

People of God,

This prophetic message I received back in August 2025 during a time of consecration, I was praying over the phone with my mentor in the faith and at a certain point I began to prophesy. She turned on a recording device and captured the prophecy for me. It has taken quite a while to transcribe as the audio had a lot of background noise and was over a long-distance phone call. Praise be to God that the prophecy was preserved. I pray all who read it will take the Lord's words to heart and act according to His leading. Below I have added some scriptures that also capture the heart of the message.

This message is an extended justifiable rant from the Lord. The Lord is examining areas of the United States and is at minimum "out of pocket"... The Lord mimicked us and our rationale. With the rage that came across, we can't imagine the devastation, and we definitely are not discerning our God as a nation.

"I will come for you. I have provided and I take away. I gave you a little oasis and you spit in My face, with debauchery so I smite you, I smite the waters. You wonder where you'll go... to the depths of the deep, 'cause you spit in My face, so I smite the waters against you. Islands I'm coming for you. I am coming! You'll not out run this wave, you'll not out fly this wave. There'll be no boat for you. There'll be nothing but sand, nothing to stand. Not a single person found. Poverty, poverty, poverty over the islands. Your Caribbean cruises, you'll see the Caribbean, down in the depths. For your carousing, for your debauchery, paid property on every port... I come for you islands, the Jehovah Gibbor comes down in the waters to stir up against you and suck you down. You spit against the Lord. You do these dances. The provider of all life, the provider of land and you think I'm not coming for you? Sit on your beaches, enjoy... Let me pour you a drink. The drink of My wrath. Atlantic Overflow! Pacific Overflow! The Indian Ocean overflow! Exceed your bounds, go forth. Take them down because you have arisen against the Lord your God and you've not remembered, you've not remembered Me. You've not remembered the LORD your God, who set you apart for rest. On every high hill and under every beautiful tree you've allowed perverseness - comfort isles of perverseness - nasty timeshares I'll use that phrase, nasty timeshares, timeshares with sin, sinshares, sinshares. For every sinshare you have invested, may it be double unto you, you islands. For the Lord is against you. My sword is in the earth. I smite, I smite, I smite the water - overflow you waters. Hear the Word of your God, for the waters will obey Me better than they have. The land obeys Me better than man, so break apart... may your structure crumble under these debauched people. I am against the islands. United States you'll be 2 less You'll be the 48th Union and then I'll take the coasts.

I come against you America. You hard-headed witch! Your deeds of darkness shall come forth. I open the ground for those underground trapped in the cities. I have them in My heart. I wanna set all My people free. So, for every slave you still hold, judgment be unto you, judgment be unto you, judgment be unto you, judgment be unto you. I'm coming down, descending stairs, I'm coming down. You've aroused Me. So I am aroused. You can run but you can't hide. Your bunkers, I'll bunker you. You'll be run amuck. What shall be left of you? Let Me see... You say "*God doesn't exist*", I'll show you. I'll exist. I'll be your worst nightmare. For every sin that's come before Me. My eyes never shut, even now I can see your sins... there is someone at the abortion clinic this day, and I smite you. There's somebody caught in the act of adultery; I see you, I smite you this day. Havoc, havoc, havoc in the individual's lives. I speak havoc, havoc, havoc in the individual lives, you are against the LORD ...You're worse than Rome your mother, and because of that I give you double judgement ruins for your lands, ruins for your lands. That's all I've got for you America ruins for your lands. Because you defy the living God.

What's wrong with you? Can't you see a good thing when it's in front of you? Oh well, oh well Your blindness My fury! Oh well, cause I'm coming down now, too late! I am activated you've put this into action. Don't talk about that HAARP don't talk about the elites, cause this will be all the Almighty God, cause they ain't got nothing on Me. When you see waters rock both sides, when you see yourself break apart from Canada. You'll float apart, you will be nothing. I got something for you, America. I am not done with you America. We call California Sodom but the whole state is Gomorrah. East coast I haven't forgotten you, the forefathers of debauchery you 13 colonies, the forefathers of debauchery the 13 colonies. So, I've got something special, the way that you were established shall be your undoing. I've got something for America, I've got you in my pocket, cause I'm out of pocket; and you spread it like wildfire, fire, fire.

You – Bible-belt? Where's your Bible? You Bible-belt, where's your God? You love Trump more than Me. You love your ideals more than Me. *"Conservative - Conservative - Conservative"*. I'll not be CONSERVATIVE! Because you know My Word! So I come down against you. You Bible-belt, where's your Bible? Why don't you do this? You happily skip along, thinking you're right... I say you're wrong and I'll not be conservative with you, I'll be liberal! Conservative is the new gospel, I'll smite it! Why do you come against your God? Lip service, I'll have no more. You may as well close your doors - you do Me no service. You don't worship Me. You don't preach My Word. You don't discern my Word; you don't discern Me. But I'm coming downstairs. You think you're going to have aliens...that'll be fun to watch, but when I come down - the God of Heaven and Earth and I smite you... You've forgotten your God with conservativeness and the House of Republics - that's your god. Then undo I say. Undo I say. It shall be undone from within and what shall you have but shame?

You plains, I see you, no trees to hide... open sight, I see you Plains. You'll not run from Me either. You've got flat land, but I'll outrun you. Go North, go South, go East, go West - I don't care I'll getcha. You read that almanac, you pray to that almanac. I'm the Maker of Heaven and Earth! I gave you that ground, It's supposed to serve Me! Because you serve that almanac - tornados - the plague - the blight! No harvest for you, because you forgot who gives the harvest. You won't rest the land. I tell you simply rest the land. Why can't you do that? So simple, I ask - rest the land one year and I will bless you in doing nothing. I bless your nothing, but you say, *"you have to do something"*. So there's your almanac...the blight - the wind - the bugs. Rot seed! rot seed! No fertilizer will help you. I'm the fertilizer of Life. He is the fertilizer of Life. Stomach's will hunger, and rumble, then you'll remember the Lord your God. What can I undo, I cannot be undone so the curses must alight on this land.

You Plains thought you could run from Me. Like I said, I see. I see everything cause you got no trees to hide from Me. That almanac! I'll set a fire unto it. Whoever printed the almanac. Judgment upon you, cause you've led many a man from their God. When I gave you- oh land, the run on the land I was kind to you, as a judgement to My people, the Indians, and I gave you a run on the land 1882...and you spit on My face with that almanac and you turned aside from your God. Oh but I'm able to make man rise and fall. America will fall to My feet.

Midwest- *"Ooh we're the biggest cities, we're the best part of America"* I hear your words. Your crimes, I see your crimes. You let a lot of crimes go on. The Midwest, I see you. I come for you. America, America, America you got no idea - But you sit back, sit on your beaches, sit in your lawn chair, when I come you'll know...Why would I warn you? I only warn Mine, a service unto My people out of My kindness. But I'll not warn you America. I'm going to swoop down and take you. You'll be Mine. But not as I'd seen fit originally. You deny the Lord your God...shaking My head... You're risen against ME. I'm shaking My head...tsk,tsk,tsk America... You've gone too far. On every high hill, and under every green tree, under every rock I see you. Every debauchery has come up before Me. This landfill of America, man you stick! But I've got something in store for you. Knock, knock- Who's there? It's God. I'm coming down I'll take my stairs in a nice pace, but I am coming. That's what you don't think; you never think I'm coming. And because you didn't punish your children, I must punish you. It's in the land, you don't punish your children... one order, one order... Beat your kids, all over America *"I can't beat my kids"* *"I don't want to hurt Billy."* I hear you, My ears work. I got a cochlea you ain't thought nothing about. My inner ear is so strong, I hear your whisper. Cause I know the motives and intents of the heart. Your heart's not for Me. The heart of America, not for Me. Hacked to pieces; how many of these states shall I take down?

For your sin Florida, you're going down. You and your cousin California, like Judah and Israel, you're going down to the depths of the sea. You and your conservative Christianity. I'll not be conservative with Florida. Your nudity - I see your cheekiness - double time cheeky in word, cheeky in body. Let Me be cheeky; there'll be nothing left of you Florida, not your governor, not your people, not your land. I keep washing you. Why can't you feel it? Why don't you repent with every washing I give you? Year after year I try - with a little water here - I say Let Me try again... But you are just brazen Florida. Florida to the floor of the ocean, where your name is derived - They say you are shaped like a gun, then a mortal wound for you Florida. Florida to the floor - I push the pedal to the floor against Florida. Why won't you take My washing? I've been so nice about it, Miami - Tampa - Those on the inland say *"not me, I'm good, not in Tallahassee"* I will reach all the way through and soak you too. You think you're good cause you're the capital...you're the heart of all these problems - you make the legislation... you've allowed all this on the coast. You think I won't get you? cause you're *"the capital, I'm the star."* I will use your words against you, to the bottom you go!

Maine you're shaped a light post that was meant to be a flame. Your shape is like a flame, but you burnt out long ago. All you flame about is your liberalism, flaming gays. Well I'll set you ablaze. I'm coming for you America. You don't understand, your God is coming for you. You'll remember Me that day. I got a thing against America. I got a thing against America. I got a thing against America. And the Motherland over the ocean...I'll come for you too. Your sowed this, spreading your seed far and wide. I've not forgotten you. But back to Maine... Shaped like a flame - to be My lighthouse...beautiful, beautiful, beautiful, beautiful I've made you - My daughter wishes to see you, but there's nothing to see, so she will never see you. For those who see you, they're going to say "*Maine's on fire like California! Maine's on fire like California!*" Nothing that has ever happened on the east coast... the curses of California come to you Maine. FIRE FIRE FIRE! Cause what else can I do, but I gotta relight that fire - ASH ASH heap of ASH, Ash heap of ASH, Ash heap of ASH. A heap of ash and let it run into Vermont I got a things against you America, something for each you states... You are supposed to be known for good things Beulah land for Colorado, Cheese for Wisconsin...But I got a thing against you. I could go all day with all 50 of you. All day I could go with you. I've got something against everyone of you. Not one of you has served Me. Not one of you have served Me with purity of heart. And you Sin City - let's call you the Sin State leading the debauchery, like eggs from a chicken. I got something against you. I'm going to gobble you up.

Mississippi open up! Waters overflow - I smite the water. I turn that watercourse - you don't understand. I'm coming down, step by step. Ain't that what she sang? Step by step! Ain't that what she sang? She said she wouldn't sink...step by step, so I am coming down. Y'all don't understand.

Who haven't I talked about? Arkansas! Arkansas! My daughter knows nothing about you, but I do - superstitious Arkansas! - God is laughing at Arkansas. I'm coming down. I'm coming down. Let Me debunk every superstition. And you think you're a part of Me? You think you're in the Midwest and "*nothing can touch me*". Don't you worry, I got it. I got it. I told you I'm outta pocket right now. No one will withhold Me. Nothing can withhold Me. Nothing can delay Me. There's not a plan that can go forth that will halt Me cause I'm coming against you America. I'm telling you I got something for every state. Whose next?

Michigan! Michigan Blue - I'm blue in the face talking to you! Michigan Blue, I'm blue in the face talking to you! So your blue waters, your Superior, all your lakes, they'll make you blue, you'll freeze, freeze! Antarctica in America - Michigan, Michigan, Michigan, - why didn't you listen? Why didn't you listen? Why didn't you listen? I got something against you -

Y'all don't get Me - I'll keep talking! I'll keep talking! I'll keep talking!... Why not keep talking against America today? This is the day against America, D-day is coming, D- day is coming - "*We haven't had war since WWII on American soil.*" Oh I will oblige. I will oblige. And not on your island cause I'm taking her down...But on your mainland -

mainland war, mainland war, mainland war, mainland war, mainland war! I declare over you, mainland war! The only people that will be free of war will be My righteous. Have no fear you righteous. I've seen the righteous. I hold them all in one hand. Why can't you people be righteous? Why I got to smite you? Oh well I'm obliging... So back to Michigan, your lakes will overrun you. You'll be the biggest iceberg in America -there gonna say *"it's bigger than the one from the Titanic"*. And England if you try to come over these waters and help Titanic, titanic, titanic, titanic unto you - stay on your lane - stay on your side...don't make Me come for you....cuz you cross these waters... I'm against anyone who's with America, so think twice cause you'll not help your daughter. There's no one helping your daughter! You didn't whoop her, so My billy club is out. Isn't that what you people say? Isn't that what you say? If you parents don't rebuke your child, I will, I'm the police, so I will. You don't get Me, I got a thing against America. I got a thing against America. Who's next? Take a number... Who's next? Who can I talk about You're always talkin about... This isn't gossip, this is prophecy. I like it a lot better. This is fun, isn't it daughter?

Washington, you're up! Oh Hear oh righteous, you've got a short time; You better start a packin' cause I'm coming for Washington. Known for suicide...I'll suicide you. Known for sex-trafficking...I'm going to traffic you. The Russians are coming for you. You'll be the first land after Alaska for them to touch down. Washington, I'm gonna come for you. I'm going to sex traffic you... why can't you be righteous. This is easy, I make it simple. But you dilute My Word. And you think you're Christian and you think because I give you light rain, mist, dew. Evergreen...ever-brown dried and withered. Evergreen...ever-brown dried and withered. You want me to say it again? Evergreen...ever-brown dried and withered. I got a thing against America. I got a thing against America. Warn your sister Oregon. Double portion for Oregon. Cause they've done just like you - their mother; and to Salem, Salem you and your witch trials. I got a trial for you...double time you're going to have to do double duty and detention. Evergreen...ever-brown dried land, dried up, dried land, dried up, some one must be awake saying were the ever-green state... I nurtured you with sweet water, sweet water no other state gets this kind of rain 60% of the year. I am trying to bathe you, can't you see? Florida over there getting doused but you get sweet rain...But I dry it up. Scorched earth! Scorched earth against Washington. Your temperatures will skyrocket, your old will die, I'm take them out... why cause they're old witches in the nursing home. *"Oh don't hurt the old people. Oh save the old people, save the old people"* no no no - old witches, I'll have them too. Burned, burned, burned, burn...the curse of California. Fire, before you go under of course. You will go down too in case you thought I was going to leave a piece of this union - cause there's no union in this union, I got a thing against America.

To the south you enslaved My people - you come against the house of God. I have a dream, how bout that? Who wants to hear My dream? You idolize that man of Mine so he was harvested from the earth, but you still reverence him... *"February is Black People's month"*. You enslave My people and then you worship a man. May the dealings

of the Lord be upon you. You confederates - it's still in your heart - enmeshment with the 1800's, can you believe it? Y'all are hard of hearing. Oh well cause I'm coming down. I'm coming down. I'm coming down. I took a couple more steps. You know when the queen comes down the stairway? I come in regal array, but My armor is at the bottom of the stairs, and I'll be God Most High against you America. You confederates, I've got My eye on you. The English are coming...the English are coming... how bout God is coming! God is coming! Somebody go yell that out! God is coming. Somebody go yell that like Paul Revere, go be a Paul...God is coming down...God is coming down for you America! It'll be in the newspaper. I already got one daughter in the gazette, I'll put another. All over America, may the gazettes work for God, cause they got too much fear. What's coming for America? What's coming for America? I got something against the gazettes but I'll use them before I dispose of them. Who should we talk to next? I told you I've got time and I've got a mouth, so I'm going to use it, as long as I can.

Alaska, you're up! First off Putin is Mine and because He's Mine, I give Alaska back to him. Go back to your motherland, submit unto your king. That is your judgment for the drugs, the debauchery. I've seen. I've seen. I've seen under the snow. I've seen, I've seen, I've seen I've seen! You think you can cover it with snow? That's My snow. And I see your sins. That's why I froze you out. Maybe you won't do too much...maybe you won't do too much...all that cold, all you gotta do is sit inside, read your Word, why can't you do that? But y'all don't get Me... I still have a thing against America and your territories. You'll not run no-where. You Indians in Alaska, you're Mine, so serve your God. I give you time. But Putin is coming. I melt the waters for him to have access. Cause you'll go back to your homeland. Purchased land bought with blood it must be, proper adjudication. Who's up next? Order up

Order up (50 times), order up, order up for you 50 states. I got a thing against America. Somebody oughta write Me a song.... I got a thing against America... you write Christmas songs, why don't you write a God-song... God's got something against America... Gimme a good funky beat cause I'm coming down. Step by step! I'm coming down and when I come down with all My hosts and I lay fire and brimstone.... You think My book is a folklore, My word may be old but its living.

I perform My Word, cause who would I be if not God...so I will perform My Word. I did say I'm excited. Can you not hear? I'm excited! Where's the balloons? Cmon celebrate Me, I'm coming down for you America. For your tolerance I'll be intolerable! You got that from your mother Rome - City of tolerance. For your tolerance, I'll be intolerable, nothing will stand before Me. I'll have no more sin, I told you, you stink! I keep giving you baths - I keep giving you fire. Isaiah 9:10. The sycamore tree *"we'll build again, We can do it, make us great again...We'll make us great again"* I use your words against you... You'll be the greatest ruin in the world. Didn't I say to Tyre and Sidon if I did these works in Tyre and Sidon, they would have repented? If I did it in Sodom and Gommorah they'd still be here till this day.

But you make a fool of your God, So I dismay you, so I'm coming down. I'm coming down, I'm coming down. I take another step towards you... ROOOOAARRR ROOAAARRR. So I can chase you down, the way you hunted man...the way you defiled My land. May the blood start to rise out of the dirt. So you can remember your forefathers sins. The blood is going to start rising out of this dirt. I covered the sin, but I will not no longer. Blood arise and come up to the top, may they see the sins of their forefathers. They're just going to start seeing piles of blood. I don't need to make the Nile red for you. Your going to see what I'm saying blood moon, nope don't see it, floods nope don't see it, hurricane nope don't see it, typhoon nope don't see it tornado nope don't see it. So I'll just give you what you asked for - Jugular, jugular, jugular, jugular...jugular, jugular, jugular... Isn't that what they cried out in the arenas? Jugular, jugular, jugular, jugular, I'm going to cut your jugular. You're going to bleed out, from the inside out. Cause I got a thing against America. Idaho you're safe for now. My people are coming there, you're safe for now. My people are coming there. If you're smart, you'd better move them feet, cause I'm moving Mine. You righteous, if you're smart, you better move your feet. Cause I'm moving Mine- Move in step, lock your step with Me. I give you Idaho for the time being... so you're safe for now. I'll come back to you.

Miami! whoop, whoop! Miami!... I have made you a blizzard and still, and still... but just you wait, just you wait... I got something for you too cause the cold wasn't enough to correct you. Every time I give a little something why, why I give a little something to help you learn rain for Washington, hurricanes for Texas and Florida, fires for California, and snow for you the second Antarctica, you don't have enough water to be an Antarctica, but I'll bring you some, I'll bring you some.

Whose up next Mormon country! Utes Utes Utahans, Utahans you're before Me, your sin is ever before Me. My daughter sure had it right polygamy was the open door to bring every other debauchery, and you breed it like a pile of rats, fleas, vermin the blight. What should I do for you? You say you serve Me, *"Church of the latter day of Jesus Christ"*. Get My name out your mouth you are mormon, mortal, A moron let me rearrange those letters. An immoral America, so a mortal wound for you too, you and Florida; don't forget that Florida a mortal wound I'm a put you to the floor. Back to Utah; Utahns, Utahns, Utahns, Utahns, Utahns, Utahns, Utahns hear your God come down because you defiled the way. Debauchery that's why I shot that man recently, it was in the news, a leader of your church. A mortal wound, may that be the first of many cuz you're going down, cuz you defile My name and My word. Joseph Smith you idolize that man. So, for your idol, decimation. Utah! *"Utah! Everybody come to Utah the most beautiful state in the West."* Utah! Isn't normally beauty for ashes, beautiful ashes? Isn't that what I said yeah, now flip it ashes for your beauty. You're no better, you're no better than your sister California, so the curse of fire because how on else can I cleanse this land but fire and floods. Fire and floods, so floods for some, and fire for others; if you've been wet you'll be dry, if you've been dry you'll be wet and for

Michigan you'll be ice.... ice maybe I'll skate over you. I'll skate right over you cuz you'll be ice. Frozen figurines cuz that's all you've ever been, *"we got our activities to do, we've got things to do, it's snow season"* *"Michigan blue"* I hear your words, *"I can't wait for winter we get to do our activities"* just you wait I've got some activities, cause I'm coming down. How long more can I go, who haven't I spoken of?

Rhode Island you're up next, come on up, come on up, the ticket is right, the Price Is Right for you Rhode Island. Smallest state in this Union and you do your God a disservice. I would think I could rely on the smallest one to be righteous, but you're like your sister New Jersey and your cousin New York and Connecticut and Maryland. For the tiniest state a big judgment, for the tiniest State of the Union a big judgment. You shared another man's sin, so be it unto you their judgment you shared in another man's sin, why can't y'all listen? I'm coming down! This is an assembly, you're in school, clocks in session, that clock and that sand are running against you America. I'm moving, I'm coming down, I'm walking the halls, I'm handing out late passes, I'm handing out detention, I'm coming down the halls.

Chicago! To the city, I'm talk to the state next, to the city Chicago! Chicago! I'll say it like y'all say it, Chicago! For your crime, for your debauchery, for your drugs be it unto you. May you be addicted, may you be afflicted. You are no longer the roadway of America, I break up your tracks, every track you've laid spreading sin. Chicago! Chicago! Chicago! I'm coming for you! And you house a false prophet and you uplift him, Marcus Rogers your name's comes before Me, your sullied and you don't repent you wishy washy windy man, you called My prophet a witch. You don't hear from Me, zip your lips before I come down and zip them for you. Fall away before I push you out. Chicago! Chicago! Chicago! As her father says Chi-town you're going to be so shy when I come down to your town. I got a lot for you Chicago and to your mother Illinois. Illinois whoop whoop, Illinios! I got you on my clock and there ain't much time so if you housing any of my righteous cough them up, get out because when I come down and everyone is going to say *"well they deserved it"*, everyone's going to know *"they needed that"*, your counterparts will be in jail they're going to say *"shoot man we saw that coming a mile away, why didn't y'all straighten up"*? You're going to know when I come down you're going to be known for your judgment. Chicago you and your mother you look alike, a blight on my Earth. Why did I make you I wonder, cuz your people are full of sin, full of sin, full of sin so I got a thing against you, you'll remember Me. Memorabilia you shall remember your God from afar off, if there's any righteous come out, come out, be ye separate before you taste of the judgment because the clock on Chicago is running. You got time zone clocks, I got judgment clocks for every place on earth and Chicago's is on the double time cuz I'm doubly done. And Illinois her mother you bred spawn like none before, and you think you're the heart way to America with your roadways and train cars; decimation. Those of you who still use trains catch a bike, you may need to learn to drive. If there's any righteous come on out, come on,

come on, come on, come on, come on, come on, come on, come on, come on, come on, come on, I'm asking you, I'm helping you, come on get out we'll move on.. Whose on my mind now?

We'll go to your neighbor Indiana. My daughter knows nothing but she's fend to speak My word against you. Blitzkrieg unto you Indiana. You think you're safe, you shared in another man's sin, Ohio's and Illinois; the three of you the stupid Stooges. Shared in each other's sins sharing that Highway, letting it be highway of sin. I remember that murderer on your Highway, you defiled the land, and your history. time stamp 00:51:52) So because you let that go on in the 80s I'll let the Judgment go on. I got a thing against you Indiana. God says there's been many abductions in Indiana and you let it happen. Many abductions from Indiana, women wailing Rachel is wailing who can not be comforted. You sweep my children under the rug, you let them be taken, you do not uphold the precious.... so violence be unto you, so violence be unto you. So, violence be unto you, you didn't protect My babies. That's your judgement Indiana; so many children taken in the night, I'll be your Thief in the Night. I smite you Indiana. I told you two things women and children, women and children, pure religion even if you didn't do the women you didn't do the children, My children, My precious. I got it against you, I got it against you. In-diana, In-diana, In-diana it'll be In-diana I call you Diana the vile god so I bring you low. I gave you the name Ana at the end, Ana was precious but you are not, you did not take care of my precious. I gave you the name Ana at the end but you are not precious, you did not guard my precious, you did not care for my precious, all those kids on the milk cartons, they say they came from other states but I see you Indiana. My milk carton children I see what you've done to them. Covering things up, sweeping them under the rug. *"We couldn't find her. What you couldn't find her what you couldn't find my baby? Why didn't you try?"* Cuz you knew someone had killed them. So, I got a thing against you Indiana. Violence!... is against Indiana all I got is judgments coming out of this mouth cuz none of you will be delivered of your sin, of your unrighteousness and defilement. None of you will be delivered, so all I got is judgments. Don't be mad at Me look at your actions, look at your actions, your fault, your fault, your fault, your fault, your fault, your fault, your fault. Don't come to me talking about *"God can we please petition the court"* there's no court today in session, all right? I got a warrant I'm on the move, I'm up, I'm up, I'm up, I'm up, I'm up, I'm up, I got nothing to say about the righteous and Indiana I got nothing to say about righteous and Indiana. You can stay there cuz you were a plain in another man's sin.
