

## ***The Comet of confusion has a Mission. The Rebuke and the confirmation.***

McKana. November 1, 2025

***Luke 1:37(KJV)***

*For with God nothing shall be impossible.*

=====

The Lord instructed me to send this message out over three times, even with a rebuke of what I wrote in the last message.

In our last message posted here in this website, after the comet is detected, we were told that Our Father and Jesus will direct its trajectory and a vision was given. In the vision, the Lord revealed to us stretching his hand to direct the incoming comet.

***In the revelation of October 8, 2025. 12:50PM***, posted in this website, as given from the Lord, we stated that the Lord has instantly altered the color of the incoming interstellar object known in the scientific community as 3I/ATLAS. The Lord said ***“I gave it a beautiful hue”*** and even to look like ***“An alien spaceship.”***

Clarifying our confusion the Lord said,

***“I AM going to drop it in the Atlantic!”***

Seeing my doubt the Lord(at 6:47PM) said ***“In truth/reality this thing will be in the Atlantic”*** and as a confirmation the Lord said ***“in a little while, our Government(Heavenly Government) will be established on Earth”***

***On October 13, 2025 3:18PM***, I was listening to a well known scientist giving his analysis about 3I/ATLAS. I didn't know the Lord was watching me and I heard the Lord say ***“Stop doubting what I gave you”*** and rebuked me saying ***“You even wrote it is far away”*** and the Lord added saying,

***“Its strike is Green” meaning it impact is imminent.***

As observed from the distance, yes I wrote saying it is far away and way behind the sun. That was my mistake and I am rebuked for it, which I deserve.

***On October 23, 2025 9:49PM***, I was inquiring by watching a video about the comet, just for few minutes. Then I heard the Lord say, ***“The delay is temporal”***

I understood that the impact will mark the beginning of the “The day of the Lord”

***On November 1, 2025. 10:50AM*** I was scrolling through the web and found many confusing statements about 3I/ATLAS and I heard the Lord say:-

***“Don't watch theirs, I told you the trajectory”*** and at 1:12PM the Lord instructed me saying ***“Release what I gave you.”***

The Lord knows there is confusion about the incoming comet and didn't want us to watch any of their confused analysis,

***In conclusion.***

***The Incoming interstellar comet is:-***

- 1. Released by the Lord, Almighty God.***
- 2. Its trajectory is directed by the hand of the Lord.***
- 3. The changing color and the “alien spaceship” look of the comet is the work of the Lord.***
- 4. It is directed to Earth.***
- 5. It will land in the Atlantic.***

***6. The impact is “Green” i.e. Immanent and***

***7. I am repeatedly reminded and instructed to post this message without doubting.***

Take this message to the Lord for the truth and for more clarified confirmation.

***Yes, indeed, there is nothing impossible for the Lord.***

***Repent, Repent, Repent!***
