have been so supportive to my needs

I have just received the latest report on the blood work concerning my prostate cancer. I have read that with the use if Ivermectin the results will at first stop the growth and then reduce the cancer with continued use of these products.

My latest result showed a small increase in my PSA number which was disappointing to me. I will continue doing what I am doing and I will continue to trust God for my healing.

I increased my dosage last month but I know I need to take a higher dosage. What I need costs about \$300.00 a month and my finances have not been able to cover these extr costs.

I need to order more of these cancer meds which are not covered by insurance. I am trusting God to provide the needed finances, I need some who will pray with me and some who are able to support me. I thank all of you the same.

Help Wanted

Donations to my ministry had been down for a few months. As I mentioned above needed repairs have all come at once.

If I only had a home to maintain, my financial needs would be very manageable, but with my building a retreat to help others during the coming Great Tribulation I need some who will partner with me in this ministry. I know my newsletter receives two to three thousand hits a month. I am praying some who are being blessed by my Newsletters will prayerfully consider giving monthly support to what I know God is calling me to do.

About 15 years ago when I started building this ranch retreat, I had to have a 600 foot well drilled. Because the well was not a big water producer, I had to put in two 5000 gal water storage tanks. The total cost of this water system was \$25,000.00 at that time. This last month I have had to have the well pump replaced, a storage tank repaired and refurbished, The cost of this work is \$5000.00 and it will set us up with a good water supply for 10 to 15 more years. I was able to work out a barter deal with the well doctor for half of these costs. I was also blessed that he put the pump on his credit card to help me keep this project going. I am trusting and believing God will speak to some who are able to help cover this budget busting expense.

I greatly appreciate those who have regularly partnered with me with your support. I cannot thank you enough.

May God Bless You as you partner with my ministry. Thank you so much for your prayers and support.

War Analysis Update

Like it or not, the world is heading at break neck speed to a global nuclear war. Right now, there are five hot spots around the globe that are all armed with nuclear arms. I don't understand why the world leaders are so stupid to not see where this will take us.

The two spots of greatest concern to me is the war in Russia and Ukraine. This is not just Russia and Ukraine, it is Russia and five NATO nations.

Just about a week ago, with the help of about five NATO nations Ukraine launched a surprise attack on 4 or 5 military bases deep inside Russia. An attack viewed as similar to the attack on Pearl Harbor.

This has stirred a hornets nest with Russia vowing for revenge against five NATO nations that includes the USA. Right or wrong this will escalate into a nuclear war that will fulfill Bible prophecy with Mystery Babylon destroyed in one hour.

The other hot spot of my concern is with Iran and Israel. Israel is determined to attack Iran. Last week Syria attacked Israel with arms supplied by Iran. Bible prophecy says Demarcus will be destroyed and will never be inhabited again.

There is much more than just these two hot spots, you have China, North Korea, and many Asian nations arming themselves to protect their nations territories.

When will WW3 explode? Any day or any time in the near future in my opinion.

Are you both spiritually and physically prepared for war? Nations around the world are telling their populations to store food and water and other needed

supplies. Are you hearing any warnings on our News stations that we as Americans should be prepared?

About The “Pearl Harbor” Attack On Russia, Seven Hard Questions That Everyone Should Be asking.

June 2, 2025 by Michael Snyder

In a world where deception is running rampant, it is so important to question the narratives that we are being fed. Ukraine’s “Pearl Harbor” attack on Russia was extremely impressive, and it appears that quite a bit of damage was done. But we are also extremely fortunate that this attack did not spark a nuclear war. If our nuclear bombers at Minot Air Force Base, Barksdale Air Force Base, and Whiteman Air Force Base were hit in a surprise attack, would we show similar restraint? We are literally closer to nuclear war right now than we have ever been in all of human history, and those that are mindlessly celebrating Ukraine’s recklessness don’t seem to have any idea. Striking Russia’s strategic nuclear assets is a really, really, really bad idea. Now Vladimir Putin will feel compelled to respond very forcefully, and the Ukrainians are very much counting on that. The following are 7 hard questions that everyone should be asking about the “Pearl Harbor” attack on Russia...

War video games

#1 Does anyone actually believe that Ukraine was able to pull this off without any outside help?

It seems doubtful that the Ukrainians could have planned, organized and pulled off an operation of this magnitude without any western assistance.

Apparently the drones that were used in the attack were hidden inside the roofs of wooden sheds which were driven to their locations by truck drivers that had no idea what their trucks were carrying...

Ukraine was able to carry out its stunning “Operation Spider Web” attack on Russian air bases and nuclear fleet by hiding explosives-laden drones in wooden sheds, according to officials.

Kyiv’s secret service (SBU) stashed the attack drones inside the roofs of the sheds, which were loaded onto trucks that were driven to the perimeter of the air bases, Ukrainian authorities revealed in a statement shared on social media.

The roof panels were then lifted off by a remotely activated device so the 117 drones used in the strikes could fly out and make their devastating attacks.

That is a brilliant plan.

Perhaps the Ukrainians came up with it themselves.

But how did they get the precise coordinates of the targets that they were going to hit?

And how were the drones guided to those precise coordinates?

We definitely need some answers, but I don’t think we are going to get them.

#2 Other than the Ukrainians, who knew about this attack in advance?

The Ukrainians and the Trump administration are both telling us that President Trump did not know about this attack in advance...

Ukraine did not notify the Trump administration of the attack in advance, a Ukrainian official said. A U.S. official also told reporters the Trump administration was not made aware of the attack.

I do think that there is a very good chance that President Trump had no idea this attack was coming.

Of course even if he did know the attack was going to happen in advance, officials would still deny it in order to protect him.

For the moment, let’s assume that Trump knew nothing.

Okay, but what about everyone else?

Are we supposed to believe that nobody else knew anything about a major operation that the Ukrainians had been working on for a year and a half?

Somebody knew something, and we need to know when they knew it.

#3 Why were Russian bombers just sitting out in the open?

Having extremely expensive bombers just sitting out in the open seems like a really foolish thing to do.

But the truth is that there is a very good reason why nuclear bombers are kept out in the open where everyone can see them...

For decades, treaties kept nukes in check, bombers had to be out in the open, silos sealed, so nobody could pull off a surprise strike.

It was the thin line stopping World War III.

War video games

Zelensky shattered it all in one move. He threw out the rules, erased decades of stability, and threw us straight back into Cold War chaos.

Anyone who helped make this happen isn't just reckless, they're a danger to the entire planet.

And people actually celebrating this? Completely out of their minds.

#4 How much damage was actually done?

The Ukrainians are claiming that more than 40 aircraft were hit during the attack and a total of approximately 7 billion dollars in damage was done...

Ukraine's Security Service (SBU) has officially confirmed it carried out a major drone strike against Russian military airfields, damaging or destroying what it claims is 34 percent of Russia's strategic cruise missile carriers, in a long-planned covert operation codenamed "Spiderweb."

The SBU said the strikes, which targeted airfields housing Russia's long-range bombers, resulted in an estimated \$7 billion in damage – a figure that has not yet been independently verified.

War video games

“Seven billion US dollars. This is the estimated cost of the enemy’s strategic aviation, which was hit today as a result of a special operation by the SBU – ‘Spiderweb,’” the agency said in a statement released Sunday, June 1.

But other sources are claiming that the damage was far less extensive...

Judging by the images, four Tu-22M3 bombers and three Tu-95MS bombers were likely destroyed during the operation. In addition, one Tu-95MS was probably damaged.

What everyone can agree on is that Russian strategic nuclear bombers were hit, and this could have easily sparked a nuclear war.

War video games

#5 The Ukrainians know that Russia reserves the right to use nuclear weapons if their strategic nuclear assets are attacked. So why would Ukraine risk this?

As Scott Ritter has aptly pointed out, the Russians recently updated their nuclear doctrine to specifically address the kind of attack that just happened...

In 2024 Vladimir Putin ordered Russia’s nuclear doctrine to be updated to consider the complicated geopolitical realities that had emerged from the ongoing Special Military Operation (SMO) in Ukraine, where the conflict had morphed into a proxy war between the collective west (NATO and the US) and Russia.

The new doctrine declared that nuclear weapons would be authorized for use in case of an “aggression against the Russian Federation and (or) its allies by any non-nuclear state with the participation or support of a nuclear state is considered as their joint attack.”

Russia’s nuclear arsenal would also come into play in the event of “actions by an adversary affecting elements of critically important state or military infrastructure of the Russian Federation, the disablement of which would disrupt response actions by nuclear forces.”

War video games

Thankfully, the Russians showed restraint and did not use nukes.

But do we really want to bet the continued existence of our society on the ability of Vladimir Putin to show restraint every time the Ukrainians provoke him?

#6 How will the Russians respond?

Many in the Russian media are openly discussing the possibility of using nuclear weapons in response to this attack...

Russian papers and military bloggers are discussing the prospect of Russia using nuclear weapons to strike Ukraine after Kyiv launched brutal strikes on Vladimir Putin's airbases. The country is reeling after Ukrainian drones are reported to have destroyed more than £5 billion worth of strategic bombers in what some pro-Kremlin commentators have described as Russia's "Pearl Harbour".

Thankfully, Vladimir Putin isn't going to use nukes at this stage.

But everyone agrees that he will strike back really hard.

Will he use his new Oreshnik missiles against Ukraine?

Will Ukrainian cities be targeted?

Unfortunately, it probably won't be too long before we find out what Putin intends to do.

#7 Why would the Ukrainians conduct such an attack if they knew that the Russians would strike back really hard?

Many have pointed out that the "Pearl Harbor" attack came just prior to the peace talks in Istanbul.

If Ukraine really wanted to give those talks a chance to succeed, they wouldn't have launched such an attack right before they started.

But this attack wasn't really about the peace talks at all.

When the Ukrainians first started planning this operation, they had no idea that these peace talks would happen.

Ultimately, the primary goal of this operation was not to derail peace talks.

Rather, the primary goal of this operation was to provoke a Russian response that is so large that it will force NATO to join the war.

War video games

The Ukrainians understand that the only way that they can win this war is to get NATO involved.

That is why they invaded Kursk, that is why they tried to shoot down Putin's helicopter, and that is why they just attacked Russia's strategic nuclear bombers.

They need the Russians to do something so dramatic that it will finally drag NATO directly into the conflict.

Of course once we are directly at war with Russia, we will be just one step away from the unthinkable.

U.S. Director of National Intelligence: We're 'closer to the Brink' of Nuclear annihilation than ever before

HAL TURNER NATION JUNE 11, 2025

Tulsi Gabbard is the Director of National Intelligence (DNI) for the United States. In a startling new video, she directly warns we are *"Closer to the brink of nuclear annihilation than ever before."*

As regular readers of this website already know, she is referring to the ongoing Russia-Ukraine situation, and how the U.S. and Europe caused it, and have been meddling to such a degree, that Russia is facing what they call an "existential" question.

Under Russian nuclear doctrine, which has been open and public for years, if something threatens the existence of Russia, then they use nuclear weapons. **It isn't a threat; it's a statement of fact.**

Director Gabbard goes on in the video to say ***"Political elite and warmongers are carelessly fomenting fear and tensions between nuclear powers." ". . . they are confident they will have access to nuclear shelters for themselves and their families, that regular people won't have access to."***

She's talking about you and me. We're the "regular people" who don't have access to nuclear shelters. But the uber-rich, do. The ultra-rich haven't hidden what they've been doing. They're building enormous underground bunkers.

In her position as Director of National Intelligence for the United States, Gabbard has immediate, hands-on access, to the absolute best intelligence on planet earth. All of it. Even the extra-super-secret stuff.

So it ought to send chills down your spine that she is now saying we are closer to the brink of nuclear annihilation than we've ever been.

When ____ I ____ told this to my website readers and to my radio show audience, starting over a year ago, I was lambasted as "Chicken Little, the sky is falling." **Now, the US Director of National Intelligence is saying the same thing.** Looks like I was right.

Of course, those with eyes to see and ears to hear, knew I was telling the truth, and they took steps to prepare. Those who thought they knew so much better, laughed at me and did nothing. Now, the most senior Intelligence Agency official in the entire United States, is saying what I have been saying for about a year. **Take the hint.**

Ukraine Hits 4 Russian Air Bases with Truck-Launched Drones

from INSIDE Russia - 40 Strategic Bomber Planes said lost

HAL TURNER WORLD JUNE 01, 2025

Early this morning US-time, Ukraine launched a large Drone Attack against four Russian Airbases; launched from Tractor Trailers deep inside Russia! The bases hit were for Russia's "**strategic forces.**" Forty (40) Bomber Aircraft are reportedly destroyed. An EMERGENCY MEETING of Russia's Security Council has been called.

Ukraine allegedly struck 41 Russian bombers across four separate air bases, some located as far as 4,400 kilometers from Ukraine's borders.

- Olenya Air Base in the Murmansk Region
- - Belaya Air Base in the Irkutsk Region
- - Ivanovo Air Base in the Ivanovo Region
- - Dyagilevo Air Base in the Ryazan Region
- - Severomorsk military base for **nuclear** submarines

According to reports, Ukraine secretly transported wooden mobile cabins into Russia, disguising FPV drones beneath their roofs. These cabins were mounted on trucks and parked in position, hidden in plain sight.

When the signal was given, the roofs remotely swung open like something out of a sci-fi film. And then?

Dozens of drones launched straight from the trucks, flying directly into the heart of Russia's strategic air power, obliterating bombers that the Kremlin can't produce anymore due to sanctions and critical shortages.

The implications are staggering. This kind of operation, conducted this deep inside Russian territory, using mobile disguised platforms, has never been done before. Not at this scale. Not with this level of impact.

Russia just lost a significant chunk of its long-range bomber fleet. And unlike missiles, bombers aren't quickly replaceable.

IMPLICATIONS

According to Russian nuclear doctrine, an "attack upon Russia's **strategic Forces**" crosses a "Red Line" and may justify the use of nuclear weapons.

UPDATED AGAIN 10:27 PM EDT - - Massive Explosions Rock Moscow - Capital Under Attack

HAL TURNER WORLD JUNE 01, 2025

Videos are emerging from inside Russia reporting their Capital City, Moscow, is under heavy attack.

Below is a brief compilation of two videos, showing the same large explosion from two differing angles:

Multiple CONFIRMATIONS COMING IN saying multiple very large explosions have just been witnessed across Moscow.

Plumes of smoke are rising. Sirens blaring. Panic spreading.

Eyewitnesses report: "It felt like an earthquake — buildings shook, alarms went off, people ran."

Russian state media is silent — fueling speculation of a major strike or sabotage.

THE WAR MAY HAVE JUST CROSSED A NEW RED LINE.

WHAT THIS MEANS:

- ☐ Is this Ukraine's boldest move yet — or a false flag inside Russia?
- ☐ Putin may now claim justification for full retaliation.
- ☐ Moscow hasn't seen this kind of chaos since WWII — until now.

Sources in the Russian Government tell me "Expect a swift and merciless response."

This could be the moment everything changes — fast.

UPDATE 10:02 PM EDT --

As of twenty minutes ago, the Russian Military began transmitting EMERGENCY ACTION MESSAGES (EAM's) to their forces.

MORE:

As of 10:00 PM eastern US Time, it was 0500 AM in Kiev, Ukraine. Volodymyr Zelensky and the Ukrainian Government "leadership" have been **moved to an undisclosed location** in anticipation of Russian retaliatory attacks.

URGENT: Russia Declares "Existential Threat" from Ukraine

HAL TURNER WORLD JUNE 06, 2025

URGENT - This morning the Kremlin in Moscow said the Ukraine situation has become an "existential threat" to Russia.

According to Russian military doctrine, which is long published and well known, an "existential threat" is cause to use nuclear weapons.

NATO has long made clear that if Russia uses a nuclear weapon in Ukraine, and the radiation drifts across the border of a NATO member country, NATO will view the radiation as an "attack" by Russia, against NATO. They will invoke Article 5, collective self defense against Russia.

Russian President, Vladimir Putin made clear at the start of the Ukraine Special Military Operation, that if NATO declares Article 5 against Russia, "Russians will die as martyrs, NATO won't even have time to repent."

I don't know how fast any of this is going to happen, but today's declaration from the Kremlin is the final step before Russia uses nuclear weapons.

More if I get it.

"Expanded Meeting" of Russian Security Council Today . . . escalation coming

HAL TURNER WORLD JUNE 10, 2025

According to preliminary information, an **expanded meeting** of the Security Council of the Russian Federation will be held in Moscow today under the leadership of President Putin.

Sources said that the composition and importance **will be greater than before the start of the special military operation (SMO) in Ukraine** Feb. 21, 2022

Initial thinking is that the ongoing SMO could be upgraded to an Anti Terror Operation (ATO) - **this would make all Kiev regime members, terrorists** - who can then be targeted directly - no matter where they are.

The face of the SMO seems likely to change. Anti-Terror operation is a big change, but for some inside Russia, it is not enough.

One source told me this morning there is a small, yet vocal, element inside the Russian Legislature, seeking to declare outright war.

Israel May DEFY the United States and Attack Iran Anyway

HAL TURNER WORLD JUNE 11, 2025

Yesterday, in telephone calls between U.S. President Donald Trump and Israeli Prime Minister Benjamin Netanyahu, two times the US President turned down Israeli requests to engage Iran militarily. Now, it seems, Israel may defy us.

During the calls Netanyahu explicitly asked the US to break-off nuclear negotiations in Iran, and join in a military attack of Iran's nuclear program. President Trump explicitly said "no."

Later, Netanyahu explicitly said that Israel may choose to attack Iran on its own. Trump responded that he "will not give a green light for Israel to attack Iran."

Today, there are developments in several areas that indicate Israel may attack Iran anyway.

The Israeli Broadcasting Authority, citing sources close to Netanyahu, told Haredim: We are going through a sensitive security phase, and developments may occur soon.

Israeli sources are boldly saying (though privately) "Negotiations are over; a few days left until Israel attacks Iran."

The US State Department has allowed non-essential employees and their families to leave its embassies in Bahrain and Kuwait.

In addition, the US embassy in Iraq is preparing to officially evacuate its headquarters in Baghdad due to "rising security risks in the region."

The U.S. has issued a 'security notice' to all American vessels currently passing through the Persian Gulf.

U.S. Naval Forces Command in Bahrain, housing the U.S. 5th Fleet, has been placed on 'high alert', with families of U.S. servicemembers being told to prepare for possible evacuation

The U.S. State Department has also authorized the evacuation of non-essential employees and family members from Kuwait.

That US Military Bases are being placed on High Alert in the Middle East, and the US State Department is allowing immediate departure of "non-essential" employees in the Middle East, are clear signals that something wicked this way comes.

Lastly, the UKMTO has issued an unusual advisory for the Arabian Gulf, Gulf of Oman, and Strait of Hormuz, stating that they have been “made aware of increased tensions within the region which could lead to an escalation of military activity having a direct impact on mariners.”

Extremely strange, but POSSIBLY related, Britain is telling its citizens to make sure their vehicles are **"fueled as full as they can be."** The British are giving an almost ridiculous reason: "An early Summer-like Heatwave may evaporate fuel!" That's an utterly absurd reason since fuel caps seal the fuel tanks and fuel injectors are sealed inside engine cylinders. It's not possible for the fuel to evaporate.

It is far more believable that there is going to be a sudden and dramatic change in the availability of fuel - and that could mean because of a war between Israel and Iran, wherein Iran closes the Strait of Hormuz, crippling 20% of daily global fuel flow.

In addition, there is extremely heavy air traffic from military aircraft throughout the US today, and even more military traffic into and out of the Middle East. So clearly, something big is brewing.

Stay alert. Top-off your preps: Emergency food, water, medicines you need to live on. Have a Generator to power your refrigerator, and fuel for that generator. Of course DO NOT OPERATE A GENERATOR INDOORS as their combustion engines give off carbon monoxide gas which will KILL ANYONE INSIDE THE HOUSE.

Be sure to store extra fuel in accordance with local and state fire code regulations. Fuel ought to be stored outdoors.

Top-off the fuel tanks in any vehicles you own.

Have communications gear like a CB or HAM radio to communicate locally with CB, and be able to tune in to global news shows like The Hal Turner Radio Show, for news and important information.

Bear in mind as well, that THIS COMING WEEKEND is the radical, left-wing, nationwide protest being organized by "NoKings.org" to protest (i.e. riot) in over 100 cities around the USA, opposing immigration raids to kick out illegal aliens. If these "protests" turn into Los Angeles style riots, there could be nationwide mayhem beginning this Saturday.

Have food, fuel, back-up electric power, and medicines you need to live on so that if things go sour, and the President has to invoke the Insurrection Act (or Martial Law) you are all set in advance.

Iran Warns Israel: Undeclared Nuclear Sites in our Targets

HAL TURNER WORLD JUNE 09, 2025

Iran's Supreme National Security Council issued a statement: "Any aggression by the Israeli regime against Iranian nuclear facilities will be met with an immediate strike against Israel's secret and undeclared nuclear facilities, as well as economic and military infrastructure.

Israel's 'target bank' is now on the table of Iran's armed forces. "

It is noted that the way it was written in Farsi implies that Iran has somehow managed to gain access to Israel's entire bank of targets inside Iran, so Iran now knows where the Israelis want to hit and what places are vulnerable.

‘We Are Preparing for War’ With China ‘Threat’, Says US Defense Secretary Pete Hegseth

JUNE 10, 2025

Secretary of Defense Pete Hegseth meets with U.S. Army social media influencers at the Pentagon, Washington, D.C., June 9, 2025. (DoD photo by U.S. Navy Petty Officer 1st Class Alexander Kubitza)

By Ben Norton / Geopolitical Economy Report

US Secretary of Defense Pete Hegseth delivered an extremely hawkish speech in which he demonized China as a “threat” and said, “We are preparing for war”.

“Those who long for peace, must prepare for war. And that’s exactly what we’re doing. We are preparing for war, in order to deter war — to achieve peace through strength”, Hegseth stated.

The top Donald Trump administration official made these aggressive remarks at the Shangri-La Dialogue 2025, a summit held in Singapore on 31 May.

“The threat China poses is real, and it could be imminent. We hope not, but it certainly could be”, Hegseth claimed, indicating that the Pentagon was preparing for a war over Taiwan.

“Beyond our borders and beyond our neighborhood, we are reorienting toward deterring aggression by Communist China”, he stressed.

The message of Trump’s Pentagon: war is peace

The Trump administration’s Pentagon has essentially pushed the message “war is peace”. Hegseth has incessantly reiterated the slogan “peace through strength”.

“President Trump said it himself [in May] in Riyadh – and will never hesitate to wield American power swiftly and decisively if necessary. That is re-establishing deterrence”, the defense secretary emphasized in Singapore.

Hegseth is a war hawk and a religious fundamentalist. He made his name as a former host on the conservative TV network Fox News, where Trump discovered him.

In 2020, Hegseth published a book called “American Crusade”, in which he proudly identified as a “crusader” and wrote that the US right wing is waging a “holy war” against China, the international left, and Islam.

“Communist China will fall—and lick its wounds for another two hundred years”, he promised in the extremist book.

Trump admin pressures Asia-Pacific countries to minimize “economic cooperation with China”

In his speech in Singapore in May 2025, Pete Hegseth noted that it was his second time in his four months serving as secretary of defense that he had visited the Asia-Pacific region (which Washington has sought to rebrand as the “Indo-Pacific”).

In March, Hegseth traveled to Japan and the Philippines, where he threatened China and boasted of US “war-fighting” preparations and “real war plans”.

At the Shangri-La Dialogue conference, Hegseth half-jokingly threatened the Asia-Pacific region with his endless presence.

“I’m certainly proud to be back into the Indo-Pacific for the second time as the secretary of defense. And I’m going to keep coming back, and back, and back again. You’re stuck with me”, he said.

The US defense secretary pressured nations in the region to minimize their economic relations with China.

The Trump administration essentially told countries that they must choose between either the United States or China — that they can’t have good relations with both sides, because a war could be coming soon.

Words from the Prophets

Not from Me

Glynda Lomax

May 23, 2025

My children, you are walking into the time I have forewarned for so long. Many events are at your doorstep and much loss and death are coming.

All of what you will see is not from Me. Much is being planned by the wicked in power at this time that is yet to be revealed. They will time these events to coincide so as to cause as much pain and loss to My people as possible. Do not think these are from Me. My judgments come for the unrighteous, not the righteous.

As these events begin to come to pass, you will feel as if you are in the middle of a great storm that whirls and swirls all around you and that is their intent for you. When this time comes, find your peace in Me. Sit quietly with Me, I will guide you in what you should do and anywhere you should go. I will provide for you.

Do not fear what you see for it cannot touch those of you I hold in the palm of My mighty hand at all.

Ecclesiastes 3:1 – 1 To every [thing there is] a season, and a time to every purpose under the heaven:

Deuteronomy 31:6 – 6 Be strong and of a good courage, fear not, nor be afraid of them: for the LORD thy God, he [it is] that doth go with thee; he will not fail thee, nor forsake thee.

2 Peter 3:9 – 9 The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.

Hebrews 13:8 – 8 Jesus Christ the same yesterday, and to day, and for ever.

Matthew 6:33 – But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

Psalms 16:11 – Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore.

Exodus 33:14 – And he said, My presence shall go with thee, and I will give thee rest.

Isaiah 41:10 – Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness.

Psalms 34:4 – I sought the LORD, and he heard me, and delivered me from all my fears.

On May 18th, 2025, the LORD led me to this verse in Jeremiah:

***"The LION has come up from his thicket,
And the DESTROYER of nations is on his way.
He has gone forth from his place
To make your LAND desolate.
Your CITIES will be laid waste,
Without inhabitant." Jeremiah 4:7***

The '**LION**' in this verse is **DEATH**, coming from the hand of Satan, as it says in 1 Peter 5:8, who comes to destroy the cities, and land:

"Stay alert! Watch out for your great enemy, the devil. He prowls around like a ROARING like a LION, looking for someone to devour."
1 Peter 5:8

He is that **GREAT DESTROYER**, like in the days of Moses, when the 'destroyer' came into the Egyptians' homes and killed the firstborns:

"For the LORD will pass through to strike the Egyptians; and when He sees the blood on the lintel and on the two doorposts, the LORD will pass over the door and not allow the DESTROYER to come into your houses to strike you." Exodus 12:23

We are called to **RESIST** him:

“Stand firm against him, and be strong in your faith. Remember that your Christian brothers and sisters all over the world are going through the same kind of suffering you are.” 1 Peter 5:9

After reading Jeremiah 4:7, I immediately felt great sorrow, and started weeping for what is coming. In my spirit, I knew that the **‘heaviness’** that I felt was concerning the destruction that is coming to the United States. I believe this includes EARTHQUAKES!

The links, at the top, are about **EARTHQUAKES**, that have come in the last week.... near the **New Madrid Fault Line**, as well as the **4.1 earthquake in Tennessee** on May 10th 2025. The TN. one happened approximately 30 miles south of Knoxville, and was felt in several states, including all the way down to Atlanta, GA. I heard many who actually felt it hours away, and they said that it felt like a train rumbling through their house.

EARTHQUAKE DREAMS:

I have received quite a few dreams concerning the **New Madrid fault**, along with confirmations from other prophetic people. The first one was posted in [Z3NEWS](#) back in 2016, about the **CONNECTION** of a **9.5 earthquake**, and the **DIVIDING OF THE LAND OF ISRAEL**:

“In this vision, I saw an outline map of America. I didn’t see the state lines, but only the outline of the U.S. Then, the map zoomed to where the earthquake started and I saw a black dot pulsating on the epicenter. The dot was in the upper part of the middle of the country, however, I wasn’t sure of which state. It seemed higher than the New Madrid fault. Then I saw ‘9.5’ indicating the level on the Richter Scale. I was not given any dates or timing.”

“I was also shown that if Israel is divided, so shall America be divided.”

THE DAY OF DESTRUCTION OF BABYLON

Jeremiah 50:2,9,23-24,31-32,36-38 KJV

Declare ye among the nations, and publish, and set up a standard; publish, and conceal not: say, Babylon is taken, Bel is confounded, Merodach is broken in pieces; her idols are confounded, her images are broken in pieces. [9] For, lo, I will raise and cause to come up against Babylon an assembly of great nations from the north country: and they shall set themselves in array against her; from thence she shall be taken: their arrows shall be as of a mighty expert man; none shall return in vain. [23] How is the hammer of the whole earth cut asunder and broken! how is Babylon become a desolation among the nations! [24] I have laid a snare for thee, and thou art also taken, O Babylon, and thou wast not aware: thou art found, and also caught, because thou hast striven against the LORD. [31] Behold, I am against thee, O thou most proud, saith the Lord GOD of hosts: for thy day is come, the time that I will visit thee. [32] And the most proud shall stumble and fall, and none shall raise him up: and I will kindle a fire in his cities, and it shall devour all round about him. [36] A sword is upon the liars; and they shall dote: a sword is upon her mighty men; and they shall be dismayed. [37] A sword is upon their horses, and upon their chariots, and upon all the mingled people that are in the midst of her; and they shall become as women: a sword is upon her treasures; and they shall be robbed. [38] A drought is upon her waters; and they shall be dried up: for it is the land of graven images, and they are mad upon their idols.

Zephaniah 1:18 KJV

Neither their silver nor their gold shall be able to deliver them in the day of the LORD'S wrath; but the whole land shall be devoured by the fire of his jealousy: for he shall make even a speedy riddance of all them that dwell in the land.

Ezekiel 7:15-19,21 NLT

There is war outside the city and disease and famine within. Those outside the city walls will be killed by enemy swords. Those inside the city will die of famine and disease. [16] The survivors who escape to the mountains will moan like doves, weeping for their sins. [17] Their hands will hang limp, their knees will be weak as water. [18] They will dress themselves in burlap; horror and shame will cover them. They will shave their heads in sorrow and remorse. [19] "They will throw their money in the streets, tossing it out like worthless trash. Their silver and gold won't save them on that day of the LORD's

anger. It will neither satisfy nor feed them, for their greed can only trip them up. [21] I will give it as plunder to foreigners, to the most wicked of nations, and they will defile it.

Isaiah 13:5-7 KJV

They come from a far country, from the end of heaven, even the LORD, and the weapons of his indignation, to destroy the whole land. [6] Howl ye; for the day of the LORD is at hand; it shall come as a destruction from the Almighty. [7] Therefore shall all hands be faint, and every man's heart shall melt:

James 1:2-8 KJV

My brethren, count it all joy when ye fall into divers temptations; [3] Knowing this, that the trying of your faith worketh patience. [4] But let patience have her perfect work, that ye may be perfect and entire, wanting nothing. [5] If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. [6] But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed. [7] For let not that man think that he shall receive any thing of the Lord. [8] A double minded man is unstable in all his ways.

Hosea 4:1-3 KJV

Hear the word of the LORD, ye children of Israel: for the LORD hath a controversy with the inhabitants of the land, because there is no truth, nor mercy, nor knowledge of God in the land. [2] By swearing, and lying, and killing, and stealing, and committing adultery, they break out, and blood toucheth blood. [3] Therefore shall the land mourn, and every one that dwelleth therein shall languish, with the beasts of the field, and with the fowls of heaven; yea, the fishes of the sea also shall be taken away.

Revelation 18:21 KJV

And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.

Gather my children, hear me speak. I AM the God of Abraham, Isaac and Jacob. I AM that I AM. I AM the creator of all things. Soon, things in your world will be turned upside down and you are not at all ready. You let the things of this world distract you because it is easier than pressing into Me and learning from Me. This is true of even those who walk with Me and come with their concerns asking for victory. Most of my children are lazy. They do not study the Word to understand the season you are in. Matthew 22:32, Acts 3:13, Genesis 1:1, Mark 4:19

Chaos has already begun but because you don't have a world view, you do not see the foundation that is being set but soon it will be apparent. Financial collapse doesn't happen in one day but soon, things will unravel and you will be shocked at what has become of your nation.

You have an appointment with destruction, this is true for the world at large but additionally, those who are part of Babylon the great will see these events as if it were broadcast on the big screen of a movie theater. But it will not be the images some writer or director imagine but it will be the destruction promised many centuries and millenniums ago. Hold on dear children, for you will face the worst kinds of natural disasters, hunger, destitution and war. While you failed to thank Me for all the blessings I bestowed upon you for your entire life, you never gave pause, not even for a second that it could all be gone in a few moments! Isaiah 13:11,15-19

So many of you are ungrateful. You have had a Heavenly Father that watched over you and gave you a standard of living most don't even understand can exist and you whined and complained at the slightest inconvenience. You got angry with Me and pouted, if you didn't get an immediate answer or intervention. Instead of learning through the tests that came your way, those things that should have brought a toughening of character or an opportunity to seek Me for answers, you rebelled and held your breath like a two year old. It was not that long ago when I spoke that most of you are not spiritually mature enough to even get past, Spiritual Kindergarten. My rebuke then still stands for very few even paused to ask if it was them to whom I was speaking! My intention was to motivate you to spend more time in prayer seeking me, my intention was to bring forth a stronger demeanor when tragedy strikes where you are. 1 Peter 1:3-9, Deuteronomy 28:20, Jeremiah 2:19, 1 Samuel 2:25

You were made to be so much more than what you have chosen for yourself. I AM dismayed because I know some of you will walk away from the faith when the rubber meets the road. 1 Corinthians 10:13-16

America, financial collapse has begun. Your enemies spend endless hours discussing how they will dismantle your system. July will bring distinct and painful changes. Many of you don't have the slightest clue on how to prepare but I tell you this, fast and pray. Seek My face. You can't go wrong when you count on Me. Did not my disciple say "if God be for us, who can be against us?", I do not side with Babylon, it will never be great again. The framework for its demise is set in place and you will see it in real time. Hold on to My promises. Hold on to the cross. You are not guaranteed tomorrow but you have my promise of eternity in the next life if you are one of my own. Jeremiah 50, 51, Romans 8:32, James 4:18

Share this message far and wide, the truth is hard for many to swallow, it is by My Divine mercy that I have sent this message through My servant. I love all My

children but not all love Me back, many have created a god of their understanding, like the “Big Book”* portends. I tell you now, that this god is not I. I have written many pages through my servants, prophets, disciples and pastors. These are sacred accounts of my character, they have been protected from alteration for several millenniums and yet, few bother to open it to know My character and personality. That is a choice. I have called those who love Me in spirit and in truth. Those who do nothing will reap nothing. For what a man thinketh, so is he. If he thinks he is something, I tell you, he is nothing. Apart from Me, you can do nothing. Yet these words ring hollow for many. It will be a choice many will soon regret. John 4:24, John 15:5, Galatians 6:7, Luke 12:24-36, 2 Corinthians 9:6-15, Revelation 18:8

The black horse is riding! Revelation 6:5,6

Draw close to Me and I will draw close to you. James 4:8

Watch your step.

~Handmaid of the Most High~ Acts 2:17-18

Scribe Note 1 – more than 100 countries will meet in Rio De Janerio, Brazil to take next steps in setting their currency as the world standard, thus minimizing the U.S. dollar’s power in transaction, which is already unstable and loosing power (inflation). The one world currency is becoming more accepted as an option for all.

*Big Book, refers to the central book of instruction relied upon by Alcoholics Anonymous as well as other addiction programs. Initially focused on the power of God to heal one from this difficulty, they have replaced those references to “a god of your understanding”. I’ve heard people say a chair could be god, because it holds a person up in defiance of gravity, etc.

I appreciate your continued prayers. Last week, while preparing to see a surgeon, the person assisting me accidentally pushed me over so a curb resulting in the rollator tipping over, I hit my head on my car and was head down with feet in the air as I lay upside down. Paramedics arrived and rendered assistance – I am fine. Then, while preparing to go to another doctor, a bat appeared under my walker – I couldn’t make this type of stuff up. How it managed to enter my home undetected by me, the helper or my pets, demonstrates yet another attempt to derail me, I have seen this type of “theater” before and I just ask for continued

prayers for safety and wisdom. Thank you and God Bless You in the most amazing ways!

Such a Debt, who can Pay?

I am continuing to run this story, as this is a great witnessing story to use to lead someone to Jesus Christ. I believe this could be the study you will want to share with your unsaved friends and this story and the scriptures can let them know how much God loves them and wants to forgive them.

While attending Bible College years ago I enjoyed reading stories I could use to share the Gospel and I would put them into a note book for later use. I found this story about Czar Nicolas the leader of Russia. It was such a good story of forgiveness that I have never forgot it.

So I asked my barber if he had ever heard of Czar Nicolas? He said no so I proceeded to share this story.

Czar Nicolas the king of Russia would from time to time travel to outposts in Russia disguised as someone else so he could see for himself what was going on in his country.

As he was making his tour late one night in this one particular outpost he was walking down the halls of this town hall kind of building and he noticed that the lights were still on in the office of the town treasurer.

Let me go back and explain what was going on in this office. The treasurer for this out post was misusing funds, He was losing money gambling and thinking his luck would turn back he kept digging a bigger hole that would eventually bury him. Then one day it was the day of reckoning. He received a notice that in a couple of days the bank examiners were coming to check the books and do an audit.

He knew he was in big trouble so on this same night that the Czar would be walking the halls of his office, he was up late counting money and figuring out how much trouble he was in. When he finished adding up the debt that he owed, he knew he was in to deep and there was no way out. His solution was he would take his life. He had his pistol on the table and when he finished adding up the debt he owed he wrote these words at the bottom of the balance sheet. **“Such a debt, who can pay?”**

He was overwhelmed with fatigue so he laid his head down on the desk and fell fast to sleep. While he was sleeping, this is when the Czar of Russia spotted the light on so late in the office of the Treasurer. The Czar saw the door was unlocked

and he walked in. He sees the man sleeping, he sees the gun lying by his hand and he looks at the record book and realized this man had been stealing from his kingdom, a crime that would mean the death penalty and disgrace. Then at the bottom of the balance sheet the Czar spotted these words. **“Such a debt, who can pay?”** This is when the Czar picked up a pen and under the words, **“Such a debt, who can pay?”** the Czar signed his name and walked out the door.

Just before morning the treasurer woke up and realizing how long he had been asleep, he reached for his pistol to take his life and just before ending his life he looked down at the bottom of the balance sheet and saw the signature of Czar Nicolas. Finding this hard to believe he looked into his files for a document with the Czar’s signature and sure enough the Czar had been there that night and paid his debt. The next day men from the Treasury of Russia arrived with bags containing the missing money and his debt was paid in full.

The Bible says that we will all stand before God and be judged from what has been written about us in the record books of our lives. We all have been assigned guardian angels to watch over us and record every word, thought, good deeds and bad.

Just like that man in charge of the cash of his town in the story above, God has access of the record books of your life. We owe a debt that is **“Such a debt, who can pay?”** If you will call out to Jesus the one who died to pay for your debts. If you will ask Jesus to forgive your sins, Jesus will take his eraser and wipe out the sins that have been recorded in the record book of your life. Then at the bottom of the blank pages of your record book, Jesus will sign His name with these words. **“Paid in full by Jesus Christ.”**

Below I have written out important scriptures for leading someone to Jesus and I have included the sinners prayer as a guideline for leading someone to Jesus.

Share God’s Plan of Salvation

1. Admit you are a sinner and repent.

(Romans 3:10 NIV), “As it is written: There is no one righteous, not even one.”

(Romans 3:23 NIV), “For all have sinned and fall short of the glory of God.”

(Luke 5:32 NIV), “I have not come to call the righteous, but sinners to repentance. **Believe in the Lord Jesus Christ.**

(John 3:16 NIV), “For God so loved the world that He gave his one and only Son, that whosoever believes in him shall not perish but have eternal life.”

2. Confess or declare that Jesus is the Lord of your life.

(Romans 10:9 NIV), “That if you confess with your mouth, ‘Jesus is Lord,’ and believe in your heart that God raised him from the dead, thou shall be saved.

The Sinner’s Prayer

If you would like God to forgive all your sins and make Jesus Christ the Lord of your life, then stop here and say this prayer to God. (Prayer is simply talking to God.)

Dear Heavenly Father, I know I am a sinner. I believe Jesus Christ died on the cross for me. Please forgive me of all my sins. Jesus, please come into my heart and wash my sins away. Please be the Lord of my life and help me to live for you every day. I ask this in Jesus name. Amen.

The Bible says when a sinner repents and makes Jesus his Lord, the angels in heaven rejoice. A word of warning is advised at this point. As we read in the story of the ten virgins, not all who call themselves Christians will make it to heaven. Knowing about Jesus and the plan of salvation is no guarantee of making it to heaven. When we arrive in heaven, the greatest surprise will be seeing people we did not think would make it. And just as surprising will be the absence of those we thought would be there. The Bible says Jesus knocks on the door of our hearts and wants to come in and live with us. The important thing to realize is God wants our hearts, not just our minds. Head knowledge about salvation does not save us, but sincerely allowing God to forgive and wash our sins away will allow God to give you a new heart. When your heart is changed, people will notice you have been changed and made into a new person in Christ. This is called being “Born Again.”
