

Miracle Healing- Faith Heals!

McKana, August 12, 2025

Psalm 118:8(KJV)

It is better to trust in the Lord than to put confidence in man.

Proverbs 3:5-6(KJV)

5 Trust in the LORD with all thine heart; and lean not unto thine own understanding.

6 In all thy ways acknowledge him, and he shall direct thy paths.

The purpose of this testimony is for us-

A. To Glorify The Lord our God of His goodness.

B. To trust the Lord more in everything.

C. To increase our Faith.

D. To listen to the Lord to be obedient with no question.

D, To ask in faith, to perfect our Concerns.

This is a wonderful miracle in my life I never expected and I can't keep this to myself.

Indeed faith heals and obedience is the key. I am here to bring to all the miracle the Lord has done in my life withing the last month from July 8 --August 12, 2025.

Little Background

10 years earlier, a faithful preacher blessed me and anointed me with oil and cleared me of this torment of a specific disease and told me to give up the medicines I am taking. I believe and gave up all medicine for a month. I checked my blood and it was high the sickness of -Type II Diabetes.

Since 2014.

According to the recommended prescriptions of the physician, until July 8, 2025, I took

- Four medications for diabetics(sugar imbalance)
- One medicine for thyroid (hypo-function).
- One medication for cholesterol(blood pressure.)
- One medicine for kidney problem(Remedy for Kidney stone)
- A Vitamin supplement-Cementum, Vitamin-A and other minerals etc.

I have been taking this for the last ten years.

The benefits-

undeniably the above medicines helped but gradually almost all the medication is tolerated demanding more higher doses.

The side effects.

- All the medications makes me dependent not different form same mild addiction.
- In the long run the toxic effects of all these medications affected my organ system.
 - The Normal cycles are changed and affected.
 - Sleeping, added to the attack from the enemy has became a torment, waking up is always a headache which in turn affects the normal function of the brain.
 - Physical activity is impaired.
 - Vision compromised and many observed and unobserved changes in health.
 - Interaction with family, friends and society is highly compromised.

Here is the miracle by the very hand of the Lord, Jesus Christ, the Real Doctor, the scientist, the healer and our loving Redeemer.

All is about Faith and Obedience

The Miracle Healing (July 8-August 12, 2025)..

The short, step by step Process of the Miracle healing which took place from July 8-August 12, 2025.

1st. I am instructed/advised to stop taking medicine,

I have been hearing this for over ten years but I always question. Didn't I stop taking the medicines and further complicate my health?

But this time I am on solid, unshakable ground, closer to the Lord, hearing from Him, trusting what the Lord tells me and my faith is growing and getting better by the day. I see the prophecies the Lord gave us through myself and our brethren coming to pass. Above all the Lord has done much, accumulated many gifts unimaginable and treasures in His heavenly kingdom. I saw the Lord's fever without asking and without speaking.

Step-1

It started on July 8, 2025

A gentle word says ***"Don't take the medicines"***

I didn't hesitate, as instructed/advised/recommended/Ordered, I stopped taking all medical and supplemental drugs. I stopped all the medications mentioned above.

I measured my Blood Glucose level/(BGL) for three four consecutive days and it was sky high. I trusted the Lord kept questioning, what is going on. I feel relatively better but BGL is high.

Step-2 July 17, 2025 ~2:10PM

Today in the Middle of the song, the Lord gave me a relief and hope and said

"You will be healed" and "No displease" Amen.

Step-3 July 19, 2025. 7:37AM

After 10 days, I kept watching and brought the numbers of the BGL it to the Lord. The response was

"Our healing is without measurement" Accordingly, there is no need of measurement,

And The Lord said

"The healing is a process"

Step-4. July 27, 2025. 1:30PM

I felt thirsty and have been drinking much water. The thirst is from the heat and from the lingering ailment, I eat and felt hungry too.

I said ***"I am thirsty"***, knowing the Lord will hear me.

Then I heard the Lord say:-

"I AM working on your nerves of satisfaction" (I.e satiety center)

Then at 3:07PM

"Today you have gained your health" and amazingly I felt fine.

The Lord said, I believed and it is done.

Step-5. August 2, 2025 8:42PM

In conclusion, the Lord said,

"Diabetes is dead" it is finished.

Conclusion.

Gradually, within a month the changes in my Miracle healing are:-

- My Health is restored.
- Diabetes is dead.
- I can sleep better than the times I was taking all these med-drugs.
- I think better, feel better and function efficiently.
- I eat normal with no fear/concern.
- I eat all-Mango, orange, cookies, crackers, dates, limited brown sugar, little honey, drinks like Cranberry Paramagnetic juice-32mg sugar. etc everything forbidden by the field of “Scientific Medicine”

This is only in a month and 4 days-34 days.

I have written and posted in this website what the Lord has done healing my sight, saving my family, giving me a gift of life and many more. According to His promise, the Lord is feeding me with my daily bread and many untold beautiful stories. The Lord is gradually restoring what I lost and what I am illegally robbed. Worth to mention that the Lord is above human laws.

The test.

Every step was a test of faith and obedience. Now, there is no turning back, only enjoying the Miracle healing the Lord has done in my life and praising the Lord.

Warning.

The enemy is watching, kept coming and whispering in my ear saying “Take the medicine.” The defeated foe is defeated even more.

Now, I am free man!

Ask the Lord Brethren, He is perfectly good.

Here on, the children of the Lord will see many kinds of wonderful Miracles in their Life.

It is time of Signs, Wonders and Miracle-Only Believe.

Praise to our Lord.

Amen
